

## Life Giving Spirit

How many of you know that **your life can make a significant impact on somebody else's life?** But we must choose to want it. Papa is working very hard to make sure that ANS can become ACTS. ANS is our church, ACTS is the church in the book of Acts. It is no secret what God can do in your life. What He has done for others He will do it for us. But we have the humility to ask. The Word ask means keep on pushing, keep on pressing in until all that God has planned for you transfer on your side.

**The women with the issue of blood, she use the final strength she had so that she can press through.** She had an issue of blood for 12 years, no one could help her. Every physician she went she had to pay some money till there was nothing left after 12 years. Then she heard about Jesus, that makes the difference. She heard about Jesus, she didn't know Him until she saw Him in the crowd and she crawled on the ground, because she could not touch Him for she was uncleaned. **Supernatural things will happen if you would just stir your faith and push it in the direction it should go. A lot of people have faith in the world system but the world system is failing. It is good it fails and you know that it fails so that you will know God's way.**

Papa wants to tell you two important things before going into Romans 8. The best place to live is in Romans 8. It is almost the entire gospel. Sometimes you teach them Zion, Order of Melchizedek, they don't understand because there are so many connections missing. If you are not the

student of the word, you will never appreciate that. Most people just have some food and some rice and some peanut and some anchovies, like 'nasi lemak' they are quite happy, but you must go beyond. **Nobody has made a difference who didn't want to go beyond.**

Let Papa show you two different aspect of Christ and how He works with the Holy Spirit.

*“Now when all the people were baptized, Jesus was also baptized, and while He was praying, heaven was opened, and the Holy Spirit descended upon Him in bodily form like a dove, and a voice came out of heaven, “You are My beloved Son, in You I am well-pleased.””*

*Luke 3:21-22 NASB1995*

The heavens are not opened. You keep praying and praying but the heavens are not opened. But when the heavens are opened other things will continue to flow from heaven. Learn what is needed, God will do the rest. You don't have to do everything. He said, “Lay hands on the sick and I will cause them to recover!” So your time and life with Christ, **He will multiply your life with life and life abundantly. This is God's goodness for our lives. He make it simple enough to show you that His Son can do it. You can do it too.** If the just requirements are fulfilled in your life then you are travelling to space. You're going to go up higher. That is one of the examples that Jesus prayed and the heavens opened.

*“One day He was teaching; and there were some Pharisees and teachers of the law sitting there, who had come from every village of Galilee and Judea and from Jerusalem; and the power of the Lord was present for Him to perform healing.”*

*Luke 5:17 NASB1995*

God is merciful to us. Everyday we are seeing His kindness and protection. Floods here, tornado there, winds in Malaysia. Muar, free! Even the mosquitoes are getting less. The Bible says that He was teaching and the Pharisees were there, all the enemies of the cross were there. **In the midst of a bad atmosphere the power of God became present.** Let's make a difference with our lives. We have made mistakes before. Some of us have made blunders. Being all these things God will make all these things work out together for good. **Never give up on believing. Keep believing until it happens.** First it must happen in your heart.

When we extend God's kingdom there are certain principles that we are to be aware of. What He does for you He can do for another. The pattern is set. **Everyone who wants to do great things has to fight for the thing and win it.** After that you have to fight to keep it. One battle is to win another is to keep what you win. And because we don't fight this fight aggressively, the enemy is like this, if you give him an inch he will become a ruler. You give him a little bit, he wants more and more till he climbs over your head. Before long he will attack other aspects of your life. But you must be ready.

*“From the days of John the Baptist until now the kingdom of heaven suffers violence, and violent men take it by force.”  
Matthew 11:12 NASB1995*

Every time you want to move towards God the enemy puts a blockade. He is not the first starter, we start. We become violent and the violent take it by force. We are only taking what belongs to us and the Kingdom. We are not going to take from the world. There is an alternative way of living. You can have life and life abundantly or have an indestructible life. That is how the Order of Melchizedek is established. **You go beyond where nobody else have gone. You must have that character that can carry you through to the other side.** Pray that **the violent takes it by force.** From the time John was born to the time Jesus came the Kingdom of heaven suffered violent. After Jesus came, the kingdom of darkness suffers violent.

