

AN ANGEL FOR EVERY CHURCH

We are now not just a church within the 4 walls but we are touching the community. In the past we are hidden but something happened this year. There is a new boldness in the church.

For anything to be supernaturally released it must start with God. We cannot hear that God is saying and do if we are at the wrong place. We have to hear what God is saying. When God touched us in a supernatural way, our hearts will come in obedience.

Acts 1

God plans a sovereign plan and He released the revelation to the Son. The Holy Spirit brings us closer to the Father. Jesus came to reveal the Father.

When the Holy Spirit breaks forth in our life God will arrest our body from decay and decline. The resurrection power that raised Jesus from the dead will be the same in leading us to another level. It is important to know the HOLY SPIRIT. He led Jesus to the wilderness. Jesus depended on the HOLY SPIRIT. He did no miracles until the HOLY SPIRIT came.

The HOLY SPIRIT is the master key to everything. Jesus did the work on the cross and continues the work in heaven. The HOLY SPIRIT came down from heaven to earth so that He can work in us. Be very careful, no matter how good we are we can be tempted in strength and in weakness.

That's why every church is raised up by the HOLY SPIRIT.

The HOLY SPIRIT is an Informer, telling us what is happening in heaven. He is a reliable source of intel. When the HOLY SPIRIT comes upon us, He opens our ears to hear.

There is an angel in every church. Angels are dispatched and being deployed. Their concern is to make sure the church is being informed. When we hear what the HOLY SPIRIT is saying, or Gabriel saying or Messengers, it would have the same effect. If we don't understand this, we will never get near. God is allotting for each one of us to walk with Him. We must create that space for Him.

Don't say we don't have time because we give time to whatever we want to do. If we want to eat dinner, we will find time for it.

Only the HOLY SPIRIT can tell us the movement of God, the world, or even the schemes of the devil. The HOLY SPIRIT is special. If He tells us, the thing is done. The sin that the HOLY SPIRIT will deal with us is the sin of unbelief in Jesus.

What the HOLY SPIRIT do through our life will be different from the other person.

God will dispatch angels so that the message is not lost. The angel came to deliver to Mary, to Daniel so that the message is delivered directly.

Our mind can become an enemy to our faith. That's why, believe and not doubt.

So many of us have strong outward appearance but weak internally. There is no river inside. In order to grow the river, we must start with the well.

If we respond to what the HOLY SPIRIT is saying, the angels will get more involved with us.

Revelation 2:1

¹ *"To the angel of the church in Ephesus write: The One who holds the seven stars in His right hand, the One who walks among the seven golden lampstands, says this:*

Jesus is the Builder of the church.

The purpose of the angel is to bring the message to His people.

Every time when we see angel manifest in this last days is because of God's word and not because of our prayer. God does not send angels according our prayer but according to His word. If there is something God wants us to do or live, angels will come along that line.

Psalms 103:20

²⁰ *Bless the LORD, you His angels, Mighty in strength, who perform His word, Obeying the voice of His word!*

He sends the angel so that the message of healing or salvation, etc can come to the church. God's word has gone out and angels are waiting. They wait to perform His word. When God sends the message to us and when we believe and we speak the message, not just HOLY SPIRIT is involved but angels will also be at work.

We don't pray to give angels assignment. We just speak the word of God.

Hebrews 1:13-14

¹³ *But to which of the angels has He ever said, "Sit at My right hand, Until I make Your enemies A footstool for Your feet"?*

¹⁴ *Are they not all ministering spirits, sent out to render service for the sake of those who will inherit salvation?*

Angels are to minister.

They are ministering spirits. They are sent to strengthen us when the enemy is attacking us or when we are in battle. When we believe the word, speak and act on the word, angels manifest. When we are in war or struggling in the flesh, the angels will come and meet us.

Luke 4:1

¹ *Jesus, full of the Holy Spirit, returned from the Jordan and was led around by the Spirit in the wilderness*

The HOLY SPIRIT is like the Promoter of Jesus and led Jesus to the ring.

Luke 4:12 -14

¹² *And Jesus answered and said to him, "It is said, 'You shall not put the Lord your God to the test.'"*

¹³ *When the devil had finished every temptation, he left Him until an opportune time.*

¹⁴ *And Jesus returned to Galilee in the power of the Spirit, and news about Him spread through all the surrounding district*

If angels are coming down, demons are coming too. We have to be ready and don't only prepare in the middle of war. Serious battles are ahead of us.

When we are a powerless church, we cannot change the world. Organizing is easy compared to changing a life.

Once a month, we will go on Livestream and pray for the sick.

1. All that Jesus do and teach, we cannot impart into another person unless we do it.

We have to be the doer of God's word.

2. Where I am in the chain of command? Am I giving orders or receiving orders. From here we will know if we are in charge or we are at the bottom of authority. Can we come under authority? Can we obey authority?

In the midst of disorder, God must put things in order. The world is going to be in chaos.

3. Declare war on the devil, sin, sickness and disease

A new age of righteousness will swallow up the age of sin.

4. The kingdom of God will be understood, explained and executed.

The Kingdom of God will manifest. The kingdom of God will come upon us. To be in the kingdom means to make Him King.

5. A fresh respond to the HOLY SPIRIT.

What the Father promised, the Son delivered and the HOLY SPIRIT demonstrated.
