

## **INSTRUCTIONS FOR CONTINUED SUCCESS**

We have to start living. Election is over and now is the time to build. When we ask God to make them accountable, we in the church also must be accountable to the chain of command.

**Jos 5:1** *Now it came about when all the kings of the Amorites who were beyond the Jordan to the west, and all the kings of the Canaanites who were by the sea, heard how the LORD had dried up the waters of the Jordan before the sons of Israel until they had crossed, that their hearts melted, and there was no spirit in them any longer because of the sons of Israel.*

The fear of God came into the camp of the enemy because God has done a marvelous work for us. The world must know that God is in the midst of us. Nations will never change and they will never fear. But when they see Christians pray and take time to pray, things happen. Nations of the world are also praying for us. There is no secret Christianity. The whole world must know that God is in the midst of us. Fear must stop and Faith will rise. God must get the glory.

Rejoice in what we have done because we have done all the work needed. Don't be silly to think that we should not rejoice.

The devil knows that torment is coming. Corrupt men and corrupt practices are slowly leaving. If we pray, they will leave faster.

Sometimes we go through circumstances so that we can bring the perspective of God back to the people.

### **Let our spirit capacity increase so that God can increase our stature.**

Increase the capacity of the Holy Spirit. The water that God gave us is no ordinary water. The water will become a well. God will carry us through no matter what is happening around us.

God is moving in our land. When God speaks the word and it comes into the hearts of His people and His servants, things will move when we speak. Open our mouth and speak. If we don't believe, things will not happen. When we receive God's word, the condition of our heart will change and faith will rise. We must believe it become the material for our hope. There must no doubt in our mind and in our heart.

There is a powerful key in a shout and the Roar of the Lion. God is going to move because He has already spoken. God is going to move and fulfill the word of the Lord.

### **God will send a powerful word into our heart**

If we cannot hear, pray and fast and surrender our lives until we hear what God is saying. If God didn't speak, we cannot hold Him. We can hold in faith when God speaks. God will give us a fine tuned ear and we will know what area we need to engage.

God is turning our hearts around. Many of us have been too slow and just enjoying the freedom of God's blessing. Work is about to begin.

***Ezr 1:1** Now in the first year of Cyrus king of Persia, in order to fulfill the word of the LORD by the mouth of Jeremiah, the LORD stirred up the spirit of Cyrus king of Persia, so that he sent a proclamation throughout all his kingdom, and also put it in writing, saying:*

***Ezr 1:2** "Thus says Cyrus king of Persia, `The LORD, the God of heaven, has given me all the kingdoms of the earth and He has appointed me to build Him a house in Jerusalem, which is in Judah.*

***Ezr 1:3** `Whoever there is among you of all His people, may his God be with him! Let him go up to Jerusalem which is in Judah and rebuild the house of the LORD, the God of Israel; He is the God who is in Jerusalem.*

## **1. We need to hear God's word and the capacity to believe and keep on believing**

We must hold on to that word. When God speaks to us we must have the capacity to believe and all unbelief must be gone. The hope must become real. We must be able to hold it and not doubt it. When the devil shoots all kinds of negative thoughts, we must still hold it in our mind and not change our language.

If people speak negatively and we know it is not true, we can delete and override it. We must be responsible to stay clean for the sake of the people of God outside.

## **2. Where are we going with this word?**

Where will this word take us?

***Ezr 1:2** "Thus says Cyrus king of Persia, `The LORD, the God of heaven, has given me all the kingdoms of the earth and He has appointed me to build Him a house in Jerusalem, which is in Judah.*

We must know where this word will take us. If God speaks to us, we must know where this word is going. King Cyrus knew that there is something more that God wanted him to do and he obeyed God. The Holy Spirit moved in King Cyrus. He realized that he became king because He has anointed him for something greater.

If we don't finish one level, we won't be able to go up to the next one. Every time God speaks, He will lead us to the next level. We must know where it is or else we cannot enter. God must show us. We are not ordinary members. God gives to us because of faith and not because we misbehave.

When the favor of God is upon us, don't lose it. Come and live under His blessing.

**3. People will come from everywhere to strengthen our hands to do what God has placed in our heart**

God will raise up men and women who are competent, who are skillful to help us so that we can to the next level; in our worship, relationship and responsibly to serve the nations of the world. The hands of the nations will help us.

Ask God to help us to see the right purpose.

**4. God promised to give us access to spiritual and natural wealth**

All that we need for our children's education and family and future are coming our way. We will have everything that is needed so that we can finish the assignment next door.
