

THE ORIGINAL CHURCH OF THE FUTURE

Let's turn to Matthew 16. This is the most amazing place where Jesus introduces the church. It is a **church without walls because He is a wall of fire around her. The church has no roof, not only is the sky without limits but it reaches the heaven and the earth. Church without roof is like living under the open heavens. Pray that our churches will be like that, with an open heaven. He supernaturally looks into our lives and takes us to the supernatural each time.** Pray that God will open our hearts.

Jesus introduces the church.

“Now when Jesus came into the district of Caesarea Philippi, He was asking His disciples, “Who do people say that the Son of Man is?””

Matthew 16:13 NASB1995

When people don't have the answer they have many answers of their own. But everything that we say must be measured by the measurement of the Son. So Christ is our perfect measurement.

“And they said, “Some say John the Baptist; and others, Elijah; but still others, Jeremiah, or one of the prophets.” He said to them, “But who do you say that I am?””

Matthew 16:14-15 NASB1995

It doesn't matter what the world decides on, what God decides for us is final. There is a miracle in our obedience so that there will be apostolic grace in this hour for us to bring nations to bow before our God.

The most amazing is this. The church doesn't believe her own goods. When the prophets in America began to prophecy concerning the President, everybody was excited. Then they said, "Well the word of God did not come to pass," and they were miserable.

Papa believes that **when God raises a man, He raises him for a purpose. If you kill that man, the purpose of God will look for another. So the purpose of God will never fail.** That is the kind of church we are living in. It is the kind of church that Jesus is building that the gates of hell cannot destroy it.

A false prophet is one who has been true before but he is not one who misses the boat. Sometimes we want them to be accountable to us immediately because they said Trump will win. Heaven and earth is God's possession. It will ultimately get His plans done. **Wherever the devil rules, God over rules.** The purpose for our land Malaysia continues. If it is not in this generation, it will be in the next. If it is not this generation, it will be another. But His will continues on.

The days ahead of us are brighter than the days behind us. The latter glory of His house is greater than the former. So in this question Jesus said, "Who do you say that I am?"

“He said to them, “But who do you say that I am?” Simon Peter answered, “You are the Christ, the Son of the living God.””

Matthew 16:15-16 NASB1995

When you flow in the Spirit of revelation, others can meet you at that frequency. You cannot be lower than that frequency if you want to hit the same note with them. The Holy Spirit taught Papa one thing that if he keeps praying in tongues, when he wakes up in the morning and he becomes stronger and edifies himself and his spirit is strong, he should now allow the Holy Spirit to intervene. What He is going to do is He is going to change your conviction and your message so that others can be supernaturally blessed.

Papa mentioned to one of the pastors in ISAAC in America, “If the Christians unite together, every five years we can put a godly man in the front!” But unfortunately, churches are always divided. When this prophesy doesn't seem to be fulfilled, the church doesn't rise to cover the prophets, they wait for them to fall. We must **learn to honour God's word.**

“Simon Peter answered, “You are the Christ, the Son of the living God.” And Jesus said to him, “Blessed are you, Simon Barjona, because flesh and blood did not reveal this to you, but My Father who is in heaven.”

Matthew 16:16-17 NASB1995

So if your spiritual dynamics in you is strong your language is clear. All that is being done in the past by the Spirit of God in Malaysia, or Indonesia, or Philippines is waiting for fulfillment; but not one generation that attacks another; but one that supports each other. **Support each other. The church is a long progressive project of the Lord Jesus Christ.**

He said, “My Father in heaven is the One who spoke to you and I say to you.” Jesus operates on the same frequency. **The Father sends out the frequency, the Spirit picks it up and He begins to speak in the same frequency, Jesus enters into the flow.**

“I also say to you that you are Peter, and upon this rock I will build My church; and the gates of Hades will not overpower it.”

Matthew 16:18 NASB1995

One of the keys to the Kingdom of God is that your spirit becomes fine tuned to the Spirit of God. Your spirit must be as sensitive as your skin. The sudden change of temperature your skin can detect, whether it is hot or cold. That is why our body can relate very well with not only the spiritual dynamics but also with the physical dynamics.

