

JESUS NOW GENERATION

Papa singing:-

Let the voice of the Lord be heard in the land! Let the Presence of the Almighty rise and strike at the enemy. My Lord said to my Lord, “Sit down at My right hand until I bring all Your enemies as a footstool for Your feet” Ps. 110:1

Papa declaring:-

In Jesus Name, arise in the Spirit, push back the limitations, hold back the hands of the enemy. A new day; A new way. Another measure of the Spirit, Hallelujah. Yes, stir your hearts. The Lord will send me the roar of the Lion, the shout of the King is on the house. Let the host of angels descend right now! Heaven stay open in Jesus Name!

Papa praying:-

“Father we thank you for the warriors anointing this morning. Strike at the heart of the enemy. The devil will tremble, for You have risen among Your people. “It is not by might, nor by power but by Your Spirit”, says the Lord. We thank You this morning, we present the church to You. All Nations Sanctuary and every other church that is connected with us in ISAAC in the nations across the world. Break free now! Be set free now! Free from emotional failure, failure in relationships because this is a new year, it's a new day, it's a new way because God has promised us 2021 is a Year Of Happenings!

Those who are strong in the Lord and have insight will take action. No more delays, no more postponements. No more walls, no more giants, we are going to possess the land. Thank You for Your anointing this morning. Help us move the prophetic word into total fulfillment. You see there are so many who hear, who see but they have no power to do. How Jesus went about doing good!”

Message:-

This year is an amazing year because God wants you to make things happen. He is going to make the devil a footstool for the Lord Jesus Christ and He said to us, “Go and make disciples.” God will make the scepter of His Son strong. The scepter will flow out from Zion and He said, “Rule in the midst of your enemies!”

The Holy Spirit will descend, “In the last days I will pour out My Spirit.” The prophetic word and divine promises will find fulfillment. Take everything that God has spoken to you. Some people said to me, “Will President Trump win?” Why not? Because many things will be flushed out. A good government is to make sure what is hidden will be taken out, what is stolen restored. What is our hope must be fulfilled.

There is an emerging generation that is going to make things happen. Jesus said to Papa, “**It is not a new generation or the old generation, it is called ‘The Jesus Now Generation’.** Because we have been talking about the next generation as the younger people. Caleb and Joshua are going in, they are the older generation. People enter in because they fulfilled the conditions. Everything that must happen will happen! Everything that must be destroyed will be destroyed because God is going to give us an open playing field.

The enemy cannot hold us anymore. The devil cannot hold us anymore; He cannot hold your finance; he cannot hold your family; he cannot hold your passion down because God is taking you to the next level. We got to create a whole new world in the midst of the old one that is passing away. The Bible says that the old is obsolete, it will pass away but the new has come so rejoice.

One of the things that will happen in 2021 is the fulfillment of God's Word. Papa wants to challenge us this morning; **Without the Word**

we cannot build! He sent forth His Word and He healed them. How can they be saved if no one is sent to them? That is why God is raising up people who can talk so that others can hear.

The Bible is clear. The enemy had destroyed the whole earth. Darkness was over the surface of the waters, and then God said, "Let there be light!" He sent the Holy Spirit to arrest the situation and He spoke forth the Word. When He came, light came. He said, "Let there be light!" And there was light.

I believe that something supernatural is going to happen. You got to learn by faith how to recreate the world. The acceleration is coming, it has already begun.

1. Money is coming from somewhere, from no where.

Papa opened his wallet and there were 2 fifty dollar notes. He asked Mom, she did not put it there. So you can see how much pocket money Papa gets. God is good. You don't need all the money, you don't need everything, it's whatever that needs to be done can be done. So Papa opened up his wallet and there were 2 fifty dollar notes and they were brand new. It hasn't gone to all the churches yet, it was clean.

2. All things that have been hindering us will be cut off.

There will be breaking of limitations. Actually limitations are basically learnt but God wants you to unlearn and relearn. That is why we can cut off limitations in our lives. 2021, special grace to move from the natural into the supernatural. Leave the ordinary and go to the extraordinary. We will see the impossible but make it possible.

