

EMPOWERED BY THE HOLY SPIRIT – PART 2

Where there is no Christ there is no cross; Where there is no cross, there is no conviction; Where there is no conviction, there will be crisis; Where there is no crisis, most people don't learn. But when you are put in a crisis, first you rely on your own strength. Suddenly you realize that you are so far short from strength. You need the Holy Ghost at that time.

“I will ask the Father, and He will give you another Helper, that He may be with you forever; that is the Spirit of truth, whom the world cannot receive, because it does not see Him or know Him, but you know Him because He abides with you and will be in you.”

John 14:16-17 NASB1995

““These things I have spoken to you while abiding with you. But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and bring to your remembrance all that I said to you.”

John 14:25-26 NASB1995

The Helper Whom the Father will send in My Name, He will teach you all things. **The most important things are the basic things.** There are so many things you can say concerning Him, but you are becoming hard of hearing and so that stops. But **the work of the Holy Spirit, to keep your heart tender, is always evident.** Jesus said many things in between the verses.

*“Peace I leave with you; My peace I give to you; not as the world gives do I give to you. Do not let your heart be troubled, nor let it be fearful. You heard that I said to you, ‘I go away, and I will come to you.’ If you loved Me, you would have rejoiced because I go to the Father, for the Father is greater than I. **Now I have told you before it happens, so that when it happens, you may believe. I will not speak much more with you, for the ruler of the world is coming, and he has nothing in Me;**”*

John 14:27-30 NASB1995

“I will not speak much more with you, for the ruler of the world is coming, and he has nothing in Me; but so that the world may know that

I love the Father, I do exactly as the Father commanded Me. Get up, let us go from here.”
John 14:30-31 NASB1995

It looks like an action packed movie. The devil is coming to survey but he has nothing in Me. **Can you imagine God made the devil poor. You be rich in winning but made him lose all the time by God sending you the Holy Spirit. He has done you a great favour. Because without the Spirit there is no way you can cross.**

God created the heavens and the earth. Darkness was over the surface of the waters. **The Holy Spirit was hovering over the darkness. He is the only One Who can get into darkness and still be in control.** And then God said, “Let there be light!” **The Holy Spirit was there to engineer everything. He is the One Who can stop corruption, stop you from decaying, from declining in your conscience.** “But greater works will you do because I go to My Father.”

You were sinners on your way to hell. God said, “I will not let them go to hell. I will turn their lives around.” It was God's mercy that He thought first not you! Mankind were on their own and if you let them they will self destruct. You let people have more and more power when they are corrupt, they will bring corruption to the next level. Somebody once prophecied that it will be seven times worst. You cannot reason the situation. It is beyond reason. But if you are like me, **I don't care about the devil's kingdom but I know that the Kingdom we carry will one day flourish.** You may deny me, deny me, deny me but there is One who keeps the accounts. So we should not be afraid because we have the right stuff with us and the right Teacher with us.

Everything Jesus did and spoke to the disciples is so that they can enter into it. Jesus taught them how to respond to the Holy Ghost. He showed them the way. He said, “This is your Helper.” He personally asked God the Father that He will give the Holy Spirit to you. Imagine His love. **He had to die so that you can receive everything He died for.** And for the joy that was set before Him He endured the cross. Where can you find such God? Where can you find such Man?

The Bible is clear when He said that, “I want you to do greater works than this!” He never asked for less, He asked for more. This is how kind God has been. He said, “Less we forget!” Jesus

acknowledged that he was the ruler of the world that is coming because he was defeated at the cross. Jesus shut the devil out completely from our lives. But unfortunately before He could send the Holy Spirit, Satan had entered into the heart of Judas Iscariot. He will say things like, “Don't let your heart be troubled; I will not leave you as orphans!” **He doesn't want us to be anything less than what He wants.** Your problem is that you go as far as you want and then you pull out. But Jesus' solution is to keep on pursuing you. **If God did not pursue us we will be in hell by now. You will be sick, you will be dying.**

He said, “I will not leave you as orphans.” When the Holy Spirit comes He will fill you with the Spirit of sonship. Now they didn't feel sonship, they feel apostleship. **Before anything can happen, before you can be great and wonderful, if you want to see casting out of devils, you need to qualify as a son. Because to sons He gives all things.** Abraham gave to Ismael cash and gifts and money, some stocks, maybe bitcoin. You probably think that is what He wants to give to you. God is kind. I just want to show His intentions to you.

