

## PROPHETIC ALERT PRAYER INVASION

We have given a strong push prevailing in the Spirit for an acceleration of prophetic fulfillment (for Malaysia and other sheep nations) for every nation. It has happened as God Promised us after 61 years!

We must lead the nation back to God and to destiny by praying and interceding in the Spirit Realm by the Spirit.

We must preach, pray and prophesy like in the days of Ezekiel in the Valley of Dry Bones. The infrastructure and structure must go up quickly. To clean up the city after a massive flood is a tough one. Tun M had said, the decay and decline is the worst of its kind and corruption was steep in every ministry. Rome was not built in one day. It would take time.

We must hope again and take this journey with prophetic precision. We are confident that God has begun a good work in us will also bring it into fulfillment.

We (about 550 people) gathered on the 14th April 2018 to pray for GE14 and God turned up and increased our capacity to continue in this victory in the Spirit for a locked down period for 14 months. These 14 months of God is an awesome supernatural intervention for our nation.

The book of Daniel is an important guide to follow as the history of nations is revealed in it. The chronology of the kingdoms of this world is revealed progressively so that we who pray "Thy Kingdom come, Thy will be done as it is in heaven" will be the first to see it. We must intensify our prayer invasion with the prophetic flow. The representation of the Kingdom will be by the Lord Jesus Christ.

God wants us to be fully persuaded that it is the Father's desire to give us the kingdoms.

*<sup>10</sup> Then I fell at his feet to worship him. But he \*said to me, "Do not do that; I am a fellow servant of yours and your brethren who hold the testimony of Jesus; worship God. For the testimony of Jesus is the spirit of prophecy."*

*Revelation 19:10*

These are the bullet points to pray for the church in Malaysia to rise in the Spirit. We have to continue to pray for the synergy of the present government to accelerate to prophetic fulfillment for this is the Kairos time for Malaysia. We must get our churches ready according to and have prophetic focus of the Kingdom Transformation in our nation.

We must pray that the church is ready to move and begin to lead the nation in the specific areas that they have expertise.

1. The church must be a voice and not a noise.
2. The church must speak, pray, preach and prophesy until the supernatural dimension of the Spirit is in the house.
3. When the Upper Room is filled with the frequency of the Throne Room, then the

church will ready to take the Kingdom Mandate.

4. The atmosphere will be filled, the house will be filled and the people will be filled with the Spirit of the Lord. When the spirit of righteous men is being perfected, God is ready to release the fresh outpouring of the Holy Spirit.
5. Though we are already seeing results, we have to keep praying until we see the rain. Keep pushing until the river cannot be forded and it overflows its banks.
6. We must create a stronger momentum for a Malaysian renaissance.
7. God is still on the Throne, God's people are still in the Upper Room and we have no room for the devil. Take 30 minutes every day and pray with the prophetic words in your lips.
8. There is a new unveiling of the impartation of prophetic utterance. The prophetic anointing will bring back the revival of the Word and the Spirit.
9. The prophetic utterance can be a weapon or a tool to launch the weapons of warfare.

# THERE WILL BE **PROPHETIC SEASONS** OF GOD ENCOUNTERS

Our walk with God must inspire change that will be guided by prophetic alertness and explicit obedience. We must keep to spiritual timing as this is the key to spiritual harvest. The prophetic word will align and adjust us to instill in us the urgency of time. We will be

blessed and become a blessing when His power rest in us.

We must not miss the time of our migration. This is an important time to crossover to takeover!

*<sup>7</sup>“Even the stork in the sky  
Knows her seasons;  
And the turtledove and the swift and the thrush  
Observe the time of their migration;  
But My people do not know  
The ordinance of the LORD.*

*Jeremiah 8:7*

*<sup>2</sup>“Thus says the LORD of hosts, ‘This people says, “The time has not come, even the time for the house of the LORD to be rebuilt.”’<sup>3</sup> Then the word of the LORD came by Haggai the prophet, saying, <sup>4</sup>“Is it time for you yourselves to dwell in your paneled houses while this house lies desolate?”*

*Haggai 1:2-4*

Satan will try to change time so as to confuse us of when we are to move. We must walk in step with God.

We must see the process how divine principles are outworked in the earth.

1. The demonic realm is controlled by deceit and deception is the master key for their operations.
2. The demons will lead people into a place of distress and despair.

