

5 KEYS TO UNLOCK YOUR PROPHETIC FUTURE

This morning is special because it is the beginning of a journey where we will find the Father, the Son and the Holy Spirit.

Jesus said no one can come to the Father except through Him. If we know Him as our Father, it is the beginning of our special journey.

There are different stages of life and in the Kingdom there are different levels that we go up. A bird is not afraid of crossing the river because it does not depend on the water. It has all the necessary ingredient to cross.

When Jesus came, He revealed the Father. When He was building the church, the Father spoke to Peter and gave the revelation of the Son whereby upon this work He will build the church.

We must not be bound natural things. What we see or feel or experience must not keep us back. This is a new beginning. In this Psalm are the keys to unlock the portal that will put us back into the path of destiny.

Everything we need to know or say or do, God will open up the platform for us.

Psa 110:1 *A Psalm of David. The LORD says to my Lord: "Sit at My right hand Until I make Your enemies a footstool for Your feet."*

This is the time to draw near to God so that we can hear the voice of the Godhead in the council chamber. We are able to enter into God's Presence and hear what God is saying. God is giving us this privilege. This privilege is conditional. We have to knock in order for the door to open, seek to find and ask to receive.

1. Prioritize our relationship with God

Isaiah was a great man but when he saw God, he said he was a man of unclean lips. Sometimes we are not effective as leaders and cannot lead the way because the people

who are following us are jamming the frequency. The job of the pastor is not to make people happy. That's the people's own job.

God is opening the portal so that we can enter and start listening what is going on in the Throne Room. God is not going to hide but reveal. He will make us our partner and we form this partnership. God is going to open up the passageway to heaven.

That's why we cannot start hearing every other voices or else it will become a noise. Talk to Him and worship Him so that we create space for Him to enter. The Lord wants us to stay with Him. If we don't have a relationship with Him, we cannot enter.

When we have a relationship with Him we can enter and the Holy Spirit can teach us. If we sit with Him we will see things differently. The difference between a good and a bad report depends on what we see. So many people cannot possess what God has given to them because they see things wrongly. When we hear Him we will live. We will have the word and the Holy Spirit will confirm that word with signs, wonders and miracles.

If we want to have a baby or buy a house, get a word from heaven. If we want to venture anything this year, get the word. Don't do things like before because the pathway is dangerous. It is a slippery path. God gives us a narrow path so that we can escape the enemy.

Gal 4:1 *Now I say, as long as the heir is a child, he does not differ at all from a slave although he is owner of everything,*

Gal 4:2 *but he is under guardians and managers until the date set by the father.*

Gal 4:3 *So also we, while we were children, were held in bondage under the elemental things of the world.*

If we want to get closer, we have to learn to grow up and mature. We cannot be repeating the same problems again and again. As we move forward we must cut the old off. Don't exaggerate the problems or else the enemy will take advantage. We don't have a problem. We have a decision to make. When we make the right decision, things will change in our life. When we mature, we will not longer be like a slave but become a son. The things that God reserved for us will be coming our way. We don't have to pray for what is ours. We just need to grow up and what is ours will come to us. We will become stronger and God will deal with us directly.

Prioritize worshipping God and touching Him so that we can become mature. This is the time for His will to be done. Don't sit in men's committee and think that we are achieving something. Sit in the council of God.

2. The Revelation of Christ

Psa 110:1 *A Psalm of David. The LORD says to my Lord: "Sit at My right hand Until I make Your enemies a footstool for Your feet."*

Psa 110:2 *The LORD will stretch forth Your strong scepter from Zion, saying, "Rule in the midst of Your enemies."*

Psa 110:3 *Your people will volunteer freely in the day of Your power; In holy array, from the womb of the dawn, Your youth are to You as the dew.*

Psa 110:4 *The LORD has sworn and will not change His mind, "You are a priest forever According to the order of Melchizedek."*

Psa 110:5 *The Lord is at Your right hand; He will shatter kings in the day of His wrath.*

Psa 110:6 *He will judge among the nations, He will fill them with corpses, He will shatter the chief men over a broad country.*

Psa 110:7 *He will drink from the brook by the wayside; Therefore He will lift up His head.*

Act 2:32 *"This Jesus God raised up again, to which we are all witnesses.*

Act 2:33 *"Therefore having been exalted to the right hand of God, and having received from the Father the promise of the Holy Spirit, He has poured forth this which you both see and hear.*

When the Father said to the Son sit at my right hand, the Father Himself is God's right hand.

Something powerful is about to happen and our eyes are going to be opened. The message will become clearer and clearer. The revelation of Christ will become clearer. If we know Jesus, everything will become clear and it will change us. What we say about Him or perceive about Him will change us. When our eyes are opened, our lives will be changed. Our eyes will be opened and whatever we say will be clear evidence.

There are so many people talking but we need someone talking to us so that we have cutting edge in our conversation or else we will be confused; some say, people say, you say, Peter says, Jesus says, Father says.

The church is filled with God's voice. When the Father is speaking the Holy Spirit will come and lead us to all truth. This revelation of Christ must be an ongoing revelation so that we can know Him more and more.

There are certain needs in our life because we don't have the words of faith to counteract it. If we see Him as a Father we will be satisfied and we will see our future. We will not see God the Father like an office boy and He works for us. We must follow Jesus, not Jesus following us. What is the mind about the God that we serve?

When we achieved something, we get a name. The Father gave a name to the Son. If we understand His name, it will be powerful. If we know Him as a Healer, we will not only be healed but we can also bring healing to others.

Get Ready! We will start to have dreams and revelation. God is opening the door to get near to Him. It is important to see Christ as who He is.

3. The repositioning in stature

If we want to get some other results, we need to do things differently. If we keep doing the same way, this year will still be the same as last year. Our first day must not be the repeat of the past. The fear of yesterday came back today because we think of the fears of yesterday today.

4. There must be a reformation of the church; building church, birthing Zion.

5. The revealing of the sons of God.

In the days of God's power, the people will volunteer freely.
