

## LIFE IN THE SPIRIT

Moments like this are important times. We are living in the day that everything you hear you have to test it and try it. Any sales, any promises, you cannot take it at face value because there are so many lies hidden in what is said. That is why Papa prays that the Spirit of Truth will become your guide. The Bible says that Truth will set us free. Just like the Son has set us free, the Holy Spirit will set us free. He sends an anointing upon our lives to break every yoke, break every chain. Once that is proven, you know His leadership works. That is why He does all these work for you. **Before you pray He answers. That is the God that we serve.**

When the Holy Spirit comes upon you, you receive power from on high. When Jesus was exalted at the right hand of God, God gave Him His place, He gave Him a Throne. So **He is not just a crucified Saviour, He is Lord of all the earth.** Interestingly when you go and study the subject on death, every time Jesus mentions it, He mentions about His death; when He talks about you He speaks about life. This is what amazes Papa because **He is Lord over death.** He has the keys of life and death in His hands.

When He was exalted, so many things had happened. When Jesus was exalted, He received a Name higher than any other Name. When He sat at the right hand of the Father, He received the Promise of the Father, the Holy Spirit. His blood was shed on the mercy seat in heaven. So **you are more than well equipped to finish the assignment on earth.** You don't have to worry about your name. We

have His Name! He was born with a Name, He was given a Name, He achieved a Name, and His Name is higher than any other Name and He gave His Name to the church by becoming the head of the church so that His fullness can fill our lives. So He received a Name and He gave you that Name that when you believe in that Name, signs and wonders will happen in your life.

Somebody said to Papa, “How can it be so easy?” He said, **“I will build My church.” And if you want to be part of the church I am building you must hear My Father speaking. You must speak My Father's language.”** It is important for you to remember that. **It's the frequency that connects people together. If the heart is not there, there is no frequency. God sets the frequency in your heart.** He gave you a Name and that Name was given to the church to use our Name.

If you are dignitaries and so on you don't want anybody to use your name because they will do a lot of things in your name. And Jesus said, “I do not know you!” Because you are running your own agenda. He gave the Name so that they can use the Name, so that in His Name, these signs will accompany those who believe. Do you believe that you and God can make the difference? He said, “These signs will accompany those who have believed: in My name they will cast out demons”. He didn't say in your name.

**“These signs will accompany those who have believed: in My name they will cast out demons, they will speak with new tongues; they will pick up serpents, and if they drink any**

**deadly poison, it will not hurt them; they will lay hands on the sick, and they will recover.””**

**Mark 16:17-18 NASB1995**

The Holy Spirit is teaching Papa; These things are new to him. He said, “**You pray in the Spirit until you feel something change on the inside. And when the final breakthrough comes from the inside of your heart I will give you things in the heavenly that no one can have access to.”**

You will be very surprised that **the Holy Spirit will download to you a new frequency of tongues.** When the Holy Spirit came upon them in the book of Acts 2, **they were all gathered together with one heart, one mind, one soul to finish this assignment.** As they were praying and worshipping the Holy Spirit came and filled the whole house and changed the atmosphere so that you can breathe the breath of God. If you go to places like Beijing, Shanghai and so on, the weather looks cloudy all the time. The air is not fresh. **When the Holy Spirit comes upon us He has the capacity to do exactly what He did before He touched you.** The problem is many of us bring the activity of the Holy Spirit down to when we want, how we want. We don't want the Holy Spirit to become our captive. A captive is a person who is held against His will, a prisoner is serving a sentence. Even if you are serving a sentence God can pardon because He is the King of kings and Lord of Lords.

The Holy Spirit said to Papa, “**Pray in tongues. Pray until there is an energy on the inside. Pray until you can feel the thing imploding on the inside of your life because He was given for you to have power. He was not just given for you to just have tongues.**” The Holy Spirit said, “I want you to keep praying until you can feel a change of language and utterance. They will speak with new tongues. **If you believe in His Name you will speak with new tongues, tongues of angels, tongues that produce language.**” One lady was called to speak to somebody in Japan and she knew nothing about Japanese. She said: “Holy Spirit, You are the Master of all language.” The moment she arrived at the airport, her language changed. For six weeks she was speaking pure Japanese. The moment she stepped on the plane to go back to America, she started to speak in English again. It is very essential to know that when you believe in His Name, you will speak and cast out demons. You can speak to God. You have received a new language.