The Church of the living God. He said, “I will build My Church and the gates of hell cannot overpower it!” **There is no power stronger than the power of the Lord Jesus Christ.** The Bible says that He rose and He was exalted and

the angels worshiped Him. And His finished work on the cross of Calvary deals with everything that is negative, get it out of the way. Our sins are forgiven, bodies are healed, our bodies are set free from oppression.

He said, “Upon this rock I will build My Church.” He said upon this rock, it is a flow of revelation. It is a flow of revelation; **Father is in the revelation; Peter is in the revelation; Jesus is in the revelation; that is why when you speak in tongues you will be aligned. You will be adjusted so that you can communicate what God is saying presently in the NOW!**

Papa had been in this dimension for very long. In 1976, Holy Spirit came into Papa’s room, he was born again. Few days later, he was baptized in the Holy Spirit. Right from the beginning of days God showed him things that he was afraid to share because he thought he was seeing things and it was his imagination. **As you walk with the Holy Spirit, He tells you what the Father means and what Jesus means.** And it is to this church that He says,

“I will give you the keys of the kingdom of heaven; and whatever you bind on earth shall have been bound in heaven, and whatever you loose on earth shall have been loosed in heaven.””

Matthew 16:19 NASB1995

Why are all these promises out there? Because the circumstances we are going to live in the future is different from what it is now. In countries that have war, schools

don't continue. They study at home. Sometimes when their house is blown up, there is no place to stay. But we thank God that we have peace and the Son of Peace is in our land. **The only way the church is going to stand is that God is involved, Jesus is involved, the Holy Spirit is involved, the Christians are fully involved with Him. So if He is going to give the keys of the Kingdom of heaven, He is not going to give to the people who do not know how to operate in the frequency of heaven.**

So let Papa introduce to us, **The Original Church Of The Future. It is original, it does not follow any norms of this world, it follows the Voice of heaven and this is the church we are building.** The future of the church depends on the church of the future or else you are going to go out of business. The MCO and the rest of the other things are affecting the business' foundation and the momentum of good businesses in our land. Some of the businesses may struggle and fail while others may continue struggling but there is God's hand upon our land. **When you don't know what to do, LOOK UP! Because help does not come from abroad, it comes from above.**

Let Papa introduce the Church, that Peter, John and James would love to pastor. The church moved into every community in the next 200 years that was connected to the Roman Empire. Papa believes that **when we build the right kind of church the Holy Spirit will take the church to the next level. The church in the next level is the church of the future.**

1. There is clarity of vision, there is purpose of mission, there is wisdom for execution and passion for the priority of purpose.

The future of the church depends on this. Our vision is clear, we know when our mission ends that's where the assignment is fulfilled. **The clarity of vision so that all of us as leaders can see far and can come back and lead others who have never seen. Become a model because we live by the word and we live by the Spirit.**

So the church of the future must have clear vision. What have you been called for? **We cannot be involved in every department but we can be involved in what we have been graced in. When we walk according to the grace the assignment will be fulfilled when the mission is complete.**

Paul said in his testimony that he was not disobedient to the heavenly vision. **Heavenly vision is not going to heaven. It is not even just talking about visiting heaven and seeing what God is doing there in heaven. The church of the future has a seeing eye and a hearing ear.** And that is the purpose of mission.

Why are you here? What is your challenge? How are you going to meet the challenges ahead of us? What Papa shares with you is not only good for church but it is good for business too and even in raising your family. Because the Bible says that if a man cannot handle his family how can he handle the family of God? **Husbands are trained at home and released as profitable products inside the**

church so that the best is appearing in the house. God said to them, “Is it time to build your own houses and leave the house of God in vain?” **CHANGE THE PRIORITIES!** We are here to build His house. And **God was so desiring for them to see not only the church but the coming of the Father, Son and Holy Ghost.** Because after He mentioned about the church, He said to them,

“For the Son of Man is going to come in the glory of His Father with His angels, and WILL THEN REPAY EVERY MAN ACCORDING TO HIS DEEDS. “Truly I say to you, there are some of those who are standing here who will not taste death until they see the Son of Man coming in His kingdom.””

Matthew 16:27-28 NASB1995

The Son of Man is coming in His Father's glory. The Word became flesh and dwelled among us and saw Him the glory of the begotten Son, it now He is talking about the glory of the Father. Jesus came to express the glory; He began to reveal the Father.

