

## **CHOOSE GOD'S WILL**

Most of the problem happens because we created the problem. If we can just believe, things will be different. If we want to meet God we have to pursue. When there's a hunger in our heart, even in darkness and we are groping, we can find God. If we don't want it, no one can help us. Even our own will can't help us if we don't want it.

The master problem of all things is our will. If we choose right, scenarios and circumstances will change. If we don't want what is right, no one can help us and it will come to a point where we won't even be able to help ourselves. The sooner we realize it is wrong, the faster we can move forward. When we start acting on what God is saying, heaven will move and align itself. Things that are wrong in our life God will make all things to work together for good. We join God and God will move in, demon moves out and we will move forward.

Jesus learned obedience. We are cursed with alternatives, substitutes and fake stuffs. There are too many fakes in the world. If our will and God's will clash, we will have God as our enemy. If we enter with God, we will cease from labor and we just follow.

When we align our will to His will, God will become our friend and He will be our Father.

**Rom 12:1** *Therefore I urge you, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual service of worship.*

**Rom 12:2** *And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect.*

Present our body as a living sacrifice, holy and acceptable. This is what we can do immediately. Say no to the devil and say yes to God. We have power when we can decide. If there is no road, it's called dead end. If we cannot change what is there, that means our will is oppressed and we are stuck in that situation.

Though we fast and pray and renew our mind, our will can get reverted back to bondage. But through Christ, He sets things in order. We cannot have Christ inside and have a disorder life. If we are a person of cleanliness, we will know how to keep things clean because it is inside us. God wants us to think this way. The power is not in the hands of the devil. The power has been given back to us. Set our course straight. Put our hands on the plow and

don't turn back. We only have 1 life to live and we must be wise enough to live our life for Him. If we present our body as a living sacrifice, this is our worship.

Nothing is free in this world. Present our body to Him so that we can become the temple of the Holy Spirit. What happens in the temple? God comes to inhabit the temple. When we give our body to Him, He will fill it. Then we will understand that we are not our own. Present our body to Him every morning. Surrender our life.

Don't be conforming to this world because if we choose the world to work in us, we will become worldly. We cannot work in what is not His. When we present our body, we give our time, present our skills, we receive wisdom. God expects us to live to standard. If we become this kind of vessel, everything will fall in place. Hell fears the man who obeys God and we fear to obey God because we think we will lack and be short changed thinking that we will receive the least and not the best.

Doing God's will is the safest way to live. It is the fastest way to be blessed. That's why how we live and think must change. Our lives must be renewed. If we think wrongly, we will decide wrongly. If we don't think what is right, we will always think of many alternatives. There are standards to follow and rules to engage in.

The power to choose does not mean all the choices we made are right. The choice is only right when we choose the right things in God. Every day when we choose right, our mind and life will become better. We will reach our final destination. Everything God wants us to do will be done; financially, mentally, emotionally, relationally, influentially will fall in place.

It is impossible not to proper when the work of God in our life is finish. A lot of things of God can't continue because we stop and never complete the work in time.

*Joh 4:34* Jesus said to them, "My food is to do the will of Him who sent Me and to accomplish His work.

### **1. We will become doers of God's word and executors of His will**

We will start living for God. We hear and obey and we will build. If we do what God asked us to do and execute His will, something will be made right at the moment. The time of building is very important because there's season and time. If God

speaks to us, it means the season has already come. We must listen to the word and build accordingly.

## **2. When we do God's will we will please God the Father**

To please God the Father is the highest desire any man can have. Thank God every day and the people who helped us. We must live a life that is totally pleasing God. There is a joy that we can have that we cannot enter in any other way. This joy is not because of money or people celebrated our birthday. It is the joy of doing what God wants. We can enter into this satisfaction of doing God's will. When this joy hits us, strength rises and more work is done.

## **3. When the work is done, it becomes foundation to other things**

When we do God's will, the work that is associated with God's will can be done. The devil will bring the glory of the entire world and showed it to Jesus and get Him to worship the devil. Why did the devil show Jesus? The devil knew that the whole earth belongs to Him and the devil wants to trap Him to get it the wrong way. If we please God, we will destroy the trap of the devil. Don't receive the world the wrong way but receive it Jesus' way. Seek first the Kingdom of God and its righteousness and all things will be added unto us. After that God will multiply. When God reveals His will to us, start doing it and God will bring the harvest nearer to us.

*Joh 4:35 "Do you not say, 'There are yet four months, and then comes the harvest'? Behold, I say to you, lift up your eyes and look on the fields, that they are white for harvest.*

God will not fail us. What we sow, we will reap. If God said this to us that our harvest is coming faster, do God's will and things will accelerate. We will become healthier faster, influential faster, etc. When we start to do God's will, the harvest time will change.

*Joh 4:36 "Already he who reaps is receiving wages and is gathering fruit for life eternal; so that he who sows and he who reaps may rejoice together.*

*Joh 4:37 "For in this case the saying is true, 'One sows and another reaps.'*

*Joh 4:38 "I sent you to reap that for which you have not labored; others have labored and you have entered into their labor."*

One of the reasons why things don't work is because the people leading the work are not protected.

God is already in the process and on the move. He is changing the seasons and time. We have to start living right and do what God wants and stop struggling with God's will. We have to start initiating work on the ground. If we don't know what to do, observe and adjust our lifestyles. God joins grace and team and organize things together so that God's will can be done. God pays us well and it's not just in cash. He can pay us with strength, good child, good son in law, etc.

When we do God's will, wages and gathering fruit will come and multiply in us. Start doing God's will and God will lead us into other people's labor. He will connect us with people and our skills can be upgraded to help upgrade the faculty in the House.

When we are young, He blessed us in everything we do. As we grow older and mature, He will bless us only on things that we do according to His will.
