

PROPHETIC Word for 2021 – Part 2

2021 is a year of happenings. Everything that can happen will happen. We must be ready to intercept and come into it.

Thank God for the prophetic word because without the prophetic word nothing is created. Because the way God is going to recreate the world is going to be fun this year. We are to enjoy God and enjoy the surprises of heaven like we have never seen before. We won't be talking about angels, we will be talking about visions and dreams, about transfiguration and translations. We are going to go from a lower order to a higher order and God has made a ladder available for us.

The 20 years of open heaven is the main frame work and every year we will build toward it. Until Zion is built we take no rest. Until Zion becomes God's kingdom on planet earth. 2020 is a year we say goodbye to and this year we are pressing into all that God has planned for us.

2021 appears on the earth. God has given to us an open vision of an opened heaven but this is the double decade meaning God has been good to us. Tell your neighbor it is a new year, it is a new day. God has given us a double decade of open heavens. God has open it already. When we are new, everything at the right time at the right place will be well.

The lion has roared who can but not prophecy. **The roar of the lion is in the house.** This coming year God is going to approve and then He will bless because there is no illegal way in receiving God's Presence.

The seven dimensions of God is found under this open heaven. When the heavens are open over our lives, we will feel differently, we will act differently, we will walk differently. Because the stirring is the stirring of the Holy Ghost.

So this morning, **let the spirit of the sons of Issachar be over our lives.** Good things are about to happen not bad things.

“Of the sons of Issachar, men who understood the times, with knowledge of what Israel should do, their chiefs were two hundred; and all their kinsmen were at their command.”

1 Chronicles 12:32 NASB1995

We must know **the seasons and times because spiritual harvest is lock into spiritual timing. The prophetic word is a word on time.** The prophetic word is the materiel to create the future we see. The more we listen to what God is speaking, the more it will change our life. Say it, “My time has come!”

The word of God is active. We should act on what God is doing.

“For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart.”

Hebrews 4:12 NASB1995

The prophetic word is very powerful because that is the way God clears the darkness out. The prophetic word is what gives us the grace to build on what He says. If we would have listened to the word of God, we don't have to get into the way of oppression.

The word is living, active, shaper, dividing the soul and spirit. It can judge our thoughts and our intentions. When God, the Holy Spirit explains to us because He knows us better than we know ourselves. This is one area we realize that the word of God is active in our life, as we mix it with faith.

When God says it, it is finished. When God says it, it is complete. In this year of happenings, everything that needs to happen will happen because God has planned this long ago. We can recreate the pathway. When the word becomes active in our life, heaven is going to respond.

He said, "Why then have You not save Israel." Gideon asked the angel, "Where are all the promises? Where are all the great things God did in the former generations? Why did it not cross to our generation?" Because we have fear in our hearts. That is the entrance point of evil. The fear of man is the snare of the devil. The word has discerning power to divide soul and spirit when the word works out well in us.

“And there is no creature hidden from His sight, but all things are open and laid bare to the eyes of Him with whom we have to do.”

Hebrews 4:13 NASB1995

“while it is said, “TODAY IF YOU HEAR HIS VOICE, DO NOT HARDEN YOUR HEARTS, AS WHEN THEY PROVOKED M E.””

Hebrews 3:15 NASB1995

That is why this prophetic message for 2021 includes open heavens, angels, dreams, vision and how to walk in the dimensions of the Spirit. We are going to be so blessed this year of God's word coming and working in our lives.

When the word comes there is nothing hidden. 20 years before, 10 years before, God will give you all that you need to understand about the past. Past is important because we get to know how it started, why it started, when it started.

God is helping His people to find a new way so that they can know that the heavens are opened. So nothing is going to be hidden.

That is why this year we must ask the Lord to let that word come down. The prophetic word is for everybody. If we have faith we can cash on to it. If we don't have faith then walk with people who have faith and see how they do it. Don't tell me it cannot be done. It can be done. The word must be active because we need materiel to build.

“Therefore, since we have a great high priest who has passed through the heavens, Jesus the Son of God, let us hold fast our confession.”

Hebrews 4:14 NASB1995

So our eyes are opened. Hidden secrets are revealed; the strategies of God are made clear; the schemes of the enemy are shut down. The devil has no strategy because the meaning of word strategy is a plan that cannot fail. We won't fail; we won't be defeated because God wants us to set the pace for the race.

2021, every word that needs to be fulfilled will be fulfilled. But in order for us to cash in on that we must have that word in our hearts. We don't want to obey because we don't see the whole process. There are somethings we would need to do and there are some things God will do. God will not do what we are meant to do. He will do what He does and we will do what needs to be done.

That is why the favour of God is going to come into the church in a very special way. Heavens are opened. Not just a window of heaven but whole heavens are opened. How did it happen? Because the Man who knew God and the purpose of His life came through the waters of baptism. When He came out, the heavens were opened.

