

GOD DIMENSION IN ANS

God is going to give us the needed revelation in the last hour. The problem in this last day is too many choices.

1. The favor of His Presence

The presence of God will descend in our lives. This year is the year of God's presence. Another measurement is coming into our lives. God is not coming silently. He will come in a blast. He will make Himself known. He will bring light and love. His Presence will change our attitude and mind set.

Evil is everywhere now and demons are dwelling in many areas. We must be able to speak truth and expose the enemy. We must be in the council room of heaven.

Why do we need His Presence? When the people see His Presence, the people will fear us. Devils will flee. Some of us will see God's Presence.

2. The prophetic element will become our strength

We only need to see God once and our life can be changed. If we don't see Him, we won't be able to see the world in the correct perspective.

The Word is spoken, we must get ready to walk into the new, walk into the future of the spoken word. Every word that God speak to us can happen. Between the time of the spoken word to the time of fulfillment is process.

Like sons of Issachar knows the time and what to do. Papa's job is to deliver the word and our job is to process it to fulfillment in our lives.

God will speak to us what He is about to do. We will hear His voice. The greatest manifestation of God is that He is the word.

3. Purity of doctrine

The wave of deception is coming.

Matt 16:12

12 Then they understood that He did not say to beware of the leaven of bread, but of the teaching of the Pharisees and Sadducees.

We don't have to see so far. In our own nation we can already see the deceptions happening. If we believe the voice of men, we will suffer. But if we believe what God is saying we will prosper.

Matt 15: 9

9'But in vain do they worship Me, Teaching as doctrines the precepts of men.'"

Jesus told the disciples to be careful of the teachings of the Pharisees and Sadducees. Pure doctrines raise up impregnable character.

The opinions of men have taken over God's word at this time. We must have a clear revelation of what God is saying.