3. Before the year is over you will see miracles taking place because people take action.

And we release a supernatural grace so that you can move forward. Not go forward 4 steps and take 3 steps back. God wants you to go from glory to glory, from strength to strength. Natural to supernatural, ordinary to extraordinary, impossible to become possible.

The school will be blessed, our church will be blessed, our families will be blessed, our businesses will be blessed. They said to Samuel, “ Samuel, don't stop praying because when you pray for us we are protected from the enemy.” No weapon formed against you can prosper. Every word spoken against you will be send back to the sender. In the grave that they dig for others they will fall in.

4. The wind of the Holy Spirit is already blowing.

The wind of the Holy Spirit is already blowing in the nations of the world. The primary work of the Holy Spirit is to make sure that your inner man is built well. There will be accelerated growth in the inner man. When the Spirit of God comes, something amazing happens. It is so powerful that it will enter in without question.

5. God is going to intervene into our lives, our families, our cities and nations.

God wants you to be part of His team. So the wind is blowing put up your sails so you can go with Him.

6. The Holy Spirit will come upon our lives.

There will be a very deep cry in your heart crying out for God as your Father. You will find that the place of intimacy and relationship will change your life forever.

One hour Jesus prayed but the disciples were sleeping in the garden of Gethsemane. What happened was Jesus woke them up and told them to pray because the power of darkness is at hand. We can face every darkness and any darkness because God has put His Spirit upon our lives. And as a son we begin to cry out 'Abba' Father learning to allow his Holy Spirit to work in our heart.

John the apostle was invited to come up to heaven. He said, "Come up here! I want to show you" Immediately he was in the Spirit. That is the acceleration that is going to happen in this hour. When God speaks to you, you would quickly jump up and respond to Him. You are not going to think twice because God is going to speak to you and you are going to so quickly respond to Him when He speaks to you. Your inner man will be strong and the spirit of slavery cannot lead you back to fear but the Spirit of adoption cries 'Abba' Father. We are free from the slavery of fear, of lies, of all kinds of deceptions.

7. God is coming to His house.

The church is going to become His holy habitation. That is why you got to pray to stop the Covid-19 right now! It is a practice session of the devil's darkness and the one world government is trying to find their way somewhere here and there but we find the secret of the Lord Jesus Christ. That is to cover ourselves in the Holy Spirit. **Stay in the Presence of God and begin to work from the Presence of God.** Just like Elijah, he said, "before God whom I stand there will be no rain or dew except by my prayer." The Holy Spirit is teaching us how to work from His Presence. From glory to glory; from strength to strength. The wind is blowing, it is blowing gently. Why is He blowing gently because He doesn't want your sails to catch so much air until it topples over. A gentle breeze bringing about wholeness and completeness.

I believe that every nation in the world, at least the ones Papa has gone to, maybe about 55 nations, something supernatural is happening in all those areas. The right material to put onto the ground becomes the seed for the future.

There is a miracle in your obedience. The Holy Spirit will recognize the word you are speaking because He is part of the Godhead and help you understand, help you receive the revelation. The Spirit of Revelation, the Spirit of Understanding and the Spirit of Wisdom. The discerning of spirits will be part and parcel for this year.

You can ask God to open anything for you to see because there is an open heaven. Take advantage of it and pray more. If we want God to do beyond all that we can ask or think, we must first ask and think and God takes over. If you want God to do something for you, then you must allow the Holy Spirit to flow in your life. According to the power that works mightily within us far beyond what you can ask or think or pray. That doesn't mean that those things are bad when we ask God and think about doing great things they are not bad.

*“Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us,”
Ephesians 3:20 NASB1995*

I trust that your spirit is responding. Today when you hear His voice don't harden your heart. **There is a rest God is bringing in your heart that you don't have to struggle in conflict and contention.** The rest is He doesn't want any of you to struggle. God doesn't want you to struggle. He makes things easy for you. Just yield, let the Holy Spirit take you. As many as are led by the Spirit are like the Son of God. God can move through Jesus. There was no resistance in His sinless body. Nothing could hold Him back even though it was a human body but a sinless body. God allows

the sinless body to respond to the Holy Spirit and God caused miracles to happen.

