

THE EMERGING JESUS NOW GENERATION

We are tuning into the dimensions of the Spirit, your life will never be the same again because God is decreeing in heaven what must be declared on the earth and as we do that the Kingdom of God will manifest.

Matthew 13 tells us in the parable of the sower, the one that sowed wheat and tares. The two main parables that you need to have understanding in so that you would be free in interpreting the word of the Holy Spirit.

Papa feels a fresh wind blowing across the world. **In the midst of the crisis, people are capturing God's Word and they are tuning their frequencies to the frequency of heaven.** All that can be shaken is being shaken but for us we are here to receive the kingdom, that the increase of His kingdom there will be no end.

The Bible says that the Spirit of the Lord gives us a clear revelation of the word because in the beginning was the Word, the Word was with God and the Word was God. All things came through Him. **There is nothing that materializes on the earth except by His Word.**

““Hear then the parable of the sower. When anyone hears the word of the kingdom and does not understand it, the evil one comes and snatches away what has been sown in his heart. This is the one on whom seed was sown beside the road.”

Matthew 13:18-19 NASB1995

When they don't understand, refuse to understand, choose not to understand. They should go to a place where they can

learn. If our children are not good at mathematics, we send them for tuition. Tuition is easy, anybody can teach that but we are talking about the Kingdom. Jesus said, “Truly I say to you that many prophets and righteous men desire to see what you see and they did not see it and to hear what you hear and they did not hear it”.

There is a Word for our generation. There are words from our prophets and righteous men all across the nations of the world. Righteousness is not a Christian value, it is more than that. It is the very nature of God. God doesn't deal when there is no righteousness. He said to seek first the Kingdom of God and His righteousness. Nothing is right if it is not righteous. God has cleansed us by His blood, we are justified. The Holy Spirit sanctifies us so that we can be baptized with fire and supernatural things will happen.

Papa wants us to know that **the Word God is coming to you this morning can change your lives. It will change your life if you choose to change and you can understand the things of the Kingdom by God's word that will open up the understanding of the Kingdom because the Word is the Word of the Kingdom.** When men and women begin to rise up and speak what God is speaking we must hear it, we must engage it. Today when you hear His voice do not harden your heart. When we talk about offerings and tithes people quickly lock their bags. We talk about prayer meeting, they become prayerless. They are there. For the first few weeks after that the Spirit of prayer has to pray alone.

God is looking for people that will engaged the Word and enter the Kingdom. Before the evil one does anything, what is sown in your heart is going to direct you in the last days. So

keep no evil in your heart. Keep no temptation in your heart. Because all these when God shakes, it will come out and sometimes you can see how deep the roots are. Some places you can repair, other places you cannot repair. Some places you can restore, other times you can't restore them at all. Don't let the devil snatch away the word. So are you struggling with God's Word? With the word of the Kingdom? Then you are going to have problems with the message Papa is giving you. Because if you hear what God is saying to His Son our assignment has started already. That is why it is important to hear what the word of God says. The Word of God says about the Kingdom. The devil knows what God wants to plant to change the nations of the world. Hear, obey, practice righteousness, peace and joy in the Holy Ghost, bringing the Kingdom of God nearer and nearer. We must hear the words.

“The one on whom seed was sown on the rocky places, this is the man who hears the word and immediately receives it with joy; yet he has no firm root in himself, but is only temporary, and when affliction or persecution arises because of the word, immediately he falls away.”

Matthew 13:20-21 NASB1995

This is the man who hears the word and quickly receives it but has no firm root. There are proper ways to engage God's word.

This is so powerful because this is what the end time is going to be all about. Where God cannot rule He over rules. Where there are oppositions, He destroys the opposition so that He works out all things together for good because we love Him.

“The LORD says to my Lord: “Sit at My right hand Until I make Your enemies a footstool for Your feet.” The LORD will stretch

forth Your strong scepter from Zion, saying, "Rule in the midst of Your enemies.""

