

## Living In The Spirit

**We don't know how powerful the spirit dimensions are. He said, "Trust the Lord! Don't rely on your own understanding." We are confused by news, by a spirit, sometimes by someone's message. But today when we hear His voice we can have a move of God in our own lives.**

It doesn't matter where we are, we must hear His voice. **The problem with the world, they are not hearing the voice of God, the church is also not hearing the voice of God.**

**There is only one sin the Holy Spirit would convict us, that we live a life apart from Jesus.** We are part of His life. We must live that way in our family life, our work life. God gives us life and life abundantly, it is an indestructible life. The same indestructible life that He is living. After His death on the cross, at His exaltation at the Throne, the Father highly exalted Him and gave Him a Name higher than any other Name. **He gave that Name to us so that as many as believe in His Name will be healed, delivered, have a new language with heaven.** We can cast out devils, move in the physical realm, the spiritual realm, doing what God wants to be done.

**It is no use living as a Christian if you don't want to do His will because you are going to be judged heavier than anything else.** When we do God's will, we will also reap into the harvest of other people's labour. Imagine a house we have never built but we are living in there now. We

realize that **there is nothing like the life of God in us. Most of us are living in a life that we are not worthy to enjoy except that we serve Him.**

**In this season of the month of April, is to love Him with all our heart, soul and strength.** Let's open our heart this resurrection Sunday, lift our spirit up and know that there is another law that can operate.

Another law of the Spirit of life that can set us free from the law of sin and death. Do we realize that when we go to another country the law our country doesn't apply?

This is resurrection morning. One phase of our life is started because of resurrection. And **we can see Jesus functioning at the Throne room of grace and we are to plug in there so that we can move from the cross to the Throne. That's where we learn to rule and reign.**

**We set the platform for the Holy Ghost to move in our lives. One word from the Holy Spirit will change us forever. One word from the Spirit of God coming to us will give us a new lease of life and the Word of His power. We can be like Jesus to rebuild the whole world.** By faith we understand that the world is framed by God through His words. **Let's live this life and begin to walk in this place by the power of the Spirit in Jesus' Name.**

Let Papa pray for you that if you are sick, receive your miracle. God say that it is ours, "By My stripes you are healed; by My stripes you are free!" Listen carefully, "My

stripes you are healed!” He took the pain upon His body, the shame upon His face, received the nails on His hands for us. But this same Jesus whom God raised up from the dead is now the answer for all things; He is the life of everything that moves. He is the protection, the shield, the sword. In all things He is preeminent.

**Papa praying:-**

**“Father we thank you right now that You gave us Jesus and You gave us His Name; You gave us His life, You gave us His Wisdom; You gave us His stature; You gave us His Truth; You give us His way; All things are given to us in Christ Jesus. We thank You we are full and not lacking in anything.**

Father I pray that fear will be broken from us. Especially fear of the unknown, fear of lack, fear of men, fear of darkness. We hear that the wicked flee when no one chases them but the seed of the righteous is mighty.

Father we thank You that You make us strong so that we can put on the whole armour and pursue the enemy and destroy his works. Raise up battle warriors this morning, that our hallelujah will sound so high, that the graves will be opened. Hallelujah, we thank You Lord!” Amen

*“Therefore there is now no condemnation for those who are in Christ Jesus. For the law of the Spirit of life in Christ Jesus has set you free from the law of sin and of death. For what the Law could not do, weak as it was through the flesh, God*

*did: sending His own Son in the likeness of sinful flesh and as an offering for sin, He condemned sin in the flesh,”*  
*Romans 8:1-3 NASB1995*

This is the law of Moses. God gave them Ten Commandments and told them to live according to that. Every time they want to do that, it is to fulfill and do what the law has said and required. He could stop the advancement of what is inside called sin nature. But **God sent His Son so that through the work of the Son, the seed of the enemy would be destroyed. So that we can be free from sin nature that is from the inside. There are these dynamics inside our life, the Holy Spirit, our spirit and the power of the nature of sin. If we know how to control these dynamics inside our lives, we will walk free.**

*“For I joyfully concur with the law of God in the inner man, but I see a different law in the members of my body, waging war against the law of my mind and making me a prisoner of the law of sin which is in my members.”*  
*Romans 7:22-23 NASB1995*

The inner man is a spirit.