He intends us to be better than the best. Of all the Old Testament John was the greatest but the least in the Kingdom of God is higher than him. So **what is the use of fighting for greatness, we are already great. What is the use of struggle, trying to make yourself somebody, He is making you somebody.** Why must there be all these ambitions? Our church people have no ambition to go up. They don't want to be leaders. They say that it is very inconvenient, too much work. **The church cannot grow without good leaders.** Jesus looked at the city and He saw the whole place was empty, there was no leader. They were like sheep without shepherd. Sheep without shepherd will end up in the slaughter house. The wolves will come. **You must learn to take leadership. It means influence somebody's life for good. Leadership is basically influence. Your personal skills to influence them to go the right way.** That is why, every nation is lacking in good leaders.

They came to David at Hebron and said, “Even when Saul was King you were the one who was leading us in and out and God called you to be a shepherd and a prince over Israel!” Shepherd is what you know, he was a good young shepherd. He kept the sheep under the good hands of another person, then he went to see his brothers at war. The father did not believe in him until Samuel asked if he had another son. Jesse then remembered David. **When David was chosen, the Holy Spirit**

came upon him and continued to increase, both as a shepherd as well as a prince.

You cannot be a leader that is just pastoral: love people, love people, love people. They will die, you will die too. A leader must establish government in the lives of people. You must establish government in people's heart, things to govern you so that you build rule and order into the house. I pray that you will change and be as leaders ought to be, rather than just do your thing and do your best. You are doing your best when you are doing what is right. That is the best start to do what the Holy Spirit wants us to do.

“These things I have spoken to you so that you may be kept from stumbling.”

John 16:1 NASB1995

Everything He said and He did is to help His apostles to be really apostles. Simple things, I let you know the truth so that the truth can set you free.

“But now I am going to Him who sent Me; and none of you asks Me, ‘Where are You going?’”

John 16:5 NASB1995

He said He is going back to the Father. He told them that he will die on the cross, a cruel death. He said you are not asking me these questions because your heart is filled with sorrow. Is this Jesus going to the cross? Yet they didn't ask Him. Peter tried to stop Him. He said, “I don't want you to forget this.” He told them that He will die on the cross at Calvary but tell no one until He is risen. So He is going on a journey, they didn't ask Him because sorrow had filled their heart. Discouragement, hurts, all the negative things that fill your heart, how would you know where He is going, where He is not going? **This kind of ignorance is dangerous because we have filled our heart with wrong things we cannot find the way back.**

“But because I have said these things to you, sorrow has filled your heart.”

John 16:6 NASB1995

Remember Esau, the elder brother of Jacob. He tried to come back. He said, “Sorry God!” It was too late. There was no cure at that time. He

cried and cried but nothing happened because he despised what he received. **Please be careful. Don't just ask for a good time in April and September, just come in for the show. It is God's way of saving and delivering us and giving us an opportunity to run together with Him so that we can finalize and finish what God has called us to do in this final hour.**

“If I had not come and spoken to them, they would not have sin, but now they have no excuse for their sin. He who hates Me hates My Father also. If I had not done among them the works which no one else did, they would not have sin; but now they have both seen and hated Me and My Father as well.”