3. They will try to defeat us, defile us or defy us. Their intimidation often works because they use words to deceive the nations.
4. They will utter boasts (Dan 7:8, 20) when they think they are victorious.
5. They will keep attacking us to make us weary and overpowered (Dan 7:21, 25)
6. Every work has an expiry date for its completion. The works of the devil has an expiry date also. When we act in obedience to His will in heaven, God will take His seat and pass His judgment in favor of the saints.

*<sup>9</sup> "I kept looking  
Until thrones were set up,  
And the Ancient of Days took His seat;  
His vesture was like white snow  
And the hair of His head like pure wool.  
His throne was ablaze with flames,  
Its wheels were a burning fire.*

*<sup>21</sup> I kept looking, and that horn was waging war with the saints and overpowering them <sup>22</sup> until the Ancient of Days came and judgment was passed in favor of the saints of the Highest One, and the time arrived when the saints took possession of the kingdom.*

*<sup>26</sup> But the court will sit for judgment, and his dominion will be taken away, annihilated and destroyed forever. <sup>27</sup> Then the sovereignty, the dominion and the greatness of all the kingdoms under the whole heaven will be given to the people of the saints of the Highest One; His kingdom will be an everlasting kingdom, and all the dominions will serve and obey Him.'*

*Daniel 7:9,21,22,26,27*

7. The saints must receive the Kingdom (Dan 7:18). They must be empowered by the Holy Spirit to possess the Kingdom (Dan 7:18). They must protect the Kingdom (Dan 7:22). They must not get caught in the snares of the enemy. Deception, defilement and defragment will bring decay and decline into their lives (Dan 7:25-27).

The Last Day Saints must take their place in heaven. Ultimately the demonic dominion will be crushed. Satan and his angels will not be strong enough because we have become stronger. Satan and his angels no longer have a place for them in the heavenlies because God has taken His seat and we found our place in the heavens.

8. The Last Day Saints must become stronger and become the strong man in the City.

*<sup>7</sup> And there was war in heaven, Michael and his angels waging war with the dragon. The dragon and his angels waged war, <sup>8</sup> and they were not strong enough, and there was no longer a place found for them in heaven.*

*Revelation 12:7-8*

*<sup>2</sup> Daniel said, "I was looking in my vision by night, and behold, the four winds of heaven were stirring up the great sea.*

*Daniel 7:2*

*<sup>21</sup> I kept looking, and that horn was waging war with the saints and overpowering them*

*Daniel 7:21*

*<sup>32</sup> Of the sons of Issachar, men who understood the times, with knowledge of what Israel should do, their chiefs were two hundred; and all their kinsmen were at their command.*

*1 Chronicles 12:32*

# THERE WILL BE **PROPHETIC SHIFTS**

This feature will be taking place in every institution and in every domain.

We will know paradigms / thinking / mindset / shifts which will take place everywhere. We must change the way we think or else we will not be relevant. We can be left behind by the progress and development around us. We will end up doing the same thing again and again, acting like a hamster.

People will move on to better gadgets, devices, technology, machines to help us move faster into God's change initiatives. Only those who change will stay employed. We must trust God that we will walk in wisdom, revelation and understanding so that when the time and thinking of the people is on the same frequency we can move forward to lead the nation. The Prophetic Shifts means a change in the thinking pattern that takes us higher to the next level. The prophetic shifts also means that we are prepared to change our lifestyle to bring the word into fulfillment.

# PARADIGM SHIFT FOR THE REFORMATION OF THE CHURCH

1. We must **discern the times to stay relevant** to the days we are living in.
2. We must decide to **initiate change** to take us to the next level.
3. We must **enhance the dynamics within the House** to develop an ongoing influence in the city,.
4. We must discover **the dimensions of the Word** and the Spirit to bring a difference by empowering the workforce.
5. We must know **the demonstration of the Holy Spirit's power** by creating an atmosphere of aggressive faith.
6. We must **build by the design** not haphazardly.
7. **The direction** we are taking **must be focused on the pattern**, on the purpose for God and His people.
8. We can **only extend** our dominion by staying true to the assignment.
9. We need to **grow our stature** in order to advance our territories.
10. **Corporate destiny can become a reality** by the power of one. Strategic leadership, empowered followership and the God factor can inspire people movement that will take on the world.