If you are not married, there is one simple way of getting a husband or a wife. In your unmarried years you have live to your fullness for Christ, then you can measure your relationship because the external face can change. What is important is that you begin to **let the Spirit of utterance start to be formed in you as you begin to speak, the whole atmosphere will changed.** That is why go into the nations and change atmospheres. Sometimes we got to fight the spirit world because it looks like the people of God are not responding at all but you preach, you preach, you preach until the power of God begins to cleanse the atmosphere

and people who live under that atmosphere will be changed. This is how God does the work in Heaven.

He said, “We are the church of the firstborn.” That means we are the church of Christ. **He is our life, our source of everything. So you can see as God begins to build the foundation. He filled the whole house and He filled each one of them.** You cannot miss your turn because God is pursuing us. He is after us. **You know the devil is after you to come to steal and destroy, but God is also pursuing you. He wants you to be saved, healed, delivered, set free and become the answer for the next generation.** So you **believe in His Name, these signs will accompany you. Not you run after the signs.** I want to bring healing, bring healing, bring healing. BRING THE HEALER!

When He comes all things will be finished. So you if believe in His Name you shall pick up serpents and if they drink any poison, it will not hurt them; and if they are sick they will recover. God want you to believe in His Name. He inherited a Name from the Father. The most amazing is that the Father gave Him the same Name. “The Lord said to My Lord...” God the Father spoke to the Son, “Sit at My right hand until I make Your enemy a footstool at Your feet.” So the Father brought Himself to the same level as the Son because all of them are on the same level. The Father's Name was called “the Lord says to my Lord”, David is saying Jesus and God the Father giving Him the same Name. Then it says to let the house of Israel know for certain that He has made Jesus both Lord and Christ. He

reintroduces Jesus to the Jews. Let all the house of Israel know. So God is the One promoting His Son.

**He gave that Name so that you can walk on the supernatural plane. Not be bound by worries, fear, anxieties.** The worst that can happen to you is that you die. But even death cannot hold us. He didn't want us to live in fear so He put His Word there. Why? Because **His Word is the Word of healing. He sent forth His Word and He healed them.** He said, "Lord Jesus, you don't have to come into my house. Only say the word!" Do you know that the Word can follow? **The Word is a directed Word.** It is not like our word. We say one thing and then say, "I didn't say that." You will make a good politician but not a good Christian.

The Bible is very clear that **He will give us language to connect with heaven.** The Holy Spirit said to Papa to keep praying and praying and He will show him when it changes. Do you know that **the capacity of your spirit can fill the whole city. You can have a spirit that is so strong. A man who can control his spirit and live in the dimensions of the Spirit is stronger than an army who takes a city. That is why we are privileged to receive the baptism of the Holy Spirit.** Not only did He gave us His Name, He gave us the Holy Spirit. Holy Spirit opens up the gifts. Holy Spirit bear witness with your spirit that you are sons of God. And the Holy Spirit reveals to you what God has put inside. The Bible says, "Eyes have not seen; ears have not heard; neither has it enter into the heart of men all that God has done for us and planning to do." **Before the need arises He**

**provides the answer. Before demonic spirits attack you He gave you His Spirit.** Not only when we are born again but when we have the Spirit of Christ within us. And then **God blesses us with the Holy Spirit. So our spirit is like the Spirit of the Son of God** and the Holy Spirit is resting upon that and your spirit is in a special place within your own spirit. **The Holy Spirit, the Spirit of Jesus and your spirit gets to work together. When the internal dynamics is in order God will cause all things to work together for good.** Papa wants us to know that **we are working with the Holy Spirit.**

*“For all who are being led by the Spirit of God, these are sons of God. For you have not received a spirit of slavery leading to fear again, but you have received a spirit of adoption as sons by which we cry out, “Abba! Father!””*

