

THE TWO PARABLES

There is a seed in us that will destroy the influence of the enemy. God is about to sow seed into our heart; an incorruptible seed of highest quality.

The revival that is coming is about what **we will become**.

God must direct us with the clarity of purpose and empower us with holy passion. God must release us with full power so that we can deal with the devil. We must find out what is the most important thing to do then devote our lives to it. We must be conscious.

Mat 13:10 And the disciples came and said to Him, "Why do You speak to them in parables?"

Mat 13:11 Jesus answered them, "To you it has been granted to know the mysteries of the kingdom of heaven, but to them it has not been granted.

To us we know because we have the Holy Spirit that allows us to understand and interpret the parables.

Mat 13:13 "Therefore I speak to them in parables; because while seeing they do not see, and while hearing they do not hear, nor do they understand.

Mat 13:14 "In their case the prophecy of Isaiah is being fulfilled, which says, 'YOU WILL KEEP ON HEARING, BUT WILL NOT UNDERSTAND; YOU WILL KEEP ON SEEING, BUT WILL NOT PERCEIVE;

Mat 13:17 "For truly I say to you that many prophets and righteous men desired to see what you see, and did not see it, and to hear what you hear, and did not hear it.

Every year we have the proceeding word because these words carry grace. It carries supernatural power from heaven. All things came into being because of the word. The word of authority moves people and gets the work done.

The privilege to understand the parables are given to us. This is something kings and prophets want to hear.

In a single moment of time, the devil can kill a whole village. In a single moment of time, we can stop the event. It all depends on who is there at the scene. The church must rise or else there is no answer in the world today. We need to provide answers.

No one can help us because everybody will face the wind of adversity. If we listen to what He says, we will be safe.

If we understand these 2 parables, we will understand how God works and engage ourselves in the word of God. The Word of God is like seeds. It is who we are determines what we do just like a Baker bakes bread or a Sower sows seed.

Who we are will determine what we do. That's why Jesus said, "*Follow me and I will make you become fishers of men.*"

What's the use of doing something God didn't tell you? The peer pressure among students is so heavy that our children can't even cope. If parents can help them find the way and help become who they need to become, they will grow well.

What God gives to us and puts into us, what receive from heaven will shape us. Once we are shaped, we will know what to do. What to do is not difficult. Who to become is the most difficult thing. Let God come into our house and change the lives of our children. Put God first. Seek first the Kingdom of God.

Everything that is going to manifest will come to us like seed. If we don't handle the seed properly, we will lose the opportunity for God to work in us. If we don't believe, we will not see. The way we engage the word will determine the change in our lives.

The Lord will send the seed so that He will have a harvest in our lives. This is His inheritance that He has in the saints. God wants to put things into our lives. If we can understand this is the way God work things, this is the way we should lock in. Sometimes we take the word of God out of context.

*Mat 13:19 "When anyone hears **the word of the kingdom** and does not understand it, the evil one comes and snatches away what has been sown in his heart. This is the one on whom seed was sown beside the road.*

If we are sower of the seed, we won't be throwing at the wayside. This is dangerous to think that preachers sow the seeds everywhere. Parables are not perfect story. It pushes us to change. If it is the word of health, healing, rest, peace, recovery will come. If the word of finance comes, all areas of finance will be opened up. If the word of the Kingdom comes and if we don't understand, who is coming? The devil will be coming because we don't

understand. It is not about we didn't hear the word, it is about we do not understand it. If we don't understand the word, the enemy will take it out. If we understand the word, revelation, understanding and wisdom will be there. God wants us to understand so that we can engage with the revelation.

As the word of the Kingdom comes, it will give us access to the Kingdom. If God speaks to us about health, the whole world of health will open up to us. If God speaks to us about the Spirit, it will open up our lives with experience after experience.

Revelation is the gathering of facts

Understanding is the interpretation of the facts

Wisdom is the application of the facts.

If we receive by revelation and if we don't go to the next step of understand, the enemy will take away the seed. When there is no seed, there is no harvest. When the seed is taken away, there will be no harvest and there is not reward to the one who sows and the one who receives. All things came through this word. Without the word, we will lose out many things. We will be our own worst enemy.

Mar 4:24 And He was saying to them, "Take care what you listen to. By your standard of measure it will be measured to you; and more will be given you besides.

Mar 4:25 "For whoever has, to him more shall be given; and whoever does not have, even what he has shall be taken away from him."

The winds are going to get stronger and the adversity is becoming more dangerous. Change is coming whether we want it or not. God needs to help us. Apart from His word nothing will come into being. Take care of what we listen to.

When we know what God wants, rise up and do it. That seed's dimension will be lost if we don't do it. If we respond wrongly to the thing that can help us, we will be on our own. If God is not with us, the enemy will be waiting at the wayside to destroy us.

When the word that God gives to us and when we understand it, more will be given. If we don't understand it, what was given to us will be lost and stolen. Then we can continue to Chapter 2.

If we don't understand Chapter 1, we won't be able to understand Chapter 2. When this happens, we will stop doing what God tells us to do because we no longer understand.

When we touch God's words, more will come to us. Ask God for understanding and wisdom because this will start the process of rebuilding our lives.

Isa 55:10 "For as the rain and the snow come down from heaven, And do not return there without watering the earth And making it bear and sprout, And furnishing seed to the sower and bread to the eater;

Isa 55:11 So will My word be which goes forth from My mouth; It will not return to Me empty, Without accomplishing what I desire, And without succeeding in the matter for which I sent it.

God sent the word and this word must have the freedom to move. We must not shut it down. God is speaking His word and will not return to Him empty. It will accomplish what God desires. If we want to success, let the words be free in our heart, mouth, prayer, etc. Allow the word be engaged.

Whatever God has spoken to us, activate it.