Now to Him Who is able to do far more beyond all that we can ask or think. Asking is not wrong; Thinking is not wrong; Even praying for it is not wrong. If you allow the power of the Holy Spirit to work within your heart; allow the Holy Spirit to initiate it and finish it then we will see the God who is able and we can comprehend together with the saints. We can put dimensions to what we are working on. You can build in the Spirit. Receive divine nature that this body that has known sin will be set free from the law of sin and death. We must understand the whole process.

Bible says that, “I bow My knees before the Father from whom every family on earth derives its name.” **Everyone of us can become contributors; everyone of us can become shareholders.** It is this great inheritance that God is giving ANS and ISAAC churches.

Papa reads the Bible again and again, church can be built in so many ways, but the foundation, the cornerstone, the quality of the house is done by the Lord Jesus Christ. He is the builder of the church. And the Godhead is planning to build this so that from here He can reach the Nations of the earth. God has to start somewhere and He starts with those He has confidence in.

Papa looked into the sky and saw His face. He was smiling to what we are doing. Papa's life was totally liberated. When angels become present and get actively involve with the life of our people, then hell is jealous saying, “How can that be?” They try to destroy us. What Papa is telling you this morning is that the wind is blowing. Put your sail. **Because how far you are going to go will depend on how you put the sail and work with the wind and the waves.**

Papa remembered going into the Indian Ocean and they anchored the boat in the middle of the ocean and began to fish. The waves became bigger and bigger, so the man Papa hired the boat from said that they needed to go back now. Immediately they packed everything and left. Then they understood what he meant. The waves were getting higher and higher and the boat was trying to pass through the waves. This man was moving this boat, stirring this boat to a place of ease so that our boat is not bumping. When you get a bad wave hitting the boat, it can split the boat. Papa saw how skillfully this man was maneuvering through the wind and the waves. Papa stood behind him and saw what he saw. Even in the confused looking waves, God can make a way in the waves. God can make a way in the wilderness, in the sea. There is a way He creates for us. If there is no way, He is the way.

We talk to people about our school, we talk to people about our businesses, talk to people about our family and all the impossible things that can happen to us, then people will know that Jesus is Christ; That He is the Lord of all the earth and He is helping us. When we talk to people sometimes they say, “Cannot, cannot! This man is bad, that man is like this! Pharaoh, you know how wicked he was, he let God’s people go.

Nebuchadnezzar, he was called the greatest king. Who made him great? God made him great because no man can receive anything except he receives it from heaven. He had to bow, he had to eat grass. God can make the rulers of this world eat grass, eat up their words and begin to say sorry; things that politicians don't learn. God began to come down and began to strike Herod, the congregations looked at him and there were worms in his body. What a cruel death but do you know how cruel he was to receive this kind of death punishment? You must trust God. Whatever good or bad that has come upon your life, it's our determination and our decision to follow through to the end. It is just like God

financing you. A little here, a little there until you finish the assignment and the project.

The wind is blowing, the Holy Spirit is moving. When you look at the situation don't say no first because somebody is going to make you eat your words. It can be done. We will do it. The reason why we are here this morning, we are available to God. **Don't put your career above God; don't put your children above God; Give to God what is due to Him because the Holy Spirit is coming. He is looking for people who are ready to move.**

“In the last days I will pour out My Spirit upon all flesh, your sons and your daughters, they will prophesy, the old man shall see visions and the old man shall dream dreams.” So our family will be right. You have some old people in your house, some sons in your house, some daughters in your house, He is talking about all the families be blessed by the blessing of Abraham, the Holy Ghost. The Bible is clear, we must be sure and be convinced that He had raised Abraham and associated him as the God of Abraham, the God of Isaac, the God of Jacob and the God of Joseph. So you see that **God is willing to identify with you by putting your name in there. He is the God of Abraham. He is not feeling ashamed or inferior by calling Himself the God of Abraham. That is the Melchizedek Order.**

When His Son, the Lord Jesus Christ in His pre expression and living, he received bread and wine. Melchizedek blessed Abraham and said, “You are Abraham of God Most High!” He is the Possessor of heaven and earth. God owns the money. The world owes it to Him. The world owes everything that is on planet to Him. They have been renting this place and they have not been honoring the God of this house. The devil is a squatter. Somebody in this world is paying his expenses to stay. That is why Jesus say to go to his house and plunder everything. **If you take it from the**

poor that is sin; You take it from the evil is victory because the devil has been stealing and killing all the while.

