

NEW SEEDS, NEW HEART

Joseph was 14 years in the prison and God gave Pharaoh a dream. We are going to KL on the 14th April. The election this year is GE14. God is speaking something to us. The Father knows what He is doing. God gave us the power to make things happen on the earth. God will purify our heart because He will sow good seeds. When we pray for Malaysia, we don't pray for the negatives. Pray in the positives. God never talked about darkness. He said let there be light. God has the final say. Speak what God is speaking. We are the strategic men positioned in the right place.

We must be connected to the frequency of the Spirit of Truth. The reason we come every Sunday and keep hearing what God is saying is so that we can be placed in the right frequency and be adjusted. Whatever is stirring in our heart we can use it to pray.

We want to be connected to the frequency. If we live in a company of people who says the same thing again and again, we will learn it fast. If we speak Tagalog only and living in a community where everyone else speaks Chinese, before long we will be able to speak Chinese as well. The same way with technologies.

Don't get mixed up with the world because we are built for greater things. Relationships can be built but only the Holy Spirit can fill. We need the Word and the Spirit to get inside. The Father will speak and we can become the choice instrument in God's hand.

We go to KL because we feel the way Papa feels. God must lay hold of us. We go there because we are committed. We cannot get success on our own. This journey ahead of us is our destiny together. When we go, we all go together.

1. We are gathering for strength.

We go there to inspire our brothers and sisters and one another. This year, Papa needs us more than he wants to. When we make Papa stronger, he can do more. This Saturday, give him extra strength to push.

2. We are gathering for synergy

Some people are only hi and bye. But some people provides strength and provide help.

3. We are gathering for corporate anointing.

When we go to KL, we provide everything that we have with the quality of our spirit and the courage we carry. All is good but there's still so much rubbish. We must rise up and clean the place.

4. We are gathering to change the atmosphere.

The atmosphere must be changed. We must worship and prayer and preaching. The word we speak is life. When we gather, all of us are speaking words and spirit dimensions are going out. Speak the words to shift things in the spirit. We need enough water so that we can swim. God is guiding our words and when it clicks it is the most powerful experience that we've ever known. If we can shift it in the spirit world, the negative works will come to an end. When we shift in the spirit, the water level in the city will go up higher. When the water level goes up all the snakes and creepy crawlies will come out. All those who practices magic, drugs, prostitution, etc will come out. Negative things will not spread into the area.

A lot of breakthroughs will come because of simple obedience; just like David sent food to his brothers by the instructions of his father.

Do not delay our miracles.

Take the negatives out of our heart. Don't let the devil rob us. He wants to plant new seed and He wants us to make it.

Make sure we are the first ones to say yes to God. If we do this, we will receive spiritual position higher than others.

1Ch 11:4 Then David and all Israel went to Jerusalem (that is, Jebus); and the Jebusites, the inhabitants of the land, were there.

1Ch 11:5 The inhabitants of Jebus said to David, "You shall not enter here." Nevertheless David captured the stronghold of Zion (that is, the city of David).

1Ch 11:6 Now David had said, "Whoever strikes down a Jebusite first shall be chief and commander." Joab the son of Zeruiah went up first, so he became chief.

In the life of King David, he issued a challenge and Joab was the first one who took it. When there's a command from heaven, we must be the first one to take it. Avail ourselves for part

of history making. Believe what God put into our heart. Check it carefully and make sure it's God that put the words inside and not by men.

When the outpouring comes:

- The former and latter rains are 2 dimensions and we will have a double harvest.
- The Holy Spirit through the apostle and prophets will bring equalization to the next generation so that what the father knows the son will know. What the father walks in the sons will have. The transfer to legacy will become stronger and stronger.
