

The Original Church Of The Future – Part 2

Papa wants us to get ready to see the Spirit world. What will happen in the world in the future. Papa is just going to talk about the spiritual aspect of it not about technology, not on anything about medical science but to help you focus on the more important things.

The days we are living in will be the beginning of the avalanche of deception. Papa has been to so many nations that have been deceived by deceiving spirits of deception over the past five to ten years. There has been so much involvement with the occult. But the Lord is setting you free and not to be afraid by a spirit, message or a letter that comes to you.

“that you not be quickly shaken from your composure or be disturbed either by a spirit or a message or a letter as if from us, to the effect that the day of the Lord has come. Let no one in any way deceive you, for it will not come unless the apostasy comes first, and the man of lawlessness is revealed, the son of destruction,”

2 Thessalonians 2:2-3 NASB1995

First is the deception of the word, then it is the deception of the spirit, then it is the deception of self. Self deception is worse than anything else. So there is man of lawlessness, spirit of lawlessness is complete in him. The man of lawlessness is coming from the activity of Satan. The spirit of lawlessness starts from the contamination of God's word, putting your greed in the creed. So apostasy

will not come, deception will not come or when deception comes apostasy will continue to manifest. The Bible calls him the son of destruction. **If we follow this demonic activity we will become part and parcel of the judgment coming upon the earth.**

“who opposes and exalts himself above every so-called god or object of worship, so that he takes his seat in the temple of God, displaying himself as being God.”
2 Thessalonians 2:4 NASB1995

The Bible says that **our body is the temple of the Holy Spirit. We cannot surrender our bodies and minds to deceptions and lies.** We must not be quickly shaken with regard to Spirit, message or letter. What’s important is to show you in this text of scripture that **the world is going to trap you in the system of satanic forces.**

We have not received the spirit of this world but we have received the Spirit of God from on high and we can set our mind on the things of the Spirit. Papa will finish this text of scripture and go to Romans 8 and deal with the carnal mind; it’s the operational dynamics for the spirit of lawlessness.

The Bible says that he opposes and exalts himself above every god and object of worship. Slowly he takes his place inside the temple and then displays himself as God. You need to picture this because if you don't picture this you would think that everything is fine and you will just roller skate everything through. God is showing us our battle

field. **We are soldiers and we must please the One that enlisted us.** And you know what it is that restrains him now so that in his time he will be revealed.

All these things that have been happening around the world, the pandemic and all the situations right across the world are a foretaste of what crisis will be like in the future. Men will not have an answer for what is about to happen. And **you must guard your spirit, guard your message and convictions; and keep your convictions on clear sight so that everybody knows what you're standing for.** Don't let them come into power and find a way to impeach them. **Find a way to be separated before you get trapped.**

“And you know what restrains him now, so that in his time he will be revealed.”

2 Thessalonians 2:6 NASB1995

God has sent His Spirit to arrest the decay and the decline because the devil wants to plunge the church to destruction quicker than it should. He wants us to plunge into war; not only the war of words but chemical weapons and all kinds of different weapons they use. But in the midst of deception, the spirit of error has no love for the truth. **The Spirit of lawlessness will manifest. But God sent the Holy Spirit to shut down the work of the enemy until His time is right.**

When Jesus cast out demons, they said, “Why do You come to torment us before our time?” This is Satan’s way of doing things. Spiritual timing is the key for spiritual

harvest. **If you listen to the devil he will plunge you to a war you should not be involved in.** You are not supposed to join; you are not supposed to get connected but the problem is the enemy moves faster than God's people.

Over the last five years especially, becoming involved with politicians and the politics of this world, there is a time to go in and there is a time to come out. **When we go in we should paralyze every work of the devil. We must build the church in such a way that it must be a clear voice to the nations of the world.**

Papa said to the people in America that they are very fortunate. They said, "Why?" Papa said, "There are so many Christians in your nation. If everyone can hear the voice of God and stand behind a godly candidate, every five years we can put a Christian President up there." Unfortunately the church is divided. There are only two candidates, one you know, the other one you know. What you know should help you decide is it according to scripture? Is this what God has reserved for America? Because **sometimes we don't rise to take our place in the heavenly places the demons continue to possess the land.**

There are three types of people when it comes to land; owner, tenant or trespassers. The devil is a trespasser, he is not even a tenant. He just roams to and fro. And then the Bible makes it very clear. **God is the owner of all land so He will send the Holy Spirit to shut down the works of the enemy, jam the systems of the devil.** Hope you still have some adventure in your life to trust God and stir up with

raw faith. Incidentally most of us started off that way but. But now we are strong in our mind and thoughts, are highly opinionated, and careless in our minds. The Holy Spirit is sent to protect us for the mystery of lawlessness is already at work. Who now is restrained until he is taken out of the way.