John 15:22-24 NASB1995

Sorrow had filled the heart of the apostles. So they were going through a hard time. Half of the crowd loved Christ, half hated Christ. They were stuck in between. You will find that each disciple had their own view of what needs to be done. So God sent the Holy Spirit as Jesus requested. **But you must see that the Holy Spirit was trying to align and adjust the disciples according to what God wanted so that the work God sent Christ to do, Christ will be able to finish. God raised up people before you were born. He raised them up so that they can prepare you for the future. The most difficult work is not healing the sick, it is healing those who are not sick.**

Not the ones that were sick, not even the legion that had six thousand over demons inside him was the problem. It is not how many demons He could cast out of Mary, the difficulty is to **deal with those who have a strong head and a strong mind and a big mouth, those are very hard to change.** Jesus wanted to feed the multitude and Philip said there is no money. Then Andrew say, “I have found a boy and he has five loaves and two fishes. What good is it?” Why don't we just start and see what happens. Andrew knew the faith factor. Give to Jesus and Jesus will know what to do. The young boy was prepared to lose his lunch and the miracle came upon them.

I want to encourage you by teaching you how to be empowered by the Holy Ghost. **You better know Him, not His works because He could move through your life in a minute, touch hundreds and being healed at the same time.** We have seen so many miracles, blind eyes, that person did not even have an iris. Remember the father, mother and four boys. Their eyes were completely white. They appeared

in our crusade. Children from the age of four to the woman who was eighty four or eighty five. Deaf, both sides. **God can move in just a moment to change a whole nation with one miracle.** That is the power demonstration. **We love so that we want to draw near to Him to see these happen. You are better than the ones who don't want to see anything.**

But everything that begins must not be lost. Revival we have and then revival dies. We have good times together then after next month all going down. **God don't want you to just have something good for a while. He wants you to have good to the end.** He can love you to the end.

1. When we are baptised in the Holy Spirit we need to know that we are connected to the Throne of God in heaven.

That is why **the more the Spirit dimension is in your life the more closer you feel to the Throne of grace.** Some want to be connected to the Vatican, some want to connect to this ministry to that ministry. **You better know that your connection should be with heaven.**

The day of Pentecost. This year's day of Pentecost is on the 23rd of May. Be here in Jesus' Name.

“until the day when He was taken up to heaven, after He had by the Holy Spirit given orders to the apostles whom He had chosen. To these He also presented Himself alive after His suffering, by many convincing proofs, appearing to them over a period of forty days and speaking of the things concerning the kingdom of God.”
Acts 1:2-3 NASB1995

The Holy Spirit gave orders. The Son began to teach about the Kingdom and reminded us about the Father. The Father is involved, the Father's Promise, the Son is involved all that He does and teaches and all the orders given to the apostles through the Holy Spirit. You can see that the Triune God, God the Father made the Promise, **Jesus said, “Wait for the Holy Spirit.” Don't go anywhere UNTIL. We got to fight UNTIL the battle is won. David's men fought UNTIL the handle of the sword was stuck to their hands.**

When Elisha gave the arrow to the King Joash of Israel said, “Beat the ground”, he just beat it beat it three times and said, “What else you need to do?” [*2 Kings 13:14-21*] and the prophet was angry. Don't know why when we instruct them they think we are angry. The prophet could see what the King could not see. The prophet has to do with destiny; For them they just do a slip shot work is ok.

Do you know how many **we lose because of the leaders wrong decision**. We make a whole nation powerless and we give power to the wicked, power to those who are not accountable. But the Holy Spirit is coming to us now. In the Kingdom of God our response should be different. He said, “Stay in Jerusalem until you have received the power of the Holy Spirit!”

He told them about the various dimensions of the Kingdom. The Kingdom of God is there, the kingdom of Israel is there. The spiritual Kingdom and all the aspects of truth are there. God wants us to finish the assignment. **He wants the Holy Spirit to come close to us to make us more than do work through us**. When He works within us according to the power that mightily works within you then all things will be well. **You must know that you are connected to heaven. There are cities that are connected to heaven.**

“But whatever city you enter and they do not receive you, go out into its streets and say, ‘Even the dust of your city which clings to our feet we wipe off in protest against you; yet be sure of this, that the kingdom of God has come near.’ I say to you, it will be more tolerable in that day for Sodom than for that city. “Woe to you, Chorazin! Woe to you, Bethsaida! For if the miracles had been performed in Tyre and Sidon which occurred in you, they would have repented long ago, sitting in sackcloth and ashes.”