“And the Word became flesh, and dwelt among us, and we saw His glory, glory as of the only begotten from the Father, full of grace and truth.”

John 1:14 NASB1995

His coming in the glory of the Father is next level all together. He said, “Truly I say to you, there are some of those who are standing here who will not taste death UNTIL they see the Son of Man coming forth in His kingdom.” The Bible says that **you will not taste death**

UNTIL you see. So there will be people standing in that moment of time, Jesus was speaking at Caesarea Philippi who heard that Jesus is going to build. And He said that those of you who are part of the building will not see death until you see the glory of the Son of Man. **He is going to come as King; He is going to come as Judge, He is going to change me to judge the world, cut off unrighteousness, raise up Nations living in righteousness.**

In *Matthew 17:1*, it says, “Then six days later...” Six thousand years later, in this millennium that we live, Jesus took Peter, James and John, the leaders of the church, lead them and took them up to a high mountain by themselves. There are some things that cannot be shown on the ground. **There are some things you can only see when you go up the high mountain that God has set aside for us. That is why you see what you need to see. So God is going to open our eyes. That is why our vision will be clear. Our wisdom to execute that will also be clear because we are working with the Builder of the House.** The Bible says, “Six days later.” Six thousand years later, **God is still making men but these men are seeing what is above.** The Bible says that He was transfigured before and His face shone like the sun and His garment became as white as light. What an amazing God we serve.

The Son of Man is going to come with the glory of the Father and with His angels. Let's see His coming. **He is not coming for the saints; He is not even coming with the saints; this is the manifestation that He will be coming forth in the saints.** So Jesus was transfigured before them

and they saw the glory of God breaking out from within and exploding across. But there are always careless people who want to clamp down and put down and capture and become unfocused. When Jesus was transfigured they became so frightened because the glory of the Lord was shining like the brightness of the noonday sun. So when He comes in His Kingdom He is coming with His power, glory and might. **So we work towards this mission. This Kingdom mandate. Touch everyone; touch every home; touch every family; touch every housing estate, every place we just have to touch because the Son of Man is coming back in His glory.**

“While he was still speaking, a bright cloud overshadowed them, and behold, a voice out of the cloud said, “This is My beloved Son, with whom I am well-pleased; listen to Him!””
Matthew 17:5 NASB1995

Try to listen to this and understand what Papa is saying. When the Father said, “This is My beloved Son, with whom I am well-pleased; listen to Him!”, He is confirming that He is God the Father. He placed the seed in the woman's womb and the Holy Spirit overshadowed her until the seed that God planted in Mary, became a Holy Seed, God planted a Holy Seed in the womb of a young virgin.

The Bible says that Jesus took on a sinless nature. He wasn't created the same way Adam was created. He was the first born Son, that's why God says that, “I am the Father!” For those of you who are confused about virgin birth, this is a supernatural act of heaven. God the Father

planted the Seed, the Seed was a Son. So the sinlessness of His nature took on the nature of Man and He could have easily overshadowed all of them. **When He was up on this mountain, everything of the glory of God came forth and the disciples were very afraid.** They fell down on their faces and cried out to God.

“When the disciples heard this, they fell face down to the ground and were terrified. And Jesus came to them and touched them and said, “Get up, and do not be afraid.” And lifting up their eyes, they saw no one except Jesus Himself alone.”

Matthew 17:6-8 NASB1995

No matter what situation and circumstances there is, our eyes must be fixed upon Jesus. All the great things can happen, we can have fun in the excitement of all that God is saying but our eyes must be focused. You see no one except Jesus and that is a great place to be where no mountains to hold you back; no valleys to stop you; there are no thorns to limit you.

Christ is in you, He will break forth in due time. In building the church you must make sure the Old Testament and the New Testament kiss each other. **All the Old Testament scriptures will be fulfilled in the New Testament. Even if they missed it, God will still continue with His purpose.** God said to Samuel, “How long are you going to cry over spilled milk?” God said very clearly to Samuel, **“I have chosen a man for Myself who will do everything in My**

heart. I have chosen him already. You go forward in the prophetic and I will show you the man.”