You thank God that **when you pray in tongues you sense the Holy Spirit deep down on your spirit.** If it is not for the Holy Spirit, we will all plunge into sin, sickness, diseases, death or the earth will be wiped out or self-destructed. So we **give the Holy Spirit the highest place because He is the only One who can take us out of this season which is call the end time.** So the Holy Spirit was sent. God said, “Let there be light and there was light!” When the word is spoken the Holy Spirit confirms it with signs, wonders and miracles then we are through to the next level. So the mystery of lawlessness will be understood.

If you look at many parts of the world, the ones that are corrupt are walking free. You have that in Mexico, you have that in America, you have that in Malaysia, you have that in every part of the world because the whole earth is seeing corruption. All creation is anxiously longing to come out from it but the spirit of error is pushing the world into it because the only way he can control is to control from the top. That’s why we see how communism is resurgent; all kinds of politics is resurgent and those who believe that are continually pushing from behind. But the mystery of lawlessness is quickly unfolded because the devil cannot hide in the light. The devil can only hide in the darkness.

“In the beginning God created the heavens and the earth. The earth was formless and void, and darkness was over the surface of the deep, and the Spirit of God was moving over the surface of the waters.”
Genesis 1:1-2 NASB1995

God created heaven and earth so that heaven and earth can become one. But you can see the problem that takes place. God create something good, the devil plunges it into darkness.

The Holy Spirit was sent to arrest the work of the enemy, to retard His attacks so that you and I would not be destroyed. We will be equipped for the final outpouring of the Holy Spirit to put the devil in his place. Thank God every day for the Holy Spirit. When God gave you Jesus He gave you the best; when He gave you the Holy Spirit He gave the rest. That’s why Jesus says that you will come out but you will ask Him nothing because all the things that you want the Father will provide. So our lives on earth are already secured, because we are connected to the Holy Spirit.

“Then that lawless one will be revealed whom the Lord will slay with the breath of His mouth and bring to an end by the appearance of His coming;”
2 Thessalonians 2:8 NASB1995

The mystery of lawlessness is now made complete and you know how it works. **The Holy Spirit is restraining the devil from moving. Put him on freeze. Put him in such a place**

that he cannot carry out all that he wants with all his heart, soul and strength. The Bible says that the lawless one will be slain with the breadth of His breadth. **Everything God put in your mouth will be like a sharp arrow that will hit the heart of the enemy. Your target will be taken because God is rising within your heart. The word of His mouth will put an end to the demonic powers.**

“that is, the one whose coming is in accord with the activity of Satan, with all power and signs and false wonders, and with all the deception of wickedness for those who perish, because they did not receive the love of the truth so as to be saved.”

2 Thessalonians 2:9-10 NASB1995

So this lawless one will not come on his own but he will come with demonic powers, all power, signs and wonders. This is not just politics but this is demonic powers. They are now trying to hide behind the corridors of power. The Spirit of deception. You cannot believe it that so many people can see the light but still call it darkness. They know He is God but will not give Him honor. But the lawless one will be revealed.

The mystery will be solved because the one who is coming is in accord with the activity of Satan. Please remember that **the leaders we raised up must not be coming through the activity of Satan. Is Satan involved in your nation? He’s involved with sin; he’s involved with sinners; and he desires to see an utterly destroyed Kingdom of God.**

“and with all the deception of wickedness for those who perish, because they did not receive the love of the truth so as to be saved.”

2 Thessalonians 2:10 NASB1995

“For this reason God will send upon them a deluding influence so that they will believe what is false, in order that they all may be judged who did not believe the truth, but took pleasure in wickedness.”

2 Thessalonians 2:11-12 NASB1995

They believed what is false. They believe delusions or lies. **Lies are more attractive than truth because truth will force you to change but deception will keep you bound.** That is why it is very attractive. Mystery is very attractive but when the light comes everything will disappear.

John said, “I bore witness to the light, He is the light of the world. When that light comes darkness has to flee!” Arise shine for the light has come and the glory of the Lord has risen upon you. So when light begins to come darkness will begin to flee.

