

## CITY TAKERS AND NATION BUILDERS ON THE RISE

**Papa praying:-**

“Lord, we open our hearts to you this morning. **Let the power of Your Spirit rest mightily upon our lives. We want to make a difference with our lives. We do not just want to waste away the time that You are giving to us, but we will seek You day and night till we find You, till Your glory descends upon this house and every word You have spoken to this house will come to pass and become a reality.** We thank You that **You are choosing another breed of people that will rise to make a clear difference. A Davidic generation. Push away, cut off, remove, replace the leadership of Saul, that in the spirit world something supernatural will happen. Raise up significant people in our churches. Those who have the power to make a difference. Those who are born again, baptized in the Holy Spirit, strengthen with strength from on high and they are willing to do His will.** And God is willing to work His will into their hearts until they represent God's will. Be born again, be baptized in the Holy Spirit, be strengthened with strength in the inner man. Let God work His will in our lives and give us the power to do His will. Above all, the word that has been coming to me is COURAGES. Take courage and put it on; take faith and put it on! There is much work to do. There is much rubbish everywhere but God has given us a mandate to cross over, to take over and He is crossing over ahead of us. In Jesus' Name, **we cannot release what we don't have, we can only release what God has put into our hearts.** There is the power of God that is going to come and sweep the nations of the world and the gospel of the

Kingdom will be preached as a sign to them. With all these things that are happening at this hour men are confused which way to go but Jesus said, “I am the Way; I am the Truth; I am the Life; I am He that was dead but I am alive forevermore!” **Lord we ask of You specifically to work Your will in us. Get us moving; strengthen our inner man until our inner man is strong to carry the Armour of God and push back the powers of the enemy. Oh, work within us until Your will is established in us. Hallelujah”**

### **Exhortation :-**

How many of you would like to **make a difference with your life so that we will be distinctively different.** When people see us in the nations of the world they will know, they recognize that we come from the small town of Muar. Papa is not talking about anything else except what the Holy Spirit is releasing him to say. Those who live under this type of grace and anointing will begin to reproduce themselves so quickly in this coming year. For everything we have lost, **for those who have gone on to be with the Lord, God is going to add on new ones. And these type of leaders are going to be different from what we have ever seen before. They love the house of God dearly, “I delight to dwell in Your Presence!”**

**Anyone who despises the building and the raising of churches and people should not be harken to because the most important assignment that Jesus did was to build the Foundation, establish the Cornerstone, then after that He leads one after another to build upon the same foundation so that the building will begin to go up higher and higher.**

In the course of time, Papa would like to show you the vision he saw of the building, how God began to build dimensions into ANS and the ISAAC churches. Sometimes when we build the house we prepare all the fittings. The electrical wire for the fittings and the air conditioning fitting is to be placed. All these joints are already fixed that you can use them. You don't have to dig into the walls, you can use them immediately.

In the same way, **all ANS members listen to this. God has built things into this place, you got to learn to take it, learn to use it, learn to multiply it and learn to be strengthened by it.** We have one of the most powerful worship atmospheres in the region round about. There are so many churches with big number of orchestra and all kinds of stuff but they cannot touch the dimension of the Spirit.

Everybody remembers the School Of The Prophets' prophetic breakthrough worship. We believe that God wants to do an amazing work within us. Learn to introduce yourself as a giant slayer, a nation builder and a city taker because God did not plan for you to be mediocre or ordinary but extraordinary.

Mum and Papa had just finished their 40th wedding anniversary. Another 40 years is what they asked for. Continue to pray for Papa, he is getting better and better. He wants to be better and better to such an extent that

when the devil listens to the voice of God's word released he will flee a thousand miles.

Nothing is impossible! Everything that is impossible can be made possible because **God does not want you to stay in one level of glory but He wants you to move from glory to glory, from strength to strength.**

### **Message:-**

I want to talk to you about something very close to the heart of God for our nations today.