*Romans 8:14-15 NASB1995*

So the Holy Spirit leads us. He is our leader. Only one spirit can dwell in your body. Demons also look for human bodies because they have a rotting spirit body, they are not clean. Like people who really have disease, like those who are leprous. **God can touch our lives so powerfully that we can reverse things back.**

*“However, you are not in the flesh but in the Spirit, if indeed the Spirit of God dwells in you. But if anyone does not have the Spirit of Christ, he does not belong to Him. If Christ is in you, though the body is dead because of sin, yet the spirit is alive because of righteousness.”*

*Romans 8:9-10 NASB1995*

When you receive Jesus into your heart your spirit becomes recreated from a sin nature spirit to a sinless nature of Christ. So when God looks at you He sees Christ in you because your spirit is recreated in the same order. One day Papa wants to talk to you about the resurrection body. After that all of you want to go to heaven soon. Remember, Jesus received this sinless body, God planted the seed. That is why everywhere He went God manifested Himself as the Father. “This is My Beloved Son in Whom I AM well pleased.” More than all the works that Jesus did, He is a Son. And that Son of His is well pleasing in His sight. So if that same Spirit of Christ is in you, you are not in the flesh, you are in the Spirit.

If you have some vouchers to spend, you spend it well. Actually it is your own money coming back to you. In business if my money goes into your account and your money comes into my account is called transaction. The Holy Spirit is going to do a fresh new thing.

**Something is going to happen in April, something is going to happen in September. The wind of the Holy Spirit is coming to carry you above all your needs.** Please remember that you will be rudely shocked and you will be embarrassed because it happened supernaturally in your life. It is God's own doing because He wants to get you ready for April as well as September. Papa doesn't fully know what will happen in September but he gives you what he knows is happening in April. One of the things that God does is that He does not lie. We are His children and

we don't lie too. **The Spirit of God is the One leading us.** The Spirit of God is alive and is going towards God. Your spirit, if Christ is in you though your body is dead because of sin yet your spirit is alive because of righteousness. So after you are born again, your spirit takes the word, receives impartation, understanding. So you begin to grow as a person from the inside out not from the outside and in. God works within us so deep that our lives ahead of us in the future of us is all clean and supernaturally funded, supernaturally ministered to, angels will be there. In fact, so much more of heaven opens up because your spirit is alive.

For twenty years some of you have been sitting in this building. You have been with Papa for twenty over years, some thirty years. In all the time, something has been happening. **The grace of God in the house has become sharper, stronger, more empowering.** Our worship has become better, our prayer is getting stronger. It didn't just happened, God planned it. That is why it is foolish to think that you can go out there and you are making money it is all by your good hands and your luck. The sin that the Holy Spirit comes to convict you of is that you don't believe in Jesus. **If you work anything apart from Him it's called sin.** That is what you are judged for. **You have Christ, you have Holy Spirit, you have pastors, you have leaders around you but you don't allow them to enter into your life so the Holy Spirit cannot continue His work as deeply as He wants to.** You eat a hurried meal and keep moving. But God, the Holy Spirit, when He comes into your life:

**“But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ Jesus from the dead will also give life to your mortal bodies through His Spirit who dwells in you.”**

**Romans 8:11 NASB1995**

Papa wants to start with your spirit being alive. Everyone born again also knows that one day we will die. That one day don't has to come and you don't have to die. That is the good news. You don't need to die. Your mortal body can be quicken with strength. That is why healing works, prayer works; worship, bringing down His Presence works. **So you are no longer in the flesh but in the Spirit and you can start communicating with God at a higher level. You can see that your life can be totally changed and you are not dependent on earthly things to rise. Arise, shine your light has come and the glory of God will be risen too. So this partnership with the Holy Spirit is very, very powerful.**

**“for if you are living according to the flesh, you must die; but if by the Spirit you are putting to death the deeds of the body, you will live.”**

