

OUR ASSIGNMENT

2016 - Your Righteous Scepter from Zion will Establish His Coming Kingdom

If God don't speak to us, we won't have the grace and we will not have the spirit to push and lay hold of it. When we hear and heed what God is saying, something will happen deep inside our heart. As long as the word does not get into our heart, it will never become a reality.

God must sow the seed. God finds the sower who can sow the seed. If Papa is sowing healing seed, then healing will take place. If he sows future prophecies, it will be our harvest. The people will have no harvest if they do not have seed. God is speaking to us again and again because He wants to give us the harvest. If God speaks to us about life, then we will have the harvest of life. That's why the seed is important.

IF God speaks about a great future and we don't believe it, we will not receive it. Some people believe it too late or too early because of impatience, they will not receive it. God's word will not fail. It is impossible for God to lie.

God is about to begin a fresh new work in our life. The supernatural is about to begin. Signs and wonders are about to happen. The world has no answer and they have nowhere to turn to. The things that God said will always be the answer. In His Name, demons will bow and flee. We have to agree with what God is saying and choose to disagree with ourselves. Quickly agree with God so that things that are not right in our life will change. Whatever it takes, agree with God. Without the Word we cannot be sustained. God is good to us and even with a little light can push darkness away. God's word is light.

God is giving us building materials to rebuild our own lives. He wants us to start building. If the devil is prevailing over the church, it is because we do not have enough building materials. Most churches only gather for fellowship. If God does not speak and heaven is silent, we do not have material to build. When we follow what God speaks, things will happen and God will give us materials that will last forever.

God's rule will go forth from Zion. He is the Governor of heaven and earth. Nobody can negotiate with Him to take His place. He is King forever.

Mar 1:33 And the whole city had gathered at the door.

The city is looking for what the church can bring. The city is at the door. Which door? The city is not looking for the door of the world. The city is looking for our door.

Our pledge to touch God, changing lives, serving community, pursue purpose and corporate destiny and modeling education is all found in Mark.

Mar 1:35 In the early morning, while it was still dark, Jesus got up, left the house, and went away to a secluded place, and was praying there.

Mar 1:36 Simon and his companions searched for Him;

1. We need to reorganize our life

Change our lifestyle. Wake up early. Reorganize our life and be where God wants. God wants us to be where He is. Wherever God is going, He wants us to come along. Connect to the power source and our life. Don't be connected to everybody and everything. Connect to the right source.

2. We must be one with the chain of authority and act in accountability

The authority that we receive comes from Papa, the senior pastor. After we have used the authority, we must give accountability and give a report to what is done. A lot of people take things in their hands and never report back to the leader. If we are asked to do something and it is done, we must report it immediately and give an account. If we receive something, we must give an account to the person who gives us the authority. The devil knows if we are under authority or not. If we are rebellious, the devil will not obey us. Submit ourselves to God and resist the devil and the devil will flee from us. In this holidays, learn how to submit under authority.

Be accountable to those who give authority to us. Demons are lawless.

3. One time portal will open to another to bring us into a season of better things.

Mar 1:15 and saying, "The time is fulfilled, and the kingdom of God is at hand; repent and believe in the gospel."

Everything has time limit. Don't miss our timing in every aspect of life. Everything has specific time. A lot of people are at the wrong season. What God is saying to us this year, finish it this year. We have 11 more days to finish this year. At least in our spirit, we must know what we are doing.

4. We have to pay the price for strong leadership

We must become a good leader material. The best way to take leadership in community is to start from here. A lot of people who are doing great exploits started from church.

Touching God is Our Passion

Mar 1:9 In those days Jesus came from Nazareth in Galilee and was baptized by John in the Jordan.

Mar 1:10 Immediately coming up out of the water, He saw the heavens opening, and the Spirit like a dove descending upon Him;

Mar 1:11 and a voice came out of the heavens: "You are My beloved Son, in You I am well-pleased."

Mar 1:12 Immediately the Spirit impelled Him to go out into the wilderness.

Mar 1:13 And He was in the wilderness forty days being tempted by Satan; and He was with the wild beasts, and the angels were ministering to Him.

