

WORSHIP AROUND THE THRONE

Find ways to touch Him as long as the connection is there.

Gen 1:1 *In the beginning God created the heavens and the earth.*

Gen 1:2 *The earth was formless and void, and darkness was over the surface of the deep, and the Spirit of God was moving over the surface of the waters.*

Gen 1:3 *Then God said, "Let there be light"; and there was light.*

Let's evaluate our problem and eliminate them. Don't exaggerate. Our problem is not big. It's just that our perception of God is small. God is in the business of making man.

God will reveal to us what must be done. We must have explicit obedience. Become the man that God wants and make the difference. God wants to make the new man.

Gen 22:3 *So Abraham rose early in the morning and saddled his donkey, and took two of his young men with him and Isaac his son; and he split wood for the burnt offering, and arose and went to the place of which God had told him.*

Gen 22:4 *On the third day Abraham raised his eyes and saw the place from a distance.*

Gen 22:5 *Abraham said to his young men, "Stay here with the donkey, and I and the lad will go over there; and we will worship and return to you."*

Worship is selfless sacrifice. It is not songs. The boy was not carrying a song book or a guitar. Abraham was to lay down his son on the altar. Obey God. Don't be twisted in our head. Don't learn the ways of the world and Christianize it, it will not save us. Wearing the cross on the neck will not protect us from the devil or lying. Sin nature has its ways and we have to put an end to it.

Don't think we are a worshipper just because we sing worship songs. Anybody can sing praise and worship songs even those who are from a different religion. We worship because we are a worshipper.

Rom 12:1 *Therefore I urge you, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual service of worship.*

Rom 12:2 *And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect.*

We must provide a minimal standard which is reasonable form of worship. If we don't touch these things we will not know the heart of God. We must stay with what is precious. Don't sell

God be in us. God has to be for us. We must not care what the world thinks but we must do what God wants. Each one God demands differently. That's why we cannot talk cheap. We must go yonder and worship. It must be a reasonable form and a satisfactory level. We must be a willing sacrifice. We must be willingly give our body back to Him.

Heb 10:5 Therefore, when He comes into the world, He says, "SACRIFICE AND OFFERING YOU HAVE NOT DESIRED, BUT A BODY YOU HAVE PREPARED FOR ME;

Heb 10:6 IN WHOLE BURNT OFFERINGS AND sacrifices FOR SIN YOU HAVE TAKEN NO PLEASURE.

Heb 10:7 "THEN I SAID, `BEHOLD, I HAVE COME (IN THE SCROLL OF THE BOOK IT IS WRITTEN OF ME) TO DO YOUR WILL, O GOD."

A willing sacrifice. We must be willing to give. God has to test Abraham. Ask God with all the energy we have. Dying is easy but living is tough. That's why God has to test Abraham.

We must be holy.

We must choose holiness. Whatever we give to God it must be holy and finished the requirements of heaven. Our sacrifice we give must not be diseased or with flaws. When we come on Sunday morning, yawning and tired, how can this be a reasonable form of worship?

Sons worship, servants don't. Servants just labor and follow instructions. Sons are different. At some point worship will go up to the next level. Those who do not have the heart of a son won't be able to worship. That's why worship is the domain of sons. Our spirit cry, "Abba Father."

Rom 8:15 For you have not received a spirit of slavery leading to fear again, but you have received a spirit of adoption as sons by which we cry out, "Abba! Father!"

When we worship, we become mature. The spirit of slavery will make us live like servants and lead us back to fear again. We will be going backwards. The Spirit of Sonship is going forward.

In many places, the greatest move is to lead people to become worshippers. We must live in His assignment do what God wants us to do.

Joh 4:19 The woman said to Him, "Sir, I perceive that You are a prophet.

Straight away we must see. Seeing is the realm of the future. The prophetic frequency must be in our heart. We will suddenly remember this person, this picture, this song, this book, etc. We must ask God that the water that He has filled us must become a well that will spring out eternal life and be connected to the frequency. What we do by the spirit will set us free internally. This will set us on course for the future. God wants us to be free and set us free. During our conversation with Jesus, He can change the frequency of our spirit.

For worship to be taken to the next level, our spirit has to be built strong. Don't fight God and think that we can win. We have to be clean. Even the deep things must be cleansed so that we can go up to the next level. The more we know Him, the more we will worship Him. Worship is worth-ship. If we love that person, nothing is worth too much.

We must know the objective of worship. What is the end to please the Father? How do we please the Father? If we can sing to please Him and praise Him, the Father will be excited. We must not lose the objective. The worship service is for Him. Worship is not about us. Even if we can dance like an angel that is not the objective.

Can we discern those who speak by the spirit and some just speak?

We must know the way of worship and also the place of worship. If we are not trained in the way of worship, we will never find the place of worship. The place of worship goes everywhere we go because the place of worship is us. That's why if we do not know the way we cannot become the place of worship. That's why we must train ourselves in the spirit world. We must become a flowing river. Just because we are not on the platform during worship does not mean we are just a spectator. We are also contributors of worship.

Know the dimension of worship and the relevance of worship.

When there is no worship there will be no rain. We must allow the Holy Spirit to work with our spirit so that we can have access to the Father. The best way to bring healing to our heart is enter into worship.