But Papa says to us in Jesus' Name, expect miracles; expect signs and wonders. Like what the Holy Spirit said to Steven Tey in our church, the Holy Spirit said to him, "Believe!" He didn't believe, he didn't believe enough. That is why there is a word called 'Until!'

He gave us apostles, prophets, evangelist, pastors and teachers so that they can take us to the next level. What level is that? He gave apostles for the work of the saints for the work of the service and the building of the body of Christ until we all attain. God wants every one of us to pass with flying colors. No one fits into His court under the oppression of the enemy.

Expect miracles. If you don't expect miracles you are a fool. You have everything working for you but the problem is we don't believe enough. What is the reason? He could do no miracles because of their unbelief. In the Name of Jesus, let the Spirit of faith come into our hearts. If you pray believe and it will be granted to you. Until heaven is ready to release everything that God has for you.

Somehow Papa keeps feeling that 2021 is going to be a very special year. Even though no man knows what to do, there is One we need, the Man Christ. **Something supernatural will happen in our churches, the beginning of covenant relationships.** Gold filling in our tooth is not the exciting thing. The exciting thing is you **find a new place in yourself with God because this journey is going to be individual as well as corporate.** We don't need energy, we need synergy! We don't just need human energy only but we need synergy so that one can put a thousand to flight, two ten thousand.

In the Name of Jesus, **believe God for divine provision.** Oh, what will we do now when there is no church, we can't collect offerings. We must be one step ahead. The church is one step ahead to guide them through trials like this, we need to guard ourselves. **Some kind of famine of God's word is coming!** There is also going to be a lot of oppression from the enemy because he knows that we are going to go in.

The Jesus Now Generation who is a company of people who are a new breed not gathered by age but they live in stature because of their faith; because they have a willingness to serve with selfless sacrifice. This new generation will begin to bring in the move of the Holy Spirit. It is always some of them that become the answer for the rest of them.

Someone once said in Europe, “There has been nothing like this ever before, that they have so many people who owe their lives to so few!” The Jewish Christians begin to speak to the Greeks and Gentiles and the Spirit of God came upon the church at Antioch. The news spread to Jerusalem, God moved Barnabas into Antioch. Barnabas served and then he realized that he needs some good hands and he went to Tarsus to bring Paul down. **It is not just shifting of things in the world but shifting people. Moving people from one place to another place and they become a real fit. Fitted and held together. That is how the church is going to be like.**

In the Name of Jesus, Papa is praying for the Spirit of God to fall upon ANS in a very special way. **Let the Holy Spirit give us favor for a supernatural church to be birthed. We want to take this beyond the spirit of death.** We bind cancer; we bind every disease. None of these diseases shall be upon our people. Let heavens be open, let hell be shut. Let the voice of the Father be heard in the land. Thank you Father, that 2021 is a special year. A year that God will raise up a people that is called The Jesus Now Generation.

What does it mean Jesus Now? **We need Him Now more than ever before.**

We need Him to build His church so that the gates of hell will not overpower us. The saints were made weary by the devil. The saints must rise so that in the days ahead our nations will be changed and bless because we put in the infrastructure in the spirit world to shut down the works of the enemy. We will do strategic things. **We must do the right thing in the house.** Papa believes that something good is going to happen to us. **When God raises up this generation He will put an end to the works of the enemy.**

A new day is beginning. A new people is rising. Psalms 102 speaks of this generation. For this generation many things will break out. Things will come to a climax. Things that will be changed forever.