*1 “Now the LORD said to Samuel, “How long will you grieve over Saul, since I have rejected him from being king over Israel? Fill your horn with oil and go; I will send you to Jesse the Bethlehemite, for I have selected a king for Myself among his sons.”*

*3 You shall invite Jesse to the sacrifice, and I will show you what you shall do; and you shall anoint for Me the one whom I designate to you.”*

*12 So he sent and brought him in. Now he was ruddy, with beautiful eyes and a handsome appearance. And the LORD said, “Arise, anoint him; for this is he.””*

*1 Samuel 16:1, 3, 12 NASB1995*

“How long will you grieve over Saul, since I have rejected him from being king over Israel?” Papa can remember in his English class the teacher saying, “Don't cry over spilled milk.”

They will never rise. This group of people are destined to stay the way they are. But God wants us to know, He doesn't want positional leaders, He wants leaders. Those who will lead these people out of misery and distress. Jesus saw the crowd and His heart was filled with such compassion because they were like sheep without shepherd. He said, "Pray then..." So prayer can begin to bring out true shepherds and labourers out into the open.

God is taking one from this city, one from the village, one from the college, one from the training centre to assemble them in Zion. We don't know how many members we have until the church comes together in full. We have some of them drifting away. We can see how the church is paralyzed. The people are paralyzed. You cannot move more than 10km. When you drive a car they also decide for you who should sit in the car, only family members. You can't take anybody even if it was an angel. There are roadblocks everywhere. For the first time Papa felt helpless and he went into the Presence of God. God said, "How long are you going to cry? How long can you push this? I have rejected the whole system. I have raised up something of the Kingdom."

Right across the world there are two groups of people. One is the people of God and the other is those who do not have God. The godly and the ungodly. So we see God asking Samuel, "Samuel, I have rejected them, why are you still pursuing this?" He said, "Fill up your horn with oil, I am going to send you to Jesse the Bethlehemite for I have selected a King Myself among his sons." There are so many

kings who are for themselves, there are more politicians than work done. Increase salary, increase all kinds of stuff, just to give them a place. But God has selected for Himself. Do you believe that? God told Samuel not to cry, not to grieve over Saul. It means every time you think of the situation you fall into depression. The key is, **“for I have selected a man, a King for Myself!” These are men that people don't want to choose.** In fact, when he went to the dedication service, Samuel looked at the brothers of David, he said, “This is the first one, he must be the one. Another, he must be the one, he must be the one. God said, “None of them!” God said, “I have selected!”

### **1. You must be God's handpicked and selected by God Himself.**

**If you want to be significant, you must be God's handpicked, selected by Himself candidate.** Because he did not have anything he needed to become a king but you have to start somewhere. If God has a place for you to be the king of Israel, it won't happen tomorrow. That's why God handpicked this man because He was clear about what He is doing. **This young man was very special, for God selected him and rejected somebody else.**

**Please don't take leadership lightly because when you are chosen somebody else is rejected. You are filling the gap.** When people don't want to enter and you go in there, God will bless you crazy. If you start doing what nobody wants to do what God wants done, if you do that, you will be first in class. So ANS and ISAAC churches should not be

complaining, “Why we didn't get this? Why we didn't get that?” **If God has handpicked you things are going to change.**

**“I have selected for Myself a King!”** so God knows the future He chose the right man but the man was not ready so God had to do something. He had personal testimonies but he did not have spiritual dimensions to the measure that God needed. Saul was an older gentleman, David was about sixteen or seventeen. **The young one replacing the old. Why was that? Because Saul continually disobeyed God. If you don't know what to do, it is ok but to do what is wrong is wrong.** That is why God handpicked this man, this young boy by the name of David. And Samuel also was instructed to tell the house of Jesse that he was coming for the sacrifice and invite Jesse for the sacrifice. “I will show you what to do. Anoint the one I show to you.” We prophets cannot choose because we know in part we prophesy in part but the part we contribute must be an important contribution.

