

Dear Prophetic Partners in Destiny,

Warmest Greetings from Mum and I!

The year 2009 will be a continuation of the Proceeding Word, "Kingdom Transformation Now!" However, God has a special provision for us this year that will help us come into an acceleration of the fulfilment of His prophecies and promises to us personally. The "JEHU ANOINTING" (*Read II Kings 9*) is going to be released on your lives by the laying on of hands and apostolic impartation. The Jehu Anointing is the divine grace released upon our lives to bring God's word spoken to our forefathers to become fulfilled in our days. Jehu had the compounded prophetic anointing to bring into execution all that Elijah prophesied and all that Elisha carried in his spirit. Jehu was used by God to fulfil the prophecies. Jehu like John the Baptist was able to point to the fulfilment of the prophetic word. This dimension of the prophetic ministry is a regal, kingly anointing that will move us from being among our own company of captains (*Fellowship centred*) into the inner chamber alone to receive our commissioning (*Primary Assignment centred*) (*II Kings 9:2,5*)

The son of the prophet was told to search out Jehu in order to anoint him and release upon him God's primary assignment and mandate. God is searching you out and singling you out to receive this anointing so that you can be set apart for your primary assignment and destiny. Many are aborting their prophetic destiny because of circumstances and the current economic and political crisis. The world is in turmoil and the nations are at the crossroads but these death pangs does not need to come on you.

God is sending His prophet to set you apart for your primary assignment. There is an anointing waiting to be released on you. This regal anointing will move you from fighting battles to reigning and ruling with Christ. From being a captain to becoming a king. From being battle weary to bring triumphant in the Lord (*II Kings 10:15-17*).

The prophetic word over Malaysia, Singapore, Indonesia and the Philippines are lingering over these nations. There is a spirit of urgency in the heavens for those who will become recipient of this grace and become carriers of this anointing. These 4 nations are interwoven together in God's prophetic purposes. God's spirit is hovering over these nations to look for a people who will be ready to receive this mandate to govern in the heavenly places.

FIRST REASON WHY YOU NEED TO BE THERE

You know that many things promised has been long overdue from fulfilment. You know you need Jehu's type of anointing to jump-start and accelerate these prophecies and promises into fulfilment.

If you believe all that God had spoken to you must be fulfilled NOW, then this is your Conference. If you know Kingdom Transformation is NOW then God is searching you out with this revelation that God will ANOINT YOU WITH THE POWER TO EXECUTE THE PROPHETIC WORD INTO FULFILLMENT. This grace to bring into fulfilment God's spoken word to our father's generation will be personally released to you.

SECOND REASON WHY YOU NEED TO BE THERE

The Jehu Anointing was to cut off the house of Ahab and destroy the control of Jezebel. It is a social economic system steeped in demonic, religious powers. It was seen in the exercising of political clout with the power of sorcery, corruption and intimidation. Anyone who stood against Jezebel and Ahab was destroyed (*I Kings 21:1-15*). They shut out the true prophetic voice in the land and released the false prophetic ministries and sanctioned them (*I Kings 22:23-28*).

The JEHU ANOINTING confronts the powers of the enemy behind the walls, structures and palace of Jezebel. Jehu's voice revives those who have been paralyzed by her intimidation. The prophetic declaration will revoke the decrees of the enemy and release God's people from bondage and captivity (*Ezra 1:1-4*). The prophetic declaration will give life and strength to those behind the walls of Jezebel's control. The power of false religion and demonic rituals will be broken and those within those walls will rise up within the systems of its operation and overthrows her from within (*II Kings 9:30-33*). The prophetic declaration will bind the powers of the air and hold the elements of the earth from being influenced by them. The voice of the prophetic declaration saturated by God's presence will influence the elements of the earth (*1 Kings 17:1*).

Prophetic Declaration is a valuable tool. The energy behind it is a pent up energy. All energy travels in frequencies and vibrations. What we declare as prophetic decrees carries its own frequencies and vibrations. When you state it aloud, it carries the vibration through all the cells of your body and by touching your body at the same time you feel its unique resonance. Declaration not only sends a special message into the spirit realm but also a powerful message to your subconscious mind. It seals your mind from believing anything else other than what you speak and believe in your heart.

We will declare prophetic revelations for Malaysia, Singapore, Indonesia and Philippines in these three days that will revoke the wicked intentions of men, shut down the pathways of corruption, destroy the arrogance of unrighteous alliances that keep the people in bondage and captivity. God has shown us how to pull down those powers in the heavenly places. Men who are benefiting from a corrupt system will not change and they must be removed by divine decree.

Our gathering together in the Spirit will force these powers to crumble and we will see a change in the spiritual, economical and political climate of your countries. We must sit in sessions and convene a holy gathering and exercise a governmental authority of heaven to enforce His Kingdom rule in the earth. Let the Age of righteousness begin in all our nations.

This governing grace rest upon the shoulders of the true church. If your heart resonates for righteousness and your desire to see God pave the way for revival in our nations then this is the three days of a solemn assembly. When we speak in kingdom authority as the Lord commands us there will be a rattling in the valley and a new nation will be born.! (*Ezekiel 37: 1-10*)