Psalms 110:1-2 NASB1995

We fear the enemy's presence. The Bible says that, you will rule in the midst of your enemies. Then your people, it refers to us now, will volunteer freely in the midst of His power in holy array, from the womb of the dawn, Your youth are to You as the dew from mount Hermon.

David is at the Throne room. He hears what the Father is saying to the Son. There is a decree, there is pact between God the Father, the Son and the Holy Spirit to raise up one man call Adam to fulfill our purpose but he failed in the garden. God raised up Abraham to become the father of many nations. We trace our faith from Abraham for that was promised to Abraham for the Gentiles.

So we find like Isaiah who found himself in the Presence of God where he could hear what the Godhead was talking. Isaiah chapter 6 tells how God transformed his life in His Presence. Isaiah could not go back again because he was totally changed. Let's read this because it is important. You can see Isaiah going all the way to hear what God is saying.

"Then I heard the voice of the Lord, saying, "Whom shall I send, and who will go for Us?" Then I said, "Here am I. Send me!""

Isaiah 6:8 NASB1995

So there are men and women who are breaking the veil and moving into the second veil and meeting God. And we can hear what God is saying to the Son and what the Son is saying to the Holy Spirit, Holy Spirit is speaking to both of them. The

Holy Spirit is God, Jesus is God, the Father is God, the three fold anointing of life is there. The most important thing for us to know is that the privilege for us is going to be opened soon. It is going to be opened to those who are going to be hungry for God. So this moment **you have been experiencing many things but it must bring you to the Throne room.**

There are webs of deception everywhere. The more you hear the news from the politicians the more suspicious you become. Anything promised may not be done. So the Bible say, **“TRUST THE LORD and lean not to your understanding” because the ways of God are higher than the ways of men.**

“In the year of King Uzziah’s death I saw the Lord sitting on a throne, lofty and exalted, with the train of His robe filling the temple.”

Isaiah 6:1 NASB1995

Please remember that whatever you are going through God is still on the Throne. His promise cannot be violated. Because the promise He gave to you, He is taking it before the Throne of God. That's why everything must be under the Order of Melchizedek because that is a very powerful order. It is a class of its own. It is a prestigious class of its own. You don't just enter in because you are good; You enter in because you are the best.

In one generation God may not even open up Himself to be known in this manner but Isaiah was in the Presence of God. When the king died there were a lot of things to do, even establishing the throne of the next king in line. Beyond this confusion and beyond this activity of mankind, he sees the Lord. **The Lord's place is never removed; nobody can ever**

take His place. Nobody can substitute Him. You cannot find me a suitable substitute because the Father, the Son and the Holy of Spirit are coming to us in this hour so that those who have ears to hear will hear.

So He says, “I saw the Lord sitting on the Throne!” and he describes the things, “The train of His robe filling the temple, the seraphim were there, each having six wings. With two they cover the face, with two they cover their feet and with two they flew.” They had six wings and these are angels crying, “Holy, Holy Holy is the Lord of host. The whole earth is full of His glory. It does not matter if governments come, governments go; Kingdoms rise Kingdoms falls, God is still on the Throne. That is why we got to take a stand.

This morning the Lord Jesus spoke to Papa saying, “Take a stand!” Papa’s mind was wondering, stand for what? Stand on what? Stand what? He said, “Having done all to stand!” **We must never vacate our place, our spiritual stature for a moment to become indulgence in the ways of this world.** The more desperate people are, the more desperate things they will do.

Some people say that in hard times you have to make hard decisions and I believe that God will continue to give us wisdom to continue until we enter into the Presence of God. Seeing the Lord is one thing, getting into the Holy of holies is another. A young believer can lift up his hands and see angels. Isaiah heard angels. So in your regular meeting you must meet angels. Your time with God alone at home must be so real that angels’ camp around it.

Supernatural things are going to happen as long as you don't stop. Uzziah is dead, his burial ceremony is going on but Isaiah saw the Lord. Our faith is not in man. We got to believe, we got to believe enough until we are fully sure that we will not speak a negative word apart from that. Hot air and cold air becomes lukewarm air. God say, "I'll spit you out of My mouth!" There is no grey line except the line He sets for us.

