

GOD GOVERNING CHURCH

In order to receive the Holy Spirit, we must prepare. God gave us 7 months from April until the Feast of Tabernacle which is today.

God extend another month after the Feast of Tabernacle to receive what God has prepared for us from heaven.

Every word and Promise of God is conditional. When God said it, we cannot just sit down and do nothing about it.

God will not give precious things to those who don't know how to appreciate it. He will only give to those who knows how to appreciate it.

If the Holy Spirit is nothing to us, then He has no meaning to us. God is going to pour out His Spirit and it is coming very soon. It is the Promise to God's people and He wants to equip us. God wants to put one third of Himself into our lives. How precious it is. is there anything more valuable than God Himself?

Lay hold of God's word and don't let it go. If we let the word go, we will be gone. Don't let anything take away the word.

Matthew 16:17-19

- ¹⁷ And Jesus said to him, "Blessed are you, Simon Barjona, because flesh and blood did not reveal *this* to you, but My Father who is in heaven.
- ¹⁸ "I also say to you that you are Peter, and upon this rock I will build My church; and the gates of Hades will not overpower it.
- ¹⁹ "I will give you the keys of the kingdom of heaven; and whatever you bind on earth shall have been bound in heaven, and whatever you loose on earth shall have been loosed in heaven."

Church is not built on public opinions or what we want. It is built in accordance to the foundation that God lays. Jesus is building His church. Don't misinterpret the moment when we see "Elijah and Moses" on the mountain. It is not about us. God is doing something at that time. Listen to Him.

If we want to be part of the building of the house, the frequency of our mouth must be change and be fed by the revelation of God. We must go beyond opinion and go in the flow of the revelation knowledge.

When there's revelation flow, there's active participation. We are not just about getting people saved or healed. We have to become Ecclesia which is the ruler of the city. We are to be like governors, who are meeting in this place. It was a meeting of all leaders of different domains. It is a leadership meeting. There are different department leaders meeting in the Parliament of God. The Ecclesia is a governing body. We are not just a membership church but a rulership and leadership church.

When we come to church, don't think about membership but leadership. This is authority and chain of command. When we arrive, we are not a member. We are leaders.

When God builds the church, hell cannot stop us. If hell tries, God will give us the key.

The Church must carry supernatural power to stop hell. Think outside the box and think that we are governors and see what kind of authority we exercise in the city.

The Church is not there for us. We are there for the Church. This government body must rise so that we can do the work outside. How many of us are ready to change the world? If we want to change the world, we must get ready now.

When the church is the governing body, God will give grace.
