

## **WHEN GOD MOVES IN OUR NATION**

*Deu 9:4 "Do not say in your heart when the LORD your God has driven them out before you, 'Because of my righteousness the LORD has brought me in to possess this land,' but it is because of the wickedness of these nations that the LORD is dispossessing them before you.*

The reason why God chose to use this new party is to take over the old because of the wickedness. Enough is enough. Too much wickedness and God has to come down as the righteous judge and clean up this nation. It is time for Malaysia to be cleaned up. Don't boast ourselves that we are good or better. We can say this because we are not in power yet. Power corrupts. In order for the old to go out, a new must come to swallow it up.

*Deu 9:5 "It is not for your righteousness or for the uprightness of your heart that you are going to possess their land, but it is because of the wickedness of these nations that the LORD your God is driving them out before you, in order to confirm the oath which the LORD swore to your fathers, to Abraham, Isaac and Jacob.*

God spoke that Malaysia will have a new destiny. This prophetic was spoken and everything that happened in Malaysia was because of God's word. All these things happen because God willed it.

*Deu 9:3 "Know therefore today that it is the LORD your God who is crossing over before you as a consuming fire. He will destroy them and He will subdue them before you, so that you may drive them out and destroy them quickly, just as the LORD has spoken to you.*

God has gone before us as a consuming fire. He has gone before us so that we can possess the land. Give God all

We need to provide the material for the nation to be built. We must not have the wedding and lose the marriage. Do not shut off the Holy Spirit. Malaysia has very good policies but bad politicians or implementations.

### **1. Sovereignly**

There is an appointed time set for the nation. Most of us didn't happen it will believe so fast. God is good to us. When the people attack the bible and the places of worship and continually bashing of the Christians, God react. He is the Ruler of the nation. Man will choose one way but God will choose His way. We must learn to leave things

in His hands. There are certain confusions only God can handle. We can only pray and trust God to make things happen.

We may need to move again because an incredible power is coming to bring healing to sick bodies and bring deliverance to people's lives. With a word we will sustain the weary. God will heal the people of this land in a very powerful way. We must put an end to sickness. We must rise above it. Stop letting sickness affect us. We must become free.

We must rise up with the power to make wealth.

## **2. Suddenly**

Suddenly He moves and the blessing will overtake us. All good things must continue to evolve to become better and better. We must continue. "All good things must come to an end" is only half truth.

When we are partner with God, even though He acts sovereignly, He will let us know. When He acts, He acts suddenly.

## **3. Strategically**

When things are done strategically, the problem does not continue.

## **4. Simultaneously**

While God touched Daniel, He touched Ezra, Jeremiah, etc. All these people moved at the same time.

**Ezr 1:1** *Now in the first year of Cyrus king of Persia, in order to fulfill the word of the LORD by the mouth of Jeremiah, the LORD stirred up the spirit of Cyrus king of Persia, so that he sent a proclamation throughout all his kingdom, and also put it in writing, saying:*

The wind of the Spirit moves very freely. God does not think like us because He is the word and is eternal. He has no time limitation. When He says, everything has been thought and evaluated. The results can be slow or sometimes it happens suddenly.

God stays within us until we mature and then God will give us what is ours. To give a car to a child is dangerous. If they crash, our car is gone and their life will be at stake. When the child matures, they will be able to handle the car.

## **5. Spontaneously**

## **6. Scripturally**

When God moves He does not violate scripture. Everything that God does is part of the Scripture and God hovers in the sanctuary in the church. It is no use God gives us the word and the people in the church don't understand what He meant.

Develop some good habits. Speak to ourselves and we must shape up. So many don't understand the ways of heaven and we can miss our time.

**Mal 3:1** *"Behold, I am going to send My messenger, and he will clear the way before Me. And the Lord, whom you seek, will suddenly come to His temple; and the messenger of the covenant, in whom you delight, behold, He is coming," says the LORD of hosts.*

## **7. Sanctuary**

God moves in the house if we discipline our children first. No use disciplining other people's children when we never discipline our own. If we want good health, we must start right.

## **8. Season**

God wants to change our way of thinking.

## **9. Sons**

When God moves, He moves through mature sons. He blesses all His saints. When the immature hasn't grown up, God will never give the assignment. God cannot trust great assignment to immature people even though we received the prophecy or revelation. The God season will not come to us because we are still slave to sin. God only moves when we walk in sonship.

## **10. Succession**

This is for continuity. God wants to build upon our lives.

## **The Word Now**

God is looking for the time to start and when He starts it is called NOW. Let our yesterday come to an end we start a new beginning.

The prophetic countdown for 14 months is very important for us. Don't talk about the past because the past cannot become the basis for what is to come in the future. We must talk about the future. No matter how good we are in the past, we need to be sharp now. If our car is good yesterday but our car is not good now, it will be a problem. Now is the time to act.

**Ezr 1:1** *Now in the first year of Cyrus king of Persia, in order to fulfill the word of the LORD by the mouth of Jeremiah, the LORD stirred up the spirit of Cyrus king of Persia, so that he sent a proclamation throughout all his kingdom, and also put it in writing, saying:*

God will move in the NOW and will fulfill the word He spoke. Prophets must speak as though He has spoken. That's why it is important to speak as He spoke. He does not stop talking. The more we speak the more we will have God speaking to us.

## **God will hasten His word**

When we go into the theme park, we need the ticket. Without the ticket, we cannot enter. To get the ticket, there is a transaction. When God comes on Sunday morning, we cannot enter if we don't have the word of God. If we don't have it, nothing will happen. When the Holy Spirit comes, He is looking for the word. If we don't have the word in our heart, nothing will happen. Keep the word in our heart and in our mind. If we don't carry something and come into His Presence, we will carry nothing out. When the word of the Kingdom comes to us and we don't understand it, the devil will carry it away. That's why our miracles will become delayed. Make sure we are on time with God. NOW is the time.

**Heb 6:9** *But, beloved, we are convinced of better things concerning you, and things that accompany salvation, though we are speaking in this way.*

There are better things that accompany our salvation. So many people who came to ANS shared that we don't know what we have. The more we speak and the more we pray, the more answers we get.

**Heb 6:12** *so that you will not be sluggish, but imitators of those who through faith and patience inherit the promises.*

When God made the promise to Abraham, God swore by Himself to make sure the promise will become a reality.

*Heb 6:17 In the same way God, desiring even more to show to the heirs of the promise the unchangeableness of His purpose, interposed with an oath,*

*Heb 6:18 so that by two unchangeable things in which it is impossible for God to lie, we who have taken refuge would have strong encouragement to take hold of the hope set before us.*

Everyone is look for hope that does not disappoint.

*Heb 6:19 This hope we have as an anchor of the soul, a hope both sure and steadfast and one which enters within the veil,*

*Heb 6:20 where Jesus has entered as a forerunner for us, having become a high priest forever according to the order of Melchizedek.*

The word can be fulfilled by our own movement and faith. Every promise that we have received from the Holy Spirit, God the Father and Jesus, He has a copy of the promise. Whatever promise that is not fulfilled, it will be given to our next generation. If our spirit cannot take things fast enough, we will delay our miracles. The promise that we receive, Jesus has a copy of it and He has taken it behind the veil and He is negotiating it for something better.

The Holy Spirit said He will bless us. By the time Jesus enters the veil and talk to the Father, the promise becomes better. And this promise is for us and for our family and our generations to come.

God does not get discouraged because of us. He has a way in the desert and this is the way we have to go. There is no road anywhere except His road.

The things that God has planned for us in the future are coming. God has given us a foretaste. Just like the mantle came upon Elisha, he tasted the future and paid the price for this future.
