

## BREAKING THE SPIRIT OF POVERTY

The last outpouring is called the latter rain. This latter rain comes before the harvest time.

This rain is important because it is needed for the seed to grow. And when the seed grows, harvest time comes. Before harvest time, the rain will come again and this rain is greater than the former one. When this rain comes, it is the time for harvest.

God is getting ready the whole world for harvest. In the natural we see so many bad things happen, chaos, confusing and hearts were shaken. Yet in the midst of all these God is preparing men not to depend on the things of the world anymore.

The harvest is coming and God is making us the harvester and laborers in the field. He will equip us to bring in the harvest. God is preparing the world and the church.

We must build right the area of finance. When we hear the world is going bad, that's when we must hide in the shadow of His Presence.

## Deuteronomy 8:1, 17-18

1 "All the commandments that I am commanding you today you shall be careful to do, that you may live and multiply, and go in and possess the land which the LORD swore to give to your forefathers.

17 "Otherwise, you may say in your heart, 'My power and the strength of my hand made me this wealth.'

18 "But you shall remember the LORD your God, for it is He who is giving you power to make wealth, that He may confirm His covenant which He swore to your fathers, as it is this day.

The powers of poverty is at our lips and our lifestyle.

Remove all the things that is hindering us from getting the best from God. We have to hear what God is saying.

## Matthew 6:32-33

32 "For the Gentiles eagerly seek all these things; for your heavenly Father knows that you need all these things.

33 "But seek first His kingdom and His righteousness, and all these things will be added to you.

God wants us to be free from this anxiety that can destroy life. There are many types of fears; darkness, or even light for those who want to hide.

Deal with worry, anxiety, care and concern. People have many worries and struggles.

When we grow progressively in God, there will be no struggles.

## Isaiah 60:6-7

6 "A multitude of camels will cover you, The young camels of Midian and Ephah ; All those from Sheba will come; They will bring gold and frankincense, And will bear good news of the praises of the LORD.

7 "All the flocks of Kedar will be gathered together to you, The rams of Nebaioth will minister to you; They will go up with acceptance on My altar, And I shall glorify My glorious house.

A lot of our lives are conditioned by the mind. Fear can condition the way of living until the people lived in caves and tombs.

God has to open our eyes to see that we need to break away from the cave mentality.

God is shaking the world to give space for the church to arise. When God turn the church around and raise prominent leaders, the enemy will give way.

There are so many opinions about money but we must come back to God to find out what is the right way.

The spirit of poverty is the spirit that stops wealth even to our next generation.

The spirit poverty is a thinking pattern that is built in our mind and lifestyle of a person. It harasses our mind with

doubts and uncertainty of God. It intimidates us and keeps harassing us in the mind which creates fear of lack. It forced us to take a position that we should not take.

If we do not have this spirit, the power of wealth will be upon us. The spirit of poverty caused us to be poor and it can be stuck on us until the next generation and next.

The spirit of poverty caused us to believe that we are the only ones who are interested with our own survival.

We don't trust people because we think we are the only ones who can help ourselves. One cushion for financial crisis is family and those who can support us.

The spirit of poverty conditions us to have more than what we needed.

We are on overdrive trying to get the resources to patch the hole.

The spirit of poverty draws us into temptation to get rich quickly without proper process or protocol.

The system that gives us money is also the system that gives us stress. When it comes to money people change very quickly.

The education that we must give is the education of life. It is not just about fulfilling religious duties. Teach our children what God is putting in their lives. Some things we can't finish unless we have the extra oil in our lives.

The goodness of God is this, even when we go through difficult times, God will come through.

Let the spirit of poverty be broken in our lives. Wealth is released because it is an outcome of something we had done. If we are overweight it is because of something that we had done.

How to get out?

Know that God is our Father

The spirit of poverty that has been sown into our family must be rooted out. When we ask God for fish He won't give us serpent.

The reason why we need to know Him is because all the words that are around us cannot be trusted.

We have to learn financial intelligence.

Time is work and choose to do what is profitable. The principles must govern our heart. God must give us the understanding of scriptures and learn His ways.

We must learn how to make God as the source of supply and God's house as the Storehouse.

We have to know what God wants in our lives. Everyone is different and God gives different instructions to different people.
