

## CONNECTING TO A NEW ORDER (MELCHIZEDEK)

The whole world is moved by the prince of the powers of the air. It is controlled by demonic spirits. If we are tuned to the voice of what the world is saying, it's definitely not good news. Negative people will only talk negative things and violence. Whatever that is the nature of the person, those are the words that will come out.

We can only get good news from above.

Ephesians 2:4-6

4 But God, being rich in mercy, because of His great love with which He loved us,

5 even when we were dead in our transgressions, made us alive together with Christ (by grace you have been saved),

6 and raised us up with Him, and seated us with Him in the heavenly places in Christ Jesus,

The world is going towards the negative course; decay, corruption, etc. We can choose reject how the world is going. We can choose where God is going. We can rise above where the world is going. If we say yes to God and follow

where God is going, we will go above where the devil is going. He will cause us to sit with Him at the heavenly places. We will be able to rise above everything.

Through all the things that is happening in the world, God is asking the church to wake up and know where we sit with Christ. Overcome the works of the enemy.

The day is coming when we will experience victory after victory. We have authority and power in Christ but we are not using it. Go through difficult days and situation so that God can show us how to rise up.

God speaks to us every day. Every morning He tunes our ears to hear.

Deut 8:3-6

3 "He humbled you and let you be hungry, and fed you with manna which you did not know, nor did your fathers know, that He might make you understand that man does not live by bread alone, but man lives by everything that proceeds out of the mouth of the LORD.

4 "Your clothing did not wear out on you, nor did your foot swell these forty years.

5 "Thus you are to know in your heart that the LORD your God was disciplining you just as a man disciplines his son.

6 "Therefore, you shall keep the commandments of the LORD your God, to walk in His ways and to fear Him.

Do we want to see changes and bring changes? We really need to move on quickly. We don't want to just see an open heaven in Muar but also in every other place.

Deut 8:1-2

1 "All the commandments that I am commanding you today you shall be careful to do, that you may live and multiply, and go in and possess the land which the LORD swore to give to your forefathers.

2 "You shall remember all the way which the LORD your God has led you in the wilderness these forty years, that He might humble you, testing you, to know what was in your heart, whether you would keep His commandments or not.

In Chapter 8 we can see how God disciplines His children. God guides us and He governs us. We must remember that God's word is true. Every Order has its privileges. If we are part of God's order, all the blessings from that order will come to us. If we are in a priesthood that is different, then things will be different.

God's kind of response requires obedience. If we don't have the "follow me", He cannot make us fishers of men.

The power to make wealth is inside of us. We must go under His Name and under His wisdom.

When we have faith, the promises in the Bible will be for us. When God speaks to us, those things will be ours. Faith is the spiritual dynamics. We can pray for the sick or lame, etc. The power of God is initiated by faith. Things work together.

We must have good cash control and good cash flow. Conserve and control. Decide what it should do according to what we have known and what God wants us to use it for.

Our church is maturing. Each church and members are raised for something and we must discover what God has for us.

## **THE ORDER OF MELCHIZEDEK**

Genesis 14:17-23

17 Then after his return from the defeat of Chedorlaomer and the kings who were with him, the king of Sodom went out to meet him at the valley of Shaveh (that is, the King's Valley).

18 And Melchizedek king of Salem brought out bread and wine; now he was a priest of God Most High.

19 He blessed him and said, "Blessed be Abram of God Most High, Possessor of heaven and earth;

20 And blessed be God Most High, Who has delivered your enemies into your hand." He gave him a tenth of all.

21 The king of Sodom said to Abram, "Give the people to me and take the goods for yourself."

22 Abram said to the king of Sodom, "I have sworn to the LORD God Most High, possessor of heaven and earth,

23 that I will not take a thread or a sandal thong or anything that is yours, for fear you would say, 'I have made Abram rich.'

What is it and why do we need to connect?

The way to escape what is happening in the world is to be connected to this Order.

During the Double Decade of Open Heaven, He will show convincing proofs that He is alive. He will form us first or else we won't be able to carry what God wants to give to us.

## **1. The Sovereign will intervention of God in the affairs of men**

If we are in this Order, we will know the appointed place, the marketplace, Upper Room, Throne Room, Class Room.

If demons attack our family, He will come to the house. We don't need to ask. Before we pray, God has already answered.

God can move into our lives even before the attacks of the enemy come. God can give us scriptures in the bible to strengthen us.

Our words are powerful when we are right with Him. If God says it, it is fixed. Heaven and earth will pass away but His words will not pass away.

If we are in this covenant, God will cut off the enemy from our lives. At any time when there's trouble coming, God will move in.

God sees our future and He sets things up for us to get into the future. God does not want to force us but we have to make the choices. God will show us His intentions. We have to make the decisions.

So we don't have to be afraid in whatever things we face. God can intervene and cut it off from our lives.

God is shaking everything that is around us to show us that we can be free.

## **2. God made ethical adjustments in Abraham's life.**

God deals with our character and thinking pattern to adjust towards God's purposes. If we judge ourselves accurately so that we won't be judged. The power of the cross must not leave our lives.

## **3. Connecting to the Order will elevate us spiritually.**

We will have a new stature. It is not about how well we sing but how well we are. Stature is the position of favor. God by His mercy must elevate us to the position of stature. Nowadays in the world, status can be bought.

Don't trust our own wisdom or understanding. Be double sure that we are going in the right pathway.

Many of us will find wisdom to connect because of our relationship and connection with Him. Start to trust God now and keep our lives clear.