He will be handpicked and selected by God Himself. **You must be in a place where God can see the quality of your life and choose you.** The angel of the Lord waited. He waited and waited and waited and began to see Gideon beating wheat in the wine press. “Hello, you man of God, mighty man of valour, a warrior, a champion!” He said, “How can I be a mighty warrior, I am beating wheat in a winepress?” As he started to converse with the angel, the angel said to him, “Go in this thing that you carry!” Oh, **when I am weak I am strong. Something has to come in**

**and replace the natural and bring in the Supernatural.** That was why when this condition came upon Papa's body, he made up his mind to bring complete reproach the kingdom of darkness because it is not by might, nor by power but by His Spirit, saith the Lord. If God has chosen Papa, the power of the enemy is going to break.

**Every time when God appoints a leader that is rising there will always be a challenge.** Papa wants everyone of you to take it seriously into your hearts. I want to be handpicked and selected by God. God will put a seal upon our lives.

*“Then Samuel took the horn of oil and anointed him in the midst of his brothers; and the Spirit of the LORD came mightily upon David from that day forward. And Samuel arose and went to Ramah.”*

*1 Samuel 16:13 NASB1995*

Can you imagine from 16 years of age God is preparing you to take over.

*“Now the Spirit of the LORD departed from Saul, and an evil spirit from the LORD terrorized him. Saul's servants then said to him, “Behold now, an evil spirit from God is terrorizing you.”*

*1 Samuel 16:14-15 NASB1995*

Even Saul's servant saw his life and knew that something is wrong. But we have temporary solution. Listen very carefully All Nations Sanctuary and all churches that are connected to ISAAC. The Holy Spirit departed from Saul

and an evil spirit of the Lord was terrorizing him. So the servant suggested to him,

*“Let our lord now command your servants who are before you. Let them seek a man who is a skillful player on the harp; and it shall come about when the evil spirit from God is on you, that he shall play the harp with his hand, and you will be well.””*

*1 Samuel 16:16 NASB1995*

**When God rejects you all kinds of things go wrong.** But the Bible says that the Spirit of God will come upon you mightily from that day forward. Do you really want to be a giant slayer? Do you want to be a city taker? Do you want to be a nation builder? This are front line ministries. God put your hand in desolate cities and rebuild them again.

By faith we understand that God by His Spirit reveals to us the pattern of how to remake the earth. In the beginning God said, “Let there be light!” And there was light. The same way **God fashioned the world with the power of His Word or the word that demonstrates His power that when it goes out it will not return until it finishes all that needs to be done.**

Some people say that Papa prophesied about President Donald Trump. America is bigger than Donald Trump. God uses a man to do something, not to always do what we want, the way we want. But when He started with Donald Trump, what He has begun to do in him will continue. Even if things don't change, things will be exposed and the

**people movement will demonstrate the power of the Holy Spirit that is already in America. The church is unaware that the move of God has already begun with or without Trump because God fixed His eyes on America to change America, to make sure that America will become great again.**

Papa believes that this is important for us. The Holy Spirit came upon him and began to increase from that day forward. The Spirit of God will come upon you mightily from that day forward. **The leaders that God is looking for are people who are free in the Spirit and allow the Holy Spirit to strengthen their inner man and cause their mortal body to receive life and resurrection power.**

So somebody said to Saul, “I have seen that young boy of Jesse.”

*“Then one of the young men said, “Behold, I have seen a son of Jesse the Bethlehemite who is a skillful musician, a mighty man of valor, a warrior, one prudent in speech, and a handsome man; and the LORD is with him.””*

*1 Samuel 16:18 NASB1995*

Nobody in the house, nobody in the palace could help Saul but a young boy came into this palace, and changed the atmosphere of the place, pushed the devil out and brought God in to such an extent there was combat, that the demonic spirit picked up a javelin in the hand of Saul and threw the javelin against David and David ran for cover. No weapon formed against you can prosper. Which part of the

‘NO’ that the devil don't understand? He tried, he cannot prevail.