Luke 10:10-13 NASB1995

Sometimes it is hard to believe but I hope you believe. Some cities are built in such a way that anything connected to the city is connected to hell. All the wrong people are in that city. All the wicked are in that city. When they came to Philippi they went to look an entrance toward heaven. So they went to a group who were praying. They found an entrance to the city. But there was entrance to hell too. This young girl, she had a spirit of divination. When Paul and Silas cast out the demon that was in her, she became normal. No more mystical, no more possessed with demonic powers. The moment they touched her, the whole city arose against them.

People sometimes can be the entrance of hell. They sit on the committee, they sit in the place of authority and honour, refuse to let you go. That's why we must make sure that in our city no one is in that subjection to drive hell into Muar. When he touched Lydia, the heavens opened because she was praying too and she brought God's Kingdom down even though they didn't know Christ. They were prayerful, they were godly, they were righteous. **The righteous have some measure of connection to God.** God keeps His eyes on the righteous, the wicked people flee before anything happens. When they touched Lydia, heavens opened; when they touched this young girl with divination all the city was in uproar. They had to stay in the jail. At midnight Paul began to sing and Silas began to follow. Within 24 hours the situation in the city became normal. All the wicked things stopped. Even the magistrate said, "We had to use law but what did we use the law for?" He came to apologize to Paul and Silas. He said, "I didn't know you were Roman citizen." Because Roman citizen cannot be placed in prison without a court. Please remember that there are cities connected to hell. In the last days he'll will break out into the cities. **There is no safe place except what God has chosen for your lives!**

When things happen like this Covid-19, a lot of places suffer financially. One of the worst groups of people are called church. So many churches, the people don't come, and when the people don't come they cannot collect offering. If there is no offering then the rental cannot be paid. Rental is one of the most expensive things in the Klang Valley. **When people are connected to heaven everything that flows through them is heavenly. God put the dimension inside them so that they can carry out what God has put in their lives. When you connect with heaven something happen all the time.**

"When the day of Pentecost had come, they were all together in one place. And suddenly there came from heaven a noise like a violent rushing wind, and it filled the whole house where they were sitting. And there appeared to them tongues as of fire distributing themselves, and they rested on each one of them. And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit was giving them utterance."

Acts 2:1-4 NASB1995

After they spent 40 days and 40 nights with Jesus, Jesus ascended to the heavens. They entered the city and went up the upper room and they were staying there. Park yourself on the pathway of heaven. When blind

Bartimeaus heard that Jesus was coming he shouted, “Lord Jesus help me! Jesus, Son of David, help me!” And when they tried to stop him, he shouted all the more. **We are not going to lose anybody's attention. We are going to capture God's attention by doing what in right in our lives.** Why should God fill you? Why should you have the revival? Because of His mercy. **God wants you to know that if you are connected you are in for a powerful change.** Because not only the church is filled, the heaven was pulsating above the upper room. Heaven was filled; people were filled; the house was filled; the crowds were filled; the upper room was filled; the church was filled; and He said, “I will pour out My Spirit upon all flesh”, even the flesh was filled.

This is why we live. **Not just speaking in tongues but to connect heaven and earth together.** That's why, **increase your giving of yourself to God. Please don't try to associate everything to finance, then you really have a problem. The Spirit of poverty is on your life.** When we talk about our finance we talk about our financial state. So that we can bless others. **If you live by the life of the Spirit, your business will be an example to them and not compete with them.** How could we compete with our uncle, maybe he is our relative or our brother?

Think seriously. Are you in a place where the Holy Spirit can come through to this nation? We must bring everything down. They entered the upper room, begin to pray because **prayer is the best atmosphere for the Holy Ghost! When you are crying out to God, that is the atmosphere the Holy Spirit likes to enter in.** All of the things that God is doing at the Throne room is coming and people receiving it and going full swing. **Heaven above me is pulsating with energy.**

God wants to use you to influence the city to change. The reason why we don't touch anybody's life because we are not touched. If something supernatural happen, you were just healed of cancer you will open your mouth and tell everybody about it. If you are open, something will happen everyday. **Give us this day our daily bread. Things will happen. He is giving us our daily bread. Something supernatural will happen everyday.** Sometimes we cannot see.