At the time the man was living in the palace of Saul to protect him from the evil spirit. You don't understand how powerful music is. Even the devils fear because this music was attracting God. You can see 150 Psalms and many are written by David, the little shepherd boy. Psalms 23 tells us, ‘The Lord is my Shepherd I shall not want’, the whole Psalm, is written in that atmosphere that when you read it you can feel God leading David, little by little into the supernatural dimension of God. Somehow wisdom will rise. The vision is clear, the mission is established and you understand that, and what you need is wisdom. If you have no wisdom, ask God. But Papa will show us another dimension of wisdom that surely will help. They saw no one except Jesus alone. The Bible is very clear, hope your mind is clear too.

“I was with you in weakness and in fear and in much trembling, and my message and my preaching were not in persuasive words of wisdom, but in demonstration of the Spirit and of power, so that your faith would not rest on the wisdom of men, but on the power of God. Yet we do speak wisdom among those who are mature; a wisdom, however, not of this age nor of the rulers of this age, who are passing away; but we speak God’s wisdom in a mystery, the hidden wisdom which God predestined before the ages to our glory; the wisdom which none of the rulers of this age has understood; for if they had understood it they would not have crucified the Lord of glory; but just as it is written,

“THINGS WHICH EYE HAS NOT SEEN AND EAR HAS NOT HEARD, AND which HAVE NOT ENTERED THE HEART OF MAN, ALL THAT GOD HAS PREPARED FOR THOSE WHO LOVE HIM.””

1 Corinthians 2:3-9 NASB1995

Do we need to know what God has sent?

“For to us God revealed them through the Spirit; for the Spirit searches all things, even the depths of God.”

1 Corinthians 2:10 NASB1995

If we walk by revelation, understanding and wisdom we become part of a different group of people. We are elevated from the powers of hell and we are seated far above all principalities and power.

How do we mature the church without the Spirit of Wisdom? Wisdom is confined to some things. It is not an encyclopedia, it is more than that; it is not a dictionary, it is more than that; it is not articulation of persuasive words but this wisdom is the dimension of God. Whenever it comes to connecting generations together, to connect A and B together you need wisdom.

Revelation is what is unfolded to you; Understanding is what is given to your mind; Wisdom is the dimension of the Spirit to help you build something solid enough for God to inhabit. Your faith must rest on the wisdom of God. We speak wisdom among those who mature. So this wisdom can help people mature. This wisdom is on the power of God. We speak this wisdom! The wisdom is not of

this age, the age of sin. Even though the age of sin is beginning to come to an end, if they would have known this wisdom, then they would not have crucified the Son of God. **Wisdom is the signature anointing. The signature anointing is the master key to our understanding and how clear we can see depends on the wisdom God put in our hearts.** But this wisdom looks like a mystery.

How do you enter in? Oh, what Papa preach, I cannot understand. **The reason why you cannot understand is because revelation is lacking.** Because Jesus said, “Simon Barjona, your answer to reveals to Me that God, My Father has spoken to you.” When people leave and say they don't understand, Papa takes this very personally because this is the most dangerous thing that they have ever done in their life. The reason being when God gives us the Word of the Kingdom, Papa is not saying about the preaching of pastors and leaders and so on and so forth, we are talking a little bit higher than that.

People are inconsistent but the Holy Spirit is consistent to not only scripture but momentum. If He is going to move you must be ready. So God gave them fifty days from the day of Passover to the day of Pentecost, forty days He spent with them and ten days He was up in the heavens. Then on the fiftieth day the Father exalted the Son. On the fiftieth day when the Holy Spirit came down it was Pentecost. Something was happening in the heavens. Whether it was synchronized time, Papa doesn't know. All that Papa knows was that whatever happened in the heaven came down into the church.