**You are handpicked and selected by God and the Spirit of the Lord shall come upon you from this day forward.** Mark the calendar in Jesus' Name this special day to become free in our minds, in our hearts and chose a greater glory than the lesser glory. When the evil spirit came they sent David and David played the harp in his hands and Saul was refreshed. So the worship anointing touches Saul, changed the atmosphere, casted out the devil and he became refreshed.

**The more the devil comes upon your life, you will be more and more irritated, exhausted, because the devil will push you right to the corner.** But God is good. He sends a prophet and anoints you with oil and the Holy Spirit has identified His man. And everyday, Papa likes the word, ‘from that day forward’, no tax, no manipulation, they cannot charge anything against David because the Holy Spirit was getting stronger everyday. **God must equip us to deal with every resistance that comes upon our lives.** When God comes in, the devil goes out. When the Holy Spirit came upon David, he charged the whole atmosphere, changed the whole atmosphere and the dying man under the oppression of the devil was set free.

The evil spirit is not from God, He allowed the evil spirit to go and deal with Saul because when you owe the mafia, you are in for trouble already. When you start to steal from them, they are going to kill you. **When we put our hands in**

**the ways of the world and taint our hands, taint our lips, taint our ears and our eyes, we are asking for trouble. So cut it off whatever is inviting devils to your lives. You got to push it out of the way. Because the moment you cut off the enemy, and you continue to increase in the power of the Holy Ghost, your life will never be the same because now you have God on your side. The Holy Spirit is descending everyday. Everyday with the Holy Spirit increasing, He is training your hands for war. He shows you how to deal with the works of darkness.**

**The first point is you will be handpicked and selected by God Himself. Many are called but few are chosen because many are not qualified.**

*“Then Jesse said to David his son, “Take now for your brothers an ephah of this roasted grain and these ten loaves and run to the camp to your brothers. Bring also these ten cuts of cheese to the commander of their thousand, and look into the welfare of your brothers, and bring back news of them.”*

*1 Samuel 17:17-18 NASB1995*

## **2. Follow the father's instructions.**

Now these are the father's instructions. Simple instructions. Just make sure you take these things to the battle field because they heard the battle is all stopped. They are now on pause, Saul doesn't know what to do. But **if you follow your father's instructions you will arrive close to your destiny. Don't neglect the instructions Papa**

**gives to you every Sunday or every other day of the week because these instructions will save your life.** The Holy Spirit will bring you on time to hear the sound of the battle because the whole army of Israel was paralyzed.

Goliath would come every morning and every evening, two sessions a day and begin to demoralize them. God said enough is enough. For forty days and forty nights, it means for 80 sessions. Papa don't even have that time to share with you who are living far away. Papa wished that God would add up some measure to you. The devil went on for 80 sessions just hitting them and hitting them, intimidating them until Saul took off his robes and his armour, his sword hanging on the wall. But **when you come following your father's instructions, it will guide you so that you will find your own assignment.**

### **3. God will start you with your father's assignment.**

**God will start with you, He will start you with your father's assignment. When you are faithful, you will find your own.**

**If you are not a good follower you are not a good leader. Every good leader follows someone. And they can give them a place of a mentor or a spiritual father. God is making clear to you that victory is not a solo project. Follow your father's instructions and get a step closer to destiny.**

*“For Saul and they and all the men of Israel are in the valley of Elah, fighting with the Philistines.”*

*Israel and the Philistines drew up in battle array, army against army. Then David left his baggage in the care of the baggage keeper, and ran to the battle line and entered in order to greet his brothers.”*

*1 Samuel 17:19, 21-22 NASB1995*

Nobody was moving because everyone was paralyzed with fear and frustrations. We have soldiers who do not act like soldiers. God was angry with the tribe of Ephraim, they were all equipped with bow but did not go to war. They were all trained but did nothing. Class after class after class after class but still they would not go out.