**Who is making us a prisoner? Sin nature that is inside us.**

*“For the good that I want, I do not do, but I practice the very evil that I do not want.”*  
*Romans 7:19 NASB1995*

Now that is a very confusing life. Example: we want to hit the nail on the wall but we hit our thumb instead, not once but every time. We will never hold a nail in our hand anymore because we know we will miss it.

The law of sin is working in my members. In the law of my mind, I use my mind, I am trying to concentrate, to focus, to give God all the attention but his law pulls me away waging all war all the time. We never can understand battle zone. It so intense that our mind cannot cope with it.

**There is a greater war, than the natural war that is inside our lives. Take some serious attitude in preserving your life.** Don't eat what you want, eat what you need. That is one of the first commandment that God gave Adam and Eve, "See that you do not eat! Of all the trees you can eat and enjoy except for the tree of knowledge of good and evil." The war was outside until sin nature came in. Then it was internal. **You think sinners are happy? Yes, they are happy but they don't have joy. God's Presence is not with them and their conflict is worse than ever before. We are privileged because the Holy Spirit works within us.**

*"Wretched man that I am! Who will set me free from the body of this death? Thanks be to God through Jesus Christ our Lord! So then, on the one hand I myself with my mind am serving the law of God, but on the other, with my flesh the law of sin."*

*Romans 7:24-25 NASB1995*

Papa prayed, **“Father, put a stop to the conflicts in these lives right now. God set you free from this inconsistency.”**

**This is what immaturity really means, we are not consistent in the expression of our character. What God put inside us, we must also begin to work on the outside.** Remember when Jesus died His body was put in the tomb of Joseph and His Spirit went to Paradise. On the cross of Calvary He said, “Lord I commend My Spirit to You.” Simply means when He died His Spirit went to where men should go. And He said, the destination of My Spirit is all in your hands but He knew the first place He will go. He said to the thief on His right hand side, “Today You will be with Me in Paradise.

His body was placed in the grave and His Spirit went down to Sheol. There He revealed Himself to the Old Testament saints. All from Abel to the thief on His right hand side were in Paradise. This is very important because 3 days and 3 nights: In His Spirit He went down to the bottomless pit, took the keys of life and death that Adam gave away to Satan in the garden of Eden. And after He rose 3 days and 3 nights from the grave, His Spirit touched His mortal body or rather entered into His mortal body He became resurrected. That was the physical resurrection. One was the Spirit resurrection. Why do you need to know that? Because **in the Spirit He destroyed death by rising.** In the Spirit He went and dealt with demonic powers; He’s been to hell. He goes down and deals with the devil, with darkness so that the people can be totally free. We were prisoners of hell, death and of spirits, sent by the enemy

against us. Jesus went and did the work behind the scene. He destroyed the power of Satan which is death itself and took away the fear of death from us. He showed us the grave could not hold Him.

Papa wants to pray this prayer that some of us will touch this in our life time that it will not be possible for sickness, disease, power of darkness to ever hold us. If we are on the Lord side we will know. Death could not hold Him, sin, sicknesses, fear of death could not hold Him. Nothing could hold Jesus. Not only is He an overcomer, but He can also make you an overcomer.

It is important for us to realize what the law was doing. **The law is for sinners not for the saints. The law is for the rebellious because there is conflict. God gave you choice, "Either come My way or go hells' way!" Sin cannot be eradicated, cannot be taken out by the law. The law only brings us to Christ. The law of sin and the law of death controls our thinking patterns, our emotions, every aspect of our lives. When God gave the Ten Commandments and all the laws, weak as it was, meaning that it didn't have enough power to take sin nature out of our body, because it is the nature of sin in the spirit. So it was a sin tainted spirit.**

Example: We put laws on your children telling them they cannot do certain things until such and such a time, only use our computer from 9am-12pm. The child says, "Ok Mommy." The moment the Mommy turns away and goes out they continue on.