**Romans 8:13 NASB1995**

How can the devil stop you now? It's too late, it is like a 40 ton truck that is going on the highway. You don't stand in the centre of the road and flag it down. You don't have the strength. You cannot do task like this but when the Holy Spirit comes into you, your spirit is alive and leaps for joy. If we keep doing things like these we are creating a new

world for ourselves. Oh, I don't like to work, don't like to go to school. Your whole life can be changed. **You can come completely to a place of rest and enter into what God has planned for you, rather than plan this, plan that and fail. Then plan B, plan C, then plan A - Z.** Let the Holy Spirit give life to your mortal body. It means this body, not the one you receive after you die. If we die in this body it is placed in the grave and your spirit and soul goes to heaven. It won't roam around like Chinese ghosts. **You must be free in your own heart.**

*“so that the requirement of the Law might be fulfilled in us, who do not walk according to the flesh but according to the Spirit. For those who are according to the flesh set their minds on the things of the flesh, but those who are according to the Spirit, the things of the Spirit. For the mind set on the flesh is death, but the mind set on the Spirit is life and peace, because the mind set on the flesh is hostile toward God; for it does not subject itself to the law of God, for it is not even able to do so, and those who are in the flesh cannot please God.”*

Romans 8:4-8 NASB1995

The carnal mind cannot set itself on the Spirit. The Holy Spirit is moving continually. But in the midst of that moving He doesn't lose track of what He is speaking to us. What He spoke to us yesterday is the foundation for what He is going to speak today. What He is going to speak today is going to be the foundation for what He is going to speak tomorrow. The leading of the Holy Spirit is not once in a while. The human problem is that we always

**want the Holy Spirit to do what we set in our own world. He wants to come and fill your world and spread you across.** His leadership is not only on Wednesday, not only on Sunday. But **if you live by the life of the Spirit, you put to death the deeds of the body you will live.** So one thing we know is that our body can be reversed. Don't let people frightened you because the One who lives inside you is greater than the one who lives outside and you have the Spirit of Christ, you have the Holy Spirit.

**The church of the future needs to understand the new creation realities.** We are born into the kingdom. We can see the Kingdom, we can enter the Kingdom; we can be cleansed in the Kingdom; not only become cleansed but able to go forward and inherit the Kingdom. **After we enter we are cleansed; after we are cleansed we are qualified; after we are qualified we inherit; once we inherit, we are going forward in advancement. Advance in the power of the Kingdom; and then expend; and then extend.** If you put all the scriptures together you can see. How powerful it is when you are born again, your eyes can be opened. If you are truly born again you will know that you are called to receive a kingdom.

Our Father Who art in heaven, hallowed be Your Name. Your Kingdom come, Your will be done on earth as it is in heaven. So **God wants you to understand, that relationship with the Holy Spirit is what is going to carry us through.**

The Bible says that the earth was void and darkness had covered the whole earth. Darkness will never ask you

because you are sons of light. The sons of darkness work with the prince of darkness but **the Holy Spirit is on our side so He will quicken your mortal body, quicken your spirit that is alive and before long the deeds that are producing death will be cut down little by little in life.**

Please remember that when you are healthy you don't think about the food you eat. Only when you are sick, this cannot eat, that you cannot. That is why when God made man one of the first commandment He made was, "Don't eat from that tree!" Better watch what you are eating because life and death can be controlled by diet. God can set us free! Papa wants God to set you free because life is not that bad. It will be a rollercoaster for you if you don't know Jesus. **If you know the Holy Spirit, you have an advantage. You have not receive a spirit of slavery leading to fear again which means that there is a passage way in our life that the spirit of slavery can take us back to corruption.**

The Spirit of adoption by which we cry 'Abba' Father. **Not only is the Holy Spirit sent to give you tongues and language of tongues, He wants to be occupied with your whole body; He wants to be occupied with your mind; He wants to be occupied in your prayers; every aspect of your lives.** When the Holy Spirit says, "Come Lord Jesus," the Bride came fully connected to the Holy Spirit.

