

## **OVERCOMING EVERY BATTLE**

*Amo 3:3 Do two men walk together unless they have made an appointment?*

*Amo 3:4 Does a lion roar in the forest when he has no prey? Does a young lion growl from his den unless he has captured something?*

*Amo 3:5 Does a bird fall into a trap on the ground when there is no bait in it? Does a trap spring up from the earth when it captures nothing at all?*

*Amo 3:6 If a trumpet is blown in a city will not the people tremble? If a calamity occurs in a city has not the LORD done it?*

*Amo 3:7 Surely the Lord GOD does nothing unless He reveals His secret counsel To His servants the prophets.*

Put things in the right place and we will win. Every battle is winnable. Nobody can stop us because the weapons of warfare are given to us from heaven. If we use these things as weapons against the enemy, not just saying it but become the frequency in our heart and embedded in us, the enemy will be destroyed. All the plans that the enemy tries to do will be crumbled.

### **We must use these as weapons against the enemy**

When Papa ministers he looks strong but he was at the verge of quitting many times. The conditions that he has were difficult to handle if his mind is not strong. The faith that can heal the cancer is the same faith that can heal headache.

#### **a. Pray in tongues until God tunes our frequency**

How do we know if we are becoming stronger? We can feel free in our mind, spirit and words. Pray in tongues until our spirit become free; so easy to pray and so easy to sing and so easy to talk.

*Eph 3:16 that He would grant you, according to the riches of His glory, to be strengthened with power through His Spirit in the inner man,*

The Holy Spirit will strengthen us with power. We ask the Holy Spirit to strengthen us with power. Go one step higher than just praying in tongues. God will grant us. Our inner man can be strengthened by His power and the riches of His glory. He is kind and will grant us free passage. He wants us to be strong. Why must this be done? So that Christ can live in us.

Spend time speaking in tongues because when we speak in tongues, we are aligning our language. We must be a powerful person. Don't be weak and be bullied by the devil every year. This has to end. We must live a victorious life. If we start doing this in our life, the devil will be afraid of us.

*Rom 8:26 In the same way the Spirit also helps our weakness; for we do not know how to pray as we should, but the Spirit Himself intercedes for us with groanings too deep for words;*

*Rom 8:27 and He who searches the hearts knows what the mind of the Spirit is, because He intercedes for the saints according to the will of God.*

*Rom 8:28 And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose.*

Our faith creates the pathway of the Spirit. There are things in our life when we fine tune it, our voice will be heard, and prayer and signaling to God will be heard. When we cry, "Jesus, Son of David", He stops. When He sees our faith, He will stop for us. Faith is not hiding inside, it can come forward.

How is the Holy Spirit praying through us? He prays according to the will of God. When the Holy Spirit is praying, nothing will go wrong. This is what moves the hand of God. God will cause all things.

That's why we love Him and serve Him and we will become a victor. Attach ourselves to God's plans. Stay on God's purpose. He will intercede for the saints in accordance to the will of God. We may not know how to pray but when we allow the Holy Spirit to move through our lives, He will pray in line. He will teach us.

Be strong and be courageous because that is how God will open the pathway for us. We can take control of our lives. No one can control us. When we have power and be strengthened in our spirit, we will feel strong. We are victors and not victims.

The Holy Spirit is given to us to bridge the gap. When we pray in tongues, we will become more accurate and we won't talk rubbish. God must give us new language not a worldly language. We can become sharp because we are strengthened with power from on high and our tongue can become a source of blessing.

## **b. Ensure righteous relationship**

When 2 or 3 are gathered in His Name and agree together when we pray, He will be there. We will become the weapon against the enemy. Relationship must be right; husband and wife, brother to brother. A lot of business seldom succeeds especially partnership that keeps changing the rules of the game. If the people have no honor in what is written and signed, that partnership will collapse. When people break the rules of engagement, nothing will survive.

That's the people in the Book of Acts have companions.

*Act 4:23* When they had been released, they went to their own companions and reported all that the chief priests and the elders had said to them.

Companions are fellow soldiers in God's army. Together we can become very strong. We must have people who can become one with us in heart and soul. God must join our hearts, not just in membership.

When we are sick we want people who would pray for us like how we would pray for ourselves. We don't want people who are waiting to buy flowers for us. When we talk about partnership, we must engage in the rules of engagement.

*Act 4:24* And when they heard this, they lifted their voices to God with one accord and said, "O Lord, it is You who MADE THE HEAVEN AND THE EARTH AND THE SEA, AND ALL THAT IS IN THEM,

When we talk about something that we are passionate about and we have another person who has the same passion, the conversation will not end. These are companions. Who is our real best friend? Do we know? Our best friend is a friend at his best. That's why husband and wife has to be strong. How to be strong? We must not break the rules of engagement.

Too many people are not responsible with their relationship. We must not break ranks. People who don't know how to work like this do not have strength. We must find our companion and that's when we come home. This is our weapon. God will direct life to us and God's blessing will come.

Every strategic people is a profitable connection.

**c. The voice of God must be heard in our life**

When we are well or sick, at any moment we must have God's word. The voice of God must be heard in the temple. Ask God to give us this day our daily bread.

**Jer 1:1** *The words of Jeremiah the son of Hilkiyah, of the priests who were in Anathoth in the land of Benjamin,*

**Jer 1:2** *to whom the word of the LORD came in the days of Josiah the son of Amon, king of Judah, in the thirteenth year of his reign.*

**Jer 1:3** *It came also in the days of Jehoiakim the son of Josiah, king of Judah, until the end of the eleventh year of Zedekiah the son of Josiah, king of Judah, until the exile of Jerusalem in the fifth month.*

During the time of Josiah was revival. But during the time of Hezekiah, it was nearly taken over. Heaven's resources must keep coming to us on a daily basis regardless of good times or bad times. This is the most powerful weapon we can have; the power of God's Presence. This is the favor of God that we need. If we can understand this, our lives will become the weapon of war and the devil will be defeated without even knowing. If we have the word, we can run forward.

The devil trembles when we tremble before God's word. When we believe His word, we are unstoppable. When we believe His word, we will be healed. Our circumstances will not change until we get God's word directly.