We are teaching our children restrictions. We are trying to teach them law. **When we apply the law then we can see sin manifest. Because the law of sin protest against the law of the Spirit of life. That is why when the Word of God comes to us, the first thing we do is react. We should not react we should respond. If we are in conflict with all these laws working in our body we will be confused. With my mind I am serving the law of God but on the other hand my flesh is serving the law of sin.**

*“However, you are not in the flesh but in the Spirit, if indeed the Spirit of God dwells in you. But if anyone does not have the Spirit of Christ, he does not belong to Him.”*

*Romans 8:9 NASB1995*

**If the Holy Spirit is dwelling within us, we are in the Spirit.** That is why baptism of the Holy Spirit is very important. If we not baptized in the Holy Spirit with the evidence of tongues, we need help. **Don't live life without Him; without Christ; without the Holy Spirit; without good input of God's word on your life. Indeed you are in the Spirit if the Spirit of God dwells within us. Why do we pray in tongues? First it is to strengthen our inner man because He is going to build us in the inner man not the outer man.**

**The problem is many people like to study this and that and their mind is so thick. The Spirit cannot pass through in their lives. Everything they don't understand. The mind is not clear. The mind set on the Spirit, the life set on the Spirit it is life and peace. Follow the way of the Spirit of life.**

*“so that the requirement of the Law might be fulfilled in us, who do not walk according to the flesh but according to the Spirit. For those who are according to the flesh set their minds on the things of the flesh, but those who are according to the Spirit, the things of the Spirit.”*

*Romans 8:4-5 NASB1995*

**Choose to walk in the Spirit. Choose to follow the way of the Spirit of life.** The law of Moses, could not take away sin nature, it could only restrict it. But **when Jesus came He died for our sin and through His Spirit you receive a new spirit. Our spirit is re-created in the image and the likeness of Jesus. So when God looks at us, He sees the spiritual nature of His Son inside us.** That is why the spirits of the righteous men are made perfect.

**When sin nature is taken out, we are now free to follow another law - the law of freedom. No condemnation. It means the effects of sin are no longer functioning on us. Can you imagine our life free from sin? And because our spirit is free, demonic powers cannot hold us.** Only one spirit can live inside us. When the Holy Spirit and evil spirits can flow out of the same man, it's dangerous. Like electricity, every time you turn on your water heater all the power in your house is shut off. But when you put the toaster on, things are ok. This water heater is short circuiting the whole system. That is the reason why **we have to be free from sin so that we can set our mind on the law of the Spirit of life and we can walk in the Spirit.**

Revelation 4, the angel says, “Come up higher, I will show you what is going to happen in the future.” Who could do that? The Holy Spirit. The moment the angel said come up here, immediately I was in the Spirit. **We cannot be in the Spirit unless the Spirit is in us.** When the Spirit of God is in us, we can be in the Spirit immediately. That is why the Bible say, “Set your mind on things of the Spirit.” So now take your mind and set it on the Spirit. Think on what the Spirit is saying to you.

**One of the reasons why we pray in tongues is not only to strengthen our spirit but for the Spirit of God to come and live in us. He is a Spirit. We must live in the Spirit dimension first, then He lives in our whole body.** The body is the temple of the Holy Spirit. **The Holy Spirit can dwell within us. God sent the Holy Spirit this way so that He will go into our life, set us free from the law of sin and death.** God wants us to set our mind on the things of the Spirit.