“This will be written for the generation to come, That a people yet to be created may praise the LORD. For He looked down from His holy height; From heaven the LORD gazed upon the earth, To hear the groaning of the prisoner, To set free those who were doomed to death, That men may tell of the name of the LORD in Zion And His praise in Jerusalem, When the peoples are gathered together, And the kingdoms, to serve the LORD.”

Psalms 102:18-22 NASB1995

The prisoners are groaning and God can hear. “Oh Lord!” God sets them free, those who are doomed to death. When these people, which people? This generation yet to come; This people yet to be created. People who will live on the earth as God's holy habitation. God will set them free. When the people are gathered together, the kingdoms of the world will serve the Lord. Let Malaysia be the first one because we want to see from here to take what God has given to us to the nations of the world.

There will be discerning of spirits so that you can encounter angels and meet God in a fresh new way.

Stand to your feet. **ANS must accept a higher level of the mandate. A greater assignment so that we are ready for the best of the best.** This are the last days but it is the last of the last days and it is this time that we are finding favor.

Nations of the world will stop. The ones who are touched by God will continue to move on. So many domains have been affected by this virus. The education, the entertainment world, sports world, friendships, relationships, all kinds of things, but God wants us to stand strong. Because what He did to a generation He wants to expose the legacy to the next generation that is there.

Papa has one word to say, **every time you speak God's word, you don't have enough dynamics in the house to make things happen.** They listen but they don't hear or they hear but they don't heed. "He who hears My Word and acts upon them is a wise man who builds his house upon the rock". Papa has a good thought in his mind that if they believe a little a bit more than they have believed it before, especially when Papa is speaking, especially when God is speaking through him. If they have just believed a little bit more, the supernatural dynamics that happens because of the synergy that happens in the church, there the Lord will command the blessing, life forever more. Trust that you open your heart and don't stop believing. For 40 years Papa have raised up this work so that we are reaching 55 nations of the world. From here reaching 55 nations of the world. Papa doesn't bother if it is a small church or a big church, it is His Church! We can build a V8 church, V10 church, we can build a local church, glocal church, global church, we can build so many ways and so many different styles but He is the source of life. Every church we pray that God will move a generation yet to come.

Papa prophecy that 2021 is a special year for many of the pastors and leaders. Keep hearing what you are hearing, keep doing what you are doing. Stay focus in what you are doing because He will cause you to eat from that ground. That ground will be profitable for you. Don't labor anywhere else except in your own territory. A new day is coming. Let's pray for God's people all over the world today that there will be supernatural connection with heaven.

Papa prayer:-

“We believe that something sovereign is about to happen, Lord and You are the Source of that supply. We ask of You to build this house with materials that are presented by Your own hands. You, Yourself will choose the right things, the right people and build the church that you showed us. 4 stories under the ground, 3 stories upward - 7 stories, supernatural building like the temple Ezekiel saw that was never been built. But the one that we are seeing God is building the infrastructure for the supernatural explosion to launch us to the supernatural realm. Father, I thank You right now, anoint all our lives. Let there be a supernatural grace upon our lives that will change the world. We put aside every work of the flesh and sin and the negatives, and the intimidation, and the unbelief. We pray for the Spirit of faith to rise within our hearts. The supernatural things be built into the house, the spiritual dimensions to be built into the house. So that when we stand here and begin to pray, the whole world will be touched by the Presence of God. I pray for every family to be a consolidated family, that every member of ANS and ISAAC churches will **stay focus on all that God is doing and saying.** Let there be a fresh new beginning. ANS families be blessed; ANS families be healed in the Name of Jesus. Pray for supernatural dimensions be added into the house in Jesus' Name. That all we want to do; all that we want to say; all that we need to know, the Holy Spirit will give to us. Let a new church arise, let ANS rise, let the ISAAC churches and pastors rise from across nations of the world in Jesus Name. Thank You for Your hand, thank You for Your provisions, thank You for

Your kindness. We thank You because You live we live also. We thank You in Jesus' Name and all God's people say amen and hallelujah!"