“And the foundations of the thresholds trembled at the voice of him who called out, while the temple was filling with smoke.”
Isaiah 6:4 NASB1995

So every time you are returning back to the Throne room we have to detach ourselves from the things of this world. The Bible says that when you are born again you can see the Kingdom. You can see the Kingdom, now you have a choice to run after it. God wants us to do that to continue to move on.

Everything that can be shaken will be shaken. The temple was filling with smoke. **What is our response to divine encounter? Not enough to see Him? We must bear His image. Not enough to know Him? We must partake Him. It is not enough to just know the truth; we must strive to live its purpose.** This is a great life we are called for. **The believers and leaders in this hour will have a great life, a great ministry, a great God, great encounters.**

When God began to open his eyes to see Him, he saw the seraphim, he saw the one that was calling out and he saw the whole earth filled with glory. The foundations in the threshold of the temple begin to tremble, then something came upon him. Like the woman at the well, “Sir, I perceived You are a prophet. Our fathers said this, our forefather said that, but you

people say this”. But Jesus said, “Such an hour has come and now is that those who worship Him must worship in Spirit and in Truth”. **We got to worship with the Spirit of Truth in our hearts because God is doing a new thing in our midst.**

“Then I said, “Woe is me, for I am ruined! Because I am a man of unclean lips, And I live among a people of unclean lips; For my eyes have seen the King, the LORD of hosts.” Then one of the seraphim flew to me with a burning coal in his hand, which he had taken from the altar with tongs. He touched my mouth with it and said, “Behold, this has touched your lips; and your iniquity is taken away and your sin is forgiven.””

Isaiah 6:5-7 NASB1995

God will supernaturally change the way you speak. Because when you speak faith and unbelief and mix everything together, God will not do anything for you. The problem is what they say after they saw the giants. You say we are well able but we cannot because there are giants. They saw the giants and became afraid; saw the walls and became afraid. This was the first major battle to open the gates of Jericho. Sometimes when we failed there we stay out.

If we don't go forward we move backwards. Like many governments today, they make policies to go four steps forward and five steps backward. That is why many nations right now are living on the negatives. And unrighteous people, crooks are walking down the streets and there is no justice anymore. Now God will act on His own.

Listen to this in Malaysia or in Indonesia or in America, first world or third world, it does not matter. **God is bringing the consummation of the ages, bringing everything down. He is**

closing the curtains. He is going to close the curtain of favour, wickedness and evil will prevail in many places until the churches rise in the power of the Holy Ghost. The failure of the nation is because the church doesn't rise in time. And even though we are prophets, we mixed around with people who have unclean lips. Your mouth will change in the language it produces.

“He touched my mouth with it and said, “Behold, this has touched your lips; and your iniquity is taken away and your sin is forgiven.””

Isaiah 6:7 NASB1995

Even though he had the privilege to see the Lord, yet in order for you to enter, sin must be taken away. All the things that are holding you down are taken away. You know sometimes we think we are walking in faith but we are not walking in faith, we are walking with our eyes opened. Everything we see is temporal and it can be changed. Everything that is temporal will change including governments. These are the stepping stones to go forward in the years ahead. President serves a term of five years and somebody else will take over. The same also in Malaysia. Different people rise different people rule. All are not the same.

There are two types of leadership that Papa found that will manifest among us. One is like a lion, and the other is like a hyena. The lion eats the prey first and then others begin to come and eat. The leader of the tribe will eat first and leave the rest for the others but the hyenas are different. They will eat and when they are satisfied they will take the carcass of the animal and carry it up to the tree and leave it on the top of the tree. We have corruption everywhere. In fact to discover

the kind of things that are happening in America is a wake up call for the rest of the world. If they can do it, world organizations' can do it. We know we are living in a very difficult time. That is why God wants us to enter. He calls the prophets to enter. He calls the prophetic people to enter. In the process you must be changed before you have courage for conquest.