So the Holy Spirit came down and that was the beginning of the Throne room and the upper room and then we go to the class room and then to the open fields to finish what God has called us to do. **The wisdom matures the people. So if we know this kind of wisdom, we know how to mature our church.** In fact, it is safe to be in a place where God is speaking. **If anything happens to you and you fall out of the race somebody can pick you up and you can restore yourself by the restoration of revelation. Wisdom is the signature anointing of those who are serving God. Finally revelation meets understanding, all the mystery is gone. You can see how to build.**

The reason why we don't overdo for these people because sometimes too much is given there is very few appreciation for what is so commonly given. Papa wants to challenge us, "EYES HAVE NOT SEEN AND EARS HAVE NOT HEARD," are you in that place? **Are you in that place where your eye wants to see? If you are desperate enough to see you will see the miracles. If you are desperate enough you can see heavens open.** People are excited about experience, "I saw angels; I saw two standing behind Papa." One young man told Papa that the two angels standing by his side merged to become one standing behind Papa. Papa wished he knew but he understands. Papa wished he saw. He saw other angels but not two merging to become one. Experiences are good. Do your eyes want to see? Do your ears want to hear? Some of us want to hear other things. Bad news as we hear from the 'medianites'.

Ear has not heard, neither has it enter into your heart before. To us, God reveals them to us! **The church of the future is so connected to heaven; Spirit of Revelation, Understanding and Wisdom becomes part of the traffic flow. In fact, this is the highway of all things to come. The Spirit of Revelation; the Spirit of Understanding; the Spirit of Wisdom; these three combine together, your eyes will see, your ears will hear, your heart will be ready to receive heaven's instructions, then you can rise. But to us God reveals them through the Spirit. The Spirit searches all things even the deep things of God. Can you imagine that things in the heart of God can be revealed to you? So the church of the future must depend upon this.**

Vision, Mission, Execution, Priorities, that simply means that when you have priorities you have all the jobs laid down, one two, three, four, five, six. There are no two same number for the different jobs.

“which things we also speak, not in words taught by human wisdom, but in those taught by the Spirit, combining spiritual thoughts with spiritual words.”

1 Corinthians 2:13 NASB1995

Wisdom, Understanding and Revelation, they have a special way how they manifest in our midst. And how we opened our mouth to declare and proclaimed. Things we also speak - how is our conversation? How is the delivery of the word? Jesus explains to us through the Holy Spirit, He says, “...in words not taught by human wisdom, but taught by the Holy Spirit, combining spiritual thoughts

and putting them in spiritual words.” That simply means that **the dimensions of revelation, understanding and wisdom can be translated to your spirit. We combine thoughts and words, and it becomes language, sermon, not resting on the wisdom of men but on the power of God.** Papa's message, Papa's preaching are not in persuasive words of wisdom but demonstration of the Spirit with power. We need these things more than we believe.

Remember the vision that Papa shared with you about a huge building that continually reminds us of the dimensions of God in our house. There were three floors up and four floors down at the bottom, so there were seven floors all together. God showed Papa that dimensions we laid through the skills of those who were labouring. It was the four storeys that sustain the three other storeys. The four storeys is like a heavy motor that drives the machinery of the three floors. God spoke to Papa that **there are dimensions of the Spirit that is birth in ANS and in ISAAC churches by the Spirit so that you can be ready for a great manifestation of the Holy Ghost.**

We need to combine spiritual thoughts and put them in spiritual words. Thoughts are something that is in the imagination. It is in the spirit world. But to take what is in the spirit world and put it into language. It like translating for what is super divine and what is natural. **When the natural becomes fine tuned with the Holy Spirit, our spirit will be connecting with heaven.** That is why Papa believes that **heaven and earth will kiss each other. Zion and the**

church unusual will become merged with one another. Zion is on the other side; Church is on this side. Everything that Zion moves in and becomes established in the local church, or the governing church, we call the global church, then amazing things will happened.

That is the city of the living God. So from heaven to earth we are building a habitation for God to come down and slide into the city of Muar and remaining in the right address. This is going to be important for us.

Vision, Mission, Execution, Priority of Purpose. When you have these dimensions in you and they are flowing freely, the church can be built very quickly. People who are touched by that will mature. While we speak wisdom to this people they mature. But demons cannot have access to this word. If we want to live beyond the devil's control and oppression, sit with Jesus and rule and reign. In prayer, in fasting, cry out to God, shout to God, clap your hands, roar like a lion, prophecy, **all these dimensions that are going forth from the church, Zion and church to merge together. And that merging cannot come about if you are not spiritual and become part of the church that will go into oblivious.** At the end of the day you have a great church but it will all be gone. At least denominations are recycling the old, but if you don't have the Spirit of Revelation, Understanding and Wisdom you would just be lost. Papa prays daily in this chapter, only sixteen verses of scripture but tells you how to **raise up the next generation so that what was predestined to our glory will manifest.**

That is why **the flow of life is in the flow of the river. It flows from heaven, down to the house, from the house to the streets. From the Throne to the upper room, from the upper room to the streets. If it is flowing very quickly and very fast, you will already have the church of the future. The church of the future is not counted by numbers.** We don't need numbers we can rely upon. No point in having two thousand people in the church while only twenty who are strong enough to go into battle. We are being so dependent on what is taking place.

