

THE CHURCH OF THE FUTURE

God has given us a promise that the revelation flowing from the prophetic grace will become clearer to us.

The Holy Spirit must open our eyes to see what God has said, hear what God has said. The first time the devil appeared to Eve, he said, "Did God say?"

Who is speaking to us? Are we ready to become the church? We are the church and we are the living priest. If we are weak, we cannot protect ourselves. Church life is very difficult because everything is voluntary.

We must be the church that will change the world.

1. The church is connected to the fast flowing river of revelation

So much is flowing out. Hundreds and thousands are receiving their portion everywhere. The Spirit of Revelation, Understanding and Wisdom will flow in the river.

Eph 1:17 that the God of our Lord Jesus Christ, the Father of glory, may give to you a spirit of wisdom and of revelation in the knowledge of Him.

Eph 1:18 I pray that the eyes of your heart may be enlightened, so that you will know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints,

We will experience things we have never experienced before. God will show us revelation of heaven, hell, lives of people in the nation, etc. If we have a revelation of God, we will become like the revelation. That dimension will come to us. When we see God the Father, we will become father to the fatherless. If we see Him as the possessor of heaven and earth, financial breakthrough will be ours.

The primary teaching is to put the fear of God in our heart. This is the beginning of wisdom. The problem with people is that they hear and get offended or confused. God wants to give us revelation. The Church is connected to the fast flowing river of revelation.

2. God is actively involved in the building of the church

Just like making men, they are making the church. The Father, Jesus and the Holy Spirit is involved. To say what the Father is saying is also part of the project. There is no other institution that God is building. We learn the patterns and bring it back home to practice. Though He had redeemed all mankind, those who believe will receive life.

For us to fulfill God's plan is to become part of the corporate destiny of the house. He saved us alone but put us in a family. Everyone is not in the same place and rank in the spirit. Miriam thought that she can hear from God as well argued with Moses and was hit with leprosy. God put someone above us for a purpose.

The Father has an agenda and we must be careful not to despise church and what the people are doing. We are here because we love His house. The only way to find Him is here. God is working and we should be the first people to sign up.

3. God gives us Kingdom message so that we can bring people into complete transformation of life.

We must know the person who wants to bring transformation of lives; God. Our understanding of the Old Testament and the understanding of the Jews of the Old Testament is different. This is because of the culture that is different and sees the Bible of a different perspective. What God is showing us is the Kingdom message to get people out of hell and channel them into the heavenlies.

Pray that God will speak to us so that we can speak to others. The power to change lives comes from the power of a changed life. When we are changed we will know the process and the power resides in us.

It is not easy to obey God completely. If God don't work inside our heart, we will not have the grace to do it. We can try seven times and fall seven times. God must work within our heart and set ourselves free from ourselves so that we can lift our hands to Him and take us across.

4. The Church will keep the heavens open and shut the gates of hell

There are 23 promises that will be fulfilled and must be fulfilled. Things that we have discussed before, we must keep watch and follow. These are instructions and conditions we need to fulfill. These 23 things will affect our lives and our future.

How is the church going to keep the heavens open? It is by our obedience. When we do what we need to do and fulfill what is required and follow what is instructed, the heavens will be opened. A lot of things will happen by what God speaks to us and obey it. There are those from rich families, and there are those from the poor family. But both must learn God's principles.

Present our body as a living sacrifice.

Mat 8:16 When evening came, they brought to Him many who were demon-possessed; and He cast out the spirits with a word, and healed all who were ill.

Mat 8:17 This was to fulfill what was spoken through Isaiah the prophet: "HE HIMSELF TOOK OUR INFIRMITIES AND CARRIED AWAY OUR DISEASES."