“Then I heard the voice of the Lord, saying, “Whom shall I send, and who will go for Us?” Then I said, “Here am I. Send me!””
Isaiah 6:8 NASB1995

When you are ruling with the rest of the people you start to say what the people say. Instead of having a conviction of your own, you start to say that this one is very hard, this is very difficult, this one is cancer, aiyoh! A lot of people go into the battle and fight and they fight half way, then the enemy attacks them and they have cancer. **There must be no leaking in our words. We say as we believe, we are prepared to die for what we believe. You got to live out what you believe so that others can call you a leader.**

The Bible said that he entered in and heard the Godhead speaking, “Whom shall we send, and who will go for Us?” The Father is saying on behalf of the Son and the Holy Spirit, “Who will go tell this people?” Then I said, “Send me!”

In the same way our lives will be changed. There is an emerging new generation call, Jesus Now Generation, they know how to use the Name of Jesus, they know how to live in the manifestation of that Name and they know how to use that Name. If you believe in My Name all these things will manifest.

Today let us bring ourselves back to the altar of His Presence. And then God changed his life and Jesus taught him a new strategy.

“He said, “Go, and tell this people: ‘Keep on listening, but do not perceive; Keep on looking, but do not understand.’ Render the hearts of this people insensitive, Their ears dull, And their eyes dim, Otherwise they might see with their eyes, Hear with their ears, Understand with their hearts, And return and be healed.” Then I said, “Lord, how long?” And He answered, “Until cities are devastated and without inhabitant, Houses are without people And the land is utterly desolate, The LORD has removed men far away, And the forsaken places are many in the midst of the land. Yet there will be a tenth portion in it, And it will again be subject to burning, Like a terebinth or an oak Whose stump remains when it is felled. The holy seed is its stump.””

Isaiah 6:9-13 NASB1995

These are strategies of God working with the prophets. Some people think everything you prophesy will come to pass but prophecy is conditional. Papa has given many prophecies to many who have come into power. In one particular time Papa remembers in one of our neighbouring nations there was an election, Presidential election. And Papa gave a prophecy for someone and sent the prophecy to him. At the last minute he decided not to run. How can Papa be held responsible? God spoke it, Papa delivered it, he didn't execute anything.

There are many things you will never know until the secret acts are opened. Once classified become unclassified. Once it becomes an official secret act, they can begin to open it up after thirty years. That is why after thirty years we have to

rewrite history because people don't give us the truth and the facts. But we pray that these leaders that God raised up will be true to what they are doing. The Lord said to Papa, "They have made themselves arrogant towards Me. They kept themselves strong against Me. Now you will see My hand manifest with great power." **When God reacts and acts on your behalf, there will be a highway of holiness.**

So Papa is telling us in Jesus' Name that we need to hear what God is giving us in this hour and understand how these things happen at the Throne. We have no understanding; **we can see angels, can see heavens opened, you can feel inspired, but God is looking for labourers.** True sons who will listen to the commission. What must we do? **That is why choosing God's will is the most important in life.**

So there are things that happen around the Throne. Even now some people are taken up to see the heavenly and begin to have a foretaste of what heaven is like. But in the midst of all this experience, the people who lead somehow get confused with the people they live with.

"Then I said, "Woe is me, for I am ruined! Because I am a man of unclean lips, And I live among a people of unclean lips; For my eyes have seen the King, the LORD of hosts.""
Isaiah 6:5 NASB1995

No matter how we feel but **we are here to take over. To take over the spirit world by praying.** To take over the Spirit dimensions of governments, nations and people. **God didn't just raise us up for small things but He raised us up for big things.** The big things are coming but because of our smallness of our thinking patterns, we shut down faith and liberate fear.

Let no fearful words come out from your mouth and stumble somebody by what you stupidly say. Stupidity and ignorance are two different things. Ignorance you can change, stupidity is you do the stupid things again and again. We must not be ignorant of the devil schemes. If you can take one good man and destroy his life he becomes a trophy for the devil.