**We should teach our children, we should teach our young adults because we cannot escape the power of sin and death. We cannot be victorious until we know Romans 8.**

*“For those who are according to the flesh set their minds on the things of the flesh, but those who are according to the Spirit, the things of the Spirit. For the mind set on the flesh is death, but the mind set on the Spirit is life and peace, because the mind set on the flesh is hostile toward God; for it does not subject itself to the law of God, for it is not even able to do so, and those who are in the flesh cannot please God.”*

## **Romans 8:5-8 NASB1995**

**The mind set on the flesh is when we are running on our own without following what God spoke to us. The flesh everything outside of what Christ wants us to do.** That is why it is very hard to change people who have already decided to go the wrong way. When they are in trouble they seek you for help. When they are not in trouble anymore they go back to their old ways. The old ways are to set our mind on the things of the flesh that works within us. We don't care about what others are saying but think that what we think at that point is right. Every Sunday, when we come to church Papa can adjust our life and thinking pattern. **If our mind is not transformed and changed, we are not changed. Change means we are free from sin nature.** The thing I want to do I can do; the thing I don't want to do I can stop doing.

The mind set on the Spirit is life and peace. The mind set on the flesh is death! **The mind set on the flesh is hostile towards God.**

Let Papa give us some practical example. We are worshiping God, our spirit is free. After a short moment of time another thought comes to our mind and this is not scriptural. We start to entertain it, it starts to conflict with what is coming from above. **God wants to give us life. He doesn't want to be hostile towards us. If we are hostile, it is different but if God is hostile towards us, we have no hope, hell is our end.**

**Be careful, don't go on the other side. The Bible tells us that if we are on the other side, we don't want to face God's judgment, neither do we want to face God's wrath. Judgment is about our deeds, wrath is about our destiny. Papa is sure that many of us have not seen God getting angry in the Bible. How does Papa know? Because we won't behave like this; we won't be living like this. We will be changed & transformed not up and down in Christian life. We will never say no to God. It will always be 'Yes' and 'Amen'.**

**The sin nature is deeply sunk into the life of a person. The kind of thought pattern is in his emotion, in his passion and in his life. When the life of the flesh is hostile towards God, it has no power to subject itself underneath. Verses 5-8 speaks about the carnal nature of sin and the carnal mind of the saint. Those who are of the flesh cannot please God, cannot subject themselves to God, cannot communicate with Gods dimensions. No matter what we do in the flesh, it cannot please God.**

**To walk in the Spirit or in the flesh are two different lives. The mind set on the flesh is death and hostile, not towards people but towards God. If Papa teaches us something from the scripture we get angry with Papa because we have been exposed. But the law of the mind, the law of the flesh is that it attacks God not just the preacher. Our mind must be set on the Spirit then we can walk in the Spirit, can please God, can work hand in hand with God and not be hostile towards Him. You can have life and peace. If we have life without peace it is going to be**

**frustrating. We cannot enjoy anything we want to enjoy if the sin nature holds us down as a prisoner.**

But if the Holy Spirit dwells within you, you are in the Spirit. When the Holy Spirit helps you, you are in the Spirit. **The Holy Spirit must come and dwell in our heart. We are not talking about visitation, we are talking about habitation.**

**We cry, “Lord, give me the Holy Spirit!” We get Him and place Him in the best room but don’t allow Him any movement.**

**If we live by the Spirit, then the Holy Spirit will work faster. If we have needs, He will meet the needs faster. Why do we pray and it takes a long time to come to pass? Because we struggle with the Holy Spirit. We live by the flesh and the Holy Spirit cannot come out. We only release Him when we come to church on Sunday morning to pray in tongues, pray in the Spirit but after we finish, we zip Him up within us.**

Papa teaches the students how to prophesy. At first many of them were able to prophesy but a few could not do. They were messed up and came to Papa to ask, “Why didn't I get a word?” So many times the Spirit is in captivity, we only speak when we want. We don't speak when He gives us utterance. We pray in tongues to stay in the flow because Papa wants the flow. **The moment we move away we just shut the Holy Spirit in until next Sunday. That is why the Holy Spirit doesn't breakthrough. He came to comfort us. He came to lead us. The more He wants to function, the more He is shut down.**

**We got to trust the Spirit. It is very hard to walk in the Spirit whom you cannot see. Very hard to follow the Spirit you cannot feel. Because we cannot see, cannot feel, it does not enter into our heart. All that God has planned for us cannot come our way. He is our best friend. He is our comforter. He knows the future. He knows everything the Father wants us to know, He will let us know on time and exactly at the right place, the right time, the right moment.**

So if we are in the Spirit, a different world opens up for us. Because we waited on the Spirit, He does His work meticulously. Before we pray He answers us. Before we ask, we receive. Looks like it is difficult to comprehend. Our life is so free and the other person sitting beside us is so in bondage. We are praising God, He has blessed us so much; the other is thinking, “where, what? I am not blessed at all.”