Papa prays that from this day henceforth, in Jesus' Name, that **we will receive the Spirit of Revelation, the Spirit of Understanding, Spirit of Wisdom. We got to combine these together so that the flow will be accurate and right.** Papa needs to clear this pathway first. In the conversation, Jesus introduced the church. The Father, Peter, Jesus, all in He same frequency. The Holy Spirit brought an equalization so that Peter could understand what He is talking about. The important thing is that he saw Jesus as the Christ, the Son of the Living God. It was to testify of His own birth, the virgin birth.

Before anything of ministry is expressed concerning Jesus, the Father expressed the most important and vital thing that Jesus and the people around needed to know that He was born of the Father. He is a Son. Upon this rock, I will build My church. Not on sand but on the rock. Not by the flesh but by the Spirit.

The Father said, “This is My Beloved Son in Whom I am well pleased!” He is testifying of the virgin birth and approved it and said that He is the Father. The Seed is the Son. The Holy Spirit is overshadowing the woman and she is receiving that life of God into her body. That’s why Jesus said, “Lo, I have come to do Your will. A body I have set aside for You.”

If you can get the man right, you can get the message right; if you can get the man right, then things will be ok. For any nation; for any situation we need a good man, a great man. The Bible describes Melchizedek, see how great this Man was that Abraham would tithe to Him without having being taught by anybody on the earth. He received direct lessons through the Holy Spirit. He talked to Jesus, he knew that Jesus was greater than anyone else and he met His God, the God of Abraham, Isaac and Jacob.

Papa believes that **there is going to be a coming together of the Spirit of God on the church. Vision, Mission, Execution, the Priority of Purpose. All these dynamics must be like a river for boats and ships to go through. When you reach Zion you cannot use oars, you cannot use motor engines. As you reach Zion your ships will be carried by the wind of the Holy Ghost.**

Papa prays that there will be more and more who will love the word of God and the Spirit of God. You cannot have a love for the Spirit and don't like the Word. The further you want to go in the Spirit, your Word doctrine must be clear and right. Because in the last days this will be the

challenge, “Did God say?” If God says, then it is final. If it does not come to pass in my lifetime, it will come to pass in my children’s lifetime. **Not every prophecy is given with a dead end. God keeps it open. If somebody is going to run after it he will receive his portion.**

Papa remembers prophesying to one of the generals in the Philippines that he will become the president of his country. He held the prophecy in his heart but was afraid to make any decision so he did not sign up for the election. Afterwards, he lament and mourned, nothing has changed. God has spoken about you and you don't put yourself in there, what God started to plan cannot be done in you so God raises another man to do the same thing he told you because God is not a respecter of anybody.

When the flow of revelation between God and you is complete and communication is clear, and what God says you can understand; what the Holy Spirit reveals to you, you can perceive and understand, then you are called mature. Your wisdom will rest upon the power of God. You see the demonstration of the Holy Spirit. You see your message will change; your preaching will change. The condition of your life will also change, no more weakness. In fear and much trembling, you are standing firm. You are determined to know only one thing among you except Jesus and Him crucified.

How are you connected together? Can you hear the voice of God? Can you see the visions of heaven? Does God speak to you? We preached Jesus Christ crucified to the Jews a

stumbling block, to Gentiles foolishness. But those who are the core, whether Jews or Greek, Christ is the power of God and the wisdom of God. Because the foolishness of God is wiser than men and the weakness of God is stronger than men. But by His doing you are in Christ, Who became the wisdom of God, righteousness and sanctification. We are to boast in the Lord.