We must have love for the truth. We must be saved, sanctified, stand firm, hold on to the tradition of things taught to us by the Spirit. Let's suffer for righteousness sake not because of any other foolish things. So you can see if God will send to them a deluding influence they will believe it's false. Papa's prayer is that All Nations Sanctuary and all in ISAAC will love the Word. **If you don't love the Word there is no more hope for you.**

“See to it that no one takes you captive through philosophy and empty deception, according to the tradition of men, according to the elementary principles of the world, rather than according to Christ.”
Colossians 2:8 NASB1995

The Bible is very clear that no one can take you captive. Captive is a person who is caught without his willingness. A prisoner serves a sentenced. Proclaim liberty to the captives; Set free those who are in prison. Those who are sent to prison are serving a sentence. But the Bible is very clear that **we can set the captives free because they have been held against their will.**

We can understand this kind of captivity because you have to stay at home. You can't go ten miles beyond your borders. You come out of your house you got to be wearing a mask. That is dangerous to stay under this sort of oppressive atmosphere for a long time. That is why you got to exercise, open up the windows, let fresh air come through since you cannot go out. Let the air from outside come in, fresh air. It is very dangerous for those who are not healthy. In fact we have all kinds of fears multiplied seven times, staying at home under these oppressive conditions. So we pray that soon it will be through. In your nation and in our nation, so that we can meet face to face.

We love the truth; we hold on to the traditions that the Holy Spirit has taught us. We must gain the glory and be glorified in Christ. That is the kind of scenario you have.

Everything that the devil has touched he will put some deception in there.

You know this man was called the magician of Samaria. He was deceiving the people with all kinds of magical works. God sent Philip, the whole city rejoiced. Simon, the magician also gave his heart and when Peter and John came, they laid hands on him, they sensed a wrong spirit, a spirit of greed, they discovered this demonic power that was controlling him and using him in Samaria. The apostles came to dispense and destroy the works of the enemy.

The church that we are going to raise is the church of the future. When the church in that nation fails, that nation will fail. Our strongest desire for the nations that are suffering under the demonic powers is be set free. There were many great politicians that had come to see Jesus and to Paul and he set everyone free. Let the same power of the Holy Ghost be upon our lives.

The church of the future, **the future of the land depends on the church of the future.** You can't go to the moon unless somebody is putting you in the rocket. By imagination we can travel but when we have the substance we can see reality.

The church of the future, Jesus Christ is the head. The headship of Christ is over the church. He has caused us to sit with Him in the heavenly places high above all principalities and powers.

1. The clarity of vision, the purpose of mission, the wisdom of execution and the priority of purpose.

The future church depends on these.

2. God will give us a position of stature with the power to prevail and the grace to govern.

God will give you a position of stature as you walk with Him continually and become part of a new order. Some people join the club and pay \$30,000 but level one is not \$30,000 but \$35,000 and that is above your pay packet. Even \$30,000 is above your pay packet. They are a group, they are a company of people who fellowship among themselves. When the Bible says that Jesus is after the order of Melchizedek, there is no more prestigious medal for anybody higher than this order. Aaron had a job, Eli had a job but His priesthood is higher than all. It is a world of it's own; it is a category of it's own. Nobody can compare themselves with that. That's why it is said that Jesus is born after the Order of Melchizedek. Everything He is doing is beyond Melchizedek. Or the fulfillment of Melchizedek is Christ. The position of stature.

Joshua was sent to fight the Amalekites. God had made perpetual war with the enemy. From generation to generation He will deal with the Amalekites and destroy them forever.

“Then Amalek came and fought against Israel at Rephidim. So Moses said to Joshua, “Choose men for us and go out,

fight against Amalek. Tomorrow I will station myself on the top of the hill with the staff of God in my hand.” Joshua did as Moses told him, and fought against Amalek; and Moses, Aaron, and Hur went up to the top of the hill. So it came about when Moses held his hand up, that Israel prevailed, and when he let his hand down, Amalek prevailed. But Moses’ hands were heavy. Then they took a stone and put it under him, and he sat on it; and Aaron and Hur supported his hands, one on one side and one on the other. Thus his hands were steady until the sun set. So Joshua overwhelmed Amalek and his people with the edge of the sword.”
Exodus 17:8-13 NASB1995

God by the power of the Holy Spirit has given ANS and ISAAC a special command. If you want to win every battle of life you must be raised up in stature where you fight differently, live differently, you sing differently, you reach out and touch the world differently, because you don't need these things that the world has but you need the thing that comes from heaven.

