

THE MANY CONVINCING PROOFS OF ENTERING THE PORTAL

The Portal is open and God wants us to drink from the unpolluted water. If we are ready for God to do great things and fresh move, we must allow God to give us an understanding. The sons of Issachar knew the seasons and time.

God is speaking to our lives and He is also telling us how to get it done. When the mystery becomes clear and is no longer a mystery, the Spirit of Understanding and Wisdom has come. Then we must act it out and make it happen. If we hear we will start to build. We will start something that cannot be stopped. It will take shape and our future will take shape.

Does God live in heaven? No. Heaven lives in Him. Things can only happen when we understand that the word is the material. This portal will give us permission to connect and have access to all of heaven and bless us with spiritual blessing.

IF we have money in the bank, we must find ways to have access to the bank account. We can use the computer and access it online. If we enter through the portal God will show us how to connect to God and how to disconnect with rubbish; fear, negative words, etc. When we are connected, things will happen. Develop a frequency of heaven with tongues.

When the portal is open and we enter, how do we know we are in the portal? Everybody can assume and become presumptuous. How do we know?

1. The spirit of slavery that leads to fear again will be crushed by the Spirit of Adoption that will lead us back to the Father.

Act 1:3 To these He also presented Himself alive after His suffering, by many convincing proofs, appearing to them over a period of forty days and speaking of the things concerning the kingdom of God.

When we have many convincing proofs we have evidence and it is real and pure. The Holy Spirit will help us and lead us. If we enter into the portal there will be proof so that we will know exactly where we are. When we enter we will never want to go back.

The spirit of slavery that leads to fear again will be crushed by the Spirit of Adoption that will lead us back to the Father.

Rom 8:14 *For all who are being led by the Spirit of God, these are sons of God.*

Rom 8:15 *For you have not received a spirit of slavery leading to fear again, but you have received a spirit of adoption as sons by which we cry out, "Abba! Father!"*

We are sons, not slave. Every son is lead by the Spirit of God. We go forward, not backward. If we go backward and follow the spirit of slavery then we have fear in our heart; fear of lack, men, future, paranoia, markets, etc. This spirit will block us from seeing the future. We cannot just say that we are free. We must KNOW that we are free.

God wants to set us free from the fear of men, failure, etc. If we take action, things will change. A lot of fears can come into our heart but these are all the spirit of slavery to the system.

My faith is in His word. My trust is in His nature. My confidence is in His power. My boldness is in His sovereignty, stature on the earth. My wisdom is in His ways.

What is the difference between faith and trust? Faith is on the word, trust is on the person. We trust the person because of the character.

When we ask for great things, God will give with conditions we have to fulfill to receive it. God has the power to do it.

Mat 8:2 *And a leper came to Him and bowed down before Him, and said, "Lord, if You are willing, You can make me clean."*

God is willing and God is able. Our confidence is in His power, our boldness is in His sovereignty, stature on the earth. We are bold because we have divine backing. Our wisdom is in His ways.

If as parents we do things the wrong way, our children will follow.

2. The spirit realm will be accessible to us

The heavens are opened. Hearts and mind are opened.

Psa 110:1 *A Psalm of David. The LORD says to my Lord: "Sit at My right hand Until I make Your enemies a footstool for Your feet."*

David heard what God said. This is the amazing thing that will happen. When we read the bible or pray, God will speak to us and message will come from above. When we seek Him, we will find Him. The Spirit realm will open up. Suddenly we read the bible we can understand things we can't understand before.

When we are natural, our frequency is natural. The Samaritan woman spoke to Jesus in the natural frequency but Jesus spoke to her in the spiritual frequency. This is a woman who has wrecked her life in the natural but in the inside she has a spiritual dimension that can be unlocked. Anybody can be saved. Find out what is their turning point. There's a critical point whereby we need to tune that frequency.

What we thought is difficult, will become easier. More scriptures and prophecies and visions will be opened up to us. The whole spirit world will become clear.

3. We can be appointed to sit at the Council Chamber for the Godhead.

The invitation will be opened. God is not opening a window. Window always talks about blessing. But in Revelation, God is opening a door. We cannot enter through a window. We can only enter through a door. The door is always associated with Christ, entrance and sometimes exit. Many of us will enter into the place.

God expects us to rise. The offer is there. He is not treating us like kids or good for nothing. He wants us to come up to the highest place possible in our life and that highest place is given as a favor to us. He gave us the chance to rise up to the highest possible. What greater that being able to sit with Him and walk with Him. Some of us can't imagine this.

Sit with God who is the highest. If we can sit down with Him, we can see what He sees. Our business will take off and we will not make wrong decisions.

Don't use the power to make decisions wrongly. God will train us and equip us so that we can stay strong. Choose those who can sit and see what God sees, hear what God hears and do what God does. This is different from normal church members because normal church members only think about themselves.