Papa trains them in the core group team and trains them again and retrain them again and again and again, but no output. That is why the Holy Spirit cannot descend upon you and increase. **We have too many things inside our hearts that we keep, that the Holy Spirit has no space.** Sometimes we are sitting in a public bus and we get somebody who is smoking and smoking when they should not, there. The smoke gets into your eyes, then if you don't move further, the smoke gets into your spirit and your lungs get congested with second hand smoke. People die from second hand smoke. We thank God that they become clearer not to harm others also. The Bible is very clear that if you **follow your father's assignment you will reach your destination.**

*“Now Eliab his oldest brother heard when he spoke to the men; and Eliab’s anger burned against David and he said, “Why have you come down? And with whom have you left those few sheep in the wilderness? I know your insolence and the wickedness of your heart; for you have come down in order to see the battle.” But David said, “What have I done now? Was it not just a question?” Then he turned away from him to another and said the same thing; and the people answered the same thing as before.”*

*1 Samuel 17:28-30 NASB1995*

**One of the hardest discipline is this. When you become distracted from your assignment by the rising conflicts from among your brothers and other people!**

#### **4. Don't be distracted from your assignment.**

**Whether your brother rises against you; whether the people in the city rises up against you. Be focused!** Finish it on the cross, end it at the Throne so that you can start ruling and reigning. Do you really want to be a giant slayer? Do you really want to be a city taker? Do you want to be a nation builder? I hear a song, ‘Let's go take the city’. You can take the city if you want to. **Don't be distracted from your assignment from the rising conflicts by your brothers and the people round about.** “Oh, they don't like me”, it is not about liking; “they won't listen to me”, if you do what is right people will listen. If your voice shouts louder than others, the others will be drowned.

If you are sharing testimony after testimony faith will rise. Sometimes we are just stupid, we can't connect A to B. We have all the ingredients built into our lives. The Holy Spirit has been coming to you day and night. And **God handpicked you, how can you fail?** God said, "I have chosen the son of Jesse for Myself". Not even to shepherd His people but for Himself; for God Himself because David was a man after God's own heart. He will do everything to please God. He said, "The Lord said to my Lord, "Sit at My right hand until I make Your enemies a footstool at Your feet. And the Lord shall stretch forth His strong sceptre, and rule from Zion""

So he already came this far at the battle line. You get hurt by 'Mr So And So'. You are frustrated by this person who likes to hurt everybody and anybody. David said, "What have I done now? Was it not just a question?" The question he asked was pertaining to his own heart. He said, "What would the King give?" When you are young you can fool around like this, when you get older, these must not be in your thoughts because when God raises you up He will do everything you need. You don't have to fight for your survival. Papa doesn't fight for his survival he just lives. Somebody asked Papa what he does for a living? Papa said, "I live!"

**It is no use that God has done so much great things and we lose everything. Go back to your first assignment. Go back to the original word that God has spoken to you because all the other things came about by your own fantasy. We don't want to dream dreams that will not be fulfilled but**

we want to dream dreams that will accelerate to fulfillment. Hallelujah!

This year is the year of happenings. Don't be a monkey that hears; don't be one that sees; don't be the one that speaks but **be the one that does it. We must seriously take our position in life. You cannot be fooling with God in a dying world where tragedy can happen just like that.** Whether you are Christian or non Christian, accidents happen. Christians die too. Children of non Christian parents die, children of Christian parents also can die. But God gives us a choice.

Once Papa prophesied over a candidate for Presidency in the Philippines. As it came nearer and nearer, he didn't even submit his name. God spoke the word, it didn't come to pass because he who was supposed to be the one carrying the baton did not run. You cannot win the race with three men. It is a four by one hundred meters event. You cannot have three runners, you got to have four. You don't fulfill the condition how are you going to rule? You are so excited about the polls coming you didn't even register. "Oh, I thought I did." No you did not. Such things happen, you cannot blame God for it. There are so many intricate things happened. **You know there are so many things that are holding one another up, but we must win.**

**Rise above your bitterness; Rise above your disappointment; Rise above your feelings because it is nothing more than just feelings. We need to have a strong configured spirit to push back all the debates and**

**dialogues that people want to have with us to shut down our faith.** The church can take over. We know how to bring God's Presence down.