**The first miracle that must happen in our life is our relationship with the Holy Spirit must become one without any conflicts. We want to have power to please God. We want to have power so that the Holy Spirit can speak to us and we can hear Him. If God only speaks to us once in ten years, somebody got to change place. In the last days men will not endure sound doctrine. No matter what we teach them they won't listen. We have got to change this in our life time. Because else our children will not be able to receive the legacy of all the good things that God wants to give to them.**

Do you realize that father and mother who are concerned for their children in the wilderness, they came out to Jericho they were going to go into the promised land. They were so afraid that their children will suffer. It wasn't their children who suffered, **they suffered because they came in conflict with God.** And **this generation believed the word because they have seen their uncle, mother, grandmother, grandfather all of them dying in the wilderness because they disobeyed God.** When they obeyed God, **the strongest army in Canaan land was destroyed.** How were they destroyed? By walking around the place 7 times. Once a day for 7 days and on the 7th day, 7 times. When they came to the end of their energy, they walked into the supernatural. All they needed to do was shout.

**Do the natural thing, how spiritual is that? Lay hands on the sick, God continues the work. Speak the word of devotion, God carries the word. We pray, He hears and He intercedes so that we will have the thing right thing exactly on time.** Papa wants to prepare us for whatever God wants to do in this months of April till September. **We got to stop fighting the Holy Spirit in our life.** Because these few verses will help us see and how **the Holy Spirit will lead us as sons of God and He will bear witness to our heart that we are children of the living God. We partake the same Promise as Jesus Himself partakes. Living my life like a son. Then God will reveal to me the treasure He has inside me.**

There are so many things that God has given we don't know. **For so many of us, our miracle is somewhere lost. Listen very carefully. Some of us should be healed a few months ago, should have received the contract or our breakthroughs a few months ago.** Sunday morning we hear **God's Word that triggers off things in our life so that we can be sure this is meant for us.** If not we will be partaking all kinds of things and make alliance with the devil and negotiate with terrorist. The devil is no longer a terror, we are the one terrifying him. We are a territorial governing church. So the Holy Spirit will reveal to us what God has sent.

*“but just as it is written, “THINGS WHICH EYE HAS NOT SEEN AND EAR HAS NOT HEARD, AND which HAVE NOT ENTERED THE HEART OF MAN, ALL THAT GOD HAS PREPARED FOR THOSE WHO LOVE HIM.” For to us God revealed them through the Spirit; for the Spirit searches all things, even the depths of God.”*

*1 Corinthians 2:9-10 NASB1995*

Even though it says negatively “EYE HAS NOT SEEN AND EAR HAS NOT HEARD, AND which HAVE NOT ENTERED THE HEART OF MAN, ALL THAT GOD HAS PREPARED FOR THOSE WHO LOVE HIM.” But **to us the Holy Spirit has revealed them.** Why is it that He doesn't reveal to one group of people but He reveals it to another group of people? It is because of the Holy Spirit factor. We can know what God has given to us so that we don't lose out.

This widow had persistency. She went to the judge and asked for some help and she kept on going again and again, like going to the government offices, you got to go again and again and again. **It is an important time in our life to know what God has given to us. The more we know what God has given to us the more we can pursue.**

**It is time to meet the Holy Ghost because God wants to reveal to us more than what we actually know. We thought we got everything that God wants us to have but there is so much more than what we can ever believe.** He died for this reason; He rose for this reason; He was at the cross for this reason, that you may have Life and life abundantly. Not a job, life! Not a house, but life! **When we are blessed with life and we please God with our life, He will be our Healer, Provider, Accountant, Doctor, Prophet, Ruler, every need of our life will be blessed.** If we can receive this life into us. Those who live this way live in the blessings of God's fullness. God want to bless us with anything that we need.

