

## **THE MANY CONVINCING PROOFS OF ENTERING THE PORTAL - PART 2**

### **The Portal is always an act of God's mercy.**

There are so many corrupt and extremist and wicked people rising up everywhere to get our life, attention, money and children. There are all kinds of funny things happening even the food is fake. God is giving us a portal to pass through and it is our safety passage. Don't take this time lightly.

### **The Portal is a living way of approach to God.**

If we come this way, we will be blessed and speed us into God's Presence. We need this. We must move from wanting God's Presence to needing God's Presence. Why do we want Him for? Without Him we cannot live. When we need Him our attitude and behavior is different. When we want Him we are more casual. If we don't need Him, we will find that we will always need something else.

### **The Portal is a spiritual dimension.**

It takes us beyond the natural.

### **The Portal is an entrance.**

It is a doorway that opens for us to go from one place to another. We cannot go to the next level when we don't have a ladder to climb up. God gives us the grace to go up higher even sometimes we don't qualify. Sometimes we don't do as much and yet our business prospers. We must be grateful of every little things God did for us.

### **The Portal is activated by personal consecration.**

The more we pray and fast and engage with God, the faster we will go. If we spend time with God, it will increase the speed. Be careful, the time is now.

### **The Portal is like a dedicated line.**

We will have direct access to God. We need this so that there will be no interference from the devil. When we call God or pushing through, no one will hold us back.

**The Portal is an open heaven.**

**The Portal is a connecting point between what we need to have and where we are.**

From where we are we can go where we need to go. The portal is like transportation where we can go to the next realm.

In the book of Malachi, God opened the window. In Revelation, God opened the door.

A door is standing open in heaven.

**Rev 4:1** *After these things I looked, and behold, a door standing open in heaven, and the first voice which I had heard, like the sound of a trumpet speaking with me, said, "Come up here, and I will show you what must take place after these things."*

God wants to show us. God wants us to cross and our family to cross. If we listen to people we may not understand what they are saying. When God speaks to us there is no confusion. God is not the author of confusion. Even difficult things we will not be confused. If it is God He will let us know clearly. If God is speaking we will understand. If our brain signals are right, it will be clear. If we listen to the wrong voice, we will pick up the wrong frequency. People may not be concern with our future. In ANS we are part of a family and we must protect and prepare one another.

**Rev 4:2** *Immediately I was in the Spirit; and behold, a throne was standing in heaven, and One sitting on the throne.*

God talks to us and straight away we can be in the spirit. What a privilege we can be connected. We can enter straight in. When God talks about financial blessing, health, wealth, things that will happen, etc something will happen because we are in the right connection and in the spirit. What God wants us to see we will see.

The Laodicean church is the last church. After this, the door is opened. We need to be wise because we are not just responsible for our own lives but also the lives of others around us. If we don't start caring, better start to care. Some cities in the world, anything can go wrong.

We need to be properly positioned so that operation can take place.

*Rev 4:3 And He who was sitting was like a jasper stone and a sardius in appearance; and there was a rainbow around the throne, like an emerald in appearance.*

*Rev 4:4 Around the throne were twenty-four thrones; and upon the thrones I saw twenty-four elders sitting, clothed in white garments, and golden crowns on their heads.*

*Rev 4:5 Out from the throne come flashes of lightning and sounds and peals of thunder. And there were seven lamps of fire burning before the throne, which are the seven Spirits of God;*

*Rev 4:6 and before the throne there was something like a sea of glass, like crystal; and in the center and around the throne, four living creatures full of eyes in front and behind.*

*Rev 4:7 The first creature was like a lion, and the second creature like a calf, and the third creature had a face like that of a man, and the fourth creature was like a flying eagle.*

*Rev 4:8 And the four living creatures, each one of them having six wings, are full of eyes around and within; and day and night they do not cease to say, "HOLY, HOLY, HOLY is THE LORD GOD, THE ALMIGHTY, WHO WAS AND WHO IS AND WHO IS TO COME."*

*Rev 4:9 And when the living creatures give glory and honor and thanks to Him who sits on the throne, to Him who lives forever and ever,*

*Rev 4:10 the twenty-four elders will fall down before Him who sits on the throne, and will worship Him who lives forever and ever, and will cast their crowns before the throne, saying,*

*Rev 4:11 "Worthy are You, our Lord and our God, to receive glory and honor and power; for You created all things, and because of Your will they existed, and were created."*

We are in the midst of all of these happening in heaven. We must become part of what is happening in heaven so that we can change the earth. God has given us a portal. When the Lord Jesus was speaking concerning the church, He was speaking concerning the churches. Why is God getting the church organized? If we are confused, distracted and not united, we will not be able to get connected to heaven. That's why this portal is important. We don't know the future but heaven is getting us engaged. Everything that is written in Chapter 4 is about the Throne.