You don't know how many times the angels protected you from getting your car knocked. You will testify with me that there are so many bad

drivers on the Malaysian roads that if you don't know how to avoid the careless guy we will be in trouble. How many times our lives had been at the verge of collapse? Is possible that this morning you could not get up and gone to heaven and nobody knows? Anything is possible. But we do want it to happen we want the good things to happen. **If you have been supernaturally touched, you would have touched somebody else.**

If you tell me that there is no testimony, I am telling you that I have prove here in the Bible that it is going to be destructive for your life. **They love not their lives unto death. They overcame the devil by the word of their mouth. The less you talk about God the more hell will connect with you.** If he freezes you and paralyses you, there is one missing. But God don't want anyone to miss. **Let the Holy Ghost rise in our hearts. Connect yourself to heaven.**

2. When you pray in tongues you got to pray until the Holy Ghost changes the frequency to the next level.

Always when you wake up in the morning and pray in the Holy Ghost you can understand what dimension you are touching. If you straight ahead sing in the Spirit and become free, it means that God is near and worship is the key.

Sometimes we pray we are aggressive. You don't know why you wake up in the morning and you feel that there is an anger that rises in your heart. Violent, it has to do with warfare. Demons are around, God starts the engine, gets the enemy out of the territory. Don't go to heaven to find this out. **When you as a righteous man lift your hands to the heavens something will happen. It will accelerate Kingdom influence.** I believe that **God wants us to pray in the Holy Ghost, to set aside time in the Holy Ghost so that we can see the frequency changing, then we can go out. That frequency will begin to change people.**

You know Chinese people have this situation that they can feel. This area is not good for business, that area is good for business. Whether it is by human calculation or not some business community in different parts of the world including Nigeria, Africa, this people are really good. They can sell a refrigerator to the Eskimo. Not everyone in the Chinese group, certain kind of people, they are very good in this, others are very good in other things. The Indian race is also the same. If you mention this

company of people, lawyers and doctors come out from that particular group of people. And there are others that are accountants and so on and so forth from a particular group. So there is some deposit of heaven in your life.

God is kind to every man. If you start slow you will finish strong too. Some may be blessed with money; others blessed with compassion; some others are involved in spiritism all the while, that group is always spirit, spirit, spirit, spirit. **The frequency that you build within your heart is easy for you to have access to the things of the Spirit. If you go out to counsel somebody you must be filled up before you talk to them. That means fully equipped to go to battle.** Especially those on the power team who want to do evangelism, visitation and follow up, you really need power to get out there. We can share a measure of power inside the house. This gun is not for the people inside the house. If not you will be shooting everybody. The gun they carry is not for inside the police station, it is for what is outside the police station. So pray aloud. Pray strong.

3. When you receive the full baptism of the Holy Spirit you have access to the word and the oracles of God.

When you are baptized in the Holy Spirit, we can sing in the Holy Spirit, become strong in the Spirit, you can read the Bible and things can be clearer and clearer to you because He is the One who leads you into all Truth. That's why when we talk about **empowering in the Holy Spirit it is not just speaking in tongues. Speaking in tongues you edify yourself but also when you read the word of God, the word of God will become alive.** When the prophets in the Old Testament began to speak and they get very interested in what they are saying. When the scriptures says in Isaiah, "the virgin shall bear a child", if you are a prophet and from science class, you want to know how it happened. The Spirit of Christ in them was telling them who they were praying for. And then they wanted to know what time, who, when, how. They had to do that on their own.

When the Holy Spirit came upon them they had these questions in their heart even though they prophesied to our generation. This is very, very powerful. I say that **when the Holy Spirit comes upon your life and you pray in tongues, your spirit becomes open to revelation, to understanding and to wisdom.** Suddenly when Jesus explained to them in Luke 24, if there was any scolding, it is done because they didn't understand the scripture. So you know I don't scold

anybody. I choose the people I need to scold. I don't scold everybody. I want the ones that can go forward be the ones scolded so that they can change and get to the next level. I am the kindest man you probably know. You can boast about it because there is nothing inside me that wants anything of yours. God has amply bless me financially even though one and half years we have no conference whatsoever, God still sustain us, open up the door for the school and everything else. Because you came here with nothing, you are not going to go out carrying anything not even an underwear. All fresh clothes, ready for the Presence of God.

