

GOD'S AGENDA FOR ANS

We give God what He wants. We should live for the success of the House of God the best we can. During the time of worship, God deposit things in our lives. What He serves in the House is never the same as what He serves in our own house.

1. Touching God is Our Passion.

We must train our heart. The heart is desperately wicked.

Jer 17:9 "The heart is more deceitful than all else And is desperately sick; Who can understand it?"

Worship is very important. It is the purest grace giver. Worship and prayer is the most powerful facilitators we can have in our lives. He gives grace to those who are humble and submit and worship Him only. We will have tremendous advantage. When we touch God, our passion will continue. When we don't push where God is pushing, we are pushing alone. There are a lot of things we want people to do for us and all these cares come into our lives. When we worship, God meets us because we came to meet Him and we will change the earth. When we come on Sunday, don't miss out. Worship is very important in this house.

The worship that we have energizes every people. This is the very powerful grace God has given to us. God extends His favor and call us in. Don't miss this because when we miss this, we miss everything.

Worship is a 2 way communication. It is not a one way street. God seeks those who are worshipping Him in Spirit and in Truth. This is the fastest way to bring God down. We don't have to sing 10 songs before the Holy Spirit comes down. If we are in this habit, the Father's eyes are upon us. His eyes run to and fro across the world; not looking for anybody but specific people who can please His heart. Our worshippers and worship team can be healed so that we can be free to worship.

Celebrate in passionate worship.

2. Changing Lives Is Our Priority

How will this happen? We hear and heed the proceeding word and the prophetic word. People cannot change if we just talk to them. It is not the talk that is the material. It is the word that is the material that will rebuild the House. That's why it is so important to put the words into songs.

Today when we hear His word, don't harden our heart. God wants us to take the word inside. When we start to speak the word, it gives us the material to build. We can break the fear of men.

Heb 2:15 and might free those who through fear of death were subject to slavery all their lives.

Heaven is opened up for us.

Heb 1:1 God, after He spoke long ago to the fathers in the prophets in many portions and in many ways,

Heb 1:2 in these last days has spoken to us in His Son, whom He appointed heir of all things, through whom also He made the world.

Heb 1:3 And He is the radiance of His glory and the exact representation of His nature, and upholds all things by the word of His power. When He had made purification of sins, He sat down at the right hand of the Majesty on high,

Heb 1:4 having become as much better than the angels, as He has inherited a more excellent name than they.

God is speaking to us through His Son. The Spirit of Prophecy is the testimony of Jesus. If we sow the seed, we will see the harvest. We are not forcing people to change. We want their lives to be changed.

Joh 5:2 Now there is in Jerusalem by the sheep gate a pool, which is called in Hebrew Bethesda, having five porticoes.

Joh 5:3 In these lay a multitude of those who were sick, blind, lame, and withered, [waiting for the moving of the waters;

Joh 5:4 for an angel of the Lord went down at certain seasons into the pool and stirred up the water; whoever then first, after the stirring up of the water, stepped in was made well from whatever disease with which he was afflicted.]

After each season, only one person will be healed. Jesus said to the lame man, and the man walked. The fastest way to receive our miracle is to believe His word. Our God is a speaking God. Don't take His words lightly. God will only fulfill what He has spoken to us. That's why

we must hear what He is saying. That's why we must give time to the word. If we are a good student in the school, we will also be a good student in the church.

The word of God is so powerful. We want the word of God to be delivered. Speak the word of God in every situation and every opportunity. Changing lives is through the word.

3. Building Families is Our Pattern

We must make sure everyone in the family is saved; one after another. Hell is not for us or our friends. Hell is not even for our enemies.

This is where the blueprint is. In the family is taught all aspects of life. Values are taught in the house. If we don't change the house and make the house in order, all is lost. That's why marriage is important so that we can set the house in order. That's why we don't simply marry anyone.

Family is where we learn relationship and how to use money. It is also a place where we learn honor and eat the right food. We learn how to call our relatives and give honor. We learn how to be polite. The house is the first school we attend where our parents teach us. The training of the child is in the home.

The patterns in the house must become more Christ centered. The attacks that are coming for families are crazy. We must have all the stations of our lives marked well with the principles of Christ. Otherwise our family can be swayed off the track. If our children are learning from the world first, then it's trouble. If we allow our children to move freely in this situation, we are in trouble.

The value system must not come from the television or the computer. It must come live from us.