Romans chapter 8 is where Papa live and where he dwell. Just chapter 8 there are 39 verses. Papa is going to open this up little by little so that you will not missed out. If Papa have to pr act one last message, you will find Romans 8. That is how powerful it is.

**The Word of the Lord is sharp, active, it has life, it has light.** That is why nothing can be hidden in your heart. Today when you hear His voice, don't harden your heart and rely on your own understanding. **It does nor happen to what you want but according to what He has planned.** In fact you can take some promises and keep to yourself and

convince yourself that God said these. But you have discerning of spirit that you can discern the Holy Spirit and walk with Him. **Jesus had finished everything that needs to be done so that the Holy Spirit can work with you like He worked with the Son.**

The Bible says that there is great reward for those that seek Him. A man found pots of gold in a land. He covered His discovery and sold everything he had and bought the whole piece of land. What price we pay to get God's goodness back into our lives. His favour is upon us. The heavens are open.

Papa would like to help you understand this that **things of heaven flow from top to bottom. As it is in heaven, that is how you should be. You need to know the life you can possibly live to become your possession.**

**Papa praying:-**

“Lord, I pray that you will touch our eyes and ears this morning so that as we listen to Your Word our life will be changed. **We are not just looking for needs to be met but men to be made.**”

Not needs to be met alone but we must go beyond that. The man is made. **God always require an instrument by which He touch the world.** Have you become that instrument? The Holy Spirit will empower you. The rest is all His Word. You say “Yes, be it done to me according to Your Word.” And what will happen is that according to His Word

it will happen to you. And I prophesy to you **this year 2021 is a season of great freedom. God will raise us up to make things happen. We are not those who sit by and do nothing. We must make a difference. How deep the difference is going to be and how great the difference will be depends on you, how much you push from within.** Financial blessings will come. These signs will accompany those who believe. Signs will follow you, you don't have to follow signs because the Holy Spirit will set you up in the right place. Take you up in great strength. Strengthen you from on high so that we can rise above everything. The days ahead are tough. Only the tough will get going. You cannot cry over spilled milk, if it is broken it is broken but God is the healer, God is our strength.

I pray right now in Jesus' Name. Let us see the open heavens above our lives and see that God is willing to help us in every way and every form. It is going to be so tough that Jesus said, "Will I find faith when I come back?" Unfortunately the last day church is called the Laodecian church which is lukewarm, neither hot nor cold.

Lift your hands this morning and **touch His Life, the indestructible life of God. The same life that He gave to Jesus. The same nature, the same strength is going to come into your life and that is going to become the bedrock foundation.** Nobody can destroy you because God will cause all things to work out together for good. You must know the life He gave to you. It is so powerful that if you live it you will never be the same again. You will never think the same again, you will never walk the same again,

you will never speak the same way. God has spoken so that we can confidently say. We believe it we say it. We say what we believe and hold fast to our confession and that new things will happen in your life.

I break every chain right now. Satan let your power be bound right now. Every lying spirit, every deceptive spirit, every spirit that caused us to fall flat on our faces but through our God we shall do valiantly. Neither death nor principalities will hold us back. We are sons of the living God.

The young who is still a young baby, he cannot have access to his inheritance. But it is only a matter time that he will rise up, he is going to grow strong. What is reserve for Him, he can take it now and use it in his life. **Many of you are maturing in your spirit and are getting stronger in your spirit.** For that reason Papa will give you some ammunition so that you can order your life aright. “Father, show us the indestructible life. Tell us we can live in it.”

Don't let lying spirit be around and whispers some lies to you. People say, “Does the Bible say this?” You know that there is a devil behind. **There is always a devil behind ignorance.** If you don't know the devil will mislead you. But Papa pray this morning that those who cross will cross. Papa want you to cross because he spent forty years in this town. Papa sowed forty years here and it will amount to something. It will establish some work. We have generations be left behind in the city.

