

MAKE YOUR WAY PROSPEROUS AND HAVE GREAT SUCCESS

Strong Families, Great Churches

The times that we live in is going to be created with all kinds of problems because of people involved; lovers of self, money, violence, etc. It's not just IS people who are violent. Those who are saved can also be violent; those who are violent with words. We need to know who is above all, above us, for us, with us, below us, in us, around us, against us, who are we and who is like us.

We must join the winning team. Choose our friends if we want to win. Choose to listen to the right people. Bad times are created by bad people. Every time we have a good time, we find good people there. God wants us to take back our life, time, thinking patterns, and health. It is important to know what we do with our life. After God created man and woman, God said be careful with what you eat. You are what you eat. If we eat healthy, we will be healthy.

Don't allow wrong people into our life. If we allow wrong people into our life, we can be sabotaged of our destiny.

Psa 1:1 *How blessed is the man who does not walk in the counsel of the wicked, Nor stand in the path of sinners, Nor sit in the seat of scoffers!*

Psa 1:2 *But his delight is in the law of the LORD, And in His law he meditates day and night.*

Psa 1:3 *He will be like a tree firmly planted by streams of water, Which yields its fruit in its season And its leaf does not wither; And in whatever he does, he prospers.*

Psa 1:4 *The wicked are not so, But they are like chaff which the wind drives away.*

Psa 1:5 *Therefore the wicked will not stand in the judgment, Nor sinners in the assembly of the righteous.*

Psa 1:6 *For the LORD knows the way of the righteous, But the way of the wicked will perish.*

Whatever we do we can prosper. We don't want to be failures. We fail not because God fails. We lose or fail because we don't listen to the right information or people. If we listen to the people who care for us we will make the right decisions. In all that we do then we will prosper. The beginning is God's word.

Why some people succeed and why some people fail?

In the beginning was the word. One of the greatest revelations from God to mankind is His word. By reading His word, we know who He is and His nature. Man has not seen God but Jesus came to explain Him. If we watch Him, we will know what the Father is saying. When Jesus became flesh, we beheld the glory. No one has seen the Father at any time except the Begotten. He came to explain the Father.

If we want things to happen in life and move in the pathway of success and become prosperous, we must have access to Godly counsel.

2Ti 4:1 *I solemnly charge you in the presence of God and of Christ Jesus, who is to judge the living and the dead, and by His appearing and His kingdom:*

2Ti 4:2 *preach the word; be ready in season and out of season; reprove, rebuke, exhort, with great patience and instruction.*

Rebuke someone with God's word is ok. God's word is alive and can divide the soul and the spirit and judge the intentions of human hearts. If we want to be successful we must listen to the right people. If we listen to the wrong ones, we will be listening with an itching ear. We need people who tell us straight the truth. It's not just about love. Someone must tell us the truth because only truth sets us free. Truth exposes people. If it is true, say sorry and move on because this is humility.

When God gives us His counsel we will win with hands down because He gives us a head start. Don't take God's word lightly. Without the word we cannot achieve success. Some of us are strong in the spirit but don't have the word. If we are strong, learn to identify God's word and teach it and preach it. With the spirit we have strength and with the word we have strategy. When we put strength to strategy, we will have success. We need the word and our mind must be sharp. A lot of people have certificate but their minds are not developed properly.

The thing that God is giving to us is the counsel of His word. Whatever God is thinking we can think like Him. If we can think like how He is thinking, then we will see results like how He would see results. If we renew our mind our life will be transformed and discover God's will. Even things that are hidden God will give us access. Don't rubbish off what we hear on Sunday. Those who don't honor the word will not go very far.

Mat 7:21 "Not everyone who says to Me, 'Lord, Lord,' will enter the kingdom of heaven, but he who does the will of My Father who is in heaven will enter.

It's not about what we say but what we do. Not only are we successful but we can teach others to be successful. The greatest is those who serve.

