

PROPHETIC ALIGNMENT AND ETHICAL ADJUSTMENT

The church must speak, pray, preach and prophesy until the supernatural begins to break out.

If we don't have the word, we don't have the material for the miracle. One simple word can turn lives around. When God spoke the word, the reality will come.

Amos 3:3-5

3 Do two men walk together unless they have made an appointment?

4 Does a lion roar in the forest when he has no prey? Does a young lion growl from his den unless he has captured something?

5 Does a bird fall into a trap on the ground when there is no bait in it? Does a trap spring up from the earth when it captures nothing at all?

Two men just agree together for appointment in destiny.

We have a voice. Say something that God is saying. Anything that happens here in the earth then will be protected by heaven above.

The double decade is a special time. There's nothing we cannot do if God calls us. We don't need to toil so hard. We need to know the power of prayer.

God is good to us because God shows us the pattern how to live right.

1. We must know what God put in our life.

Take it out and polish it. Discover the revelation that God place inside us. What has God put into our heart and into our life?

2. Trust God's words that come to us

His word is final. God honors His word above His Name. When God opens the door, we must be clear what God is saying and don't misunderstand His word. If you are a man who carries God's word, nothing can touch us. When we have God's word, we are a champion.

Ask God what He has put inside us. This is the thing that will make a difference.

Get ready for the next 6 months because we are going higher than ever.

We must be able to hear God even when we are in the tunnel or in the lift. We must have good signal so that during the times of need we can hear Him.

We have seen the powers of darkness but we have really seen the power of Light.

God's word will go out. He warns us to keep us safe during this times of trouble. He wants to give things that cannot be shaken into our hands.

3. Seek God's presence so that we may have a deeper relationship with God.

The future is going to be tough and we need to build properly. One virus can shut down the whole earth. The danger of a neighbour's house on fire is that we may be next. Who we follow is very crucial.

When we are in trouble, heaven can move and come to us and bless us. Ask for God's presence. Talk to Him like a friend. When we put our lives in the hands of God, He will decide the pathway.

We give thanks to God so that He can linger with us and pass to us everything He wants to give to us.

Gen 18:1-3

1Now the LORD appeared to him by the oaks of Mamre, while he was sitting at the tent door in the heat of the day.

2When he lifted up his eyes and looked, behold, three men were standing opposite him; and when he saw them, he ran from the tent door to meet them and bowed himself to the earth,

3and said, "My Lord, if now I have found favor in Your sight, please do not pass Your servant by.

Sometimes God come into our lives in an awesome manner. We have to learn to talk to Him. He will talk back to us. This is His favor.

Staying in His Presence, love, connecting, practice in His Presence will make us strong. We won't be able to understand the Bible unless we are in the Spirit. None of the Bible is if our own interpret but the inspiration of the Spirit.

When the Presence of God comes there is a purpose.

Gen 18:5

5and I will bring a piece of bread, that you may refresh yourselves; after that you may go on, since you have visited your servant." And they said, "So do, as you have said."

If we want to engage with Him we must be alert. If we choose to get closer to God, something will happen in our immediate place which is our house.

Gen 18:9

9Then they said to him, "Where is Sarah your wife?" And he said, "There, in the tent."

There is no such thing that Jesus comes into the house and do nothing. He always has a purpose when He comes.

Gen 18:17

17 The LORD said, "Shall I hide from Abraham what I am about to do,

God is looking for long term relationship, partnership and working relationship. If we can see the future and come back and tell about it, it will be powerful.

The greatest tool that God gave to us is prayer. We can come out of any hole when we know how to pray.

Acts 2:22

22 "Men of Israel, listen to these words: Jesus the Nazarene, a man attested to you by God with miracles and wonders and signs which God performed through Him in your midst, just as you yourselves know—

Peter's revelation of Jesus expanded. Jesus was man but God can live through this Man.

1. Jesus is a man

2. God can perform signs and wonders through this Man

There is no resistance and God can flow through.

Can we imagine what will happen if God can flow through us without resistance?

God want to flow through us because He flows through His Son.
