

AN ENDURING LATTER HOUSE

Exodus 13:15

God knows our frailty and we can't fight. Most of our time, our lives are in training time and God is leading us in a longer route. A lot of challenges are easy but in our Christian life it will not always be easy. The devil is small at first but it will get bigger and we need know more of God so that we can face greater challenges.

Exodus 17:8 - 13

Now God allowed the children of God to face the enemies. At some point God will allow us to meet with the enemy. This time we must exercise our spiritual muscle and we are coming to real battle.

This is the day we are facing the Amalakites. God has seen that the stature of the church has gone up to the next level because God sees that we are ready. We must be people who are ready to say yes. We are going to the next level.

God will give us clear understanding for the things we are listening and give us clarity of how to enter. If we want wrong things to stop happening in our lives, stop thinking wrong. Once we start to think negative, all the negatives get attracted to us. Mix with the right people and stop thinking negative and stop joining the crowds that are negative. We must transmit only the positive. The righteous must take their stand. When we take our stand, God will fight for us. God does not fight for people who are wavering. We want to rise as victors. Our mind is set to do what is needed. Our strength comes from within.

If we want the Lord to fight our battles, then we must fight the battles of the Lord.

Last Wednesday, Papa had a clear vision that God is interested in our lives and family. The battle is not just us. If we fight the battle for others, God will get involve. God will not support selfish people. He gives grace and strength and help those who fight on behalf of others. There's a supernatural grace to reach out to our close ones. Hell is not a place for our relatives or for men.

The other thing is the second generation. We want to take them across to other side.

When the Word comes, grace will come. Today when we hear His voice, don't harden our heart. When we fight, we must be protected when we are fighting. We must have the armor and helmet. When we go to war, we must also think of protection and safety.

Mat 16:13 Now when Jesus came into the district of Caesarea Philippi, He was asking His disciples, "Who do people say that the Son of Man is?"

Mat 16:14 And they said, "Some say John the Baptist; and others, Elijah; but still others, Jeremiah, or one of the prophets."

Mat 16:15 He said to them, "But who do you say that I am?"

Mat 16:16 Simon Peter answered, "You are the Christ, the Son of the living God."

Mat 16:17 And Jesus said to him, "Blessed are you, Simon Barjona, because flesh and blood did not reveal this to you, but My Father who is in heaven.

Mat 16:18 "I also say to you that you are Peter, and upon this rock I will build My church; and the gates of Hades will not overpower it.

Mat 16:19 "I will give you the keys of the kingdom of heaven; and whatever you bind on earth shall have been bound in heaven, and whatever you loose on earth shall have been loosed in heaven."

The Spirit of Revelation against public opinion including our own opinions

Church cannot be built upon public opinion. In our church we must run according to what the Holy Spirit is speaking. Man can move from the left to right but what does our Leader say? When we start hearing what God is saying, we will live. We live by His word and think His word. We speak His word. Let's go up higher and shut down public opinions. Don't let flesh and blood destroy what God is saying.

If we want to be loyal and strong, we must know the power of being loyal by staying in covenant and nothing destroy our relationship. If we know this thing, 90% of the law has been fulfilled. Discern between the public opinion and the advice of words of men and the Spirit of Revelation. The Holy Spirit must take us up to the next level. Every morning hear His voice and seek His face.

People say they can worship God anywhere. This is half truth. Where we are physically is important. When we are in our own house, we are safe. If we are in another person's house, we are just a guest.

When God speaks to us, the only thing that we need to do is JUST DO it. When God plans our destiny, we have to plan our obedience. If we don't grab it or receive it and harden our heart,

things will go wrong. There's only one key for all the promises. If we obey God's voice, all these spiritual blessing will be ours.

The Father is revealed, Satan is exposed

This is the ability to discern the right flow of authority. Jesus made it clear that the Father in heaven connected to Peter.

Joh 14:1 *"Do not let your heart be troubled; believe in God, believe also in Me.*

Joh 14:2 *"In My Father's house are many dwelling places; if it were not so, I would have told you; for I go to prepare a place for you.*

The church is called the Father's House and we are part of this house. God lives within us. We must be clear in our mind. All that we see will be God's family. That's why we don't fight with one another or hurt one another. If people need help, we must be the first one to volunteer help. We must put our hands to the work. **If we cannot serve, there is no love for God.** If we know God as our Father, we will know that we are true sons. The Spirit of Adoption must take place.

When Satan is exposed, we must shut down his offices and dismantle all the phones so that he cannot contact us. Every decision we make must be upon what God said. Make up our mind how far we want to go and don't let the devil or anything to stop us. Go all the way because we owe them to God. The Counsel of the Holy Spirit must be ours. Most people in the world only have theory.

A Complete Transformation of Life

If we come to church and our lives are not changed, something is wrong. A torch light with a batter must have power to shine. Those who come and sit in the Presence of God must change.

Mat 16:16 *Simon Peter answered, "You are the Christ, the Son of the living God."*

Mat 16:17 *And Jesus said to him, "Blessed are you, Simon Barjona, because flesh and blood did not reveal this to you, but My Father who is in heaven.*

Mat 16:18 *"I also say to you that you are Peter, and upon this rock I will build My church; and the gates of Hades will not overpower it.*

The Church starts with a changed life. If our life don't change, our connecting system is wrong. We must desire God to change us by the renewing of our mind. If we live with God, there's something new every day. Praise God in every little situation that God is there. We don't only praise God when things are big.

Jesus is building the Church to shut down the gates of hell and to advance the Kingdom

Raise up people who will seek first the Kingdom of God and its righteousness. Jesus is building the church and we will co-labor with Him and advance the Kingdom and shut the gates of hell. Jesus is building the Church. Jesus is still the builder. He looks for wise master builder who sees the pattern and builds the church down. That's why church is more than just fun, food or sports. All these are to keep the people going. The church is a vibrant force.

He is building the Church that will bring down His Kingdom. That's why the higher we go, the higher devils we will meet. That's why is not easy to be a strong leader and a good leader for a long time because the devil is good at its target practice. We must fight all.

When we work in the world, there are target shots too. If we are trained well in the house, we can fight better outside. We must be trained to become so good to do what God wants us to do. God is looking for versatile workers.

God will give us the keys of the Kingdom so that the Kingdom is established on the earth

The main purpose of the church is to bring heaven down. There are no sick people in heaven. God wants us to understand that if we are part of the Kingdom, healing is children's bread. God wants to make sure the church receives the keys of the Kingdom; Knowledge to access all revelation from above, Life and death.

Keys are only given to the mature and not to children. Christian life is not difficult. It is only because we don't understand and that's why it is difficult. If we have the keys, we can enter at

any time. If we don't have the key, we have to wait for people to open the door for us. God wants us to be in charged.

Everything we need tomorrow is already been supplied and programmed to be sent to us. This is the God we know. We will have no shame calling God as our Father.