*“Therefore there is now no condemnation for those who are in Christ Jesus.”*

*Romans 8:1 NASB1995*

The most difficult thing to deal with, the function of the spirit call the conscience. If you live in that place no fear will come. No attacks of the enemy will come. Because **when condemnation is taken away fear cannot function and all kind of fear cannot come into your heart.**

1. We are born again by the recreation of our spirit according to the image and the likeness of the Spirit of Christ.

**When we are born again our spirit that carry sin nature, our spirit that is control by the flesh will have to be broken to come under a new law. The law of the Spirit of life.**

It baffles Papa that when your children a not good in bahasa, you send your children for tuition class because they want him to pass his exam. But is going to help us not to just win our exam but to take our lives back. That is why it is good for you to get some tuition on the Bible because that is the greatest book on planet earth. As we learn how to engage with it, Truth will set us free. No sickness will hold your life. After a short while we have to send them for pension. Sickness, disease will not be able to hold us back.

*“We will know by this that we are of the truth, and will assure our heart before Him in whatever our heart condemns*

*us; for God is greater than our heart and knows all things. Beloved, if our heart does not condemn us, we have confidence before God; and whatever we ask we receive from Him, because we keep His commandments and do the things that are pleasing in His sight.”*

*1 John 3:19-22 NASB1995*

**You can show off before people but you have nothing to show when God turns up.** The Bible says that if our heart condemns us we don't have to be worried, we are already in trouble. **Our hearts must assure us that between us and God there is a clean record. God with us, we have peace with God.** We are well pleasing in His sight. Whatever we ask we received. Why? Because when our conscience is clear our account in heaven is settled. **When He say therefore there is no condemnation, your heart doesn't condemn you. In fact your heart wants to run after God. And when you can escape the deception of the heart or what we call self deception you will have peace in your heart.**

Now, how do we have that kind of work of the Holy Spirit to be done in us? **Our conscience is the light of God that is living inside you. The Spirit of Man is the candle of the Lord to search the innermost part of men's heart.** When God teach you today, there is light in the teaching and you walk in the light. **We walk in the light and we will not stumble. We will not be overtaken by the enemy because life and light is in the word, it is in us. And our conscience become clearer and clearer that we are accepted in Christ.**

1 John 3 again, “We know by this!” We know by this; It is a lot, four words that we are of the truth and our hearts assure us before Him; if our hearts condemn us we are gone. Beloved, if our heart does not condemn us, we have confidence before God; we watch how people pray; we watch how people live; there is no confidence. There is no confidence in approaching God, you don't know if God is going to answer or not answer. **“I will try it by faith”, no that is a trial of your faith. God, when He cleanses our conscience is when we walk into the light.**

Let's say for example, we have problems financially which most of us have and you wonder why it cannot be broken. **You tithe, give offering and when something that God has shown you and you stop doing it, the light is gone. We walk in the light we will not stumble. When we walk on the light we have already broke the power of darkness. As long as you stay in the confines of what God has shown you, you are in the light! There comes a day when you begin to struggle with tithe, struggle with offering, so what you do?, You just cross the line.** In here is light. When you walk out the alarm bell rings. Our conscience become pricked. Listen carefully because if you don't understand what Papa is telling you, you can't touch higher demand levels in God.

**All that He did was so powerful that by His stripes we were healed. He came two thousand years before us that we were healed when He came. This is a very powerful truth that when you walk in the light your conscience is clear. You start to struggle, that is the beginning of all**

**kinds of attacks of the enemy. If you stand before God and your heart start condemning you, you have no peace.** But because you become obedient; when you go out and struggle with your tithes and offerings, you are walking out of light, you are walking into darkness. It will pricked very hard and the alarm bells ring very hard and it stops.