There are many people in this world who are caught in the system. They cannot come out. If they come out they will be attacked. You will be challenged, you will be shouted at. **God is looking for someone who can speak the heart of God.** Who will go for Us? There are thousands of people who will go for themselves but who will go for Us? Whom I can send and who will go for Us. Many men will run for their own share; many men will have their own agendas but God is changing that. He is bringing you to the Throne room. What a great privilege it is. He wants you to get to the Throne room and hear His heart rather than just think this is ok, that is ok, well, I just want to do a little bit for the Lord till He comes back then I will be caught up in rapture. If you are wanting to go and you have nothing to look forward to then there is no use staying. But if I stay, Paul says, “Work for me!” Papa decided to stay. That is why he is getting stronger and stronger pushing the power of death away.

There is a river of life flowing out from us. And surprisingly it flows from the Throne. My eyes have seen the King, the Lamb, the Lord of Host. Then said I, “Send me!” You will be like a little puppy under the table, want to stay close with the Master. Every now and then the bread crumbs begin to fall down and the little puppy begins to eat it. That's what the Syro-Phoenician woman said to Jesus, “Even dogs eat the crumbs fallen from the master's table.”

But Papa has got better news than that. God is looking forward for us to rise up to be at His Throne. You have met Him at the cross. Sin must be cut off. Because you cannot go from the cross to the Throne until God begins to open the door for you. You cannot just enter in, you must be cleansed, commissioned, then you will have conquest and conquer.

Papa prays that all ANS' pastors, leaders, every little child in our network will receive a supernatural grace. That when the family sets up the altar and sacrifice and worship Him in Spirit and in Truth, things will begin to change. Before Papa prophesies, you need to read Isaiah 6:1-13. Ask the Lord to redefine your life for ministry. We are not making retirement plans, we are making 'refirement' plans to go forward to the nations of the world. Some people have no spiritual vision whatsoever. When you are born again, you can see. Many are born again improperly and they cannot see. The baby's is turning around. But you must be found at the altars of heaven to finish this work with sin. You stop sinning, not sin less and less but you become sinless. That is what God wants. He wants us to be sinless to practice righteousness in every aspect of our lives.

Please don't use this COVID-19 to have a different style of church. These things you are seeing like the MCO are reshaping the patterns of the world. Ours is focused, our King is coming and He will receive His Kingdom. The new normal is going back to the original. People are not normal but they are within the normal range. That is how psychiatrists talk about people. Papa pray to God that God will help us.

“The LORD says to my Lord: “Sit at My right hand Until I make Your enemies a footstool for Your feet.””

Psalms 110:1 NASB1995

The first thing is to hear what God is saying. What are they discussing among themselves? You can't work for Him unless you can feel for Him! Jesus saw the multitude, He felt compassionate; the disciples saw the multitude, they didn't feel anything.

God is doing a new thing. He is bringing us back not to the cross but to the Throne. After two thousand years we can know what He has done. We only saw Him dying on the cross of Calvary. That was the last physical manifestation. Then after that He ascended, His body was glorified. The same body but it was not flesh and blood but it was flesh and bone.

Each one to his own rank. You have made one out of stars, one out of dust and one made out of sand. Three different types of descendants. The star seed, the sand on the seashore, and the dust of the earth. If we live at the lowest as the dust of the earth then the devil has the authority to come into our terrain and attack us.

But this is the first thing Papa wants us to see. **Your ears will be opened to what is being spoken.** Your ears will be opened when God's Word is spoken. **True worshippers will have access to hear the voice of God.** You must enter into the Throne room but you got to pass through the way of the cross.

