

THE INCREASE OF HIS GOVERNMENT – PART 2

By Dr. Jonathan David

God will protect us from every harm. God is raising us up and sending us to the frontlines of the battlefield. He promised to give us great cities. Sin age is coming to an end and sin will no longer operate in how it is operating. Righteousness is breaking out. We must be ready. God is shaking every nation that can be shaken.

Do not refuse Him who is speaking. Once again God is shaking the earth and also the heavens and things that cannot be shaken shall remain. God is gracious to us. Don't build our future on wrong materials. He will shake everything that we have used wrong; programs, events, or service that we hold in our church. God wants us to have the best material. He laid the foundation and established the cornerstone so that those who are building will build accurately. The future is dangerous if we are not connected to the Spirit of Revelation, Understanding and Wisdom. Let this 3 dimension come upon our lives.

1. God is shaking every nation until everything that can be shaken will be shaken.

God is shaking every nation and no one is spared; Christian / non-Christian, godly/ungodly, righteous/wicked in every strata of society is affected. God is going to turn our woe to wow. Those who are building will build accurately.

Let God shake everything that can be shaken so that whatever remains is what He wants it to remain. God is looking for men and women who are strategic who does not work the way they used to before but learn to work with God.

Most ministries are aligned to the frequencies of the congregation and we give them what they want. In the end the people developed a hand-out mentality. God has set a day and time for judgment. God overlooked the times of ignorance. God is declaring to men that all should be saved and repent. God has fixed a day where judgment will take place.

In the midst of all that is happening, God is sovereign and He will not allow us to suffer more than what we can. None of disease must touch our lives and if it does, the light of God within us must rise up and swallow death. The power of sin will become lesser because this is the beginning of the end of sin age. God wants us to know the Age of righteousness. Seek first the kingdom and all that the gentiles are seeking for will be added unto us.

We are not controlling the disease. We want to rise up and destroy the disease.

We are standing on a new threshold of a new season in God. We must trust in the Lord and we must not fear.

2. God is shaking every nation so that people everywhere can repent and be saved and serve His purpose.

God is shaking our confidence in the world, flesh, the power of wealth, grown up without anybody and think that we can continue to grow without anybody. God has overlooked our ignorance and God wants to connect directly to us. Let the Spirit of Revelation come to us. Because He wants to give us the Kingdom, He does not want

the Kingdom to be contaminated. He wants to give us building blocks so that nations can change. If we are held by God, we will be protected by Him. God is releasing a special gift and those who believe in Him will not perish.

There is only one answer to any arrow the enemy is shooting to the nations. We must go up higher and receive this gift of repentance. The gift of repentance will lead to the reformation of the church; change the way we think, feel and operate. When God gives us the keys of the Kingdom, we don't have to knock. Earth and heaven will join together.

The materials that God is looking for is precious material; our lives, family, character, and churches under the power of the Holy Ghost. This is the only way to escape the spirit of error. The Spirit of Truth must rise. Righteousness must find its foundation in Christ. This is the royal ingredient so that the increase of His government, there is no end. God gives us the gift of repentance so that we can return to Him.

3. God is shaking every nation until all the silver and gold be brought into His house

God is answering all the questions that we have asked in our heart. What in the world is happening? Resources are coming; gold, silver, glory, God's goodness, grace, they are coming. All will be returned to the house. Thank God that He is shaking.

Isaiah 59:21

God is giving a special word of promise. Without covenant relationship, we cannot cross over to the other side. When the Word comes to us supernatural things will happen. The wealth of the nations will come to us.

The righteous will know that they are righteous. The wicked will become more wicked and even though they cry like Esau, they won't be able to enter in. It is the right of every child of God to have communion with Him.

God's glory and grace is the currency of today. Gold and silver price and stock market will drop but God is lifting us up. Arise! shine for our light has come. The heavens are open. He is giving us material to build.

Those who rejected God has chosen their own pathway of destruction. The kairos time has come for every nation to come under the government of God.

God is shaking every nation until we stop conflicting and compromising His plans and purpose. He is getting the church to rise so that we don't conflict with Him.

Jeremiah 50:24-25
