

POSITION IN PROPHETIC PRECISION

God is interested in our family and people who are connected to us. When we are connected to Him, there is power available. Stay through with Him because God has planned everything from beginning to the end.

We can hear what God is saying. Let God touch our eyes and ears. Everything that we do will be in line with what God is saying. We will not be building what God is not saying.

God wants us to hear and hear until we get the material. If we are a leader, we can ask God and He will speak to us and give us the material and show us what to do. When this happens, rain will come and test the house. Flood will come and winds will blow. Fire will come. But because it is founded on Christ, it will stand. God will make us strong. When we take a stand, we draw the line and declare war. That line will separate the 2 teams.

Train our ears to hear, our eyes to see and our heart to perceive so that we will not be shaken. As a leader or parents, we must stand strong and stand in righteousness. God will make us sharp and prophetic. If we send out the wrong signal, people cannot get ready. When the enemy comes, the watchmen must blow the trumpet at a certain sound but if the sound is wrong, the people will not be ready.

If we are not sharp, we will lose. If we listen to God for our own lives and the lives of our people, God will trust us more and more. We are not just listening for ourselves but also for others. That's why we must become good leaders; not because of titles but we need to be sharp so that we can help others. People don't want to move in leadership because it is troublesome.

When we talk to God, we will go up higher. Go into our house, go into the kitchen and pray that there is no lack in the house. Go to the living room and pray for peace, wholeness and completeness in the house. Go into the children's room and pray what God has spoken about our children. When we do this, our house will be clean and no darkness will be in the house. There will be no more fear in the heart. We must take charge. As long as we hold on to God's word, the devil cannot take our lives. Hold on to the word.

When we can hear what God is saying, we are at the better position to deal with the devil. No weapon forms against us can prosper.

God spoke to David that what his father said is the right thing to do. Leave the sheep behind and go to the battlefield. It is not a spiritual command but a social / welfare command to bring news about his brothers back to the father. God broke through and his life changed forever. From this on he entered into the palace.

If we are listening to God, even when we are lost or in the desert, God will find us and people will find us. God want us to be ready. He doesn't want to send an untrained person. If we are not well prepared, we will be put to shame.

Eph 1:13 In Him, you also, after listening to the message of truth, the gospel of your salvation--having also believed, you were sealed in Him with the Holy Spirit of promise,

Eph 1:14 who is given as a pledge of our inheritance, with a view to the redemption of God's own possession, to the praise of His glory.

After listening God's message to us which is the truth that sets us free, we must believe. This is the message.

Eph 1:17 that the God of our Lord Jesus Christ, the Father of glory, may give to you a spirit of wisdom and of revelation in the knowledge of Him.

Every day think of a significant thought and write it down in a book. The Holy Spirit is doing something significant in our lives. Do it someone that we care and say something significant.

Create movement and prophetic shifts.
