

GOD IS SHAKING EVERY NATION - PART 1

Act 17:23 "For while I was passing through and examining the objects of your worship, I also found an altar with this inscription, 'TO AN UNKNOWN GOD.' Therefore what you worship in ignorance, this I proclaim to you.

As God works in our heart, the things we don't know will be explained. What was mystery in the past is now made known through the prophets.

Eph 3:4 By referring to this, when you read you can understand my insight into the mystery of Christ,

The Spirit of Revelation helps us to understand things that we have not known before and see things we have never seen before. When there's revelation, we must have understanding or else wisdom is not coming. This is God's way of separating the crowd. We will walk from ignorance to revelation. Upon this revelation God will build the church.

Ignorance will not help us in any way. The Spirit of Revelation is what God is releasing at this hour. Knowledge will increase. God wants us to speak up. When we gather, our voice must be heard. If the church don't speak it and take a stand in righteousness, someone will take the flag and throw it down.

We are one of the most powerful organizations in the world. We are more powerful than the United Nations. We are All Nations. God saved us with a purpose.

God did not save us for failure. He put us in a family so that we don't die as an orphan. He gave us brothers and sisters. We don't just carry the message but the Life of Christ so that we can become Christ like.

Why Is God Shaking the Kingdoms of the World

Act 17:26 and He made from one man every nation of mankind to live on all the face of the earth, having determined their appointed times and the boundaries of their habitation,

Act 17:27 that they would seek God, if perhaps they might grope for Him and find Him, though He is not far from each one of us;

God made from one man to become a nation.

Heb 12:27 This expression, "Yet once more," denotes the removing of those things which can be shaken, as of created things, so that those things which cannot be shaken may remain.

1. God may be shaking the world but what God has placed inside must not be shaken.

We may go through some suffering a little or sickness, but what do we want? Healing is His children's portion. Do we ask? If God wants to give us a million, God has every right to test us to see where our heart is.

Joseph was in charge of Potiphar's properties and is made the head. Joseph was living his dream. But at this time God put him down again. God will only take him out according to His time. When we go through sufferings, learn the lessons well. That's why some temptations don't come to us anymore because we have broken through it through our sufferings. Trials and temptations are so that we no longer confide in ourselves but to Him.

God will shake everything that can be shaken so that what remains is Kingdom quality. When God deals with our life and put the Kingdom in us, amazing things will happen. Allow God to test us and take us through any lessons He want.

2. God is shaking every nation so that all people can repent and be saved

Act 17:30 "Therefore having overlooked the times of ignorance, God is now declaring to men that all people everywhere should repent,

Act 17:31 because He has fixed a day in which He will judge the world in righteousness through a Man whom He has appointed, having furnished proof to all men by raising Him from the dead."

This is different from the gospel service. God is coming to them. God knows us and He is coming for us. If we are meant to be saved, we will be saved; even when we are possessed by Legion. God is now speaking.

When men are pressing in to know God, this is one direction. But when God is coming to meet with men, this is another direction. There is a high price to pay for careless life. God in His mercy is pursuing people. If God does not intervene, the climatic conditions of the world will wipe out everything. The financial systems will also wipe out everything.

The only protection we have is our obedience to the word.

God has fixed the day to judge the world. When God is shaking, He is already planning to invade. He wants everyone everywhere to repent and be saved. If we live the way we are living now, how far can we go?

When God shakes the world, He is not vindictive. He wants the people to be saved. When God shakes the world, we will change. We have to be careful. God is already on the earth and He has started the shaking. Not everything will be rosy.

Hag 2:7 'I will shake all the nations; and they will come with the wealth of all nations, and I will fill this house with glory,' says the LORD of hosts.

Hag 2:8 'The silver is Mine and the gold is Mine,' declares the LORD of hosts.

3. Silver and gold will be brought to His house

God will give an incredible love for His house and His people. The things that will change the whole world is the church. Unless the church watch over the city, disaster will be there.

4. God is shaking every nation until all conflict and compromises of his plan will no longer be in the heart

There must be no conflict. All conflicts with the Lord must stop. Then God will open His armory.

Jer 50:24 "I set a snare for you and you were also caught, O Babylon, While you yourself were not aware; You have been found and also seized Because you have engaged in conflict with the LORD."

Jer 50:25 The LORD has opened His armory And has brought forth the weapons of His indignation, For it is a work of the Lord GOD of hosts In the land of the Chaldeans.

When Jesus asked the disciples to get into the boat, the storm broke out and the disciples were full of fear. Jesus was sleeping and the disciples scolded Jesus. This is conflict in the boat. We cannot win the battles of life if the conflict is in the boat. No house can remain strong except by the strength that is in the house. If God becomes our enemy, then we have no hope.

5. God is shaking every nation so that the heavens are open above them

It is the mercy of God that we have 2 decades of open heaven.