**Rev 5:1** *I saw in the right hand of Him who sat on the throne a book written inside and on the back, sealed up with seven seals.*

*Rev 5:2 And I saw a strong angel proclaiming with a loud voice, "Who is worthy to open the book and to break its seals?"*

*Rev 5:3 And no one in heaven or on the earth or under the earth was able to open the book or to look into it.*

*Rev 5:4 Then I began to weep greatly because no one was found worthy to open the book or to look into it;*

*Rev 5:5 and one of the elders said to me, "Stop weeping; behold, the Lion that is from the tribe of Judah, the Root of David, has overcome so as to open the book and its seven seals."*

Be clear in our mind. God is opening up things in heaven and we must not get caught in between the fire. Read Chapter 4, 5, and 6 and we will understand. Talk about what has touched our heart the most. Stay near the Throne.

Chapter 4 is the operation room. Everything that is going to happen must happen from this room.

The Father is speaking to the Son in heaven. It is important for us to get out and not just live a normal life. Don't care too much about what we live on earth. Care about what is happening in heaven. Our life comes from Him.

The average Christian don't care what happens up there because they don't know what is happening. We are privilege to know what is happening so that we can get ready. There are battles to fight and there are brothers and sisters we need to protect. Don't wait until things happen then only try to help. Guard our family. Don't be careless anymore. Guard our finances and children and don't attack people. Do things right.

We need Christ to reveal to us more and more. Heaven is getting ready. Everything is arranged. The only thing that is missing is us. Come up higher. When God opens the portal for us, it is like Chapter 4. We must enter. If He is sitting on the Throne, He sees things differently from us. We run our lives according to our own understanding and we think earthly. That's why Jacob has a lot of problem and not confident that God will help him.

Seek first the Kingdom of God and find the right standing. If we can be placed in between chapter 4 and find a place to live there as the Lord God lives, we will find power. We cannot change what is coming to the world. We must be living in heaven to move from there. That's why the portal is open. Don't choose assignment that is from earth. Choose the assignment from heaven.

**1. The spirit of slavery (leads to fear again) will be crushed by the Spirit of Adoption (who will lead you back to God, the Father).**

As we enter, the spirit of slavery will be broken.

IF we are not a Son, God is not commissioned to lead us. The Holy Spirit testifies that we are children of God. If we don't want to be responsible as a son or stay true as a son, the

spirit of slavery will take over. If we choose the Holy Spirit we will receive the Spirit of Adoption.

God wants us to turn back. He has placed the Spirit of Adoption upon our life. The spirit of slavery will be crushed by the Spirit of Adoption.

## **2. The Spirit Realm will be accessible to you – heavens are opened**

If we enter in, the spirit of slavery will be cut off. We will trust in God's nature. If we get inside the spirit world will be opened.

## **3. You can be appointed to sit in the Council Chamber of the Godhead (Isa 6:1-8)**

We want God to always speak to us. Why some people keep going up while we don't? It is because we are not confident in Him. Search for the right thing and all other things will come together. If we find God we will find everything. When we mature God will appoint us to sit at the Council Chamber.

## **4. You will receive Progressive Revelation of Christ Relevant for the Now Generation.**

The people saw Him as a miracle worker (John 8:2). The people saw Him as a Prophet (John 6:14). The people saw Him as a King (John 6:15). The people saw Him as a spirit walking on water (John 6:26). The people saw Him with familiarity (John 6:42)

Jesus can be in the same boat and yet the disciples didn't know how powerful He is. If God opens our eyes, we will not stay in our current place for long. We will go back to the place of assignment. IF we go to heaven and see the pattern in heaven, we will build well on earth.

## **5. The Spirit will train your hands for war to advance the Kingdom**

The future is not by negotiation alone. We don't negotiate with the devil. We must execute what God has spoken to us. Every battle is winnable and it depends on how we fight it. Fight for our life, marriage, things that God has given to us. If we don't know how to exert what is ours, the enemy will crowd around our lives and take what belongs to us. Take back our health, time, wealth, dignity, etc. It's time to rise up and make the stand. Throw ourselves into the hands of God. Even when we fall, we will only fall into His hands. Cross over.