And the Bible says that **we inherit what Jesus inherited.** The Spirit Himself testifies with our spirit that we are children of God, and if children, heirs also, heirs of God and

fellow heirs with Christ. **In all that God did for His Son at the exaltation, He planned to do it for you the same. How can you be children and not drink from the same fountain?**

God is not only moving in Muar, He is moving simultaneously all across the world. **What He is doing now in the Kingdom is to remove stumbling blocks, then the righteous will rise. Our eyes have only seen wickedness. We only see the bad things but the good things are going to be produced through us so that Jesus went about doing good, we are going to change our world.** You have to be steady in your spirit. Allow the Holy Spirit to give you the grace. So that everything that God has programmed and planned together. In fact, by the time you go to Romans 8:39, it covers everything.

*“For I am convinced that neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor any other created thing, will be able to separate us from the love of God, which is in Christ Jesus our Lord.”*

*Romans 8:38-39 NASB1995*

It is a complete package!

*“Therefore there is now no condemnation for those who are in Christ Jesus.”*

*Romans 8:1 NASB1995*

**From condemnation to glorification.** The whole gospel is in there. **Jesus laid the foundation, the Holy Spirit does the**

**working, the Father does the filling.** That's why when you don't know you don't become a strong believer. You don't know how to become a disciple because a lot of things the Holy Spirit will work into your heart, into your life. This is God in action. The book of Romans 8 is so powerful that it tells you **what the law cannot do God did. What was impossible God made it possible.** If your mortal body is getting weaker the Holy Spirit can inspire your mortal body to become alive. That is why you don't have to be sick and if you are sick you don't have to continue to live like that. But there is a lot of hard work to do if you have brought your body low, you have to rebuild it.

**If you feel fear is coming, something is leading you to fear.** It is called a spirit of slavery leading you back to fear. Leading you backwards is not leadership. Leadership is to influence people to go forward. The Bible explains why are you fearing this. Something led you to fear fear. The Spirit of adoption that comes upon our lives cries, "We cry 'Abba' Father." The Spirit of adoption does the connecting, the spirit of slavery does the disconnecting.

The Holy Spirit said to Papa that if he **keep speaking in tongues again and again he will receive new utterance.** When you speak forth the utterance you will fine tune others to the frequency you carry. That's why **if you are a leader you have an advantage so that you can work in the Spirit with your cell group.** Papa knows that we have been doing cell groups but we are coming out of our cells. It is now called 'life groups'. Because you keep saying cell, everybody is stuck in the prison. He said, "I will give you

utterance. You keep speaking you will fine tune other peoples' spirit and fine tune your spirit and you will impact the lives of others. You can be very successful with the Holy Spirit working with you. You will know how to bring your prayer to completion (in verse 26 & 27), and God will move on our behalf.

*“And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose.”*

*Romans 8:28 NASB1995*

Do you love God? Do you love God? Do you love God? Papa asked you three times just like Jesus did to Peter. He said, “Feed My lamb! Feed My people.” When God created man, He told man not to eat. You can only eat according to the directions given. If somebody is going to come and control your appetite and keep you sharp and aggressive for the Kingdom of God, it means you have to open it up. **You must let the Holy Spirit dwell within your heart until you are in the Spirit.**

God deals with every aspect. Everything that happens in your mind, He is interested to change that. Everything that happens in your body, whatever happens between you and Him, all that is found in chapter 8. It tells you that **the love connection and relationship is so strong and that no depth, no height, no created things, nothing can be able to separate us from the love of God. God loves us, we have to learn to love others, like Jesus does in me.** So relationships are dealt with.

**“For I am convinced that neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor any other created thing, will be able to separate us from the love of God, which is in Christ Jesus our Lord.”**

**Romans 8:38-39 NASB1995**

This is the new creation gospel. This is what puts us in an accurate path for victory. God wants us to see this dimension in the original church of the future.

