

## APPROACHES TO TOUCHING GOD – Part 3

### The Season Of The Miraculous Is Here

**Prayer invades the impossible, making possible the impossible.**

Prayer is speaking, demanding, proclaiming the will of God until His will is established on the earth. Pray Thy Kingdom come, Thy will be done on earth as it is in heaven. We can create a pathway in the spirit for the prayer to be answered. When we pray, believe that we have received it into our heart and don't doubt in our mind. This is the clear indication that God has given us all these resources.

We have to be careful to hear what the Holy Spirit is saying. What is impossible will become possible. Every promise that God has given to us, we can do something about it instead of just waiting for God to do it. Be responsible of our own miracle. We can work with God. When God answers He always answers with His best.

He is the Way and everything can be found in One Person. We move in Him and we are blessed in Him and through Him. He is our wisdom and the provider of the Holy Spirit. Everything is in Christ. There is no problem with God. The problem is on our side.

**Mar 5:19** And He did not let him, but He said to him, "Go home to your people and report to them what great things the Lord has done for you, and how He had mercy on you."

God has a purpose after He healed Him. Most of us don't know what's the purpose after we are being blessed or being healed. We only stay in the point of blessing and continue to ask God for more of what we asked yesterday. We should have asked for greater things or the nations.

If we are touched, touch our whole family. Don't be afraid to share our testimony. We have received so much from His hands and because of this we need to change. Let God turn our life around. Report the great things that God has done for us and how He has shown mercy to us.

Speak to our children and speak to our family. God has a way of blessing us. When the miracle had happened, let the testimony go out.

*Mar 5:25 A woman who had had a hemorrhage for twelve years,*

*Mar 5:26 and had endured much at the hands of many physicians, and had spent all that she had and was not helped at all, but rather had grown worse--*

*Mar 5:27 after hearing about Jesus, she came up in the crowd behind Him and touched His cloak.*

*Mar 5:28 For she thought, "If I just touch His garments, I will get well."*

*Mar 5:29 Immediately the flow of her blood was dried up; and she felt in her body that she was healed of her affliction.*

*Mar 5:30 Immediately Jesus, perceiving in Himself that the power proceeding from Him had gone forth, turned around in the crowd and said, "Who touched My garments?"*

There is a way to stop the decline and that power is in our hands. We must know that we can take charge and take control instead of having a mind of “never mind”. God is giving us power to change. The power is not just for the change of our lives but also the change in circumstances and people around. If we are at the place where God wants us to be, He will show us greater things. If we come in a place of confusion, nothing will happen.

Our faith → pressing in → His power → proceeding out

When faith goes from us to God, it causes power to flow in from Him to us. If we don't press in, there will be no proceeding out. So many people don't proceeding in and that's why they are just a normal Christian. We must find out what we are fighting for and what we are living for. If we are only living to become independent, it is very easy. But what are we fighting for? Is there a cause? God has blessed us with everything we need, where are we going? What is all the hard work for? What are all these days accumulating towards? Most people are not ambitious. They only do the same thing until they die. But if we live for a cause, then we will ask where we are going, what sacrifice, etc.

When faith meets power, the miraculous will begin. That's the reason why we need to be here.

The **season of the miraculous is here** and **it will trigger faith actions**. Things are going to change and God is giving us the keys of the Kingdom so that we can unlock for ourselves the straight and narrow.

The cycle of decline can be cut off; financial, emotional, etc. We can pull everything back. Let the healing and deliverance begin and let the prophecies fulfill.

For the season to be sustained, we must have a **faith that will drive the season of the miraculous**. Our faith must meet His power.

When the word that we have received is mixed with faith, we will see the result.

### **1. We must recognize the miracle happens when we act in faith**

Faith is to hear and hear what God is saying. That's why every day and every week we must put ourselves in the pathway of what God is doing. Otherwise fear will come. When we hear what God is saying we must recognize that faith must be in operation for things to happen. If we want to see this miracle begin in our lives, let faith arise and lay hold of it. Otherwise the word will just be floating in the air for the next 400 years. Do we want make it happen? It is not use to just write it in the notebook or tape. Create a cycle so that God can create the miracle.

The problem is that we don't want it bad enough. We must be desperate to make it happen. We must take some desperate measures to see the miracle happen.

Suffering has a way to capture our attention. If we are not sick, we will eat anything. Once we are sick, certain humility will come into our life.

Something has to stop inside our heart. Stop doing things that does not work. Stop deceiving ourselves. If we want to be blessed, look for the right person, Jesus, not pastor or us. Don't ask the wrong person. Don't ask the devil for healing or the people in this world. There is only one Healer and that is Jesus Christ. We must be desperate enough to make things happen and know the right person.

Ask: Why do we want this miracle to happen? To be free and not to be sick anymore? That's just the result of healing.

What do we want the miracle to happen? It is to start a pattern so that others can be healed also.

**Mar 6:56** Wherever He entered villages, or cities, or countryside, they were laying the sick in the market places, and imploring Him that they might just touch the fringe of His cloak; and as many as touched it were being cured.

The woman started a new precedence and started a new way for people to be healed. She started a pattern. That's why never say we have not any testimony to share. We

share our testimonies so that we can start a pattern. Push ourselves to the limit so that we can set a pattern for others. People who need it can find the way through us. We must be desperate enough.

Certain spiritual things take longer time. When God intervenes the time will be cut short. We must be desperate enough. Our faith will make us well. We don't know anybody but we can make things happen.

God wants to move us forward but the flesh in us is the enemy. It always tells us to do things our way and not God's way. This is the enemy. Even the devil has no power over our lives unless our flesh listens to him. Flesh is a mindset that gives power to theory instead of truth. It can rise from the inside and kill us.

- **Stop listening to lies and inaccurate words;** half truths, negative words, etc.

If we go to where God is, start listening to what God is saying. He is the miracle worker that will come to us. Even good advice is not good enough especially when it matters about life and death. There are some decisions we make that will not kill us but some will kill us immediately.

- **Start processing** what we are hearing concerning Jesus

The source of decline is always the voices of men. When faith comes to us, a process has already begun. Everything that God has spoken, we will start to process them. If we walk in this manner, we will be so blessed and we cannot contain it. When God speaks the word, He will touch our spirit and mind at the same time. We will have faith and we can deal with our mind. All the wrong info that is our head can be dealt with and the right info that comes into our spirit will work in our mind.

Whatever we believe, our mind, mouth, and heart say yes. Otherwise it will not work. Shut the door on the devil, doubts. We must change the way we live by the

power of the things we believe. If what we believe is strong enough, it will change our lives.

We can make money the right way or wrong way. We can do it righteously or chaotic way. Everything is a 2 way; God's way or devil's way. Many Christian thinks that if they do it on their own, it is a third way or a special way. There is no such way. There is only either God's way or the devil's way. There is no right way of doing wrong. It is this reason why people are not blessed. They thought that they are making money but they are actually making destruction.

- **Believe in our heart, don't doubt in our mind and hold fast to our confession**

Don't change our confession. The reason we don't change is because we can believe it and never doubt..
