

THE KINGDOM ECONOMIC SYSTEM – Part 1

This season is the season that the living water is given. It will be the water that Jesus gives. When Jesus asked for water, it is because He is giving us water. If He demands something from us, it is because God is giving something to us.

KINGDOM ECONOMIC SYSTEMS

We want to save ourselves from the financial crisis. The difference between the fat cow and lean cow is the amount of cash flow.

These are time zones that God want us to enter in. There are certain times of the year the Chinese would get married because it is the auspicious month. There are certain things that will happen at a certain time.

God works in seasons. The 7 months that just passed is significant.

Matthew 6:32-33

32 "For the Gentiles eagerly seek all these things; for your heavenly Father knows that you need all these things.

33 "But seek first His kingdom and His righteousness, and all these things will be added to you.

He sent Jesus to usher in the Kingdom. But the Jews rejected it. Now God has the church to enter the Kingdom age. When the kingdom is established the Holy Spirit will come. The Holy Spirit came to the upper room and they are baptized in the Holy Spirit and spoke in tongues. God wanted them to start with the spiritual kingdom. The spiritual Kingdom is what we must preach, the gospel of the kingdom. First is the spiritual kingdom that involves all of us and there is the kingdom of Israel when Jesus returns. There will be wars and rumors of wars, of pestilence and calamity before the second coming.

The covid comes and affected many people. We must not be in the crossfire.

When circumstances changed, the rule of the game changed. Those who are in control have the advantages.

When we pray for healing and when we pray for our children before they go to sleep, we pray with the same level of faith.

If we get money at the expense of our health or by cheating, that's wrong. The new normal is going back to the original pattern; being in the Spirit and in Christ.

The Father seeks those who worship Him in Spirit and in Truth. The people in the world seek for is "all these things". But all these things will be given to us when we seek first His Kingdom and righteousness.

Pray that we know God the Father. At the end of the day we only invest what we love.

The Holy Spirit leads us forward and we must enter into the dimension.

1. Kingdom Economic System is based on God as our Father who becomes the sovereign primary source of supply.

If we don't have power, ask the Holy Spirit and He will send it to us.

The basic things must be established well. So many bad things in life bypasses us because God the Father is watching over us.

2. Kingdom Economic System is initiated and inducted.

The system started with Christ's eternal priesthood. Jesus came into this world but He never lost His divinity. He was never born through a sinful body. He was fully God and fully man.

Every movement of God has meaning and we must understand them. One aspect will unveil another aspect.

Jesus gave His Name to the church.

At every point of the life of Jesus, He made it possible for heaven to open over our lives. He made the heaven for us. He planned all these from the beginning.

If we want our world to change, we must discover God is our Father.