Like some of us have the winding clock like in Papa's days. What happen is this, it starts very loud, the. It gets softer and softer. When you walk out it gets stronger than ever. If you go away for two years, you stop tithing, stop giving offerings, the poor are not concerned to you, and you struggle to get resources. If you realised you are wrong, the problem is most people don't realise anything. **If you are deceived and sense it in your heart, you come back to God and align your life.** Then your finances will recover. Whether the way the church spend money or when you spend money, the principles are the same.

RM 50 or RM100, that is the original but you can get a duplicate too and that is called false money. The same **God knows what kind of repentance you are going to give. If you tell God something so that you can just clear your conscience you cannot clear it, only God can. He will bring you back in the Truth and restore you in the Truth.**

**Don't disobey God for a long time because you don't know when mercy is moving out. If it took two years for you to go into the jungle, it take the equal amount of time to come out.** That is why there is therefore NOW NO CONDEMNATION. God break the cycle. The cycle of death.

Because when you lift up your hands and call on God, He will have to answer. But **you call on God there is no answer because you are violating the trust that God has in you.**

That is why He bless you. **You are not blessed for any other reason. So that you can be a channel of blessing to others.** Good preached this sermon to Abraham that this is what Abraham need to do as a father of faith.

**If you are struggling in the truth you should be obeying you will have no confidence. You 'pray by faith', hopefully God accept your offering. Papa pray that every sense of condemnation of guilt will be broken because you are coming back to the truth, coming back to life in Jesus' Name.**

**Whatever you ask you receive. Isn't that a great place to be? You ask God gave it you because you walk in the light. There is therefore now no condemnation, that means nobody can arrest you on that failure. The one that sees that failure faster than anybody else is the devil. When you are no confident before God your prayer will be weak; Your preaching will be weak; Whatever you say, it doesn't carry the same weight. But this morning, let there be a complete healing in our life that we are properly born again. When you are properly born again, your conscience will easily discover.** Sometimes you see people do somethings and you say, "Don't they ever have conscience?" They have conscience but it is seared.

**Things go wrong in life not because God make it wrong for you. Things go wrong because you don't stay consistently on doing righteous things. Most of us get into trouble and get out of trouble but learned nothing. We must know that we are born again by e Spirit of Christ.**

*“I find then the principle that evil is present in me, the one who wants to do good. For I joyfully concur with the law of God in the inner man, but I see a different law in the members of my body, waging war against the law of my mind and making me a prisoner of the law of sin which is in my members.”*

*Romans 7:21-23 NASB1995*

**You are struggling and struggling and you want to do God's work and your mind is struggling in this area. This trouble and conflict inside must stop. Sometimes you get hurt, you get disappointed. All these things will build up. We want to do good but there is a law inside us that is not broken. I see a different law in my body, waging war with the law of my mind. The law of the Spirit of life must set us free from the law of sin and death.**

**The reason why they say there is no condemnation is because your sentence has been cut off. You are free from the jail. God is wanting you to know that you are part of him and the Spirit of Truth is in your heart. That is why you have the saying, “There is therefore Now No Condemnation in Christ Jesus!”**

The Bible say that who will set me free from the body of this death? **If you want to be a Christian you got to be a good one.** Papa's father said, "Don't steal a mango and then go to jail for seven years." He wasn't asking Papa to steal but he was saying is stupid, it doesn't connect at all. **If you want to do something for God find out what He wants to do and stay in that line.** God say, "Do.", do; "Stop", stop! You will be confident to thank Him and talk to Him.

But there is a law of sin that works within us. **You become born again by the recreation of our own spirit, what will happen is that we will have confidence.** The book of Hebrews tells us that **our confidence is in Him and we will find the Throne of grace and the grace will equip us for the work.** But the difficult part is this, we don't know how to get there.

*"Therefore, since the children share in flesh and blood, He Himself likewise also partook of the same, that through death He might render powerless him who had the power of death, that is, the devil, and might free those who through fear of death were subject to slavery all their lives."  
Hebrews 2:14-15 NASB1995*

We have the fear of death as much as we have the fear of lack. **Fear is the same, it speaks against your faith. Fear is a spirit, fear is not only a state of being fearful. It is our enemy. Just like when you are afraid that you will lose out, fear of lack then you will disobey God.** You partook of flesh so that he can render you powerless.