You can deliver the message. When you lift your hands to pray something supernatural happens. When your voice is heard, bodies are healed; when your voice is heard, the voice of the enemy and the voice of darkness is shut down.

Joshua was in equal standing in the field as Moses was up on the hill. Behind every good man are a few others who want to take over his job. If you look at the world today, nobody wants you to stay where you are. Everybody is

climbing up the ladder. **Stature is only given to you by God.** Status is given to you by men. So you have position as people's man, a government for the people, by the people, with the people.

But God chose Moses, Aaron, Joshua. And Moses said to Joshua to choose men for us to fight Amalek. “Tomorrow I will station myself on top of the hill with the staff of God in my hand but you go to the battle front.” Can you imagine what will happen? You are in your prayer room and the soldiers have gone out. **When you lift your hands the power of the enemy trembles. When you speak the Name of Jesus, the enemy trembles and they leave our territory.** “Have you come to torment us before our time?” The demonic legion said, “We cannot leave this town, this country but we can go to the swine.”

The Bible is clear that when Moses lifted up his hands, Israel prevailed. **We have the power to become the tipping point for any result at war.** Papa wishes that this message would go to the people of America that they can choose the right person. **The right person is the one that carries stature. And when your hands are heavy there are others that support you. Moses is with stature.**

“Now Joshua the son of Nun was filled with the spirit of wisdom, for Moses had laid his hands on him; and the sons of Israel listened to him and did as the LORD had commanded Moses. Since that time no prophet has risen in Israel like Moses, whom the LORD knew face to face, for all the signs and wonders which the LORD sent him to perform in the land

of Egypt against Pharaoh, all his servants, and all his land, and for all the mighty power and for all the great terror which Moses performed in the sight of all Israel.”

Deuteronomy 34:9-12 NASB1995

We all got to go to the next level. Sometimes you have revelation, you have understanding, you believe but you just don't know how to work it out. When we did Additional Mathematics, we have to show the workings. You must show how you approach and got the answer.

Just by the laying on of hands, the impartation of the Spirit of wisdom came into Joshua. And the Bible explains this too. **Since that time no prophet has risen in Israel like Moses, whom the LORD knew face to face.** God said that Moses was different, “I speak to him face to face.” Because Miriam openly defied Moses and God came to settle the score. Whenever prophets are moving, God will step in if you are not careful and begin to deal with the situation. That is why the prophets have to rise; the people in prayer must rise and begin to connect with heaven that you carry impartation that allows you access in this area.

Papa has stayed in hotels that have twenty, thirty floors. The last two floors are different. It is for members only and you also have to be a ‘diamond’. You have to be a super scale to enter into that place to have your breakfast. If you look at the colour of the card, it is gold, then you have black cards, but when they see your card, platinum, they know you are well to do, they treat you differently. Give

you a free parking lot, give you the free facilities because you are a premier diamond holder or something.

No man can receive this except God has worked upon their hearts. Now look at this. This man knew God face to face. All of Israel listened to him. All of Egypt listened to him; Pharaoh listened to him and the nation of Israel listened to him. With all of that dimension in Moses' body, his hands could transfer the Spirit of wisdom to Joshua. When this wisdom is established in your life what Moses could do you can do.

There is such a fresh impartation that is coming this year. Papa longs to meet the nations of the world again. We start running our conferences again because those are summits where we meet God.

Papa is praying:-

“So pray that these things will pass away. No more death, let the spirit of death pass over Malaysia, over the nations of the world. In Jesus' Name, let every power cease right now that we can go back to normal life. Life of normality of mankind is not enough, we got to go a step higher so that we can take the nation to the next level. Let light come into this nation; let actual government come into this nation; the government that You blessed. In Jesus' Name”.

Back to the message:-

*“for all the signs and wonders which the LORD sent him to perform in the land of Egypt against Pharaoh, all his servants, and all his land, and for all the mighty power and for all the great terror which Moses performed in the sight of all Israel.”
Deuteronomy 34:11-12 NASB1995*

Some good / great men can change the course of your life completely and put into you what you cannot develop yourself. Thank God that every time you drive the car you don't have to reassemble it. If we need to change the tyres, we change the tyres; or if we need to change the lubricating oil we change it or if we need to fill up petrol we just fill it up. This is so important. **Just one activity of heaven can change your eternity forever. That's why laying on of hands is important.**

Papa needs to fill his horn with oil and go back to the nations of the world. Raise up a company of 'Davids' across planet earth so that we can see the tabernacle of David be established so that the Gentiles can pursue God.