The Father is speaking to the Son, that is very secret. It is a place of intimacy. For us to go into that place, the grace of God is needed upon our lives. The descendants of Abraham

are men and women of faith. He will be the father of faith. We live in the promise that was given to Abraham knowing that Abraham was going to be a great nation. God began to engage him. You cannot be great unless you want to be great. Even if you have the opportunity to be great and you don't want to be it, it is because you don't understand the power of influence. We take some jobs not for ourselves but for the purpose of God to be established. God cannot force you. God cannot force anybody. As a pastor, Papa can't even force his church members. But **those who rise up to come to where our heart really is they hear clearly what God is saying.**

True worshippers will have access to hear His voice from the Throne. We are able to hear because we tune our frequency to heaven, then we hear clearly what God is saying. Do you want to hear the counsel of God? Like we all want to tune in to the television because we want to see the live telecast from the parliament and sometimes you feel very embarrassed that you have such leaders leading you. Papa remembers watching the first session, everybody was shouting at everybody else. Papa doesn't want to be part of that confusion. Papa wants to go into the place where God's Presence is where He speaks so clearly that you have no reason to be convicted of conscience. Sometimes when we talk to each other also we cannot hear well. As you get older, your pronunciation and hearing aids all come up. You cannot hear one another properly. But what a privilege it is for David to sit there and hear what the Lord, the Father is saying to the Son and Holy Ghost. What an amazing God! What an amazing experience!

Paul said that he knew a man 14 years ago who went into the Throne room and heard things that should not be taught at all. Began to hear the Spirit of Truth manifesting and Paul had

many revelations of this kind. We must engage heaven. **We must not walk as earthly, we must engage heaven.**

Every morning since the beginning of last week or the end of January Papa began to pray every morning and that he will engage himself with things around the Throne to linger long in His Presence till we hear His voice.

God is going to change the way you live. As the Lord God lives before whom I stand there will be no rain or dew except by my words. Did you hear that? You are standing in the Presence of God, living under the shadow of the Almighty. That is the privilege that God is giving to the Jesus Now Generation. **The Jesus Now Generation is not the young generation or the old generation, it is not according to age but according to spiritual maturity.**

God will take us to the next level where we can hear His counsel, we can hear His Word on the matter, we know what is His mind on the issue. If you ask God, He will answer; if you knock He will open; if you cry out to Him, He will answer you so we can know His mind on the issue, then we can permit it, let it be done as it is in heaven. For that to happen, heaven and earth must equalize.

Papa says to us in Jesus' Name. God bring the concept of equalization so that the ones who know will feed the ones who don't know. So we have a leader among ourselves, a strong leader that is what you must become. So that you are equalized to the same frequency that we get more than energy, we get synergy.

Major decisions can be made in the light of His counsel. We can hear and heed. Build the future, build it to last and we won't fail. **There is a generation rising in the power of the Holy Ghost.** Let Papa introduce them to you, it is the Jesus Now Generation. Jesus Now, we are not voting for anybody else. He is installed as King. He is King in Mount Zion. God said, "I already made the King!" You don't have to try to be king, He has set His King at Mount Zion. That is what you see in chapter 2 of Psalms.

*"Why are the nations in an uproar
And the peoples devising a vain thing?
The kings of the earth take their stand
And the rulers take counsel together
Against the LORD and against His Anointed,
saying,"*
Psalms 2:1-2 NASB1995

You have to declare what is decreed in heaven. The rulers want to do their own, they want to make their own stand, they want to do a different thing.

*"He who sits in the heavens laughs,
The Lord scoffs at them."*
Psalms 2:4 NASB1995

Papa says that He who sits in the heaven laughs.

*"Then He will speak to them in His anger
And terrify them in His fury,
saying, "But as for Me, I have installed My King
Upon Zion, My holy mountain."
"I will surely tell of the decree of the LORD:
He said to Me, 'You are My Son,
Today I have begotten You. Ask of Me,
and I will surely give the nations as Your inheritance,
And the very ends of the earth as Your possession."
Psalms 2:5-8 NASB1995*

Please remember this decree of heaven.

“Worship the LORD with reverence And rejoice with trembling. Do homage to the Son, that He not become angry, and you perish in the way, For His wrath may soon be kindled. How blessed are all who take refuge in Him!”

Psalms 2:11-12 NASB1995

God has already fixed His mind. In Psalms 110, He said, “I swore!” Because God could swear by no other name that is higher than His.

