

## **RECEIVING THE LIVING WATER**

*Joh 4:7 There came a woman of Samaria to draw water. Jesus said to her, "Give Me a drink."*

*Joh 4:8 For His disciples had gone away into the city to buy food.*

*Joh 4:9 Therefore the Samaritan woman said to Him, "How is it that You, being a Jew, ask me for a drink since I am a Samaritan woman?" (For Jews have no dealings with Samaritans.)*

*Joh 4:10 Jesus answered and said to her, "If you knew the gift of God, and who it is who says to you, 'Give Me a drink,' you would have asked Him, and He would have given you living water."*

### **We must break every restriction in receiving the living water.**

God wants to change our life but He will not force us. There are so many things that prevented Jesus from giving the living water to the Samaritan woman.

When God asks us something, it is always because He wants to do something in our life. God is speaking things to us because He wants to do something in our life. We ask for temporary things but when God does a work He plans for permanent answers. God will give us permanent answers. We must stop putting things that will hinder God coming into our life; fear of demons, men, or even 7 nations that is stronger than us.

We must stop the enemy so that things can happen. Anything that we have we don't use it, we will lose it. IF we just put the bread on the table and don't anything to it, it will become filled with fungus. Even when we don't do anything to the garden, all the weeds will grow and unwanted things will take place.

We must break every limitation and restriction that will stop God from releasing the best into our lives. We have to stop wrong thoughts, wrong words, wrong communication, etc. We are responsible for our own lives.

When God gets closer to us and He wants us to receive it, He will show us how to deal with all these things. Our destiny is to be blessed. Sometimes we have wrong kinds of perception but God is our Father. When we ask for bread He will give bread, not stones. God has no rotten things to give.

There is a possibility of God doing great work in our life but if we are afraid, nothing can happen. Clear the road and passageway so that all that God wants to give to us can come to us.

## **There's a great possibility to receive living water.**

**Joh 4:10** Jesus answered and said to her, "If you knew the gift of God, and who it is who says to you, 'Give Me a drink,' you would have asked Him, and He would have given you living water."

When God asks us to obey, it is a demand and an opportunity for Him to bless us. All His blessings are conditional. If we fulfill the conditions, the blessings will flow. God don't want us to give us the least. He wants to give us the best.

God wants to give us things that will start to grow. When it grows, we can change cities. We don't have to be afraid when we yield ourselves to Him. If we want greater blessing, then provide greater obedience.

If God can test us and prove us, then He will promote us. Sometimes we think that God is taking away things. He is not taking away anything. He is just exchanging the old to the new. Whatever given to Him will multiply in great measure. If we knew the gift of God and who is asking us, we will not be afraid and we answer Him. If we respond to Him the possibilities will be wide open. Anything can happen and great things will take place. We fulfill the requirements from heaven and all things will change. If we don't want to obey, there is nothing anyone can do.

We have to make choices. Make choices that will take us up, not taking us out. Don't go lower because God has planned to take us up higher.

Do we know why God is speaking to us about the portal, giving us visions and dreams? It is because God is going to do something BIG. However we are so afraid that God is taking away the little from us. Surrender our lives so that God can transfer things to us.

There are different types of water; living water, water from this well.

**Joh 4:11** She said to Him, "Sir, You have nothing to draw with and the well is deep; where then do You get that living water?"

**Joh 4:12** "You are not greater than our father Jacob, are You, who gave us the well, and drank of it himself and his sons and his cattle?"

The water that He is giving to us we will never thirst again. It is a permanent answer. What is God giving to us? If we are a good Christian, learn to be honest and find out why we are living in

the life we are in now? God is giving us great things and yet we are living low? There is a place called the “next level”. We should be living there; as a businessman, pastor, father, student, etc. We can live on a higher plane. The water that He gives to us and speak to us will bring us to the next level.

The woman came to the well to draw water. Jesus came to her to place a well inside her so that she has permanent answer. God is not outside anymore but inside. When He is inside, it is easy and we can fight the battle every day. God is giving us an answer. Ask the Lord to do a work inside our life.

Any restrictions we must shut it down. Ask God to help us. Tell God that we are fed up with the restrictions. Things can change and our life can go up to the next level. Change is coming. Our life will become better, marriage will become better, and children will become better. Don't say NO.

When we say YES and serve Him, all good things can happen.

### ***Urgent things to do***

*Write down all the things that God has spoken to us from the beginning of 2016 until now. He will bring everything to pass what He has promised to deliver. God wants us to have the best. He does not want us to have less. Then ask Him to explain to us what He has spoken to us. Then access ourselves to see if we have been obeying.*

This woman is going to change the city. God is going to bring us to a greater level, bigger things and greater things. We must come under authority to express authority. We cannot enter demon territory without having authority in our life.

Spiritually this is true. Demons fear Papa not because of his face. They are frighten because God lives in him. God is not hiding in him; He is living in him and he are under His authority and he are subjected to His authority. God has set Papa and Mum as the authority in the house. We need to be under authority so that we can function in authority.

The water that God gives to us will become a well inside us. When Jesus told the woman to call the husband it is because it is for covering and protection. We must know who sent us and who is covering us. We are representing the Kingdom. The authority that we carry is the authority that God gives to us. When we go out, the devil will recognize that we are wearing the authority.

We have learn to be accountable. We can't be appearing one day and disappearing one day with no accountability. This has to stop.

This woman is a messed up woman. But by putting the water in her life, it changed her life and she became the head and not the tail.

The water that God gives us, take it into our heart. Don't harden our heart. Don't come to Sunday morning and listen and just brush off everything aside and busy with our work.