*"Therefore, He had to be made like His brethren in all things, so that He might become a merciful and faithful high priest in*

*things pertaining to God, to make propitiation for the sins of the people. For since He Himself was tempted in that which He has suffered, He is able to come to the aid of those who are tempted.”*

*Hebrews 2:17-18 NASB1995*

Learn these because we are going to set our lives aright today.

*“Therefore, since we have a great high priest who has passed through the heavens, Jesus the Son of God, let us hold fast our confession. For we do not have a high priest who cannot sympathize with our weaknesses, but One who has been tempted in all things as we are, yet without sin. Therefore let us draw near with confidence to the throne of grace, so that we may receive mercy and find grace to help in time of need.”*

*Hebrews 4:14-16 NASB1995*

So when you have struggles the Bible says that God can help you. That **when you get into the Presence of God, Jesus the Great High Priest will take away your sin and cleanse you and put you at the Throne of grace that you might receive grace.** So break free from the inner struggle. **Your greatest ambition and desire may not be God's choice.** Papa was free to choose whether to go full time or not to go full time but Papa knew that he must leave his job and do what God wanted him to do in Muar. Papa was not born here but he was born in Malacca. Papa had to make a choice. Papa wanted to be a soil scientist. Papa wanted to

be a soil specialist because when you understand the first parable you understand all the parables.

*“Therefore let us draw near with confidence to the throne of grace, so that we may receive mercy and find grace to help in time of need.”*

*Hebrews 4:16 NASB1995*

This is why trouble starts in your life. You pray, no answer, wrong answer; you pushed, no breakthrough; pray didn't breakthrough; **the internal buildup of disappointment can become a root of bitterness inside your heart by many become defiled.**

**We only need one person to speak like that. You will find the atmosphere will change.** May Papa plead with you that **if you have struggle in your prayer life meeting God, you are in bad shape!** Especially being in this church, experiencing the kind of worship we are experiencing, the love of the Holy Spirit flowing in our lives and blessing us continually, this is a dangerous place to be. **You pray, you fast, everything that you do don't seem to connect because your conscience is still unclean.** God uses the blood of His Son to cleanse us. There is therefore now nothing that can hold us back.

*“And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose.”*

*Romans 8:28 NASB1995*

We are called according to His purpose. Do you love Him? Say I love Jesus. He will cause all things to work together. That means God will enter into the situations and turn things around. But the problem is God doesn't stop. God wants you know that He will continue until the purpose is established. Why do Papa say that He works more? To work together for good, to those who love God and to those who are called according to His purpose.

*“For those whom He foreknew, He also predestined to become conformed to the image of His Son, so that He would be the firstborn among many brethren;”*  
*Romans 8:29 NASB1995*

**What He planned to do through the Son is to make us like the Son. So that you can understand that not only is God going to work out your situation He wants to work through your situation.** And by the time you finish what you are supposed to do you walk like Him, you talk like Him, you live the life He is giving to you, you will find grace in time of need. Papa want you to keep it in your heart that **there is a Throne of grace we can draw from and the One we are talking to is not a dictator. He is our redeemer. He is the One that has set us free.** It you must understand that there is no condemnation because your spirit is cleansed. You are living in the light.

How many of you remember that when Jesus was on the cross? He breath His last and He said, “Father, into Your hand I commend My Spirit. Remember that? There are seven statements that He made on the cross and this is one

of them. He said, “Father forgive them for they know not what they do!” because He was doing something that was right. He became Man, part of the Godhead. When He was on the cross He said, “Father, forgive them.” One of the reasons He said that was they did not know what they were doing but He knew what He was doing.

**If you want to break this destructive force call condemnation, guilt, fear, you must know that you are called according to His purpose and that you really love Him and that you allow Him to continue to work in your life.** Because you love God, He is going to work. And He will make sure that we become the sons of God that will manifest in the life these days.