Papa would like to pray that this year ANS would be so different, everyone would find our place and make our best contribution. This year, Papa is not talking about money but he is talking about our life. Lay our lives down for Him so that our brothers, sisters and family can be saved, healed and delivered.

Let the word work in us and create capacity for our lives. **What God is going to do in our spirit this year will open up the pathways of heaven.** Papa prays that none of us will be in the cross road. We will know how to cross over and enter into all that God has planned.

Our hope goes behind the second veil where Jesus is interceding for us. When He was on the earth He died and His work on Calvary set us free from sin and death. Now that He is exalted as the Son of the living God, He received a Name, gave it to the church; He received the Holy Spirit, sent Him to the church; everything that He is doing from now to the second coming is about the church.

God want us to connect. **He wants heaven and earth to connect so He send the word into our lives and tell us that everything that is hidden will open up.** There will be no go zones. We have no enemy fly over zone. Try to live without the devil. Try to live without sin. Strive to live in unity and harmony because what is going to be done in us is going to go along way.

The Bible says that the word of God changes our lives in such a powerful manner that everything's that is hidden will be opened.

“Therefore, since we have a great high priest who has passed through the heavens, Jesus the Son of God, let us hold fast our confession.”

Hebrews 4:14 NASB1995

Is there a conviction in our hearts? Is the conviction strong enough to stay there? Is the fear not strong to destroy faith? But our faith will intimidate fear. Tell fear to be frightened; doubt to stop and death to die.

When we are tempted we can draw confidence from the throne of grace so that many may receive and find grace in time of need. There will always be needs but we will find mercy. We can rise up in the time of limitation, we can break forth. When nothing is happening, something is happening in us.

When Mary opened her mouth and begin to call Elizabeth, Elizabeth felt something come upon her. The Lord Jesus who was in the womb of Mary began to bless the baby that was in Elizabeth. One was John the Baptist, the other was the Son of the living God.

By the mercies of God if we **open ourselves to the word of God**, that would be the most powerful thing we can do for ourselves this year. Fear that we don't disobey. He learnt obedience, He let God decide for Him.

No matter what happens let the word of God go into our hearts. Like the conviction of sin and the conviction of all that God has put into our hearts become strong. We will hold fast to our confession, for that

reason we will draw with confidence. There is grace and mercy in time of need. Secure yourself. Nobody have to do anything to you but to secure yourself.

Heaven is going to supply grace because the word was sent to us. When we take the word, we are the legal recipient. Nobody can take what is ours. Why Israel failed was because they did not take the word to work at their hearts and let their hearts become changed.

Heaven is open for us. **There is a great High Priest.** He is crying out for us. The word is coming, it will fill our hearts, fill our minds, fill our souls. When we lay hold of the word of God we are connected to the things of God in heaven.

Every promise that God has promised us; every prophetic word we have received; if we know it is God, start working on it because 2021, what God has spoken will come to reality.

The vessel of honor is honored to serve the King. Man is not indispensable. God's purpose will continue. He spoke to Abraham but Abraham did not live to see that day because it happened 400 years after that, because some of the words pass our generation. If somebody don't walk into it, God will raise somebody else to fill it. If someone doesn't want the assignment, God will give it to someone who is able to take more.

This is the reason why **this year is the turning point for our lives.** It should be an **accurate turning point.**

1. Acceleration of the fulfilment of God's word.

2. All things that have been hindering us will be cut off.

Because God's word has fully enveloped our lives. We and the Word have become one. Faith and promises have come together. So all things that have been hindering us have been cut off because God is cutting off from inside not from outside. The Holy Spirit is the best of the best to bring you to the confession of that word.

Things are going to change because He is breaking us from the inside. The word is active, it is alive, it is piercing, it is dividing, it is exposing. Even the motive of our hearts, God can speak to us so that every aspect of our lives will begin to grow.

3. God will give special grace for us to leave the natural for the supernatural.

Those who want to stop sinning can stop sinning. Those who want to stop stealing can stop stealing. God can do a work in our life that can stop every negative thing from happening in our life.

Some people say that problems come like the train. The first carriage, second carriage, the third carriage. God doesn't want us to believe in that. We can be confident like David. He can run to fight the giant without anything. No, he had something. He said, "I come to you in the Name of our God!" He was going to represent the King of Kings and the Lord of Lords. Killing a giant is not a big thing, it is just the beginning.

Everything that holds us back will be bound so that special grace gives us the power to leave the old. Try to live Christian life this year totally different from what we have lived last year. Raise our families into

that. Raise our cell group into that. It is so essential that we leave the old for the new. But because we are slow we find that the old and the new end up together, 2020. Say, "**I am 2021, I am taking the step to break the flow of defeat in my life. I am just going to rise up and take the next step.**"

So we must have grace to go from the natural to the supernatural, the ordinary for the extraordinary. We will see the impossible becoming possible.

