

PROPHETIC WORD FOR 2019

We want to become God's voice, not a noise. In order to be a voice, we have to believe what God has said. By the voice in the wilderness, made straight the pathway. At the end of the day, God must make the way.

There are 5 Priority of Purpose for 2019. If we do what we must do and seize the moment, God will be there for us.

Even though all structure is gone and the place is void, when the Holy Spirit is in our life and mind and heart, He will turn things around. God will turn things around.

1. The Kairos moment is here

Don't get out of the moment. This is our time. When God does the work, He sends the prophetic word to the prophets. Kairos time is the most important time. Spiritual time is the key to spiritual harvest. Now is the time.

The devil is trying to confuse the church by making the church not knowing her time. God wants us to enter. Even the devil is limited by time.

Egypt could not turn Joseph around because Joseph is God's man and He lifted him up until he became the Prince of Egypt.

We must search through the bible. If we do the right things at the right time, we will know what to do when the wind blows, the flood comes or when the rain comes.

"My kairos time has come."

The day when God speaks to us, that's the time that comes. Don't choose the devil's way and give the world to us before time.

If we are not the man, the devil is not afraid. If we are the man and when we rise, the enemies will be scattered.

Rev 12:10 Then I heard a loud voice in heaven, saying, "Now the salvation, and the power, and the kingdom of our God and the authority of His Christ have come, for the accuser of our brethren has been thrown down, he who accuses them before our God day and night."

The devil knows day and night cannot merge and one will swallow up the other. When authority comes, power comes. With power and authority Jesus cast out the devil. When salvation comes, Kingdom comes. Don't miss our time.

Rev 12:11 "And they overcame him because of the blood of the Lamb and because of the word of their testimony, and they did not love their life even when faced with death.

Rev 12:12 "For this reason, rejoice, O heavens and you who dwell in them. Woe to the earth and the sea, because the devil has come down to you, having great wrath, knowing that he has only a short time."

When time comes and hits us and say we have only 1 year to live, the time will become very precious to us. Our testing is for God's glory. When we go through difficult times, God wants to show us to the devil that we can overcome.

We must know that our time has come. Don't pray prayers and we are not there. Don't pray for the bus to be there and yet we are not there to board the bus.

When God directs us, we will be on time. Listen to the sound of God's voice. If God speaks to us, we will change. If God don't get involved, we will not become what we are supposed to become. No matter how strong we think we are, without Christ we cannot do anything.

Act 17:30 "Therefore having overlooked the times of ignorance, God is now declaring to men that all people everywhere should repent,

Act 17:31 because He has fixed a day in which He will judge the world in righteousness through a Man whom He has appointed, having furnished proof to all men by raising Him from the dead."

When God speaks to us it will be clear to us yesterday, today and tomorrow. God overlook our ignorance and immaturity and come to us. God is not far away from us. He will come all the way to help. Papa can bring and lead us close to God but if we don't eat or drink, there is nothing much anyone can do. No one can help us eat or drink.

God is now declaring to men that men should repent.

Make sure we change now so that when God judge us it is on righteousness and not on the negative things. Yesterday God forgave me. Today God will judge me. Tomorrow God will reward me. Make the right decision and pay the right price and

connect to the right things. Don't talk about the past because the past has no power over us.

God doesn't raise anybody. He raise the one He has chosen. Better make sure we are chosen. Are we ready to change? When we change now, we will change yesterday. God has fixed a day in the future. God wants to connect us to the right place.

2. The Open Heavens

It is the kind act of God's favor to give us an open heaven so that no one can take what is ours. God will give to us what is due. When we pray, He will answer. We will know God's kindness in a way we have never known before. God who gives us a child will also give us the money to raise the child. He will give us the wisdom and understanding. Don't use our own philosophy. If we follow God, we will become the product of His handy work. If we don't do things right, we will lose the next generation.

We better know that God is there. Just as Jacob slept in Bethel and God was there. Depend on the Holy Spirit even the smallest things. Depend on the Holy Spirit like we have no one else to depend on.

3. Prophetic Precisions

Study the word and listen to the prophecies because this will divide the church from false prophets to true prophets. We must test the Spirit of Truth and spirit of error. Don't follow blindly the misinterpretation of scriptures. If we interpret the bible in a certain manner, we will live in accordance to that manner.

We receive **revelation** but we need to know if it's true or false. Then we **interpret it** so that **understanding** comes. Once we understand, **wisdom** will come.

4. Strategic Positions

Stay in the right place, think the right things, and do the right things and be the man and things will happen. Strategic positions will give us stature. From so many people and we can be pointed out, we are in strategic position. God has given us our place.

5. The demonstration of the Holy Ghost

We will talk about the miracles because it will happen over our lives. God will show us He is real. The Holy Spirit is not a bird or water. He is a person of the Godhead. He is God Himself. The Holy Spirit will demonstrate in signs and wonders.