Papa can tell you why you can be healed; why you can be successful and he will tell you how. **By just by working with the Holy Spirit it takes us into a place of stature.** Of you try to eat the medicine and the supplements, you try to correct the imbalance inside your body. You go and see a Chinese physician; they talk a language that is different. They don't talk about the medication, they talked about that the circulation in your body is not right. The way you drink water is wrong, you just gulp it down. They are people of the world they have their own cycle or set pattern. How the wind blows in your building; at which point are you sleeping; towards the north, towards the east, towards the west, which part of your room? All these have some real necessity for us to understand that. If you don't understand and have not been to medical school, Romans 8 is your guide.

“Therefore there is now no condemnation for those who are in Christ Jesus.” **In Christ Jesus you are in a different**

**order.** There are those who struggle continually. Like they say, “The things I want to do I cannot do and the things I don't want to do that is the very the very thing I do. There is a waging war inside my body.” You can stop the war and bring your troops back.

**Struggle to pray; struggling to worship; cannot feel His Presence; all these things are going to be corrected.** The possibility of life, God will put faith into your heart. “I come to give you life and life more abundantly.” This is how everyone in the church that when they live this way and they put to death the deeds of the body, they will live.

Those of you who have been with Papa for the restructuring of ANS to ACTS, the continuation of the Church that was born two thousand years ago. Two thousand years have passed. We only have different types of models that don't work. They don't change the world; they don't transform society. **The move of God that happens in our church will have to move out of our walls into the city.**

**So we need people who are working with the Holy Spirit. Those who are living examples of being in the Spirit.** The Bible says that you can set your mind on the things if the Spirit. You can release the Spirit to change your mind. Because the mind has a spirit of its own, has plans of its own. That is why believe the Lord, that is your heart. Do not rely on your own understanding, that is your mind. God will give us special grace this week.

**God desires you to live in the higher plane.** It is no glory to God and to Papa if all the efforts given to you, you just keep failing. **We got to hold one another together.** Because Papa sees the Lord like bees gather honey, deposit there in the hive. **The abundant life is in building with your brothers and sisters.** We are going to synergize together for the future. One rise, all will rise. That is why it is important for us to synchronize together and synergize together so that we are a family pushing towards our inheritance. It is like a bee farm. The owner of the bee farm can go and collect the honey. They won't kill him. If he takes the right precautions the bees will just be bees. Whatever they bring home, you can take it and sell it. Just like the widow who came to the prophet and say that, "My two sons are going to be taken captives because my husband owes a lot of money."

**God is going to show us how to move from one level to the next. The prophetic voice is going to become so clear so that the financial state of our church, our lives, our friends and brothers and sisters across the world will change overnight.**

**Break the spirit of poverty right now, every spirit of limitations. That the church here will have the necessary resources to fund the nations of the world. Not only just when they are in trouble. We are sending them resources so that they can do an effective work across the nations of the world.**

The prophet says, “What do you have in the house?” The miracle is going to happen. Resources are going to multiply quickly, but not for you to just run around, buying houses and selling houses and go crazy on that. He wants you to have a clarity in our church that we have a special anointing to break the past. There is a refreshing anointing that is coming to lead you forward. **The church of the future will have no limitation financially. If they need this money God will give it to them. There is not going to be any breakdown in finance, our people will continue to prosper.** MCO or what, it does not matter. The resources that God will give to you will be given to you so that we all can rejoice together. There will be no one with needs. Financial resources will come. The church must be alert to use most of our money to help others rather than putting back into the church. Mission UNO, 7979 and all the things that are coming up. **You have to pour your heart into this dimension of resources so that we can resource our future.**

**Between April and September the whole atmosphere of the town will change. The atmosphere in your house will change from become boring to become exciting. You suddenly begin to rise together in the house. Especially married couples, especially families, expect the miracle to happen in your life. The atmosphere over this town will change completely. Because we are taking charge by the power of the Holy Ghost. Medium, witchcraft and sorcerers will come to an end. The power of darkness will cease so that the power of God can be felt. Pray in the Holy Ghost until you sense what Papa sense in the Spirit.**

## Papa praying:-

We pray for a clear separation between death and life. In Jesus' Name we draw the line and we say, devil you can't cross over. In Jesus' Name, we bind the spirit of death right now! The Spirit of fear of death! No more dying, no more death! No more in Jesus' Name! No more walls, no more limitations, no more hindrance! Holy Spirit, we love you right now. We are free in Jesus' Name! Free in our mind; free in our emotions.

