

DOING GOD'S WILL – Part 2

Rom 12:1 *Therefore I urge you, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual service of worship.*

Rom 12:2 *And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect.*

If we know what is wrong, then change. Don't wait for people to change us. Don't let the devil take charge. Use our will to take back our lives.

Everything starts from our mindset. If we take our emotions to the road that God does not created for it, we will get oppressed. We will be walking out of God's jurisdiction and power. When people use their mind wrongly and pushed it to the left more and more, in the end the thoughts and emotions will control them. They will lose their strength.

God is good to us and we can renew our mind and arrest our emotions. Anything negative can come to our control.

In the world, there is rejection of God and our children will be going into the world very soon. The world is breaking the code of order starting from Genesis. We need to teach our children quickly. If we remove God from our life, we will walk into a new education system where God is dead. If we remove God and remove the bible, we will be exposed to the forces of darkness in the world. If we remove all the rules that protect us while we are driving on the road, there will be lots of accidents. Example; green light is go, yellow light is go faster and red light is go fastest as you can. What will happen? Lots people will die.

That's why education is very important. When we want to choose leaders, we must find out what is their education level so that they know how to work. We can find information from Google but don't believe everything because some information is true and some false.

Rom 12:3 *For through the grace given to me I say to everyone among you not to think more highly of himself than he ought to think; but to think so as to have sound judgment, as God has allotted to each a measure of faith.*

Sound judgment is the way God will decide and God decides according to His word. Most things can be found in the bible. What the Bible says can be backed up by another Scripture of the Bible.

We must choose to do the will of the Father, and the blessings will come like never before and go to the next level without devils. We cannot enter the Kingdom without doing the will of the Father. When we are born again we can see the Kingdom. When we do God's will, we enter God's Kingdom. Always aspire to become better; dress well, live well, think well, carry ourselves well, etc.

Once we enter, we must be ready for God to cleanse us. God will not accept me as who we are. It is true that God accepts us as who we are but He will not allow us to remain as who we are. He wants us to grow from glory to glory and from strength to strength.

Joh 4:34 Jesus said to them, "My food is to do the will of Him who sent Me and to accomplish His work.

Think: "My will must align with His will"

If we do this, our lives will never be the same again. If we are free, it is easy to make this decision.

The human will is bound under the spirit of slavery when we are not born again

We cannot be free but God sees your heart. He gives us the gift of repentance. When we are born again we receive the gift of repentance and our will is free and gives us life. God gives us back our power. Our power is to decide for our own life. Don't decide against God's will because if we do this, we will be doing something against the freedom that God gave us. Salvation is His but He gave this power to us.

He wants to adopt us as sons and not to be at the lower level. God wants us to choose right so that there is no condemnation in Christ. So many good things God is doing for us. Why? So that we can connect to God our Father and see His Kingdom come and do His will. Our will is only free in the new birth.

- **We are doers of God's will and when we are we are nourished.**

We don't just know the will, think of the will or pray on the will. We must become doers of God's will.

- **We must do the will of God to please the Father.**

The prodigal son does not want to do the father's will until he was delivered knowing that in the father's house there are many good things. Give me, make me. We must live on a higher plane of "making me". We must ask God to make us. In the Garden God is making man and He is still making men.

Jesus is the Son and yet he learned obedience. Obedience has to be learned. Thank God for fathers and mothers because they gave us discipline to teach us to obey. Christ died for us so that we can live. He was treated with bad manner and yet He did not retaliate. It is not easy to live for people who does not say "thank you" to us.

- **When we act on His will He works in our heart**

We want His Presence, protection and power near to us. If we want this, do His will. When we do His will, we will go to the next level. When we choose God's will, we start the cycle of heaven.

Mat 7:21 "Not everyone who says to Me, 'Lord, Lord,' will enter the kingdom of heaven, but he who does the will of My Father who is in heaven will enter.

When God sees us doing His will, He will let us enter, enter every aspect that God has. He lets us enter. As a doer we are nourished and God will work in our heart even more.

Php 2:12 So then, my beloved, just as you have always obeyed, not as in my presence only, but now much more in my absence, work out your salvation with fear and trembling;

Php 2:13 for it is God who is at work in you, both to will and to work for His good pleasure.

Php 2:14 Do all things without grumbling or disputing;

We have to obey regardless of people see us or not. When we do, God is at work in us. When we do God's will, God is working in us and something will happen. That's why we have the power to do. We choose God's will and God comes inside and make us stronger and more capable. When we relate with God at this level, we won't be going backward. We will continue to go forward.

Don't let our will clash with the will of God. When we do God's will, we will be nourished and we will please the Father. When the Father is pleased, the blessings that will come will be phenomenal.

What is moving us, pushing us, directing us and controlling our lifestyle? It is all from the internal dynamics of our life. If we do God's will, our lives will be directed in the right position. When we live this way, there will be rain and the heaven will not be shut over us.