4. Are you ready to move?

This simply means that **God will shift our priorities**. Are we ready? Become ready because the time is very very short. The Holy Spirit is going to flow across Malaysia and the nations of the world. The Spirit of God is going to come into the house. The Lord whom we seek in the heaven is going to manifest in the temple.

So are you ready? **What does it mean to get ready? It means to SURRENDER**. We can be ready praying in tongues, we can be ready doing so many things in prophesying, intercede and so on. At the end of the day **God wants us to surrender so that we serve His will** not the devil's will.

Papa sees in the Spirit that our life, our cell groups' life become stronger and stronger, built, shaped and formed. **The Spirit of God that is inside of us will tell our spirit that we are sons of God**. You say, "No, I don't think so. I can't. I am afraid. It will not happen". She tried for twelve years, tried everything. The Bible tells us that she heard about Jesus and everything changed.

Start hearing from Jesus and let Him speak to us because everything in our inner man is going to become strong according to Ephesians 3. We are strengthened with strength from on high.

There is **supernatural grace** in our lives. Papa wants to pray that everyone of us **will walk into our spiritual inheritance in the days to come**. That what belongs to us belongs to us. What you let go the hyenas will take the territory. It is important the inner man become stronger.

Papa is praying that **God will make heaven and earth meet in us**. Papa's desperate need is to help us so that heaven and earth will meet in us. **Righteousness and peace will kiss each other**. When God talks this way He is talking about the homecoming of our life. We are not talking about death but about our coming into Christ.

“that He would grant you, according to the riches of His glory, to be strengthened with power through His Spirit in the inner man, so that Christ may dwell in your hearts through faith; and that you, being rooted and grounded in love,”

Ephesians 3:16-17 NASB1995

God must give us permission; He must grant it. Strength must come from above. He said, "Wait in Jerusalem until the Holy Spirit comes upon you!" Stay until! There is a time factor. All our enemies will be under our feet. Sit at My right hand until all your enemies, until, until... **Until** will be one of the most powerful trigger word that you will find this year.

When we have been in captivity for 60 years, the time set by God for us to go free, we will go free. The fear in our mind will be completely

gone and we will feel the Holy Spirit. We feel a new understanding of Him like never before because He is going to touch our spirit and infuse strength.

We need more than energy, we need synergy. One will put a thousand to flight, two ten thousand. The **compounded anointing** will be the power that we have to **break all the water levels**.

God's life inside us will be stronger and stronger. When we pray in the Spirit, pray until we feel like there is a lump around our diaphragm area. As we pray in tongues, the weight of the words will be in our tongue but it will come up from the lump in our belly. Papa is trying to help us get into the things of God.

This year the Holy Spirit is going to come with power and inject life in the inner man because God wants us to connect with the right people. When the Holy Spirit comes suddenly our inner man will be grounded and rooted. We **cannot be shaken** because God has made us in such a way that **we are rooted and grounded**. The Holy Spirit is going to work that our spirit get stronger and stronger. Take time!

He is going to help us to connect. When husband and wife connect the life will be very strong. If we cannot connect we cannot communicate; if we cannot communicate we will find confusion; when we become confused, we become contentious; when we become contentious, you become like YOU! Break the contention!

Why God wants to bring us to the next level? **WISDOM, UNDERSTANDING, REVELATION**. That's for us because the things that are happening in the current situation round the world, we don't know. We only have false news. That also if they call it false. God in

the heavens wants to speak words to us so that we will be grounded and not be deceived and understand what the spirit world is all about.

We are going to be programmed to destroy the work of the enemy!

“that the God of our Lord Jesus Christ, the Father of glory, may give to you a spirit of wisdom and of revelation in the knowledge of Him. I pray that the eyes of your heart may be enlightened, so that you will know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints, and what is the surpassing greatness of His power toward us who believe. These are in accordance with the working of the strength of His might”

Ephesians 1:17-19 NASB1995

Every revelation we receive from God is always connected to the revelation we have received from God in the past. Revelation is a discovery. Can we imagine that this becomes our inheritance. What cannot be seen suddenly begins to manifest. What we read in the morning, we begin to understand more and more and more. The truth will set us free.

There is an anointing in our lives that begins to teach us by the Spirit. So that when we read the Bible we will understand and not be deceived like Eve. Eve was deceived, Adam disobeyed. Adam knew everything. When husband and wife are equalized they will be protected.

We need the spirit of revelation, understanding and wisdom. Pray that the eyes of our hearts may be enlightened so that we know the hope of His calling and what are the riches of His inheritance in the saints. God wants us to know what is hope. **The Holy Spirit will come upon**

us so that we can interpret things well and have wisdom to do the right thing.