**You must know why you are saved; What God called you for! These struggles need to stop in your heart. The struggle with the Word is wrong because today when you hear His voice you must open your heart because the Word He is giving to you is the today Word. There is therefore Now No Condemnation. No more restrain; No more limitation; you can talk to God face to face without feeling ashamed.** Oh, I did this and I did that. That is why our lives started after the cross. At the cross we died. When He died we died. When He was buried we were buried. And Jesus said, “Today into Your hands I commend My Spirit.”

The Bible says, “Today you will be with Me in Paradise!” And the last words was, “into your hands I commend My Spirit.” When Jesus died, where was He buried? In the

tomb of Joseph of Arimathea, it was not a hole in the ground, they carved out the rock. That is why the rock is very important. It is not buried in the soil. He was buried in the tomb which was filled with rocks. So they dug into the rocks and placed His body there.

But where was His Spirit? He is going to Paradise. “Father I am going into paradise, My Spirit is going to where all men go. My body is placed where all men dead bodies are placed. For three days and three nights He was in Paradise, in Sheol itself. There are two compartments, Paradise is above, Hades or Hell is down. How do we know that Paradise is up? Because the rich man lifted up his face and he saw Lazarus. There was a gap between Hades and Paradise. That is why you cannot go from here to there and here to there. When you are dead, judgment has begun. That is why Papa don't understand why you don't love evangelism. Because for the death of one man sin came into the world. Through the death of the Lord Jesus Christ everything that sin could bring He has cut it off. He goes down into Paradise and He meets the people in Paradise and He sets them free. And He goes down and takes the keys of life and death from Satan and release all the Old Testament saints. After His resurrection they were resurrected too. Some of them went into the city. Papa's concern is this. That three days and three nights what they did was a complete plan that went all the way from heaven to hell, from hell all the way to heaven. Only One could do that, die and rise again.

When He rose again, where is His body now? In the tomb of Joseph. Where was His Spirit? Three days and three nights He was in Sheol. What was He doing in Sheol? Reveal Himself to all the Old Testament saints. None of them went to Paradise. There was no Paradise up, all Paradise was down. But now after the Lord Jesus Christ has set us free, He finished the work He cleansed the heaven so that you can enter into heaven when you die, up not down. You can **see the intricate thought pattern of God to just get you save. What He would do for four thousand years before Jesus came the first time. Why did He plan so meticulously? Because you are called according to His purpose and you love God. It is simple. Because you love Him. He doesn't want you to see the bad part of the world, He set you free from sin and then He wants to continue to work in your life.**

Three days and three nights in Sheol, that is His Spirit. His body was in the tomb of Joseph. When the glory of the Lord came down, it touched the life, it touched the Spirit of Jesus first and then His body touched the body of flesh. The first resurrection was the Spirit resurrection but the tomb is still there. So this Spirit resurrected was the Lord Jesus Christ Himself touched the mortal body which had been in the tomb for three days. That body changed immediately. From corrupt body to incorruptible body. Think about this. The first resurrection was Spirit resurrection, remember He said, "Into Your hands I commend My Spirit." Because He is going the way of Man. When man have to die he has to die.

**So the Man in the Godhead became our Saviour so that man will have a permanent place with the Godhead.** If Papa keep telling you what God has done you would want to know why you are a sinner. You would not love sin, you will hate sin because you can see how sin removes, God retains and releases you. So the resurrected Spirit of Jesus began to touch the body of Jesus. In the twinkling of an eye the whole body changed. So His Spirit entered into His body and became resurrected physically.

The important thing about this is this. What He did in the spirit world. First He met the saints, then He began to pass by Hades, there were gnashing and grinding of teeth. Because the people in Paradise were getting ready to go to heaven. Jesus gave them the keys of life and death and set them free. You must understand, they were also resurrected. Satan is a spirit. He held the keys of life and death until Jesus came. When Jesus came He finish His work three days and three nights in Sheol. He set men free, the Old Testament saints, Abraham, Jacob, Isaac, Moses. He revealed Himself to them. Joshua said, "This is the man on the wall, I saw Him." Gideon said, "He is the One. I offer the sacrifice, He is the One who took it!" In the Old Testament what is called the pre cross manifestation.