Papa believes very strongly that **you are handpicked by God and you should not fail and cannot fail. You should not think about failure.** In one of the crusades, a young man came forward and said, "I will die for You, Jesus! I will die for You!" Papa stopped him immediately and said, "God wants you to live for Him not die for Him." You haven't lived your life for Him, why do you want to die? But if the Spirit of God is upon your life then something will happen. **Don't be distracted from your assignment, stay focus, don't be caught up in the conflicts with your brothers and the people of God.**

**5. Slay the lion and the bear and do not tell anyone about it.**

*"But David said to Saul, "Your servant was tending his father's sheep. When a lion or a bear came and took a lamb from the flock, I went out after him and attacked him, and rescued it from his mouth; and when he rose up against me, I seized him by his beard and struck him and killed him. Your servant has killed both the lion and the bear; and this uncircumcised Philistine will be like one of them, since he has taunted the armies of the living God." And David said, "The LORD who delivered me from the paw of the lion and from the paw of the bear, He will deliver me from the hand of this Philistine." And Saul said to David, "Go, and may the LORD be with you.""*

## 1 Samuel 17:34-37 NASB1995

**These are sacred experiences that build your faith.** You see a lion, you kill it, the bear comes rushing, you strike it, and killed both the lion and the bear. **Slay the lion and the bear and don't tell anyone about it.**

Most of the time in our growing something happens in our life and we just blare out and blare out. Because people are watching you, **people are watching us how we behave on the platform, behind the platform, before the platform.** You can say nice things but people watch your life, they read your life. Some of us can kill the lion and the bear but we got a big mouth just like Goliath. That is why some battles we win, some battles we lose is because of the power of the mouth.

Now reflect on your memory, God said to the people, I will bring you to the land and you will possess the land. They said, “No we cannot go because there are giants there.” These are the 10 that brought bad report. The two, Joshua and Caleb said, “Yes, we can. We are strong that day as we are today!” But **if you go and spoil your secret you can find fear coming into your heart.** David knew how he destroyed the lion and the bear, he said that he will deal the same way with the uncircumcised Philistine. Do not tell anyone because this is for your own personal trying, testing.

The human factor is very important. It will fulfill our personal destiny. **Not only God is sovereign but men must be responsible. So you cannot say that God said it and it**

**did not come to pass. The part that is lacking is not God's part but the part of the human.** If Papa were to point at someone here and say that you will be an important official in the government department, you will be shocked and think, “He?” You can doubt the prophecy but he cannot. **There are a lot of things that are conditional,** “Should I run or should I not run or should I go for the first seat or the second seat or... You are confused! **When the word of God comes, you got to learn to live by it. The strength of our life is to believe in His Word.** You are born again; baptized in the Holy Spirit; strengthened in your inner man. **Let God work His will inside you.**

*“So then, my beloved, just as you have always obeyed, not as in my presence only, but now much more in my absence, work out your salvation with fear and trembling; for it is God who is at work in you, both to will and to work for His good pleasure.”*

*Philippians 2:12-13 NASB1995*

**Work out your salvation for it is God that is working in you. So God is working in you, you got to work it out.** Everyday you take a shake for your meal and then what happens is this, you don't put on bulk you cannot carve out muscles. You remember the story Papa said to you that he went to the gym? There was a picture of a strong black muscular man advertisement in that place. Then Papa said to himself that he wants to have muscles as big as this one. The man said to Papa that he can only make him a hard stick because Papa was very thin. He said, “If you want to have muscles, you have to have bulk. We can carve down

the bulk. You, we can only make you a harder stick!” So that was the end of the gym.