This is the aspect of touching God. If we do the right thing, God will do the rest. If we seek Him, we will find Him. If we don't want Him, we won't see Him even when He is standing right beside us. If we want suddenly our eyes will be opened. That's why touching God is important. If we do what we need to do, God will know what to do.

If we are in the ring and we need to fight with a girl, then this is not a fight. Our opponent is not chosen by us. God will approve us and the Holy Spirit will lead us into the wilderness. He is our Leader and Promoter. He will give us strength from on high. We will deal with the beast from hell and from the earth and God will send the angel to minister to us and give us strength.

Mar 1:40 And a leper came to Jesus, beseeching Him and falling on his knees before Him, and saying, "If You are willing, You can make me clean."

Mar 1:41 Moved with compassion, Jesus stretched out His hand and touched him, and said to him, "I am willing; be cleansed."

Mar 1:44 and He said to him, "See that you say nothing to anyone; but go, show yourself to the priest and offer for your cleansing what Moses commanded, as a testimony to them."

Mar 1:45 But he went out and began to proclaim it freely and to spread the news around, to such an extent that Jesus could no longer publicly enter a city, but stayed out in unpopulated areas; and they were coming to Him from everywhere.

Changing Life is our Priority

One life changed can affect an entire region. He promoted Jesus in such extend that Jesus cannot enter the city. Those who are changed properly, they have the power to bring witness. One life will change another life. When we live righteously, we can affect other people. If we are living right we should have testimonies every day. Every day we can think of something we can thank God for. If God is not working in our life, we will be in deep trouble.

What is the drive in our heart? Do we want to praise God all the time? Do we have the desire to share the goodness of God all the time and at every opportunity? Take every opportunity to do what is right. What matters is His Name lifted up.

Building Families

Jesus came into Peter's family and touched Peter's family. God is interested in changing families (whole family). Whatever there is lack in the family, Jesus can perform the miracle so that families will not be destroyed and lives of people will be set free. In us all the families of the earth will be blessed. Go into the homes of people, find what is lacking and fix it. Ask God to help us to fix it. This is the first miracle of Jesus (turning water into wine). The children may be sick or parents are sick or death in the home. We go into the house and found out many things have taken place. Find out what is the lack and help them. It is important to remember, families must be touched.

Raise Leaders

Mar 1:14 Now after John had been taken into custody, Jesus came into Galilee, preaching the gospel of God,
Mar 1:15 and saying, "The time is fulfilled, and the kingdom of God is at hand; repent and believe in the gospel."
Mar 1:16 As He was going along by the Sea of Galilee, He saw Simon and Andrew, the brother of Simon, casting a net in the sea; for they were fishermen.
Mar 1:17 And Jesus said to them, "Follow Me, and I will make you become fishers of men."
Mar 1:18 Immediately they left their nets and followed Him.
Mar 1:19 Going on a little farther, He saw James the son of Zebedee, and John his brother, who were also in the boat mending the nets.
Mar 1:20 Immediately He called them; and they left their father Zebedee in the boat with the hired servants, and went away to follow Him.

We must choose people and make them leaders. Leaders are not born. They are made. God is the Creator and He made man. Make sure people who follow us will become better leaders. We must find good leaders who will raise good leaders.

Model Education

Mar 1:27 They were all amazed, so that they debated among themselves, saying, "What is this? A new teaching with authority! He commands even the unclean spirits, and they obey Him."

This verse is about new teaching. We need to model education that can put people in the right place and strengthen everybody. If we are taught well, we make lesser mistakes. We want to be able to raise our children to the best. Give them the competency. They must have the Word content.

Serve The Community

Mar 1:32 When evening came, after the sun had set, they began bringing to Him all who were ill and those who were demon-possessed.

Mar 1:33 And the whole city had gathered at the door.

Mar 1:34 And He healed many who were ill with various diseases, and cast out many demons; and He was not permitting the demons to speak, because they knew who He was.

God want us to use everything He has given to us to change the world.

Pursue Purpose and Corporate Destiny

God has to raise different teams of people up. First was John the Baptist, then Simon Peter, John, James, Peter's mother in law, the leper, etc all going towards the same direction. Everyone of them regardless of the time they were changed, they moved forward to the same direction.