Stature is a place of favor that you become called friend of God. Jesus says that He doesn't call you servant but He calls you friend because a friend knows and understands. Friends are chosen. **You can choose to be friends one with the other. You can make a choice. You cannot choose family. No matter what your brother does, he is still part of your family.** The difficulty is that brothers when they are too close they misunderstand one another. But this is a friend, I can talk to him many things.

So this is a prophet in Israel who sees God face to face and he imparts what he carries. What is going to happen? We will be connected to unshakable legacy. Stature to influence different domains. Stature to pray and push back the powers of hell. Power to pray over the works of darkness and deal with it. Setting the prisoners free, the captives free; Those who are suffering will receive a word; Good news to the afflicted; Healing to the sick; Resurrection to the dead; Judgment on the wicked; God raised you up for a specific reason.

The church of the future has got to understand that they have to live in stature. You are not ordinary, you are extraordinary.

We are not rushing because we have nowhere to go. There are so much holidays but we cannot go anywhere. You have so much free time but nowhere to go. This is the first holiday that you spend at home.

“Now when all the people were baptized, Jesus was also baptized, and while He was praying, heaven was opened, and the Holy Spirit descended upon Him in bodily form like a dove, and a voice came out of heaven, “You are My beloved Son, in You I am well-pleased.” When He began His ministry, Jesus Himself was about thirty years of age, being, as was supposed, the son of Joseph, the son of Eli,”
Luke 3:21-23 NASB1995

Everybody was baptized but nothing happened. Jesus was baptized and the moment He opened His mouth to pray

the heavens opened, the Holy Spirit came down in a bodily form, all their eyes could see because John the Baptist had been baptizing and baptizing fifth day, sixth day, seventh day nothing happened until the 21st day He arrived. When He arrived, John the Baptist said, “I need to be baptized by You!” He said, “No, no, you baptize Me first so that the just requirements can be fulfilled first.

If God is going to take you to the next level, you must honour the last level. If God were to take you to the next level you got to honour the contribution of the people of the last level. Because of Papa's forty years ministry, God has been establishing things in his life. You can stand on his platform, use his grace and become part of the race. **God must give us stature.**

So when you pray heavens open. **No prayer, no progress. There is no protection, there is no provision, there is no progress, there is no profit, no promotion, no promise. But the day you begin to open your mouth to pray you will know clearly whether you have stature or not.** You can song lead as much as you want but only God can take you to the next level.

“After these things I looked, and behold, a door standing open in heaven, and the first voice which I had heard, like the sound of a trumpet speaking with me, said, “Come up here, and I will show you what must take place after these things.” Immediately I was in the Spirit; and behold, a throne was standing in heaven, and One sitting on the throne.”
Revelation 4:1-2 NASB1995

So the angel began to invite John to come up. **Before you can be in the Spirit, the Spirit has to be in you. He will change your stature forever.** “Immediately I was in the Spirit, I was taken up in the Spirit!” So **the church must carry stature for heaven to interact with you.** You find that all angels, except demonic spirits, **all angels communicate to you because you are chosen by God. The message must be delivered to you. They come to minister to you because of who you are not because of what you do because you are covered by the Name of your Family.** You have received a Name higher than any other name that at the Name of Jesus every knee must bow, every tongue must confess.

Stature is different, it is not positional. It is not a position you occupy and every year get an increment to go up. That’s not what Papa means. You move from one level to another. That is why the virgin birth is so important. The girl who was going to carry the baby had God the Father put the Seed, had the Holy Spirit empowering, overshadowing her, and she carrying the Seed of the Son. **Mary moved from the ordinary to extraordinary; She moved from the normal to the distinguished; Natural to the supernatural; Moved from bond slave to become blessed; She moved from impossible to possible; The Lord is with you to the Lord is in you. These are the things that help you understand stature.**

When you lift your hands things happen. When you open your mouth and pray heavens open. This is not something

you can buy. **A lot of people who exercise authority don't know what it is.** They are abusive, abusive of power; abusive of privileges given to them and there are so many betrayals happening again and again.