“Some of those who were with us went to the tomb and found it just exactly as the women also had said; but Him they did not see.” And He said to them, “O foolish men and slow of heart to believe in all that the prophets have spoken! Was it not necessary for the Christ to suffer these things and to enter into His glory?” Then beginning with Moses and with all the prophets, He explained to them the things concerning Himself in all the Scriptures.”

Luke 24:24-27 NASB1995

The scripture is like the constitution of a nation. It tells you how far your nation can go, what your nation has. So you have founding fathers. In Malaysia we have founding fathers. Fathers who really saw the nation being one united together and how all of them contributed and how all of them can enjoy the economic pie that has been open up for them. What the founding fathers wanted is taken over by the non fathers, who try to act like fathers, but only apportion themselves. They divide themselves. Whether it were these two men who were talking to Jesus or anybody else. What God wanted done is done already. Have you read in the bible that the end of days is over already? Because whatever God speaks is what will happen. Even the persecution on the church.

“For truly in this city there were gathered together against Your holy servant Jesus, whom You anointed, both Herod and Pontius Pilate, along with the Gentiles and the peoples of Israel, to do whatever Your hand and Your purpose predestined to occur.”

Acts 4:27-28 NASB1995

Only what God has said will happen. So in the year of happenings what are we looking for? What He said happened, create space for it to happen now so that your confidence in scripture, you know that finally what will happen. He opened their minds to understand the scriptures and He open the nations up for

us so that everything that God wants can be done. But you say you got to read the Bible and begin to find these things build convictions in your heart so that what you believe is what you receive. Believe and don't doubt.

You got to put in some serious thought into that so that you know He will not fail. If you know this particular stock that is going to go up you hesitate, it goes up and you want to buy, you are finished. If you don't know how to read, you don't know how to feel, you don't know the gut feeling, and don't know how to read the graph properly, you will be in trouble. **In the same way, when you don't know scriptures, you cannot put your foot on.** You are standing on the promises of God. Because everything is like eggshell, you don't know where to stand. But **if you know the scriptures and know how to work with scriptures and you know how to believe what the scriptures says not what everything you understand.** But if you feel in your spirit certain things and do this and that, it will happen. **We have confidence in the scriptures that Jesus had gone behind the veil and that He is waiting for you to receive better things that accompany your salvation. The reason why God open this kind of door is He is already giving you favour, and favour last a life time.**

When God gives you stature and the favour of His Presence, He is giving you many things to enter. He is really preparing you for bigger things. When God the Holy Spirit gives you favour and your stature in God has increased you have to open your mouth, things will happen. You open your mouth and declare what He has declared, say what He said so that we can confidently say. You will have no solid ground until you come to this place.

When you stand on God's word it will never fail you because you have never failed it. You don't short circuit yourself. Believe, don't doubt in your mind that you have already received and then it shall be granted to you. So you got to believe that you have received. There is a baby inside. Before the nine months is over the baby is out. You will know. Some people don't look pregnant but they are four months already. Still climbing up and down, climbing trees, jumping over the drain. They know they are expecting only you don't know. But once they are expecting it shows. That is why **faith cannot be hidden. It manifests itself.**

4. When you are baptized in the fullness of the Spirit you are able to discern all other spirits in operation.

You talk about angels, you will see more than you can believe. Or rather you will see it and believe. Talk about demonic spirits, you can smell them miles away. One day we had some function where the older place was, on top of the old Sin Kee Tin restaurant. We could all run to the balcony right to the top. The roof top is empty. Two of the men were there and they heard demonic sound. They were so frightened they ran downstairs. They said, “Pastor, where are you going?” I said, “I am going to the roof top.” “We were just running down from there! We heard demonic voices frightening us.” Then after this episode was over I called them aside and said, **“You must not show fear in your first respond.”**

