

THE FACTS OF THE LIFE OF JESUS

Thy Kingdom come on earth, Thy will be done as it is in heaven. Christ Revealed, Church Reformed, City Rebuilt

Trust God in whatever miracle we need. When God speaks to us it is because He wants to do it for us. It is impossible for God to lie. He is Truth. When we listen to His word, it is the same word that created the heavens. When He speaks the word, we will be healed and demons will flee. Only in Him we have answers and hope. Our life is in Him.

What Jesus did for us when He came to this world?

We cannot talk about His birth without talking about His death and resurrection.

There is a window of opportunity that will allow me to walk in to the supernatural lifestyle that will become the foundation for all the future blessing and the greater future that God has for my life.

Any opportunity that comes for us to serve, don't let it pass. There is an opportunity for us to cross.

Act 2:22 "Men of Israel, listen to these words: Jesus the Nazarene, a man attested to you by God with miracles and wonders and signs which God performed through Him in your midst, just as you yourselves know--

Act 2:23 this Man, delivered over by the predetermined plan and foreknowledge of God, you nailed to a cross by the hands of godless men and put Him to death.

God plans all the time. He planned for Jesus to come, for the Son to come and to change the world and our whole life. In the last day there will be an attack on Him so that we will not know the real Jesus. There will be many types of gospel. The true gospel is the Father sent the Son to turn the whole world around.

1) He is born for a purpose

He came to earth for the purpose to bring glory to God and bring peace between God and us so that we can have the connection back to God. No one can go to the Father except through Jesus. Jesus didn't come just to die for our sin and to bless us only but to connect the Father to the sons. He came to this world to show us that all that the Father wants can happen. All that He planned in the predetermined plans and the foreknowledge of God can happen on earth. When Jesus finished His work, everything will fall in place. He was born to be King and to bring His Kingdom down on earth. God can come down to us and we can come before God. Jesus came to bring us life. In Christ there is life and forgiveness and the plans of God can start again. All that God intended when He created man can continue again. Jesus was born for this reason.

If we connect with Him and the Father and allow the Holy Spirit to flow into our life, everything that was on the stand still before can continue now. All that God has planned can become ours. Life will flow, health will flow. Nobody can stop it and God will make all things work for good.

If we take Jesus out, there is no continuity. Through Christ and in Christ everything will go back as before to the original purposes of God. Our life will never be the same again. Pursue Him until we understand that only in Christ there is hope and future. He was born for us.

Easter and Christmas are facts and the story is life. People may celebrate it differently or with rituals but it's a fact and we celebrate life.

2) He lived

We studied the life of Jesus and how He brought God into the world. For 33.5 years He lived on the earth. This is another fact we need to know. God can live in the body of man and express fully. God don't want to just live with skills and talents. He wants us to carry life. When sin is removed, God can live in us fully. The more we get rid of the flesh and the world and the things not connected to heaven, the more He can live in our lives. God was performing miracles through Him. God can live in men and manifest fully.

Ask God more and more to live through us and change people's lives through us. Most people ask God for blessings and live our own life. This is not Christianity but paganism. We are just using Him for a good life.

3) He died

Because of what He did, our body can now become the temple of God. Sickness and flesh has no power. When He died, sin was destroyed.

4) He rose again

No founder of any religion had died and rose again. There are many stories trying to say that Jesus didn't die and being replaced by another person. Find out the truth and not listening and reading everything from the internet.

Death could not stop Him. Jesus lived, died, and rose again and victorious living in a body. With what Jesus did, how can we fail? Death, darkness, sin, etc cannot stop us. This same Jesus died on the cross and now living in the spirit and living in our lives every day. We not only have the best, we have Him living inside us.

He came not just to bless us and have a nice life. The real reason is so that He can live in our life. Because He is alive, we are alive and have life. Now God can live in us. All that God has planned will now continue.

5) He sat at the right hand of God

When He rose again, He ascended to the heavens and sat at the right hand of God. All the enemies are subdued under the feet of Jesus. God will find His people, cleanse them and change them and use them to advance His Kingdom over all the earth.

When we know all this truth, we will never be a lousy Christian. We will know how to live a victorious life and know how to live the best for Christ. We can live and go to the top. He paid such a high price so that we can become better. Everything that He planned can continue.

- ***He sent the Holy Spirit down to the church.*** He gathered the people together, assigned them and sent them to the world to change it. We are the source of blessing. The Holy Spirit empowers us.

If we don't reach out to someone, we will die internally because of the blessing. This is living in poverty. As long as we are blessed and family is blessed and children blessed, that's all and we stop. This is small mindedness. God wants us to live bigger. He has more for us but we want less and less.

- ***He gave Himself as the Head of the church.*** Jesus leads us. He is at the driver's seat to lead us. He is our Leader and will lead us to the other side. He knows the way.
- ***He gave us His Name.*** In His Name, sin will be broken. We can go further and become the source of blessing. What we have can change lives. Don't take it and hide it and lock it up.
- ***He gave us His Commissioning.*** The reason Jesus was born so that He can prepare us and raise us up to finish what He has started. Go to all the different domains and touch people's lives.

Sickness and needs cannot hold us back because Jesus is alive forever. Stop lying to ourselves thinking that we can solve all problems on our own. Christmas, Good Friday and Easter are facts of life and if we know the true life of Christ we can live victoriously. The church cannot go up if these are not complete. It is a fact that Jesus was born into the world.