God is doing an amazing work in our lives. We must slay the giant because we have slain the lion and the bear. Papa prays that you will choose to be significant. Papa prays that you will be handpicked and selected by God Himself. Papa prays that **the Holy Spirit will come upon you mightily from this day forward. That you will be a champion to be reckoned with; a mighty giant slayer; city taker; nation builder. A son with your father's assignment. Be faithful in another man's ministry until you have receive the impartation and the legacy until you become like your father.**

It is good for ISAAC to know this and it is good for ANS to know this too. Some situation you see you want to rise but people always have this sad thing about them when they look at Papa. Papa used to preach very strong, he is still preaching very strong. You may not feel it because you try to analyze the whole process in your head. Papa believes that the just shall live by faith. The faith will be created for us that amazing things can happen. So **don't miss out on your own assignment.**

**Don't be distracted by the rising conflicts of your brother and other people.** Sometimes the devil can use Peter and he said to Jesus, “You shall not go to the cross.” Because he wanted Jesus for himself. Because they trust that this Man can help. So we put all our hope in Him then He died. We must hold on to our faith. That is why Abraham is seen

as a friend of God in a very special way. It says that his body was dead and his wife's body was decaying, they did not have the power to conceive until the word of God came. **It is amazing that when you hold on to God's Word, at some point He has to come.**

If I tell you that we are going to have dinner tonight at 7 o'clock, you have to go back and shave and take a shower or whatever to get ready because at the time 7 o'clock comes you are ready to go. But if you say, "Never mind lah I just wait!" At that time when you want to move there are all blockages.

**There is a miracle in your obedience. Your obedience can carry you through things that nothing else can help because you cannot be bought or sold. So slay the lion and the bear and don't tell anyone about it.**

**Papa praying:-**

May God bless you this morning. **You will be significant, you will be the head and not the tail.** In the Name of Jesus **you will be the strong one and not the weaker one. None of these things that the enemy wants to fall upon people will not fall upon you.** I pray in the Name of Jesus that every sickness will be healed. Every disease will be healed. This is God's prophetic word for us. Death will die; sickness will flee; demons will flee in the Name of Jesus. Every knee must bow, every tongue must confess. **Nations after nations will fall on their knees and worship You.** Ready to get across the nations of the world the Spirit of God is moving. That new things will begin to happen. Lord, I thank

you. Give us a fresh new start in this month of March that Your church will march forward and enter into the things You have desired us to enter into.

We pray that the school will be established, the church will be established, the businesses will be established, above all our families will be established in Jesus' Name. "Not by might nor by power but by My Spirit", says the Lord. Every mountain shall be removed; every hold of the enemy be pushed back. That **You will create a desire in our hearts to meet together as a church again like before.** The new tomorrow is going back to the original. God wants to set us free from staying in this confined situation and have oppression over your mind. Be free right now, in Jesus Name. **Our children will begin to grow. The seed of the righteous will be mighty.** Though they may not have the school that is needed, we pray that God is going to watch over them, guard them, guide them, protect them. In the Name of Jesus, I long to see you again. Pray that we all can come together as soon as possible so that this Covid-19 would not continue; nobody will use it or misuse it. Now all the confusion that is taking place. We are free from confusion. We thank You that You are bringing peace to our mind, peace in our body, peace in our emotions. **A new day has begun, a new way of living has come with entrance into the Holy of holies. What a great opportunity.** Learn to love the Lord your God with all your heart, your soul and strength. Maybe in His mercy, He will open an entrance for you also.

Mom asked Papa, “Are there angels?” Papa said, “Yes! Not inside the building but outside all around.” They are already on alert on assignment because many things that needs to be done. Christians must not be oppressed under such circumstances. **Go up to the high mountain where there are nobody around, then stand up and lift your hands, supernatural things will happen.**

Papa was in Pastor Bakare’s home state. Papa went up a small hill and stood there and prophesied over the nation. Now I know why Moses was not supposed to be in the streets. But choose for yourself men, Joshua go and fight the battle and I will go up to the Spirit world. Papa prays that you find that mountain you can stand on and prophesy victory. That **when your hand is weak the one closest to you will help you. What is the use of raising people close to you and they don't fit in to help you.** Let the Spirit of revelation, understanding and wisdom be our portion in Jesus’ Name. 2021, the year to make things happen. Amen, amen, amen!
