

## **THE GOD OF INCREASE – PART 2**

When something great happened in our life we must open our mouth and share because things can happen in other people's lives. Just like Mary opened her mouth to speak at the door of Elizabeth's house, the baby in Elizabeth's womb leapt. The Holy Spirit that is upon Mary fell upon Elizabeth.

The words of the thief when he spoke to Jesus saved his life.

*Mat 5:19 "Whoever then annuls one of the least of these commandments, and teaches others to do the same, shall be called least in the kingdom of heaven; but whoever keeps and teaches them, he shall be called great in the kingdom of heaven."*

When we put out a bad example and don't want to do and discourage others to do, we are called least in the Kingdom. But whoever teaches them, they are called great in the Kingdom. If there is error in what we said, we can't be great. If we want to change the world, we must change the way we talk. The words we speak is spirit and life.

We have to teach our children to speak for God and stand up for God by opening our mouth to speak. If we believe in something, pay the price for it and open our mouth to speak. We would not know how powerful we are until we open our mouths to speak.

If we don't say what God is saying, we will be dumb just like Zachariah.

The God of increase is not just on dollars and cents. It is the increase of God in our lives so that we can reduce everything else. We change the world and the heart of people by what we say and what our heart prays.

*Act 5:20 "Go, stand and speak to the people in the temple the whole message of this Life."*

We will speak and we will preach, pray and prophesy till revival happens.

### **1. Speak the whole message of life**

Whatever we have speak all because we have all the goods.

## **2. Speak daily**

*Act 5:42* And every day, in the temple and from house to house, they kept right on teaching and preaching Jesus as the Christ.

Speak early and speak daily. When we speak daily, God will add to our number daily.

## **3. Speak early**

Don't wait until the person is dying then only we speak. Don't be the last one and wait. Sometimes when we wait too long and we don't put people as our priority, they would have been in the grave.

## **4. Don't stop speaking**

God has given us the privilege to speak for Him. Just like a good product, before the product can speak for itself, we have to speak for the product first. We have to use the product and benefit the product so that we can tell others about it.

## **5. Speak in His Name**

*Act 5:28* saying, "We gave you strict orders not to continue teaching in this name, and yet, you have filled Jerusalem with your teaching and intend to bring this man's blood upon us."

## **6. Speak to fill Jerusalem with this teaching**

There is a lot of revelation came forth in the Name of Christ. There's no other name that we can be saved or bring healing. At the Name of Jesus, every knee must bow and every tongue must confess. Don't speak in our name or the name of the church or a famous person. Speak only in Jesus' Name. When we open our mouth, we speak to represent Him.

Let everybody know. If we like something, let everybody know. The soul of one person is more important than the whole world. One life is more than all that we can get from the world. **Our life must not be wasted by money.**

*Act 5:32* "And we are witnesses of these things; and so is the Holy Spirit, whom God has given to those who obey Him."

## **7. Speak and the Holy Spirit will confirm it**

If we sow the seed we don't have to worry. If we sow in good grounds, the seed will grow by itself. When we do our job, God will do the job. Pay the price to speak and things will happen.