**Sometimes the narrow mindedness in the church prevents people from going for the best.** They only take the least. **When somebody who doesn't walk with God tells you how blessed they are, be very careful!** David was angry, he said how can the wicked prosper. How come they prosper more when they don't go to church, they don't pray, they don't fast, they don't go to cell groups, they don't do anything, they come once in a while when we have occasion or function in church. They show you photographs, they went to Hong Kong, they went to

Macau, Japan and other places, wow, look at all the blessings. But you feel sad because you know they don't go to church, they don't read the Bible, they don't pray, how are they blessed? Until you go into the Presence of God and God shows you that their feet is on slippery path. Any day they can slip and fall. Surely you don't want to live like that. **What is it for a man to gain the whole world and lose his soul? And if you separate yourself and come out from Babylon God will meet you face to face. That life you live will be better than any life you ever had.** Papa cannot plan better than what God can plan. So Papa stopped making plans and discovered what He has planned for him. Papa doesn't know what else He has for him but that Holy Spirit will reveal that. **Let the Holy Spirit dwell in our hearts because then we will know what will happen.**

In closing, How To Keep ourself Alive? How to live our lives? How we can receive the best?

*“If Christ is in you, though the body is dead because of sin, yet the spirit is alive because of righteousness.”*

*Romans 8:10 NASB1995*

Some of us want something but we don't want it badly enough. We must need something badly enough. We got to press in. Because we are desperate. We are pushing and pushing until this judge will give her the judgment. The violent take it by force. We can actually press in and see something supernatural happen.

If we are born again our spirit is alive, our body is moving towards death. At some point we have to die after we are born. That is why it is very important to remember this. Our spirit is alive. Everyday as we get older we are learning more and more. Your spirit is alive going in one direction, your body is dead going to another direction to the grave. Every year you find that you can live better than last year because you are healthier because this year you have pulled back a lot of good health. **The Spirit factor cannot be considered unless you realize that your body is dead.** This is a decision we need to make in the following scriptures.

*“But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ Jesus from the dead will also give life to your mortal bodies through His Spirit who dwells in you. So then, brethren, we are under obligation, not to the flesh, to live according to the flesh— for if you are living according to the flesh, you must die; but if by the Spirit you are putting to death the deeds of the body, you will live.”*  
*Romans 8:11-13 NASB1995*

God is so good to us. We set our mind on the things of the Spirit. Though our body is dead moving towards sin, our spirit is alive moving towards God. Some of us have been with Papa for thirty years and some forty years. In the forty years we have the opportunity to receive what God is saying.

*“But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ Jesus from the dead will*

*also give life to your mortal bodies through His Spirit who dwells in you.”*

*Romans 8:11 NASB1995*

**If the Holy Spirit lives in us the miracle has already begun. The Holy Spirit must dwell within me, then I am in the Spirit. The Holy Spirit dwells within me, He will recharged my body.** Jesus was at the well asking for water but at the end of the story He did not receive any water from anybody. He said, “I have food to eat that you do not know I have.” So **the Holy Spirit is in us. He will quicken our body that is going towards death. He will quicken it and bring it to life. Your mind can be better. Your thinking patterns can be healthy. Your eating patterns can change. God gives you the Holy Spirit to quicken your mortal body and reverse it back to health. What we are looking for is not just divine healing, we want to live in divine health. Not just healing but you are healthy.**

*“So then, brethren, we are under obligation, not to the flesh, to live according to the flesh— for if you are living according to the flesh, you must die; but if by the Spirit you are putting to death the deeds of the body, you will live.”*

*Romans 8:12-13 NASB1995*

Paul is straight forward. **If we are living in the flesh, the work of flesh is in enmity with God.** Setting our minds on the work of the flesh is death. We suddenly realize we will not submit. All the negative things will happen. But the promise for this Easter is this, for if you are living according to the flesh, you must die; but if by the Spirit you are

putting to death the deeds of the body, you will live. We want to live. That is why **the law of the Spirit of life is very important for us to read, study and practice in our life.** When we are baptized in the Holy Spirit we know that we are connected to the Throne of grace because the Holy Spirit works with Jesus and Jesus with the Father.