## Papa exhorting:-

"I don't know if anyone of you had a vision of a man standing beside me. He was dressed in the garment of the high priest. He spoke into Papa's ear and He said, "**The dimensions of worship, prayer, and the release of God's prophetic word will become the ingredient to form a new original church of the future culture.**" There is a new approach to God. For everyone of you though it may be different but God is going to show you exactly how to enter into His Presence. Not just the Presence of God coming from the outside coming in but we entering into the Presence of God. God's favour will be upon your life because God is going to rebuild our nation, He is going to rebuild our city. Muar will be built in a very special way. To stand against what God is wanting to do in the future will be removed. Some will leave because of death, others will leave because of persecution. **The Spirit of God will cause us to become the engine room for what is about to**

**happen in this region. A new approach to God. A new way to protect ourselves and keep what God has given to us.**

God also said to me, “**You are approved for the year!**” He said that what we are doing is important; **what we are doing is going to be endorsed by heaven with signs, wonders and miracles. So that when people look at our church and what we are doing they will realise that, “This is the Spirit dimension of Zion!”** You have not come to Mount Sinai but you have come to Mount Zion and you have no access to it except by the blood of the Lamb. The blood that speaks louder than anything else. A new way of approach to God. A new way of touching God. How God will break forth in everything that you do. He is sent after the Priest of the order Melchizedek to bless us. Papa feels like Abraham because you become like Abraham of God Most High Possessor of heaven and earth. **A new honour will come for us. The city will recognize us. The nation will become fond of us because they are watching our livestream and watching the things that are going to be placed on the media so that the nations can have fresh bread every day.** Just close your eyes for a while and imagine this Man that represents the Order of Melchizedek. He has been sent by God Almighty to set us into the new pathway of the Spirit. This is how God is going to subdue your enemies. Abraham of God Most High Possessor of heaven and earth and He will bring all Your enemies to be under Your feet. **The victorious joyful living of Christ is going to be manifested in our house. This church will never be the same again. With the restructuring and the coming down of the Holy Spirit we**

**join the same pathway and order. We are becoming the original church of the future.”**

**Papa praying:-**

“Lord, we welcome Your Presence right now. Thank You Holy Spirit that angels are all around, this is to make sure you find a new approach in heaven so that we can come with boldness, with courage, because God is a good God. I pray for those who are sick right now in Jesus’ Name. That every power of sickness will die in Jesus’ Name. Disease and death; decline and decay, and complete desolation of all those that worship idolatry and let them come to a place of acknowledging You as King of kings and Lord of lords. And we lift our hands and declare that You are good. You are our Father; You are our Provider, our Protector, not our punisher. But **You at the One who give us grace to do what You call us to do and finish it in style.** Thank You for what You are doing right now. Hallelujah! Hallelujah! Hallelujah!”

**Papa closing exhortation:-**

**“I want you to know that divine activity is going to increase this week. You are going to see things change in the political realm and all that God has planned for us will come to us little by little so that you can believe what God is saying now.** He is making alignment and adjustment for each one of you appearing before God on your own. The judgment seat of Christ, that's what it means. You stand before God and between you and God. The Great White Throne is judgment of the wicked. The Throne of Christ is

where Jesus and you meet face to face. Papa had never experienced demonic activity like any other demonic activity since the shut down. They are super afraid. Papa calls it super fear because the enemy would not face to face challenge us. So **this week is going to be a powerful week. You must just take the grace of what God is saying and allow God to break forth.** Just be opened. Be free to move in the Spirit. What is the use of learning so many things and don't use it? Use it! In prayer, worship and we are on our way into higher, greater things in heaven. The church of the future. We will have to send the message out so that they can come into the same level of equalization . **There will be drastic change in the political world.** You don't have to worry, nobody is going to steal your money. Stolen, caught, restored seven times. But God is our source. Amen”