Three days and three nights He was in Sheol dealing with the powers of darkness. **Demonic powers clearly understand this, that if you jam the spirit world, a lot of people will not be able to rise.** Because you create confusion in the air the confusion will be in the mind also. **So for three days and three nights He made sure that all**

**the dimensions in the spirit world that is negative can be cut off.** So not only we have Jesus in our hearts but we also have the Holy Spirit in our hearts and the Holy Spirit is giving us access to the Father. When the physical resurrection took place, the Spirit of Christ became the Spirit that was raise up by God to tune your spirit to. He was God. He was the Spirit being came to us so that He can live in our spirit.

What does it mean to be recreated in the spirit? It takes the Spirit that is gone from heaven to Hades to right to the bottom to the bottomless pit. He went all the way down and from down all the way up. In the Spirit, He used to changed your life. That Spirit has gone to Hades. That Spirit was dealing with the power of sin and death. It is this Spirit that He breathe upon them. He breathed upon them and He became life giving Spirit.

**The Spirit that you received, the Spirit of Christ. That Spirit of Christ when God see you He sees the Son.** Sorry, we only finished verse one, Papa has already given you a summary of everything.

**God is a Spirit and a lot of things are transferred by the Spirit. There are things that are not taught but you got to catch it. Things are caught in the spirit world. Because our spirit is created in the image and the likeness of God, the Spirit of God is going to continue to work mightily. He say that when you pray, when you intercede, you are praying according to the will of God. And when you function**

**according to the will of God, your life becomes freer and freer. For this freedom Christ set us free.**

Papa specifically pray that your eyes will become opened. Why now there is no condemnation? Because Jesus did the revelation that work on your life. **If you're still struggling to be accepted, to have the pathway of the Spirit to be opened towards God, then we need to read Romans 8 again.** Because the law of the Spirit set us free from the law of sin and death. What the law of Moses could not do God did. The law of Moses, if you break it you are punished. The law of Moses could only restrain sin. That means don't allow sin to grow and manifest. Can you understand this? **The law of Moses could only restrain sin, it could not remove sin. Sin is still left inside you, you can only change externally but internally you are still not connected. But God wants you to be free. The law of Moses could not do this but Jesus could. God did it through bringing His Son in human body so that sin nature can be taken out of us. It just discipline and restrain.** Like our children, you tell them to study they say they will study but their book is upside down because they are reading comic in between. But God want us to be free. The Spirit now live within you is a life giving Spirit. The axe has been place to the feet of the tree and is about to take off. **You can be free from sin, from any sin. When you have bitterness in your spirit you can be cleansed. What men could not do God did so that you can walk according to the Spirit and not to the flesh.**

Can you see why there is no condemnation in your life? Because a new law replaces that. The law of the Spirit of

life set me free from the law of sin and death. **If you want to meet the need this is the first need you need to touch God for.** Money, anybody can make money. Christian, non Christian can also make money. You are working, they are working too. But **what the world does not have that is what you have. And if you learn to live in that area and be successful in that, you can set others free. True freedom is the freedom of the spirit.**

Let Papa tell you a secret about God. **If He loves you and pour His favour upon your life, the enemy has left your territory already.**

**Papa praying:-**

“Father I pray right now that a new sense of salvation comes upon our hearts. The devil keep deceiving you by prolonging your trouble. But God encourages you, it can stop today. It can stop now, right now. Every conflicting thoughts that comes into your mind will be brought into subjection before Christ that you can be set free. In Jesus’ Name let sicknesses be healed. Let diseases be bound. Let the Spirit of God come fresh upon our church. You say that You are going to pour Your Spirit upon all flesh. **You are going to cause the flesh to be bound and crucified so that we can walk free. Satan has no power over our lives; diseases have no power over our lives; we have authority to push the enemy back.** Come right now Lord. Oh, hallelujah!