“The LORD has sworn and will not change His mind, “You are a priest forever According to the order of Melchizedek.””

Psalms 110:4 NASB1995

We are recreating a whole new world because God our Father, God the Son and the Holy Spirit have brought us home to sit in the counsel of heaven and take our place. Papa wants to be like Elijah, “As the Lord God lives before Whom I stand there shall be no more rain or dew except by my words!” God will speak to Papa clearly. **God will speak to you clearly so that everything you need to know you will know.**

The Lord says to my Lord, when the Father speaks to the Son, listen. When the Son speaks to the Holy Spirit, listen. **There is a highway of communication coming that everyone in the house will know the Lord.** This is what the outpouring of the Holy Spirit will be. “Surely there will be nothing that will be done except by my words.” **God is going to raise up people who hear the counsel of heaven and declare it on earth.** We are all learning to get there. Papa says that he is learning to get

there. We have prophesied over so many world leaders but Papa believes that God is going to give us greater entrance to the nations of the world so that we can declare what has been decreed in heaven.

“The LORD says to my Lord: “Sit at My right hand Until I make Your enemies a footstool for Your feet.””

Psalms 110:1 NASB1995

Papa wants us to lift our hands this morning. He prays that your ears will be opened, that your eyes will see, your spirit will conceive a new power for revolution; a revolution of values and a restoration of all good things. God is going to do an amazing work in the hearts that are connected to us. Papa speaks over All Nation Sanctuary and all the ISAAC churches and pastors, **it is time to move out of your address and change your address to His.** Because God will do nothing until He has revealed His secret plans to His servants.

“The Lord said to my Lord,” Papa wants us to be able to hear that. Papa is praying for hearing ears and seeing eyes, that in the Name of Jesus, your eyes will be opened, your ears will be opened. This favour of His Presence will be given to you. In the Name of Jesus, **you will not be conscious of something but you will be conscious of God and His plans and His purposes. You will not use the strategies that is not tried by the Holy Ghost.** Your faith will be strong, righteousness will be great, joy in the Holy Ghost. Let the enemy’s camp tremble, Lord. Because You have said that until You have made the enemy a footstool for Your feet. You are going to show us how Your Son is going to stretch forth Your strong scepter and rule from Zion. That God will encourage His Son; encourage His Church; encourage His people. To know that God the Father is

speaking to His Son; Father is in action to make all the enemies a footstool for the Son's feet.

“The LORD will stretch forth Your strong scepter from Zion, saying, “Rule in the midst of Your enemies.” Your people will volunteer freely in the day of Your power; In holy array, from the womb of the dawn, Your youth are to You as the dew. The LORD has sworn and will not change His mind, “You are a priest forever According to the order of Melchizedek.””

Psalms 110:2-4 NASB1995

The Lord has made up His mind, He spoke the word and He said, “You're a priest forever after the order of Melchizedek.”

Papa praying:-

“Rivers hold civilizations. There is a river of life flowing in Jesus' Name from the throne into the house, from the house into the streets, from the streets into the sea. Lord, we thank You right now that the Holy Spirit who is the baptizer who baptizes us with fire. Let Your fire consume our sacrifice. Let the fire from heaven cleanse our sins as we rise to serve You in this hour. Holy Spirit move strongly this morning. **Set us free from the system of this world. Show us that Babylon is falling so that we can get ready to take our place.** Not by the rivers of Babylon but the rivers of life that will lead to the highways of heaven. Father, I pray that the seeing eye and hearing ear will be our portion. That You will never be embarrassed or ashamed to call us brethren because we partake of the same life, same frequency. We thank You right now. Touch our people, deliver them, set them free. Let our church rise to in the order of Melchizedek. And everything we do, we do like we do it in Zion. Let Zion manifest in our midst. Let the fullness of His glory be greater than the former house. Let the glory of

the Lord be upon you. The whole earth is full of His glory. Hallelujah! Hallelujah! In Jesus' Name. Let's give Him praise and thank Him. Hallelujah!"