You are going to your friend’s house and they have bull dogs and there are all kinds of dogs, don't show fear. The dog knows how to make you uneasy. If it is a stray dog it is even worse. **You must not allow the enemy to smell fear.** Just like the shark when it begins to pick up the scent of blood. You don't have to invite them. They know that is the invitation. That's how they rule their world. If you have blood flowing out from your body sharks will come. **When we have nothing of the devil, he cannot take the journey to come. Even if he comes and He sees he cannot take it except what is of sin.**

When angels become present in your house, say, “My Lord if I have found favour in Your side stay here.” **When angels visit you, you must create an atmosphere. Prayer is one good atmosphere.** When angelic creation is living in your house watching over you, you need to know when the temperature in the building changes and I don't advice you to talk now to angels because you don't know if they are angels or demons so you don't talk first until God begins to speak to you, then things begin to happen. Angels are on assignment, they are busy. There are angels in this building who hear the voice of His Word, they will move. Unlike Christians, they go and pray. Angels learn obedience just like their Master. We can discern angelic spirits, demonic spirits, human spirits or God’s Spirit. **If you become a master in discerning, the scriptures will open up. No deception will come.**

I trust that these four things you will apply them into your life.

Papa praying:-

“Father I thank You for a company who are yielded to You. Lord, I have done my best, they are going to do the rest. Strengthen them right now and All Nations Sanctuary will arise to the occasion. Put an end to the Covid-19 pandemic. **We don't want our lives to be ruled and patterned after the works of darkness.** We say in Jesus' Name, your power be bound right now, your influence through wicked men cease right now! That you cannot use wicked men to rule the righteous. The scriptures say, **“Cut off the wicked!” Morning by morning remove them so that the righteous will not be discouraged and put their hands to do wrong.** Put an end to this, in Jesus' Name. As we take the authority given to us in Jesus Christ, we say as a church, “Let the gates of hell be shut right now!” Every pathway of darkness be shut right now. We are taking charge; we are taking over; let everything that needs to be release for the school be release now. Before the month of April is over we want to see something supernatural happen in Jesus' Name.

Lord, I pray You will move Your church to the next level. **Increase the water level so that everything of the enemy below that section will begin to cease. Thank you Lord that there will be so many survivors of cancer. Lord, survivors of diseases in the Name of Jesus.** Not just the Christians but the righteous people. Even our friends and our neighbours. **We cover them with our faith. We will stand with them so that we can see the miracle.** After September they will line up to testify that You are good. These people will find their place of receiving miracles, to receive the miracle of God as part of the house. We say every fear cease and every anxiety come to an end. We are surrendered to the Holy Ghost. Measure another thousand cubits for us that we may be mature. And leave the elementary things of the earth and begin to pursue all the best that you have.

Lord, I pray that now for those of ANS that are not here, we don't know the reason why they are not here but we say let their spirit be refreshed. Bring them to their senses. **Bring all of us to our sense that we are in a crucial time that we need to do the right thing and You will show the God thing to us. 2021, let this year be the Year of Happenings. Let miracles happen. Let young men and young women enter into the house and avail themselves wholly for God. Let the Word go forth. Let our friends be ready; let our neighbours be ready so that they will get ready to come into the house of God and flow with the house of God.** We bless You.

Lord, everyone that is sick right now; everyone that is not well and healthy; not up to the speed with what God is doing, Lord, let their lives be changed now. **Let the power of the Holy Spirit be released, as we hold the scripture in our hands and we say, “We believe and don’t doubt in our mind that good things are happening!”**

Lord, I thank You right now. Let the power team rise in the Name of Jesus. That only good can come forth. Let there be fruit and much more fruit so that all we are doing today will please You and honour You. We do what is right in Your sight. We want to call on Your Name this morning and say, “Let Him save His people.” The Name You have inherited is the Name by which we stand today. In Jesus’ Name, **let life begin; let transformation begin; let the revolution of values begin and the restoration of Your Church to the full glory.** We thank You in Jesus’ Name. Amen.”