**Strengthen your inner man, strengthen your inner man. Get him ready to receive grace, get your spirit ready. You have the capacity. It can be done, you can have a life free from diseases, sickness and death. Lift your spirit up. Let your spirit rise within you.**

Let sickness die; Let darkness flee right now; let the work of the enemy come to an end. Set us free right now from the law of sin and death so that the law of the Spirit can set us free to live life; live long, live strong. Come on, lift your hands and pray. **Let your struggle come to an end.** Jesus has done so much to give you life and life abundantly and the indestructible life and unstoppable character.

Father, right now let the church rise. Let your people know why they can look at you confidently. Why we can say what You are saying because You said so, so that we can say this. We thank You for Your Word right now. Thank You for Your Spirit right now. Set us free Lord, by the ministry of the Word and the Holy Spirit in Jesus' Name. I break every chain and everything that is holding you back. Especially those of you who are confused.

I tried so many things but didn't work. **It works for us who believe. You keep believing these signs will follow.** I challenge you one more time in the Name of the Lord Jesus Christ. Because **His work is complete. From eternity to eternity it is complete.**

Why did **God send His Son to die a cruel death so that you can live in the favour of God.** Your whole life can turn

around in just one moment. Just one word. With the word you can cast out demons. With the word He pushed Peter and John to the next level. We toiled all night but caught nothing but at Your Word, we will cast our nets. They received a bountiful harvest.

**The challenge is inside, how far you want to go; how holy you want to be; what kind of personality you want to have; God can begin to bring change in your life.** For those of you who has been struggling, stop struggling. God is great, He is mighty, He can turn things around. **Let's make things happen because we know the way. We know the way, let's make things happen.** God is granting our church tremendous favour in the spirit world. I had the angel of the Lord's house visit me in my home. I said, "This is not church, this is home." "This is church", he said. **As long as you honour His house, He honours your house.** The same thing that happens here will happen in your house. I say to you in Jesus' Name, there are angels all around.

Demonic powers are losing their power. Mediums are going to leave town. Sorceries are going to be exposed. All kinds of negative things that are hidden behind the scene will be exposed. Because **God is sending His light into the city of Muar.** New things are going to happen. **We have no more struggles in the future. The only struggle is how far you want to go. The devil cannot stop you but you must determine how far you want to go and what you want to do with lives that are given to us.**

I believe that Malaysia new government will take shape, will take form. We are going to expose everything that can be exposed. God spoke to me this morning that He is coming. His judgment is swift and sure. Only pray that God will protect us in His mercy that we are not caught in the cross fire. Our God is great. He is mighty. **The seed of the righteous will not beg for bread.**

The wicked flee when no one pursue them. The wicked are going to flee. There is no one chasing them but they have been chased inside. **Their fear is more real than your faith.** The wicked flee when they see the wrath of God coming.

Father I pray right now that our spirit will be free; our mind will be free; our body will be free; our life will be free. It is amazing how you can find the book of Romans chapter 8 first change your life, change your spirit content and focus your mind on the Spirit. And then how you can be saved; how you can be healed and how you can be led by the Spirit; all these expended life. Great things are available.

In the next two weeks when we finish Romans 8, you will know why because **God is preparing the platform so that He can lead you in great capacity. You will rise strong in your heart, rise strong in your faith, rise in your understanding in Christ. No power of the enemy is able to hold your life.** Lord, we thank you right now. We thank You right now for setting us free. Thank You Lord, let the power of your Spirit set us free right now. Our mind, our soul, our spirit, our emotion, every aspect of our lives.

**Problem with your mind, solved; problem with your spirit, solved; Quicken your mortal body, healing, solved; the gathering to a greater purpose, not just having your needs met. But become part of an elite team that can go to the next level.** The most important verse in that text of scripture is found in 9, 10, 11, 12 and 13. The rest is easy.

It so hard to **get one person mature fully come into what God has. The whole church will change because of one person.** When we see somebody can do it, you can do it, two can it. Then it will spread faster than Covid-19. Anointing is better than that.