So ordinary to extraordinary. **Your stature in life begins to change because of your contact with God the Father, the Son and the Holy Spirit.** When God spoke to Miriam, He said, “Never have I spoken to anybody face to face like I have spoken to your brother Moses. To other prophets I speak in dreams and visions and so on but to Moses, I speak to him face to face!” **If you can talk to Him face to face you are somebody to be reckoned with.**

Papa is praying that the church leaders in ANS and ISAAC Churches, and all our friends across the nations of the world, **are coming to a place of stature. Then your yes is yes, it is nothing less; your no is no, you will pay the price to keep your convictions.**

People change for so many reasons. Some change because they can get benefits. They change parties. They leave one political party to another political party. They begin to say something like this, “Oh I don't have convictions like you I have convictions like them.” Two cannot walk together unless they agree. It is going to be more and more difficult to gather together because **everybody has a mind of their own. If it is a carnal mind it will allow lawlessness to continue. But when God touches our lives and add another measure of wisdom then you are able to do things that you have never thought before.**

Papa is praying that God will do an amazing work. The church of the future is the future of the church. **There is no hope for us unless this 'brick' rises.** Churches are dying because there is none living. But if they are living with stature, that church of 25 people, the church Jesus had had 12, you have 25 people. So that is more than what Jesus had. Because of purpose that He had for them, they went to lay hands on the sick the sick recovered, they came back so happy and said, "Lord, the demons listened to us, even the demons listened to us!" But how many of you know that the demons were not listening to them but they were listening to the One who represents them.

"The seventy returned with joy, saying, "Lord, even the demons are subject to us in Your name." And He said to them, "I was watching Satan fall from heaven like lightning. Behold, I have given you authority to tread on serpents and scorpions, and over all the power of the enemy, and nothing will injure you. Nevertheless do not rejoice in this, that the spirits are subject to you, but rejoice that your names are recorded in heaven.""

Luke 10:17-20 NASB1995

They did not have the kind of authority before but Jesus gave it to them but now the way the order of Melchizedek has manifest they find **demons responding to the ones that are connected to that priesthood.**

You must remember that **when the church leaders are without stature nothing works, everything collapses. But**

when you have somebody with stature some things of God are unshakable.

“God was performing extraordinary miracles by the hands of Paul, so that handkerchiefs or aprons were even carried from his body to the sick, and the diseases left them and the evil spirits went out.”

Acts 19:11-12 NASB1995

When God performed extraordinary miracles by the hands of Paul, all his disciples carried cloth and apron from him and laid it on the sick, the sick recovered. The people were excited.

“But also some of the Jewish exorcists, who went from place to place, attempted to name over those who had the evil spirits the name of the Lord Jesus, saying, “I adjure you by Jesus whom Paul preaches.””

Acts 19:13 NASB1995

Here is like thieves. Using other people's code and living in luxury on the expenses of others. So they try to combine the message. “I adjure you, I command you by Jesus Whom Paul preaches.” These are people without stature and one of them who was doing were the seven sons of Sceva, a Jewish chief priest. **If the man you are under is not functioning it won't happen in your life. Authority we receive from those above us.**

The disciples were so excited because everything that Jesus did, they were doing in the open. They were excited

because Jesus had 12 apostles and there were 70 others. The 70 others were almost at equal standing with the 12.

“Seven sons of one Sceva, a Jewish chief priest, were doing this.”

Acts 19:14 NASB1995

The seven sons of Sceva were sons of the Jewish high priest. “Show us how to do what Paul is teaching his church. We really need to match up because we are really losing business.” In Muar, we have many cafes but when you go in you cannot smell the coffee. You can't feel the freshness of the cake. If you go to Chinese restaurants and you smell butter, butter is in the wrong place. You go to Chinese restaurants you smell garlic and the food the Chinese authentically live by. You cannot just put other ingredients and change it. I hope you really understand this.

The spiritual position is to carry the grace to prevail and the power to govern.

3. The availability, accessibility and accountability of leaders empowered with grace, skills and anointing.

If we want to change the world we have to change the ways our leaders are trained. In so many places when you say, “I am trained in London as a nurse,” and so on, they take you immediately because they are well trained. Some of the method of employment that is beginning to rise in this hour is skilled, talented and graced people.

