

THE KINGDOM SYSTEM FOR FINANCIAL INCREASE

Our gratefulness to God will bring miracles to our life. When we learn how to give thanks to God, we will receive miracles we didn't even ask. No matter what happens to us in this world, there is always a portal for us to enter in. Appreciate Him. When we are connected to this, the portal will always be opened to us.

In this Double Decade of Open Heavens, there are many portals. Hope that we know how to open the portal.

Giving, forgiving, thanksgiving are the expressions of a transformed life.

The more grateful we are, the more we see perspectives that we have never seen before.

Keep our heart pure and we will see God.

John 4:13

13 Jesus answered and said to her, "Everyone who drinks of this water will thirst again;

The water is the dimension of the Spirit. At the end of the day, the woman didn't give Him any water but she saw something in Jesus that she needed more. The dimensions

of the Spirit will come into us. Question is, how much do we hunger for it?

The Spirit dimension of this water is that we will never thirst again. We must be sick and tired of drinking the water from the rivers of Babylon.

The water that Jesus gives is given to us if we are thirsty for it. If we ASK for it, Jesus will give. We must want the water badly. An hour is coming and now is. Good days are coming and it starts with our lives.

There are conditions to receive this water. Do we want this water badly enough?

1. The world system of wealth creation is motivated by greed, poverty and covetousness.

No matter how hard we work, we must know that He is source of our finance. But because of the spirit of poverty, we keep thinking that we have to work more and more or else we will lack. The spirit of poverty will drive us overtime and we will be burning on both sides. The world system can drive us crazy because it is moved by speculations.

2. The Kingdom system is set by the power to make wealth; not driven by poverty, greed or covetousness.

3. The worlds system is motivated by philosophy, centred by speculation, controlled by market forces and powers that be.

The world system is motivated by the attitude of the survival of the fittest. This happens in every domain in the world. They will sideline the bad and push forward the good. In some countries, it is very ruthless and don't care. Some places people have to fight to stay alive.

The world system is not on facts. The gold and silver are not on the right price but speculation.

We must not live this way, we got to live by faith. Not control by the market forces because they are also evil because the world wants you to hear what they want you to hear.

Why are we not safe outside in the world?

Ephesians 2:2

2in which you formerly walked according to the course of this world, according to the prince of the power of the air, of the spirit that is now working in the sons of disobedience.

4. The world system is ruled by spirits and controlled by the powers of the air.

Acts 16:16, 19

16 It happened that as we were going to the place of prayer, a slave-girl having a spirit of divination met us, who was bringing her masters much profit by fortune-telling.

19 But when her masters saw that their hope of profit was gone, they seized Paul and Silas and dragged them into the market place before the authorities,

The owners of this young girl made much profit. There was a spirit in her that worked her to make money. Paul went in and casted the demon out. Then the whole business collapse.

Acts 16: 38 -39

38 The policemen reported these words to the chief magistrates. They were afraid when they heard that they were Romans,

39 and they came and appealed to them, and when they had brought them out, they kept begging them to leave the city.

Acts 19: 24 -29

24 For a man named Demetrius, a silversmith, who made silver shrines of Artemis, was bringing no little business to the craftsmen;

25 these he gathered together with the workmen of similar trades, and said, "Men, you know that our prosperity depends upon this business.

26 "You see and hear that not only in Ephesus, but in almost all of Asia, this Paul has persuaded and turned away a considerable number of people, saying that gods made with hands are no gods at all.

27 "Not only is there danger that this trade of ours fall into disrepute, but also that the temple of the great goddess Artemis be regarded as worthless and that she whom all of Asia and the world worship will even be dethroned from her magnificence."

28 When they heard this and were filled with rage, they began crying out, saying, "Great is Artemis of the Ephesians!"

29 The city was filled with the confusion, and they rushed with one accord into the theater, dragging along Gaius and Aristarchus, Paul's traveling companions from Macedonia.

It was flourishing business selling silver idols. And he said that a lot of money has been wasted because of Paul. He is telling them to worship God in Spirit and truth not idols. A lot of people in the world made money via spirits. When we touch the financial systems of the world, at some point we will touch the spirit world. We will have to deal with the Spirit of darkness.

We have to be strong in the Spirit. The moment we leave the door; we must be covered by the Holy Spirit. The devil has no mercy upon people. We have to be strong in the Holy Spirit because the scene changes all the time. When we have the Holy Spirit, we can overcome every single scene.

The world system drinks the blood of saints and prophets and put the people under slavery.

Revelation 17:6

6 And I saw the woman drunk with the blood of the saints, and with the blood of the witnesses of Jesus. When I saw her, I wondered greatly.

So many people are caught in the corrupt system. The system of the world is mostly built in this manner.

Acts 4:32 -33

32 And the congregation of those who believed were of one heart and soul; and not one of them claimed that anything belonging to him was his own, but all things were common property to them.

33 And with great power the apostles were giving testimony to the resurrection of the Lord Jesus, and abundant grace was upon them all.

Don't be naive to go into the world without being covered properly.

Whenever stress and trouble come, we can pray so that we are not in confusion.

The system of the world creates stress. So many Christians go into the world and don't understand that there are demonic powers behind them. They can become more and more bound by this system.

The Kingdom system starts with God and comes into our life.

Genesis 14:17

17 Then after his return from the defeat of Chedorlaomer and the kings who were with him, the king of Sodom went out to meet him at the valley of Shaveh (that is, the King's Valley).

God must guide our feet into the Kingdom ways. That's why it is very dangerous to follow the patterns of the world. If we follow the Kingdom way, faith will overcome the world.

1. This order of Melchizedek will be spotted from a distance because it has victor's anointing.

One anointing will recognize the other. When God gives us experiences, we must be careful because the devil knows.

In business when we are successful, there are people who wants to partner with us to get the glory of victory. We must be careful.

Gen 14: 18 – 24

18 And Melchizedek king of Salem brought out bread and wine; now he was a priest of God Most High.

19 He blessed him and said, "Blessed be Abram of God Most High, Possessor of heaven and earth;

20 And blessed be God Most High, Who has delivered your enemies into your hand." He gave him a tenth of all.

21 The king of Sodom said to Abram, "Give the people to me and take the goods for yourself."

22 Abram said to the king of Sodom, "I have sworn to the LORD God Most High, possessor of heaven and earth,

23 that I will not take a thread or a sandal thong or anything that is yours, for fear you would say, 'I have made Abram rich.'

24 "I will take nothing except what the young men have eaten, and the share of the men who went with me, Aner, Eshcol, and Mamre; let them take their share."

God has power to intervene before the devil can touch us. God will protect us so that the victory that we have won will not be lost.

There are people who wants to "share" the victory but they actually want to destroy it.

Before sickness can hit us, God can prepare us and protect us. He is the only One who can change our lives.

God will enter into our lives and few days before we can be tempted, God will speak to us and prepare us.

The Order of Melchizedek is higher than Levi or Eli. When we come into this order, we will come into stature, fully supplied and provided for. Our enemies will be delivered into our hands. This Order will be governed by the indestructible life. This Order will protect us from those who are looking for us with wrong intentions.

When we partake the grace that is in Papa and the House, many things have become easy.

What is challenge us today? Finance, relationship, spirituality, lack of power and authority?