We are going to pray that our life will never be the same again. The Holy Spirit falls upon us and fill our life again. The Holy Spirit came in Acts 2, then He came in Acts 4 and then He came in chapter 6. **The Holy Spirit is always manifesting in different measures, and different forms.** By the Spirit we put to death the deeds of the body we will live. In chapter 7, we are confused. We can't do this, we can't do that. We can't do the things we want to do and we do the things we don't want to do. But **now we know that the Holy Spirit must dwell within us. He must not be under arrest. We got to let the Holy Spirit free. Free to talk to us, talk to our mind, free to minister to our spirit, free to direct us in our life. When we do that He will live within us.** From day one, from this day henceforth, the anointing, the power and the glory of God will increase more and more and more. Why? When the Holy Spirit anoints us like in David, the Holy Spirit came upon him mightily daily. The Holy Spirit was already dwelling in him before he was anointed. After the anointing, the destruction of the lion and the bear, who is this Goliath. **Start your life with the Holy Spirit. Let Him come fresh to your life and establish a new platform for God to work within your lives.**

God is good to us. We can enter into what He has planned for our life. Make up your mind. We can have life, life more abundant if we can have indestructible life. The life I live, I live now by faith in the Son of God who loved me and died for me. **The Spirit of God wants to live within me and dwell within me so that all His functions, all that God want the Holy Spirit to do to us, He will reveal them. God can show us how the future is going to be like, what our days are going to be like.** Press in. Let the Holy Spirit carry you through. Let the Holy Spirit give you the words. Let him quicken your mortal body. **Renew your mind. Change your attitude in life.** When the Spirit and the bride say, “Come!” Jesus will returned. **When He was exalted, He gave His Name to the church. Gave the Holy Spirit to the church. Gave the nine gifts of the Holy Spirit to the church and five ministry gifts and seven spirits. Everything God has given to the church. The church cannot fail. He has given so many things. He has given His Name, He gave His glory, He gave His life, He gave His friendship and intimacy that we will know. For to us the Spirit revealed them.**

**Papa pray:-**

Come Holy Spirit, touch our lives afresh right now. We will never be the same again. **We will stop struggling with God and start wrestling with devils and principalities and powers and bring them down.** Principalities and powers of darkness. So we can put on the armour of God and stop the schemes of the enemy against our lives. We don't want the devil to take our lives and abuse our lives, oppress our lives but He wants us to be free. He wants to

**give us fruits of the Spirit. Life with the Spirit; the comfort of the Holy Ghost. I pray that you will be closer and closer to the Holy Spirit, praying in tongues everyday. Every waking hour pray in the Spirit, strengthen your inner man. Learn to charge your body.** Now to Him who is able to do according beyond your prayer, beyond your asking but according to the working of God inside of your life. **You can recharge yourself. Get yourself stronger and stronger everyday so that everyday is a day of victory.** Then the next year we continue from victory to victory. No more defeats, no more lie, no more compromise. In Jesus' Name, I break every compromise. We will have the Holy Spirit the right way. We don't want to house arrest Him and not let Him function. We want to Him to flow deep within our hearts. Father I pray that our church will rise. Lord, that new ones will begin to rise. That the leaders will become stronger and stronger, sharper and sharper. And that our gospel to them will be the gospel of peace and power. Let Your hands move over our lives. Thank You for this resurrection day. Because You live we can face tomorrow. We can have a tomorrow. **In a dry and thirsty land we can be the answer to the people around about. Holy Spirit I pray that You will get closer and closer and manifest Yourself through us.**