Papa wants to lay this clear principle that heaven and earth are connected just like church and heaven are connected. Now, you were a society before. **You go to church and become part of the Kingdom. So you are a Kingdom community and something happens. From the community you go into the church; from the church you progress on to Zion; and from Zion you can begin to receive the pattern of heaven and you can build it in Zion so that heaven comes down on earth.**

We should have a heavenly church. Why do you want angels to visit? Why can't they stay? Because what we have is not good enough. It is not clear enough. Your place and the Holy Spirit's place must be clear. Identify for yourselves. The Holy Spirit is always first. His Word is always first; Time for God is always first; Out of my salary, tithe is always first; The first One you want to greet in the morning is not just your wife but the Holy Spirit who lives in you. And when the connection of heaven and earth is so close every kind of thing will happen. That is why you must not jam the frequency or let anybody jam the frequency or the governments of the earth jam our frequency touching heaven, reaching heaven, hearing from heaven.

The Father was speaking to Peter, Peter was speaking to Jesus, Jesus was speaking to him, then when they reached Mount Transfiguration God said, “This is My Beloved Son in Whom I am well pleased, **LISTEN TO HIM!**” **The sons of God will carry a fresh message.** Papa believes that God has given him grace, special grace to help your eyes to be opened. Your spirit will flow like a river in a powerful way. It will put you one step ahead of the enemy. He can help us and protect us and empower us.

“who was declared the Son of God with power by the resurrection from the dead, according to the Spirit of holiness, Jesus Christ our Lord, through whom we have received grace and apostleship to bring about the obedience of faith among all the Gentiles for His name’s sake,”

Romans 1:4-5 NASB1995

It is always in **the power of clean lives.** There is miracle in your obedience. **If you start to obey and live right you will receive grace and apostleship to bring about obedience among the Gentiles.** It means you go and change nations, change lives, change the atmosphere. Paul said that, “I long to see you so that I may impart some spiritual gifts to you that you already have.”

Papa prays everyday that All Nations Sanctuary and the ISAAC churches across the nations will be blessed by God's word so that we will turn around to Him. **This is the critical hour that the Father, Son, and Holy Spirit wants to make**

sure that He is down and the church is up and God's people are moving forward. When you come again or when Papa comes to you, he will continue from the church of the future. **The Future Of The Church is in The Church Of The Future. All kinds of things will happen but the church will rise like a roaring lion. The wind will blow with grace and severity to bring judgment across the face of the earth.**

This is what Papa received. **He will take away the first in order to establish the second because the old has become obsolete. A new covenant will He make with us.** Papa believes that this year of happenings Jesus is going to make more things happen. **He is going to teach you the extraordinary way so that you can move by the power of the Holy Spirit. You have the ability to police the heavens. You have the ability to shut down the gates of hell.** So this is going to be fun.

Let the spiritual flow be clear and correct. “Not by might, nor by power, but by My Spirit”, says the Lord. His Spirit is here, let's give our hearts to Him afresh.

Papa is praying:-

“Lord we thank You right now that **the power of the Holy Spirit is upon our lives so that we can hear the sound of the voice of God. That our spirit can bear witness continually that the Spirit of God is leading us and guiding us to become sons first of all and then to serve You with all our hearts, soul and strength.** Lord, we love you this

morning, let the power of Your Spirit flow, let Him flow right now. Everyone You touch to be healed, to be delivered, to be set free. Everything they have been looking for, let them have it right now. So that **Your vision and mission and Your execution will be complete by Your people.** Pray that every family will not suffer because of the ill decisions that the governments make and people make, and that our people may not be trapped by the booby traps of the enemy but **we will walk in the pathway of holiness and everyone of us shall appear before God in Zion. None will abort the journey.** Seal the minds of those in All Nations Sanctuary. Seal the minds of the people that are connected from across the world so that they know what to do in this hour. **Not to be a contemporary church but to be a spiritual dynamic because God is going to use His church as His final tactical headquarters to push the nations of the world to bow before Himself.** So we welcome the Holy Spirit. Come and do Your work. Finish the work within us so that we can go to the next level. In Jesus' Name, all our children to be blessed, though they are not allowed to come into the building, our children are blessed, our senior citizens are blessed, and those who have the opportunity to hear the voice of God are bless, in Jesus' Name.

Let your friends know, anywhere, everywhere that **the second coming of the Lord is nearer than we think.** We are one day closer to meeting the Lord in the air. Thank You Lord, in Jesus' Name, Amen.