Our work, our heart clean! Our heart is transparent. Everybody knows where we are going; what we believe; how spiritual we are. But in the midst of all of these God wants the good ones to rise. Hope we are the good ones that God can say that we are His beloved son in whom He is well pleased. A beloved son is different from a begotten son. Jesus is the begotten, the first born of the rest.

What is the hope? What are the riches? What is the glory and inheritance in the saints? What is the surpassing greatness? Can we imagine we can understand all of that? Once light comes in darkness will leave and we will create a whole new world because the fear is gone, the confusion is gone, we can go back to purpose and do what is right in God's sight.

2021, a year of happenings. People will leave behind their wheel chairs and walking sticks. Imagine wheelchairs left behind because the lames are walking. When they leave behind walking sticks, can you imagine the Holy Spirit give you free dental treatment, you get gold fillings. That is the dentist from heaven. Holy Ghost will fall upon us, finding cash. This year whatever needs to happen will happen, you should open the way. Be it done to me according to Thy word! Supernatural provision of food.

When the right things that need to happen happened, the wrong things will stop happening. If the right things function right, when we enter in, we see everything become better and better.

There are two dimensions of the Spirit. The **Spirit of Intercession** and the **Spirit of Sonship**. These two ingredients tell us that we are maturing. When we start to mature we start to inherit. The real dynamics is the **Spirit of intercession which means we touch God on behalf of others. The Spirit of sonship, our spirit is connected to the Spirit of God by which we cry 'Abba'.**

Be challenged that all that He wants to do this year is make us powerful from the inside so that we can change the world, change our world. My world is different from yours. We may be dwelling in the same world but our sphere of influence is different. Our spirit cries out 'Abba' Father and our spirit knows how to break forth for others. He is the Great High Priest and we are a priest in that order.

“Now I say, as long as the heir is a child, he does not differ at all from a slave although he is owner of everything,”

Galatians 4:1 NASB1995

We may own all things but because we are young and have not come to age, inheritance cannot be released to us. How many wants to stay in the house and receive the inheritance of the house? We got to choose, that is why the spirit of sonship is very important. So when our spirit cries 'Abba' Father we will not be deceived by corruption but we will be free. We pray for those connected to us and we touch those connected to us so that everyday there is someone who get saved, get healed, get delivered.

“so that He might redeem those who were under the Law, that we might receive the adoption as sons. Because you are sons, God has sent forth the Spirit of His Son into our hearts, crying, “Abba! Father!””

Galatians 4:5-6 NASB1995

There is a lot of things to do. The twenty years are so crucial that nations can turn towards their destiny. Our family turn towards destiny, our sons and daughters turn towards destiny. Let God anoint us and align us so that we can see what others cannot see. We can understand what others cannot understand.

It was like a sealed book no one can open it. The angel told John, "The Lamb of God is here". The book was opened. Nobody can open a book that God closes, nobody can close what He has opened because God is taking charge who is our Saviour.

It is time to **surrender our life** rather than to take chances. **Present our lives and redeem the time.** The Holy Spirit is going to come to restrain the one that needs to be restrain. There is a spirit of lawlessness. But God don't want us to walk in that direction, He wants us to be covered by the Holy Ghost, empowered by the Spirit, strengthen in the inner man. Our inner man will pick up the identity, "I am not a slave, I am a son, I am an heir." Stop yielding to the devil. Take back our territory, take back our family, take back our sons and daughters so that the Holy Spirit can flow through our life.

We will never have enjoyed the word of God like we will enjoy it this year. We will read the Bible and it will come alive. We are going to pray and heavens are going to open. We cannot live a boring life, it is too exciting. It is going in to be so exciting that we will begin to understand that man shall not live by bread alone. That word will clean us up and make us strong so that we can partake what is ours. We are turning 21, legal. No longer a saint, no longer a slave, but a son then an heir.

We may be a father to a son but we may not have much materially. Spiritually all of us can be connected to heaven and download it to our brothers and sisters in a special way.

How God anointed Jesus and He went about doing good and healed all who came to Him. Let all be touched. Let all be blessed. Let all rise in the Spirit. Let everything that needs to happen, happen.

But I say to you in Jesus Name, that those who rise will be the answer for what they are looking for. God will send the right people at the right time. Everything is going to fall in place.

Remember Papa vision. Saw that people are building this house. The house of God was so beautiful; every dimension was in there. Three demonic spirits came and say that they cannot work on this land because it is not their territory. Papa got rid of the devil along the way and began to realize that this house has three floors up, four floors down. The four floors down are going to be the foundation dimension strength. The world can only see three floors but we are building strength, getting stronger and all the tools, getting ready. When God begin to blast us to the nations of the world, every eye will see, every ear will hear what God is doing our midst through our life to the nations of the world. God has crippled our enemies.
