

THE POWER OF THE CROSS

Before GLS, something powerful will happen in our life. Take and eat. Do not have the attitude of “never mind”. We must respond rightly to take over, take change and take lead. If we are a leader, we will not leave anything to chance. We can change our tomorrow today.

This year we enter and our lives will change. If we have connection with God 365/24/7 we will have power in the house every time. There are principles in the heavenlies; unspoken laws working all the time. Gravity can't be seen but it's working all the time. If we switch on the switch, the light must come out. When we press the switch, the fan must function. If it is not functioning, something is not right. We can make it right and let the right continue.

When God sends the word, He will also send the provision. When we work with the Holy Spirit more and more, everything God has planned will be downloaded. Every sin against the Holy Spirit brings trouble for us. If we struggle with Him, He cannot do His job. Jesus died on the cross because the Father loves us. The moment Jesus received the Holy Spirit, He baptized the church so that everything that happens in heaven can be downloaded immediately into our lives. If we cancel the Holy Spirit, what the Father wants and what the Son has done will not become a reality. Everything is appropriated to the Holy Spirit. He makes everything real.

God is going to destroy demonic powers, corruption, corrupt men, wicked, deceptive, etc. God will act swiftly. Our job is to make sure all things on the ground is right.

When we see people who are hurt and we cannot feel the pain and compassion, we cannot touch them. We must feel passionate for Malaysia. If we want Malaysia to change, those whom God chooses must act. We must have God's word and partake the Godly nature.

Eph 1:13 In Him, you also, after listening to the message of truth, the gospel of your salvation--having also believed, you were sealed in Him with the Holy Spirit of promise,

We have to listen. Sound is coming. The Word of God is coming through. It is the message of Truth that is coming to us. This is the good news of salvation. We must listen to the right word and message and we believe. Listen and believe. Don't stop believing about the NEW Malaysia. God in one day can change all the conditions of Malaysia when He sends the right men and right women. Somebody must take the nation to task; the Jehu anointing. Elijah prophesied that

Jezebel and Ahab will die. Elisha took the word and trained the school of the prophets. The unnamed student went to where the army generals meet and laid hands on Jehu. After he prophesied, he ran. Jehu became the captain. If there are no people on the ground to make things happen, prophetic things in heaven cannot accelerate.

For every one of our lives there are so many things that can be fulfilled this year. It is ours and it is coming with our name on it. It cannot come to pass if we block it.

The rain is coming and when God gives us He gives us all. When the Holy Spirit is given to us, it is clear from heaven. God gave His Son and He gave the best. The possibility of things happening in our lives is fully assured.

When God gave His Son salvation became a possibility. When He gave the Holy Spirit, salvation became real in us. That's why any sin can short circuit us from receiving anything from the Holy Spirit. Don't stop the Holy Spirit. God wants to live inside us and dwell inside us so that all that He had done through His Son and His Body and His Spirit and His obedience, prayer, nature can happen.

God gives us the keys of the Kingdom. If we put in the password, the program will open. God doesn't want us to live at this level we are at today. God wants to go up higher. We can go up higher. It's a matter if we want to or not. Before we reach the whole world, get into the portal quickly.

When we defeat the enemy, we will wear the crown. After listening, we believe, seal. We become approved for the future. Be trained, tried and tested then we will have a place in the race. Some dates are set for the race and we have to be there, prepared and ready. When all these are done we don't go into the race and hope to win because we have already won. Have the faith of God when we pray, believe and we have received and it will be granted to us.

We have to listen to people who have gone to the front. God wants us to go to the other side. That's why we have to listen and believe. The Spirit of Promise will come upon our lives to take us on. I listen, I believe, I'm sealed. Nothing is lost, there is no bleeding, no aborting, no destroying of what we conceived. The Holy Spirit will take over.

Eph 1:14 who is given as a pledge of our inheritance, with a view to the redemption of God's own possession, to the praise of His glory.

We have salvation and redemption. Redemption is buying us back and we are not owned by the enemy. When we listen, start to believe and we will be sealed by the Holy Spirit. It is also a pledge to us for us to enter in. We are redeemed. God is not just promising us promises, wealth and finance. He promised us that He Himself will be our inheritance. Be careful don't ask what He can do. We ask about who He is. God has everything.

When we received Him, we receive all. Because we are redeemed by the blood of the Lamb, we will receive the full package. Salvation means everything that Jesus did for us on the cross, in paradise, and in the heavens will become applicable for our lives because we are bought by Him and we are His. To those who are redeemed He sent the message. If we listen to the gospel of truth and believe, the Holy Spirit will seal us. No demons can take us out of God's hands. No powers of darkness can attack us and destroy us. When we listen to sermon don't go from one ear to another.

Zion is a city without walls but God will be the wall of fire surrounding it. Demons cannot come in. We must finish the process of our lives.

Take the seed and let the seed come alive and germinate and all the promises will come.

For those of us who thinks we need to practice the word and do something, do like what Mary did. "Be it done unto me according to Your word."

Give the Holy Spirit the full obedience then the Holy Spirit will lead us from then on. God spoke it, we believe it and keep in our heart and allow the Holy Spirit to lead us and things will change very quickly. We are not trusting in the flesh but believe in the Holy Spirit and allow the Holy Spirit to overshadow us. Keep listening until faith rise from within our heart. Keep, hold and protect what God has sown in our lives. The Holy Spirit will unlock all the promises and He is given to us as down payment. In the matter of time the fullness will come.

Many times we don't understand why we can be healed and the power of God can come to our lives. God gave us the power sometimes is not just for us but also for our next generation.

Certain things that we break in our lives will make things easier for our children so that they can breakthrough.

Don't let the enemy leave the seed behind. What is left behind has an assignment to destroy the fruit. If we don't know how sin works and how fast sin works, be careful. Reject the persuasion of sin. If we start to lie, soon we will learn to lie to our children. That's why the progression of sin must be cut off.

When Jesus came into this world, He came for this purpose; to take sin away so that sickness does not spread and Satan cannot take control. As long as sin is there, the devil's presence can be felt. The 10 commandments is to get people to be afraid of sin due to punishment but Moses cannot take sin away. We must put the value and law inside of our children so that they will do the right thing even when we are not there.

Push away what is of death. The cross can do this. If we want our lives to become free, deal with sin and understand the power of the cross. If we look at the cross we can see the cruel thing about sin and how sin would put Jesus on the cross in this manner. Yet at the same cross we see the love of God and the aspect of God at the highest level. When He said Father forgive them, He really forgave the people. He took away the sin that can destroy our lives. It is a place of extreme exposure and our turning point. If this is what sin did to Jesus, we must stop sinning right away. He loved me and He died for me and this is what happens on the cross. The cross is the exit point of sin and the entrance point of heaven.
