

PORTALS TO BREAKTHROUGHS

³² Of the sons of Issachar, men who understood the times, with knowledge of what Israel should do, their chiefs were two hundred; and all their kinsmen were at their command.

1 Chronicles 12:32

Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ,

Ephesians 1:3

God has filled up all our account with resources. He knows we have problems and that's why God has blessed us with every spiritual blessing. We don't need to look around and struggle to believe. Why waste time building something that will collapse? Building anything without Christ will collapse. He sets us free even before we are born. Stop looking around for what is not lost. We have to believe and seal it in our heart that God is our Provider. What God has promised will come to us. The blessing is given by the Father. He chose us to be blameless even before the foundation of the earth.

God gave us all spiritual blessing for our family, children, job, car, house, etc. He does not give us a house without the means to make payments of loan. God is not Pharaoh. God is not mocked. If we sow we will reap. We must be settled in our heart that we are chosen so that we can become. Set out priorities right.

We are not entitled to the blessing until we become the son. We don't have the right to push just because we are Christians or baptized. IF we don't become what God wants us to be, what is above will never flow. If God has made a plan, fulfill that plan. Once the work is done, the blessings will come. Do not run after our own needs. Run after God. Don't think that we are that smart thinking that when we do wrong God will still do it right. Everything that He has planned can become ours. We have to become blameless and holy and we must choose this. Then the Spirit of Adoption will come.

Encourage our children to go forward and find God. If they can find God, they can survive and live. Let them love the Lord and let them grow. Give the children back to God. Do not overprotect them.

1. **This portal will be opened** for those who have been drinking from an unpolluted fountain that God has reserved for us in ISAAC and for all those who have been following the way of God in the Alliance. What the father secured in covenant, the sons and daughters are entitled to its benefits. Fathers secure the covenant and the children gets the benefits also.

When the portal is opened some of the things will happen. Get rid of 3 things from our life by today immediately. VERY IMPORTANT! OUR LIFE DEPENDS ON IT.

- a. Stop becoming hardened in our heart. Keep our heart tender. If God stops speaking to us, our heart will become hardened.
- b. Disobedience. Whatever God speaks to us, do it.
- c. Speaking evil of the way. It means mocking what God is saying and mocking people's zeal. We must guard what we say. A man is justified by what he says. We can set ourselves free by speaking rightly.

God can withdraw and take away what is ours. God wants us to change and change is an attitude. The things that we do can prove to us that we have not changed.

2. This supernatural portal will open for **those who are ready for a fresh move in God**. God's people will volunteer freely to lay down their lives for God and serve Him with selfless sacrifice and sincere service in the day of His power.

Those who are ready will enter. When we enter we will change; the worship, the way we behave, etc. If we don't enter this portal, a lot of things can go wrong. Speak to our cell members to get ready. This portal will give us provisions to all that we need.

3. This portal will give us the permission to connect and **have access to all the provisions of God** for our lives, family and friends.

The entrance into the portal will remove every fear, anxiety, care and concern so that our heart is not intimidated by our needs. God will bless us and we don't want what the world offers. The portal will be opened for those who are ready to move. When we have entered the portal and our heart is settled, we have entered. If we do not feel settled in our heart concerning provisions, it means that we have not entered into the

portal. THIS IS THE SIGN that we entrust God fully for all the needs of our life. Every anxiety and lie of the enemy will be gone.

The coming years will become tough and it is hard to make money but for those who trusted God and have entered the portal, they will be fine. If we don't have faith and available resources, it will be tough.

For those who entered the portal, we will be spared. This is the first sign.

4. This portal will have **access through the frequencies of the utterance and language of tongues.**

God will give us a new tongue language. When we pray in tongues, we suddenly have a new language in tongues. God will change the frequency and hidden treasure. Start praying in tongues and give us a new language. Keep praying in tongues until it becomes a language and a force. It must become a lifestyle habit. Pray in tongues aloud and audibly until we are filled with passion.

Don't be afraid. Pray loudly within the space that you have and do not disturb the neighbors. It's not about praying at 3am in the morning. Find the space and time to pray in tongues consciously and capture the sense of what God is doing.

Pray regularly until it becomes a lifestyle habit. Pray in tongues abundantly and don't break the flow. Pray aloud until it becomes our zeal. Pray strongly until it becomes an understandable language. Pray consciously until we sense the Spirit.

5. God will put a **dedicated line of frequency** so that it is not just a NOW victory but also a continual breakthrough until we triumph in Christ.

Our language of tongues will change. It may not change the first hour. Change comes from the inside and the spirit is buoyant that things will happen. God expects a lot of language of tongues arise from Muar. Guard the way we think by following the scriptures. Don't get carried away in tongues. It's not about doing things in moderation but DO THE RIGHT WAY. Some people will keep praying in tongues and will not pray

in English or sing in English. Pray in tongues until we capture the sense of our own spirit inside.

6. Our **personal spiritual consecration** will cause the favor of God and man to continue upon our life.

The things we are willing to sacrifice will earn us points before God. God will treat us kindly because without holiness we cannot see God.

7. This would be the beginning of **the reality of the Storehouse Principle** according to the Order of Melchizedek.

We must be very careful with money. We must learn how to handle mammon. If we want to prosper, do what is right. Give and it shall be given back to us. By doing what is right with mammon, when we give, we will trigger others to give as well. Giving includes forgiving. If we forgive people, we will see God restores so many things. Giving releases people and our lives can change.

8. This spiritual pathway of the Spirit will connect to a **new order of spiritual relationship of intimacy in Christ**. We will know the spirit world because we will be taught by the Holy Spirit Himself.

9. This spiritual pathway of the Spirit will connect us to a **new and living way of approach to God**. We will touch a **new dimension in worship and in prayer**. Our musicians must consecrate themselves and our music must embrace holiness, peace and joy.

God is opening up the door for a new and living way of approach to God. God will show us a special way to reach Him; a new and living way. The Holy Spirit will teach us how to enter into His Presence. He will show us how to worship God and lift up our hands. We can live a holy life because of the way we know Him. If we like someone, our way will change. If we don't like a person, our ways will change too.

There is going to be a new and living way that will produce the spirit of worship inside our heart. We will not be angry and growling like a pregnant dog.

10. The spiritual pathway of the Spirit will **connect us to the incredible power to change lives**. Jacob will become Israel, Simon will become Peter, Abram will become Abraham and Saul will be Paul.

This portal will give us the power to change lives. Family members who are not saved will be saved. There will be transformation in people's lives.

11. The spiritual pathway of the Spirit will **activate faith for the miraculous**. Sickesses, demonic spirits, mental oppressions will be cut off from our lives. We will be able to measure the dimension of the Spirit's flow whether is knee deep or ankle deep. The buoyancy of the spirit and the dimensions of faith will **release our confidence to ask for a hard thing**. We must not delay our miracle.

Praying for the sick will be easy. In the future services we may see people screaming because demons are coming out. God is opening this portal for us and we must enter.

12. The spiritual pathway may close and those who miss out will walk in defeat and distress. We must choose to abide by God's time schedules and He is always on time. He is never too early and He is never too late. Every choice you make comes with consequences. We must be responsible for our lives, our family and the greater family of the church.