If we have strong leaders we have conquest. We can go up the mountain to pray and Joshua can go out in battles and he can rise again and again to move forward. But we have leaders who are not available; leaders who are not accessible; leaders who do whatever they want with no accountability; it is going to be church with frustrations. That is why **the way we minister to our sons and daughters and raise them up must change and has changed.** If we **give too much to people who are not appreciative then what we have is lost.** But Papa is going to try to help our church, ANS and all the other churches to **understand that when God set a leader, we must work around them and raise up winning teams right across the world who can raise up the water level, who is there on sight.**

Some people feel very happy, Wah!, no need to go to church, we can just get on to ZOOM and carry on this kind of life is just better. Go all the way to church; how difficult is that? **This physical building is important. It becomes important because of the purpose why we have this building. Because we want to raise up sons and daughters.**

Papa feels almost as strongly as the late brother Cerullo. God told him, “Son, build Me an army!” Papa wants to **raise up an army of people who can go out anywhere, everywhere, carrying the voice of God to the conscience of men.** The School Of The Prophets, The School Of Statesmanship, The School Of The Spirit, all these were catalyst for what is about to happen in the last twenty

years of our lives. Twenty years, a double decade of open heavens.

We need leaders who have seen the future; we need leaders who can come back from the future and begin to build it into their lives so that the future is not there, it is in you.

In fact, the word ‘Ecclesia’, the Greek word ‘Ecclesia’ means **‘LEADER OF THE CITY’**; Governmental Leader of the city, not to part of the government only but **they have authority, they have stature, they are one step above the others. We must raise up leaders of this nature. In the ‘Ecclesia’ the leadership of the city gathers together, each one of them having inter relationship and connection with one another so that when they move the whole ‘Ecclesia’ will be a supporting team.** But the difficulty is this that when people get into leadership, instead of reproducing other leaders, they become dictators over the whole department.

We are believing God that our leaders will be available, accessible and accountable because authority flows from above downwards. You cannot exercise authority outside of Papa’s authority in this house. You can volunteer but you cannot violate that authority because **every home has one authority, God the Father, the Son and the Holy Ghost; then the husband, then the wife, then the children. All the children under the spiritual authority will be protected. Even if you do not know a lot of the Bible but because of**

your position in where you are, God's anointing will come upon you and break the yoke of the enemy.

We need leaders who can see so that they will be so excited that they will go back and tell the whole army. We need champions who will go and defeat Goliath and faith comes back to those people who ran away. **This is a time to seek for leaders. Become the leader God wants. You must be accessible, God can reach you, Papa can reach you, you can reach Papa. Available, that means they can drop anything and everything in order to concentrate on priority of purpose. We must have all our leaders skilled with every kind of skill and grace. We got to raise up competent followership after that.**

1. The Clarity of Vision, Purpose of Mission, Wisdom of Execution, Priority of Purpose.

This is all communication strata that everyone of us must enter in.

2. The Position of Stature.

3. The Accessibility, Accountability and Availability of Leaders.

Let us pray that **our church will become progressively motivated by the revelation of God and stand against every deception and apostasy that can come our way. Every activity of the devil must be stopped.**

Papa praying:-

“Father I pray for the man of lawlessness to be revealed in our lives, in our day, in our time. Because the man of lawlessness will come to an end. Because you will destroy the deceptions of the enemy. The opposition he put against God’s people will come to an end.

We are not going to let the devil take his seat in the temple because our body is the temple of the Holy Spirit and we have this miracle of our obedience. There is a miracle for your obedience and God will give to you as you obey. You touch that sea with the rod of God, the Red Sea will open up. Even the Priest put their feet in the Jordon, the Jordon will subside.

I pray that our church will become a church of stature with strong leadership, with a strong highway to God, that we will have the keys of the Kingdom accessible to us.

I pray this year that each one of us will move to the next level and we can push the enemy out of the terrain. We bring God in. Devil moves out, God’s people move forward, God moves in. That’s how it should be. I pray that it will be as it should be in Jesus’ Name. That lives will be free from sickness, disease and death; from decay and decline; from desolation and destruction. Thank you for Your protection on our lives. We will never be the same again because Your Spirit has fallen upon us. In Jesus’ Name receive your miracle; receive your miracle that comes from your obedience to God. Lay hand on the sick and the sick will

recover; Pray for the poor, they will also become rich one day; Pray for those who are connected to us that they experience the same thing we experienced today. I pray that eyes will be opened, ears will be opened, hearts will be opened in Jesus' Name. Thank You Father for your people whose ears You have opened to hear Your voice. In Jesus' Name, we will be obedient till we finish our assignment and reach our destiny. In Jesus' Name, Amen! Amen!"