Mat 5:19 "Whoever then annuls one of the least of these commandments, and teaches others to do the same, shall be called least in the kingdom of heaven; but whoever keeps and teaches them, he shall be called great in the kingdom of heaven.

Greatest is he who serves and great is those who know, do it and teach the word. God wants us to come out to the higher level. A lot of people talk about things but never do it. They say one thing and practice another thing. When we practice God's word and follow God's counsel, He will make our way prosperous.

Mat 7:24 "Therefore everyone who hears these words of Mine and acts on them, may be compared to a wise man who built his house on the rock.

Mat 7:25 "And the rain fell, and the floods came, and the winds blew and slammed against that house; and yet it did not fall, for it had been founded on the rock.

God wants us to hear and heed. He wants us to practice what we believe. The Holy Spirit works within us.

Php 2:12 So then, my beloved, just as you have always obeyed, not as in my presence only, but now much more in my absence, work out your salvation with fear and trembling;

Php 2:13 for it is God who is at work in you, both to will and to work for His good pleasure.

If bad emotions, sin, disobedience are working in us we will not see results. If God is working in us, we will see results. We must take the word into our heart. We must choose the word over everything else.

We must know if our life will stand just like the wise man who builds the house on the rock. In the midst of all difficulties, God can guard our life. It is not our idea to put Jesus on the cross or raise Him from the dead. It is all the plans of God and God wants us to have a good future. This is God's kind intention. God loves us, cares for us, plan for us so that we will not be defeated. Everything He plans, He plans to make our ways prosper.

1. Proceeding word

Papa has many troubles in live but he does not stay down. We must rise up and move forward. God sees our heart and our willingness to change. Keep pushing forward and don't give up easily. Don't work hard for money until we lose our relationship with God. The church must rise up fighting until the crown is on our side. For this to happen, our spirit has to be strong and the mind has to be strong.

No matter what we did in the past, it does not matter. IF we listen to the proceeding word, we can correct the past and we can turn it around. The proceeding word will arrest our live and will help us change. If we don't listen things will go into error.

Health is not something we lost yesterday. If there is something wrong in our body, arrest it quickly. When things are not well, attack it and challenge it. It is better to discover the enemy and get it out fast. The proceeding word comes every Sunday not to fight it but use it. Everything that we have not done well, God can help us correct it.

We are not ready for tomorrow because we never dealt with our past today. We must want it. We must not just wait for things to happen. We must be desperate enough to want it and be serious about it.

Don't take a long time to graduate. The people of Israel can get into the Promised Land in just a few months but they circled the wilderness and took 40 years. By now we should be teachers but yet we still want milk and not becoming mature. What is holding us back now? The proceeding word will help us.

2. The prophetic word

God gives us the prophetic word to help us understand the future. The prophetic word is a powerful word that will tell us what we will come into in the future. When God gives us understanding to what He is saying, we will have clear strategies. We will be set on course. We will know what God is saying to us now and future.

The word we see now is the proceeding word. The word that God shows us all the way is the prophetic word. These 2 are very important. God gives us the word now and shows us the future so that we can decide now if we would choose the best. When God brings us in, we must have the tenacity to touch all. He gives us the prophetic word. The God that we serve is a God with foreknowledge and can see far. He didn't plan it yesterday. He chooses us with plans from the foundation of the earth. That's why we need to understand this God that we serve.

The proceeding word is for the correction of NOW and PAST and get ready for the future. The prophetic word is so that we can set the future and be focus and go for the best.

Why do we need to listen to the proceeding word and prophetic word?

Before we were born God has already seen the future. He has already seen us. God is a good Father. He has predetermined to help us and push us. Stop fighting God because He is on our side. Don't plan our future alone. Plan it together with God and with Godly counsel.

Change today and deal the things that are wrong with God now. The prophetic word will become clearer with understanding. God will carry us through in all things; health or trials. The God that we know has already seen our future and the future of our children. We are not better than God so stop lying to ourselves. We can plan many things and get into trouble.
