2020 – 2040 are double decades of open heavens. The condition that is taking place all across the earth now is nothing compared to what God has prepared for us.

The devil is a liar and a failure. From day 1 he did not succeed. God created him perfect but the silly devil had a sinister plan and brought sin to heaven and sin came into his heart. He wanted position to rule and reign.

God has called us to be an overcoming church, victorious church and the church of the overcomers. When Jesus is exalted and the Holy Spirit is adored and the Father is worshipped, our heart and life will turn.

This pestilence has come sweeping across the world and nations came under the oppression of the devil. Be focused on God’s priority.

The news we hear are not good news and they are breaking the hopes of our future. But God is alive and He is speaking. He wants the world to come back to Him. He is looking for a new generation who will live by God’s word. This is the reason why the double decade is a special gift of ushering the nations of the world without prejudice. He is the only one who can give and fulfill hope. Men, politicians, and doctors can only give a promise but only God can fulfill it. We have to trust God.

In the next 20 years will be years of prophetic fulfillment guided by the Spirit of Revelation, Understanding and Wisdom. We will see with clear prophetic precision. False prophets are going to be exposed. Those who do not carry God’s words will be sidelined. There will be a new breed without greed and a radical opposition to corruption. Prophecies are falling in line.

Receive the grace to fear nothing. Receive the Spirit of Revelation to understanding what God is saying. Receive the Spirit of Understanding so that we can interpret it accurately. Receive the Spirit of Wisdom to execute it. Receive revelation beyond flesh and blood but from above. Lay hold of this grace of God from heaven.

The heavens are going to be opened. How do we know? There will be increased activity in the spirit world. The next 20 years will be the moments of glory. Every major prophetic event, prophetic word and promises are going to come into fulfillment before our eyes in this double decade. The transfer of legacy must be done so that we can bring the next generation to the next level. Our sons and daughters will be connected to the heavens and the voice of God.

The Spirit of Righteous will make perfect the spirit of man. God will plant dreams in their heart and the seed will grow. Our inner man will be strengthened and be empowered with the strength from on high. Very soon we will feel the breath of God and feeling like we are
standing before His Presence and breathing in His air. The breath of God must be upon our face so that we can truly say we are face to face with God.

There will be a special leadership anointing because he is appointing us in leadership. We can be politician but not a leader or a manager but never respect other people’s grace. God is looking everywhere not for everyone. He knows what He wants. He wants Malaysia to return to Him. Let those who serve God in this land be blessed. Those who live in this land be blessed.

God wants us to be God conscious because He is opening up the spiritual intimacy with the Holy Spirit. We shall receive the Holy Spirit afresh. This coming together with the Holy Spirit is God’s way of unlocking the dimensions of life. God is offering us life, not death.

Some of us will be called into the Inner Chamber of heaven so that we can represent Him fully. The portal is opening up and heavens are opening right before our eyes. Get ready for God to take us to the next 20 years. Receive the fresh revelation from heaven.

God is gathering a people for Himself; those who are righteous and strong. God is raising up an overcoming church. There will be a new way of living; born to be king and born to win.

The sons of God will rise. This corporate anointing is coming upon the Body of Christ. Many barriers between denominations and churches will come to an end because we are fighting a common enemy. Our warfare is not flesh and blood. The life and nature of Christ will manifest in His ministers. God will raise up powerful men for their own nations to take cities, rebuild nations, reconstruct communities, and establish kingdom structure so that God the King of kings will come. The earth will respond to the authority of God. This is the beginning of the end of sin age.

Righteousness will be the order of the day. Righteousness is a clear mark of the manifestation of the Kingdom. Righteousness is an integral part of any progressive society. When righteousness is missing, corruption will flourish. True politics is true righteousness. They cannot just live in their ideology but in righteousness. Righteousness will exalt the nation. It will undo the works of darkness and destroy the works of the devil.

God will reset our lives and move us out from the pause button to the forward button.

God is bringing every man to accountability. Don’t say I don’t know. We better get connected to a supernatural force so that we can get things happen.

1. The Age of Righteousness will bring the powers of the age to come.
   It is the righteous people that will be raised up to destroy the works of the devil and heal sicknesses. It is the power from the other side of life. We can experience heaven on earth. So live righteously.
2. **In the Age of Righteousness, the righteous will be the DOMINANT PLAYERS in every DOMAIN.**
   They will shine brightly like the noon day sun. They are not just sons of the Kingdom but also sons of the Father.

3. **In the Age of Righteousness men can escape the sufferings from the oppression of the devil and sin.**
   The poor need the bread of life and living water. It is not the infrastructures that make a nation grow. It is righteousness that exalts a nation. We can deal with the devil land sin and bad habits.

4. **In the Age of Righteousness, the flow of the Spirit of ADOPTION**
   Many will rise this year. We will be free from sin nature and sin habits. Rise and have the freedom to choose Kingdom life.
