

A MALAYSIA BARU IS ON THE HORIZON

A new Malaysia “Faces Without Races” is coming out of the valley of dry bones. The New Malaysia is a People in Transition, A Nation in Transformation. The prophetic word that has been hovering over this nation is falling in place. All that has been prophesied in the PAST, all that has been clarified in the PRESENT and all that has been hoped for in the FUTURE will be fulfilled.

We will see a formation of solidarity among Races, Religion and Region. Those who propagate and practice racism and religious bigotry will find their way out. Their down fall will be their own doing.

This New Malaysia will be All Inclusive, not Exclusive Club for one race, social status or strata of society. The New Nation will be a Malaysia for All Malaysian. A Bangsa Malaysia.

The diversity of culture will enhance our way of Life. In the years to come the Malay, the Chinese, the Indian and all the Diversity of our Malaysian Family and Race will make the Rainbow seem like a reflection out of the sky!

All limitations are learnt. We can break the curse of this divide and synergize together in the power of one. If we trust God for the Impossible, He will show us it is Possible to Live Together In Peace and Harmony.

We must not surrender our FUTURE and the future of our children. We have been building together for almost 6 decades and we must not be pitted against one another. We can agree on the rules of engagement and build a Malaysian culture established on the tenets of Rukun Negara.

1. Believe in God – Kepercayaan Kepada Tuhan
2. Loyalty to King and Country – Kesetiaan Kepada Raja Dan Negara
3. Supremacy of the Constitution – Keluhuran Perlembagaan
4. The Rule of Law – Kedaulatan Undang-Undang
5. Good behavior and morality – Kesopanan Dan Kesusilaan

And Negaraku, an anthem for All Malaysians.

There is a passion for a New Malaysia in all our hearts. We treasure God given dreams for our nation. We must not allow the dream thieves to rob us of our dreams and the hope for a better and greater future.

We need new guidelines for our politicians and elected representatives that will keep them from our Malaysian culture of honesty, loyalty, integrity and accountability.

We need leaders who make us proud. We need leaders who become a pattern and a model for our children. We need to see a new breed of national leaders without greed and a radical opposition to corruption.

We must model the way of righteousness as righteousness exalts the nation. We are the Malaysian Family. We must build together for one another. We must continue to build with hope for a greater future and destiny for our country and our home.

We cannot allow politicians to steal our tomorrow. We must stop following leaders who expire in five years. Often they undo what has been built over almost 6 decades.

We salute a New Malaysia, Faces Without Races.

A Hope for ALL, A Home for ALL, A Haven for ALL.

Let Malaysia Rise to Her Destiny.
